

# Memorandum

**Date:** December 19, 2011

**To:** Honorable Chairman Joe A. Martinez  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor 

**Subject:** Approval of 2011-14 Collective Bargaining Agreement Between Miami-Dade County, the Public Health Trust, and the Government Supervisors Association of Florida, OPEIU, Local 100 Supervisory Employees Unit

Agenda Item No. 8(F)(7)

## **Recommendation**

It is recommended that the attached 2011-14 Collective Bargaining Agreement (Attachment 1) between Miami-Dade County, the Public Health Trust, and the Government Supervisors Association of Florida, OPEIU, Local 100 Supervisory Employees Unit, (GSAF) be approved by the Board of County Commissioners (Board).

## **Scope**

The impact of this agenda item is countywide.

## **Fiscal Impact/Funding Source**

The FY 2011-12 Adopted Budget was predicated on reducing labor costs for employees represented by GSAF Local 100 Supervisory Employees Unit by \$32.706 million. The provisions of this agreement will generate savings of \$20.638 million. Both the County and Union worked collaboratively to identify contractual savings in order to reach a fiscally responsible agreement. The identified savings recur for each applicable year of the contract.

In addition, there is a provision in the contract that allows for a re-opener of the agreement should the County's economic conditions improve, the terms of which is such that it would permit both parties to discuss the reinstatement of some of the provisions currently being eliminated and/or frozen.

The remaining balance (\$12.068 million) is associated with an additional five percent (5%) contribution to the County's healthcare costs which the Union has opted to bring to the Board as an impasse item for your consideration under a separate agenda item.

## **Track Record/Monitor**

The Director of Labor Management and Compensation monitors and oversees the administration of this collective bargaining agreement.

## **Background**

Collective bargaining negotiations produced the attached contract which was ratified by the Union membership and is now being submitted for your approval. This contract represents a fair and equitable Agreement with the bargaining unit and is the product of good faith negotiations between the parties. It recognizes the services provided by these public servants while ensuring the continued delivery of quality services to the public in a fiscally responsible manner.

Article 34 of the contract, Wages, contains an impasse issue which is being submitted directly to the Board for final resolution. The matter in question is whether employees will be required to contribute an additional amount, not to exceed five percent (5%) of base wages, towards the County's cost of health care. If approved, the employees' contribution will be increased to ten percent (10%) of base wages.

This matter will be presented as a separate item, following the Board's consideration of the balance of this agreement.

The following is a summary of the primary contractual changes affecting the employees covered by this Agreement. The terms of this Agreement preserve employees' base pay. By agreeing to eight (8) furlough days (six (6) holidays and two (2) additional days), suspension of Flex dollars, suspension of the \$50 biweekly Premium pay supplement, and other supplemental pay, employees will continue to be eligible for merit increases and longevity bonuses during the term of this agreement.

**Term of Agreement**

This is a three (3) year contract for the period of October 1, 2011 through September 30, 2014.

**Upon ratification of the Agreement, the following provisions will be implemented:**

**Holidays, Holiday Premium Pay and Leave**

Six (6) holidays and two (2) additional days will be taken as unpaid furlough days during each year of the Agreement. Employees who work a full shift on the Thanksgiving, Christmas, or Independence Day holidays will earn a day of administrative leave.

**Overtime Savings**

Currently, work performed each day by non-job basis (hourly) employees beyond the regularly scheduled hours of work is paid on an overtime basis. This provision has been eliminated; only work that is performed in excess of forty (40) hours each week by non-job basis members will be paid at the overtime rate. This overtime calculation is in accordance with the provisions of the Fair Labor Standards Act (FLSA).

**Wages**

All employees in Bargaining Unit classifications will continue to contribute five percent (5%) of base wages towards the County's cost of health care.

The parties are at impasse over whether an additional five percent (5%) contribution will be required from all Bargaining Unit members covered under this contract. In order to resolve this matter, the parties have agreed to submit to the Board, with the parties' mutual waiver of any right to a hearing before a Special Magistrate, for final resolution of the parties' impasse, the issue of whether employees will be required to contribute an additional amount, not to exceed five percent (5%) of their base wages (a total contribution of ten percent 10%), towards the County's cost of health care.

The health care contribution will continue only through January 1, 2014, at which time the monies comprising the health care contribution will be reinstated to the employees' pay, provided however, that the County will have the right to reopen this provision of the Agreement for the purpose of negotiating whether these or similar reductions will be continued.

No wage adjustments or pay increases have been granted in this Agreement.

**Special Wage Provisions**

The fifty (\$50) biweekly Premium pay supplement will be suspended through September 30, 2014.

The one (1) pay step supplement that is paid to employees in the classification of Associate Teacher, who have obtained the Child Development Certificate, will be suspended.

There is a reopener provision which permits either party in June 2013 to reopen the contract to negotiate whether the suspension of the Child Development Associate Certificate pay supplement will be continued in the third year of the Agreement (FY 2013-14). In the event that the parties are unable to reach an agreement beforehand, the dispute will be submitted to the Board at the second regular meeting in July 2013, with the parties' mutual waiver of any right to a hearing before a Special Magistrate, for final resolution of the impasse in accordance with the requirements of State law.

**Night Shift Pay Differentials**

The night shift differential pay will be reduced from two (2) pay steps to one (1) pay step.

There is a reopener provision which permits either party in June 2013 to reopen the contract to negotiate whether these reductions will be continued in the third year of the Agreement (FY 2013-14). In the event that the parties are unable to reach an agreement beforehand, the dispute will be submitted to the Board at the second regular meeting in July 2013, with the parties' mutual waiver of any right to a hearing before a Special Magistrate, for final resolution of the impasse in accordance with the requirements of State law.

**Entrance Pay**

Changes were made to the Agreement that will change the length of time to progress from pay step 1 to step 2 for all employees hired following ratification of this Agreement. Progression from the entrance level pay of step one (1) to step two (2) will be changed from six (6) months (13 pay periods) to twelve (12) months (26 pay periods) based upon satisfactory or above satisfactory job performance. This period of time is equal to the probationary period for all Union job classifications.

**Group Health Insurance**

The County's contributions to the Flexible Benefits Plan, which averages \$1,100 per employee, will be suspended through September 30, 2014.

The County will have the right to reopen this Agreement to discuss the redesign of the County's health plan for plan year 2013. Union participation will be obtained to discuss health plan provisions and benefits, prior to establishing premium contributions.

The County has agreed to maintain 2011 calendar year group health insurance premium rates at the same level for the 2012 calendar year.

**Voting**

The one (1) hour of time off with pay for employees to vote in local and general elections will be suspended through September 30, 2014.

**Administrative Leave**

Currently, bargaining unit employees in job basis classifications who are assigned to work a minimum of thirty-two (32) hours in excess of their normal schedule are eligible to receive sixteen (16) hours of administrative leave. The accrual of this administrative leave will be suspended through September 30, 2014.

**Leave With Pay**

Currently, the Association President and two (2) additional County bargaining unit employees are released from duty with pay to administer the Agreement. One (1) additional bargaining unit employee, designated by the Association President, will be released from duty with pay to administer the Agreement.

**Contracting Out for Services**

The County will provide to the Union copies of Requests for Proposals that specifically pertain to the contracting out for services that are currently being performed by bargaining unit employees. The County agreed that, when a department submits a written recommendation to contract out for services currently being performed by bargaining unit employees, a copy of such recommendation will be sent to the Union.

**Seniority Based Layoffs**

The parties have agreed to transition to seniority based layoff calculations subsequent to the agreement of the County's other unions to conduct layoffs on the same basis. There will be a joint review of the Layoff Procedures Manual by all concerned bargaining units and the County to revise and modernize retention score calculation methodologies.

**Disability Leave**

In the event the parties reopen the Agreement on any economic issues, the County will have the right to discuss issues and changes related to the County's Service Connected Disability Program under Section 2.56 of the Miami-Dade County Code.

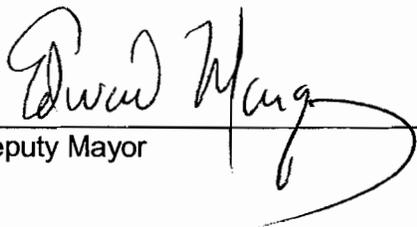

**Reopening**

In the event that any other County Union receives an across the board wage increase that is greater than the benefits provided for under Article 34 Wages, the Union will have the right to request to the reopening of negotiations with respect to Article 34 Wages only.

**Other**

Changes were made to timeframes for processing grievances and disciplinary actions to ensure due process, provide for fair investigations, and grant appropriate notification to employees.

The requirements of Resolution R-130-06, that any contract between the County and third parties be executed and finalized prior to their placement on a committee agenda, may be waived by the Board upon recommendation by the County Mayor that it is in the best interests of the County to do so. Therefore, it is respectfully recommended that these requirements be waived for this Collective Bargaining Agreement, based on the provisions of the accompanying resolution that requires the Board to first approve and ratify this Agreement prior to it being executed by the County Mayor. Accordingly, this Agreement will be executed by the parties subsequent to its approval and ratification by the Board.

## **ARTICLE 2   PURPOSE AND INTENT**

It is the intention of the agreement to provide for salaries, fringe benefits and other terms and conditions of employment except as otherwise provided by the Constitution, Statute, Charter, Ordinance, Administrative Order, Implementing Order, Personnel Rules, County Leave Manual or County Pay Plan. It is further the intention of this Agreement to prevent interruption of work and interference with the efficient operation of the County and to provide an orderly, prompt, peaceful and equitable procedure for the resolution of grievances and the promotion of harmonious relations between the County and the Association.

Upon ratification, the provisions of this Agreement will supersede Personnel Rules, or Administrative Orders, Implementing Orders, and/or other rules and regulations in conflict herewith. However, if no conflict exists, employees shall be governed in all respects by those Personnel Rules, Administrative Orders, Implementing Orders and all other County rules and regulations. The County retains the right to establish through Administrative Order, Implementing Order or Personnel Rules practices or procedures which do not violate the provisions of this contract.

## **ARTICLE 3   RECOGNITION OF ASSOCIATION**

The County recognizes the Association as the sole and exclusive representative of the employees within the Bargaining Unit covered by this Agreement for the purpose of collective bargaining with respect to wages, hours of employment, and other terms and conditions of employment.

**ARTICLE 4   BARGAINING UNIT**

1. The Bargaining Unit covered by this Agreement, as stated in PERC Certificate Number 584, is as follows:

INCLUDED: All Full-time and regular part-time nonprofessional supervisors employed by Miami-Dade County and/or the Public Health Trust, in classifications included under Appendix A. (DEFINITION: Regular part-time means those individuals who work 20 hours or more per week for at least six months per year.)

EXCLUDED: All managerial, confidential, professional and nonsupervisory and all other employees of Miami-Dade County and/or the Public Health Trust.

2. Probationary, exempt, conditional, and regular part-time employees shall continue to be governed in all respects by the Code of Miami-Dade County, Florida, Personnel Rules, Pay Plan, the County Leave Manual, and other regulations in effect prior to the execution of this Agreement and there shall be no applicability of this contract or change in any of the wages, benefits, hours, or terms and conditions of employment of such employees as a result of this Agreement unless such applicability or changes are specifically stated in this Agreement with reference to such employees.
3. It is agreed that if and when new position classifications are created by action of the Board of County Commissioners, the questions of inclusion or exclusion within the Bargaining Unit shall be settled in accordance with state law.

**ARTICLE 5   NONDISCRIMINATION**

It is agreed that there shall be no discrimination against an employee covered under this Agreement by the Association or the County because of race, color, sex, creed, national origin,

marital status, age, political affiliation, religion, membership in the Association, or for engaging in any lawful Association activities.

It is understood between the parties that bargaining unit employees will be covered by the provisions of County Administrative Order No. 7-37 "Unlawful Harassment".

This Article is intended solely to comply with the criteria enumerated above.

#### **ARTICLE 6   CHECK OFF**

Upon receipt of written authorization from an employee, the County agrees to deduct the regular Association dues of such employee from his bi-weekly pay and remit such deduction to the Association within ten (10) days of the date of deduction. The Association will notify the County, in writing, at least thirty (30) days prior to any change in the amount of regular dues deduction. The County, with at least 60 days prior written notice, will provide a separate payroll deduction for the employee's contribution to the OPEIU Voice of the Electorate (VOTE) Fund and will reflect such deduction on the employee's pay stub. An employee may, upon thirty (30) days written notice to the County and the Association, revoke his/her dues deduction.

The Association agrees to indemnify and hold the County harmless against any and all claims, suits, orders, or judgments brought or issued against the County as a result of any action taken or not taken by the County under the provisions of this article.

#### **ARTICLE 7   GRIEVANCE PROCEDURE**

1. In a mutual effort to provide harmonious working relations between the parties of this Agreement, it is agreed to and understood by both parties that the following shall be the sole procedure for the resolution of grievances regarding interpretation, application, and enforcement of this Agreement arising between the parties.
  
2. A "Grievance" shall be defined as any dispute that an employee or the Association may have arising out of the interpretation or application of the terms of this Agreement. A class

grievance shall be defined as any dispute which concerns two or more employees within the bargaining unit.

Class grievances should attempt to name all employees and classifications covered in a grievance. Class grievances, at the option of the Association, may be submitted at Step 2 or 3 and no more than two (2) employees may meet with the intermediate supervisor or division director or equivalent position as determined by the County. Each grievance when filed shall state the alleged violation of the contract claimed, the date upon which the violation occurred (if applicable), the facts of such violation, the Article(s) of the contract violated and the remedy sought by the grievant(s).

3. Reductions in pay, reprimands, counseling, position classifications, classification appeals, job description appeals, performance evaluation appeals, disability determinations, safety and health, and similar matters, for which other appellate procedures are provided in the Code of Miami-Dade County, Florida and/or County Personnel Rules or other provisions of this Agreement are not subject to review as grievances and are not arbitrable. However, refusal to (1) process an application or appeal, (2) follow time limits, (3) permit an employee a right of representation or (4) denial of a right to receive a reply, are expressly grievable.

4. Grievances shall be processed in accordance with the following procedure:

Step 1: The aggrieved employee, with the Association representative, if the employee so desires, shall discuss the grievance with the immediate supervisor within seven (7) calendar days of the occurrence or knowledge giving rise to the grievance.

Step 2: If after discussion with the immediate supervisor the grievance has not been resolved, the grievance shall be offered, in writing, and shall be forwarded, within seven (7) calendar days, to the intermediate supervisor. The intermediate supervisor's response shall be submitted in writing, to the grievant, with a copy to the Association, within seven (7) calendar days.

Step 3: If the grievance has not been satisfactorily resolved in Step 2, the aggrieved employee may appeal the grievance to the concerned Director of the Division or or equivalent position as determined by the County within seven (7) calendar days after the intermediate supervisor's response is due. The Director of the Division or equivalent position as determined by the County shall respond, in writing, within seven (7) calendar days.

Step 4: If the grievance has not been satisfactorily resolved in Step 3 hereof, the aggrieved employee may present the written appeal to the Director of the Department or designee within seven (7) calendar days. The Director of the Department or designee shall respond, in writing, within fourteen (14) calendar days.

5. If a grievance is not processed by the Association within the time limits provided for in Steps 3 and 4, the grievance shall be considered abandoned. If the County fails to process a grievance within the time limits provided, the grievance shall automatically proceed to the next step.

Either party shall be permitted ~~one (1)~~ extensions of time at any step as a matter of right, not to exceed the seven (7) calendar days provided above for each step, provided that the other party must be notified of the requested extension prior to the expiration of the original seven (7) day time period. ~~Additional~~ Extensions of time may be mutually agreed to at any step. Such requests shall not be unreasonably denied by the other party.

6. The parties acknowledge that, as a principle of interpretation, employees are obligated to work as directed while grievances are pending.
7. All responses required in Steps 2, 3, and 4, above shall be directed to the aggrieved employee with a copy to the Association. When a grievance is rejected at any step of the grievance process, the reason for the rejection must be stated. In class grievances, responses will be directed only to the Association.

8. This grievance procedure shall suffice as the requirement for establishment of a plan for resolving employee grievances and complaints, as required in Section 2-42 (18) of the Code of Miami-Dade County, Florida and as required by Florida Statutes 447.401.
9. Prior to petitioning for arbitration for an unresolved grievance, either party may request a special labor management committee meeting to include a representative(s) of the Employee and Labor Relations Management Section and/or the Director of the Labor Management and Compensation to discuss the pending issues which have not been resolved through Step 4. Upon such request the time limit for seeking arbitration as set forth in Article 8 shall be tabled until the conclusion of such meeting or twenty-one (21) calendar days whichever is sooner.

#### **ARTICLE 8   ARBITRATION**

1. If the grievance has not been satisfactorily resolved within the grievance procedure, the Association may request a review by an impartial arbitrator, provided such request is filed in writing with the Director of Employee and Labor Relations Management and Compensation no later than fourteen (14) calendar days after the rendering of the decision, by the Director of the Department or designee. Upon receipt of a timely written request, the Director of Employee and Labor Relations Management and Compensation will set forth in motion the necessary machinery to schedule the arbitration hearing. Matters that are not subject to review as grievances are nonarbitrable and shall not be scheduled for arbitration.
2. The Parties to this Agreement will attempt to mutually agree upon an independent arbitrator. If this cannot be done, a panel or panels will be immediately requested from the American Arbitration Association. Requests for arbitration shall not be unduly delayed.
3. The arbitration shall be conducted under the labor rules of the American Arbitration Association. Subject to the following, the arbitrator shall have jurisdiction and authority to decide a grievance as defined and submitted in this Agreement. The arbitrator shall have no authority to change, amend, add to, subtract from, ignore, modify, nullify, or otherwise

alter or supplement this Agreement or any part thereof or any amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter which is not a grievance as defined in this Agreement and his authority shall be limited to the interpretation of the terms of this Agreement.

4. The arbitrator may not issue declaratory or advisory opinions and shall confine himself exclusively to the question which is presented to him, which question must be actual and existing.
5. At the request of either party there shall be a certified court reporter at the hearing. The parties shall bear equally the expenses and fees of the mutually agreed upon court reporter, the arbitrator and all other expenses connected with a hearing.

Each party shall bear the expense of its own witnesses, representatives, attorneys and all other individual expenses. Employees required to testify will be made available, however, whenever possible, they shall be placed on call to minimize time lost from work. Employees who have completed their testimony shall return to work unless they are the grievant or are directly required to assist the principal Association Representative in the conduct of the case. In class grievances, the class shall be represented by the Association President. The intent of the parties is to minimize time lost from work.

6. The award of the arbitrator shall be final and binding when made in accordance with the jurisdiction and authority of this Agreement. The arbitrator shall make his award within 30 days of the close of the hearing and shall promptly furnish copies to both parties.
7. Matters excluded from the Grievance Procedure under Article 7, Section 3, shall be excluded from Arbitration.

#### **ARTICLE 9 CLASSIFICATION >>REVIEW AND<< APPEAL**

1. If an employee has reason to believe that he/she is misclassified based upon a significant change in his/her job duties and responsibilities, he/she may apply for a review of his/her classification, in writing, to his/her immediate supervisor. Such reclassification request shall

be limited to one (1) request per employee during the term of this agreement. Such request, including a job description prepared by the employee and commented upon by the Department, shall be forwarded to the Recruitment Human Resources, Labor Management and Compensation and Testing Division by the employee's department within twenty (20) calendar days of receipt of request. Within sixty (60) calendar days of receipt of the request for reclassification by Human Resources, the Recruitment, Labor Management and Compensation and Testing Division shall render a decision in writing.

2. If the decision of the Recruitment, Labor Management and Compensation and Testing Division is deemed a "no change", the employee may, within fourteen (14) calendar days of receipt of the decision, request in writing, a hearing by the Human Resources Department Director, or equivalent position as determined by the County. At the hearing, the employee may be accompanied by a representative of ~~their~~ his or her choosing and may produce any documents and evidence to support the claim for reclassification. The Association has the right to be in attendance at the appeal hearing. The Human Resources Department Director, or equivalent position as determined by the County, will explain the basis for the decision in writing in the event the request is denied. The Human Resources Department Director, or equivalent position as determined by the County, shall hold such hearing within ninety (90) calendar days of the request and render a decision within ninety (90) calendar days after the conclusion of the hearing.
3. Whenever the Human Resources Director, or equivalent position as determined by the County, determines that an employee is misclassified, the employee shall be placed in a current, appropriate classification, unless the Human Resources Director, or equivalent position as determined by the County, determines that there is no existing appropriate classification. In such cases, the Human Resources Director, or equivalent position as determined by the County, shall establish the classification, job description and pay range, which shall be maintained during the term of this agreement. In the event the request for reclassification is upheld, the employee shall receive compensation beginning with the pay period that the original request was received in Human Resources initiated.
4. In the event a Department Director requires an employee to utilize, for the benefit of the County service, a current and active professional license as a regular component of their

assigned tasks, and the license held by the employee is not a requirement of their present position or job classification, the Department may request a review of the licensure duties and responsibilities by ~~the Human Resources Department~~, or equivalent entity as determined by the County, to determine if additional compensation is warranted and is extraordinary to the level of compensation currently provided to the employee. Justification for the requested compensation shall be submitted by the Department Director to ~~the Human Resources' Department's~~ Compensation Section for their review and analysis. The decision of the Human Resources Department, or equivalent division as determined by the County, shall be final and binding and will not be grievable or subject to further appeal.

5. The County will notify and confer with the Union of the following classification actions that affect the bargaining unit's classifications prior to finalizing the classification action:
- a) Reclassification of a filled position(s) to a new classification outside of the bargaining unit.
  - b) Reclassification of a bargaining unit classification to a new classification outside of the bargaining unit

#### **ARTICLE 10    JOB DESCRIPTION AND APPEAL**

1. Whenever there is a proposed change in the job description or title of a class within this Bargaining Unit, the County shall discuss with the Association the proposed change in job descriptions. The Association shall receive a copy of the current job description and the proposed job description.
2. If the Association is not satisfied with the proposed change, it may, in writing, within five (5) days of the conclusion of the discussion, stated in paragraph 1 above, request a hearing before the Director of Labor Management and Recruitment, ~~Compensation and Testing Division Director~~. This hearing shall be held at a mutually agreeable time, within thirty (30) days.
3. It is understood by the parties, that the duties enumerated in job descriptions are not always specifically described and are to be construed liberally. Within present job

descriptions, the County may assign tasks and duties which involve minor and occasional variation from the job descriptions to employees as long as the tasks and duties assigned fall within skills and other factors common to the classification.

4. It is understood by the Parties, the duties to be added in the proposed change in the job description shall bear a reasonable relationship to the duties and responsibilities currently contained therein. Changes proposed by the County, other than the addition of new duties, shall be reasonable under the circumstances.
  
5. Compliance with the requirements of this provision shall be the issue in the hearing. Testimony shall be taken from employees affected, who desire to give such testimony, provided the Association and the County will agree on a representative number of employee witnesses to ensure a full hearing on the merit of the issues. Appropriate County Management shall appear in support of the proposed changes. Within fourteen (14) calendar days of receipt of the Labor Management and Recruitment, Compensation and Testing Director's decision, the Association may request the Human Resources Director, or equivalent position as determined by the County, to review this decision and issue a final decision within thirty (30) calendar days. The decision of the Human Resources Director, or equivalent position as determined by the County, shall be final and binding and not subject to any further review or appeal and is not subject to review as a grievance.

#### **ARTICLE 11 LABOR MANAGEMENT COMMITTEE**

The Association may request a Labor Management Committee be established in each operating Department, Agency, Authority, and Trust in which members of the bargaining unit are employed.

Said Committees shall consist of members designated by the Association and of members designated by the Department Directors.

The Association membership of such Committees shall consist of Association Officers and/or persons from within the job classifications covered by this Agreement within the concerned

Supervisors usually cannot be present to give constant supervision to the work because of duties and assignments which take them to other areas.
- Leadworker designations may also be authorized by the Human Resources Department, or equivalent, for certain positions where extraordinary duties and responsibilities are required. An employee designated as a Leadworker shall receive the equivalent of one (1) pay step. A Leadworker pay provision does not affect the employee's pay anniversary date. Leadworker pay provisions may be assigned and removed at the sole discretion of the County.

A Leadworker shall not serve as a rater of performance evaluations of other employees in the same classification.

An employee designated as a Leadworker, shall receive a one (1) step wage differential and such differential shall not affect merit increases or anniversary dates.

If a Leadworker is rated on the basis of supervisory ability, it will only be to the extent actually exercised.

Leadworkers shall be assigned or removed at the sole discretion of the County.

5. Effective upon ratification of this agreement, the Head Start Pay supplement for eligible employees, as set forth in the County Pay Plan, shall be suspended as follows:

- Suspension of one (1) pay step for employees receiving the supplement associated with the National Child Development Association certification;

Either party shall have the right to reopen this Article to negotiate whether the reductions of the Head Start Pay supplement as set forth in this Article will be continued in the third year of the Agreement (Fiscal Year 2013-14) by scheduling negotiations beginning on June 4, 2013 and continuing through July 8, 2013. In the event that the parties are unable to reach an agreement beforehand, the dispute shall be submitted to the County Commission at the second regular meeting in July 2013, with the parties' mutual waiver of any right to a hearing before a Special Magistrate, for final resolution of the impasse in accordance with the requirements of State law.

#### **ARTICLE 57 SEVERABILITY CLAUSE**

Should any part of this agreement or any portion therein contained be rendered or declared illegal, legally invalid or unenforceable by a Court of competent jurisdiction, or be the decision of any authorized governmental agency, such invalidation of such part of this Agreement shall not invalidate the remaining portions thereof, in the event of such occurrence, the parties agree to meet immediately, and, if possible, to negotiate substitute provisions for such parts or portions rendered or declared illegal or invalid. The remaining parts and provisions of this Agreement shall remain in full force and effect.

#### **ARTICLE 58 STRIKES AND LOCKOUTS**

There will be no strikes, work stoppages, sick-outs, picketing while working, slowdowns or other concerted failure or refusal to perform assigned work by the employees or the Association, and there will be no lockouts by the County for the duration of this Agreement. The Association guarantees to support the County fully in maintaining operations in every way.

Any employee who participates in or promotes a strike, work stoppage, picket line while working, slowdown, sick-out or concerted failure or refusal to perform assigned work may be discharged or otherwise disciplined by the County.

It is recognized by the parties that the County is responsible for and engaged in activities which are the basis of the health and welfare of our citizens and that any violation of this Article would give rise to irreparable damage to the County and to the public at large. Accordingly, it is understood and agreed that in the event of any violation of this Article, the County shall be entitled to seek and obtain immediate injunctive relief and all other relief as provided by the law. In the event of a strike, work stoppage or interference with the operation and accomplishment of the mission of the County, the Association shall promptly and publicly order the employees to return to work and attempt to bring about a prompt resumption of normal operations.

**ARTICLE 59    TERM OF AGREEMENT AND REOPENING**

The collective bargaining agreement between Miami-Dade County, the Public Health Trust, and the Government Supervisors Association of Florida, OPEIU Local 100 - Supervisory Employees, shall be effective October 1, 2008~~11~~11 and continue until September 30, 2014~~4~~14.

Either party shall have the right, at any time during the term of this Agreement, to reopen the Agreement with respect to Performance Based Compensation Projects, classification consolidation studies, or the County Pay Plan redesign.

In the event that during the term of this Agreement (October 1, 2008~~11~~11 to September 30, 2014~~14~~14) another County collective bargaining unit successfully negotiates an across the board wage increase which is effective during the term of this Agreement and is greater than the wage

increase provided for under Article 34 Wages, the Association will have the right to request the reopening of negotiations with respect to Article 34 Wages only.

The County has the right to re-open this agreement to discuss issues related to the implementation of the Enterprise Resource Planning (ERP) for a new countywide Human Resource (HR) System. The purpose of this re-opener is to be able to address changes in the business processes used to perform certain personnel and payroll transactions, in order to adapt to the functional requirements of the new HR system.

Either party may require by written notice to the other between ~~June~~ April 1, 2014, and not later than ~~June 30~~ May 31, 2014, negotiations concerning modifications, amendments, and renewal of this Agreement to be effective October 1, 2014.
