To: Honorable Chairman Joe A. Martinez

From: Carlos A. Gimenez
Mayor

Subject: Ordinance relating to incorporation repealing Ordinance 07-120

The repealing of Ordinance No. 07-120 will have an impact on the Unincorporated Municipal Service Area (UMSA). It is difficult to quantify the impact any particular incorporation effort will have without knowing if the area produces more or less revenue than it takes to provide municipal type services. Since 2000, there were three (3) incorporations whose boundaries produced more revenue than it cost to provide municipal type services (referred to as "donor area"), one incorporation whose boundaries produced less revenue than it cost to provide municipal type services (referred to as "recipient area"), and one incorporation whose area produced relatively the same amount of revenue than it cost to provide services (referred to as "revenue neutral").

As areas incorporate, there is less revenue available to service the remaining UMSA area. As the UMSA service area and revenues decrease, departmental budgets providing these services will also decrease. If this trend continues, UMSA will lose the economies of scale that existed prior to those incorporations, and therefore it will be difficult to provide the same level of services to the remaining UMSA.
