Subject: Approval of Internship Agreement with Miami-Dade College

Agenda Item No. 8(A)(2)

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) adopt the attached resolution approving the Internship Affiliation Agreement between the Miami-Dade Aviation Department (MDAD) and Miami-Dade College (MDC) to provide educational experience to students pursuing careers in aviation and authorize the Mayor or his designee to execute said Agreement for and on behalf of the County.

DELEGATION OF AUTHORITY

The authority of the Mayor or his designee to execute and implement this Agreement is consistent with those authorities granted under the Code of Miami-Dade County. Additional delegation of authority requested for this Agreement includes amending, extending and exercising any termination provisions therein.

PROJECT NAME: Internship Affiliation Agreement

PROJECT DESCRIPTION: The purpose of this Agreement is to establish an affiliation between the MDAD and MDC to provide an educational experience for students. As part of the internship program, MDC students will complement their formal education with career-related experience designed to prepare them for actual employment in the aviation industry. Students will not be used in lieu of professional or staff personnel and will be under the supervision of an MDAD employee. MDAD does warrant or guarantee a minimum level of instruction or participation for any student, and reserves for itself the right to allocate MDAD staff time in the manner which best meets MDAD's operational needs.

PROJECT LOCATION: The Miami-Dade County Airport System includes Miami International Airport (MIA), Opa-locka Executive Airport (OPF), OPF West, Kendall Tamiami Executive Airport (TMB), Homestead General Aviation Airport (X-51) and Dade-Collier Training & Transition Airport (TNT).

COMMISSION DISTRICT: Various Districts

APPROVAL PATH: Board of County Commissioners

USING DEPARTMENT: Miami-Dade Aviation Department

MANAGING DEPARTMENT: Miami-Dade Aviation Department

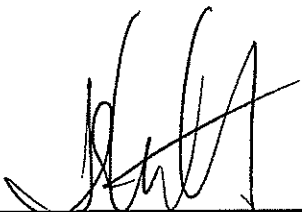

FISCAL IMPACT: MDAD will spend \$22 per student for modified physical examinations and \$30 per student for background investigations. Students are not entitled to wages or benefits for their time spent in training. There is no promise of employment for participation in this program.

BACKGROUND: The purpose of this Agreement is to formalize MDAD's affiliation with MDC to provide an educational experience for students. MDAD has worked with MDC and other educational institutions in the past, but is now entering into agreements with these institutions to better manage participation of students in the program. Approximately 12 MDC students at a time will complement their formal education with career-related experience designed to prepare them for actual employment in the aviation industry.

OPTION TO EXTEND: This Agreement shall be in effect for a period of one year from the effective date, and shall automatically renew on a year-to-year basis on the last day of the effective term, unless either party gives written notice to the other at least ninety (90) days before the end of the existing term of that party's decision to terminate its participation. This Agreement may be otherwise amended at any time, but only by the mutual written consent of the two parties. If different terms for a renewal period are proposed and not accepted in writing by both parties by the expiration date, this Agreement shall not be renewed.

This Agreement may be otherwise amended at any time, but only by the mutual written consent of the Parties hereto. If different terms for a renewal period are proposed and not accepted in writing by both parties by the expiration date, this Agreement shall not be renewed.
