DEP AGREEMENT NO. S0547

STATE OF FLORIDA
GRANT AGREEMENT

THIS AGREEMENT is entered into between the STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION, whose address is 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000 (hereinafter referred to as the "Department") and MIAMI-DADE COUNTY, whose address is 701 Northwest 1st Court, Miami, Florida 33136 (hereinafter referred to as the "Grantee" or "Recipient"), a local governmental entity, to provide financial assistance for the SLAMS Network in Miami-Dade County.

In consideration of the mutual benefits to be derived herefrom, the Department and the Grantee do hereby agree as follows:

1. The Grantee does hereby agree to perform in accordance with the terms and conditions set forth in this Agreement, Attachment A, Grant Work Plan, and all attachments and exhibits named herein which are attached hereto and incorporated by reference. For purposes of this Agreement, the terms "Contract" and "Agreement" and the terms "Grantee", "Recipient" and "Contractor", are used interchangeably.
2. This Agreement shall begin upon execution by both parties and remain in effect until June 30, 2012, inclusive. The Grantee shall be eligible for reimbursement for work performed on or after July 1, 2011. All work must be completed no later than June 30, 2012 and the Grantee shall not be eligible for reimbursement for any work performed after June 30, 2012 unless such work is authorized by amendment to this Agreement. This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.
3.
 - A. For satisfactory completion of the services in Attachment A, performed during the first period of service beginning July 1, 2011 and ending June 30, 2012, the Grantee shall be reimbursed on a cost reimbursement basis in an amount not to exceed \$82,087.29. Funding for each additional period of service shall be added to the Agreement by formal amendment. The parties hereto understand and agree that this Agreement does not require a cost sharing or match on the part of the Grantee.
 - B. The Grantee shall request reimbursement on a semi-annual basis for all eligible project costs utilizing Attachment B, Payment Request Summary Form, attached hereto and made a part hereof. In addition to the Summary Form, the Grantee must provide from its accounting system, a listing of expenditures made under this Agreement. The listing shall include, at a minimum, a description of the goods or services purchased, date of the transaction, voucher number, amount paid, and vendor name. Travel expenses will not be reimbursed under the terms and conditions of this Agreement. All bills for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. The Department's Grant Manager shall have thirty (30) calendar days to review the invoices submitted by the Grantee.
 - C. In addition to the invoicing requirements contained in paragraph 3.B. above, the Department will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. This information, when requested, must be provided within thirty (30) calendar days of such request. The Grantee may also be required to submit a cost allocation plan to the Department in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). State guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures at <http://www.fldfs.com/aadir/reference%5Fguide>.

- D. Prior written approval from the Department's Grant Manager shall be required for changes within approved task budget categories of up to 10% of the total task budget amount. The DEP Grant Manager will transmit a copy of the written approval and revised budget to the DEP Procurement Office and the DEP Contracts Disbursements Office for inclusion in the Agreement file. Changes greater than 10% of the total approved task budget will require a formal change order to the Agreement. Changes that transfer funds from one task to another task or that increase or decrease the total funding amount will require a formal amendment to the Agreement.
- E. 1. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, the Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
2. If the Department finds that these funds have been commingled, the Department shall have the right to demand a refund, either in whole or in part, of the funds provided to the Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from the Department shall refund, and shall forthwith pay to the Department, the amount of money demanded by the Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from the Department by the Grantee to the date repayment is made by the Grantee to the Department.
3. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by the Department, from another source(s), the Grantee shall reimburse the Department for all recovered funds originally provided under this Agreement. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the payment(s) are recovered by the Grantee to the date repayment is made to the Department by the Grantee.
4. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. The parties hereto understand that this Agreement is not a commitment of future appropriations.
5. A. The Grantee shall submit validated ambient data to the Department's ambient air quality central database within thirty (30) days after the end of the month in which they were recorded. Verification of the ambient data, on a quarterly basis, shall be made within fifty (50) days after the end of the calendar quarter in which they were recorded.
- B. In the event that the progress reports and data reports are not submitted as required herein, the Department reserves the right to withhold payment of current and future invoices until all deficiencies have been corrected.
6. Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes.
7. A. The Department may terminate this Agreement at any time in the event of the failure of the Grantee to fulfill any of its obligations under this Agreement. Prior to termination, the Department shall provide thirty (30) calendar days written notice of its intent to terminate and shall provide the Grantee an opportunity to consult with the Department regarding the reason(s) for termination.

B. The Department may terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar days written notice.

8. This Agreement may be unilaterally canceled by the Department for refusal by the Grantee to allow public access to all documents, papers, letters, or other material made or received by the Grantee in conjunction with this Agreement, unless the records are exempt from Section 24(a) of Article I of the State Constitution and Section 119.07(1)(a), Florida Statutes.

15. In accordance with Section 216.347, Florida Statutes, the Grantee is hereby prohibited from using funds provided by this Agreement for the purpose of lobbying the Legislature, the judicial branch or a state agency.
16. The Grantee shall comply with all applicable federal, state and local rules and regulations in providing services to the Department under this Agreement. The Grantee acknowledges that this requirement includes compliance with all applicable federal, state and local health and safety rules and regulations. The Grantee further agrees to include this provision in all subcontracts issued as a result of this Agreement.

GRANT WORK PLAN – FIRST SERVICE PERIOD

First Service Period beginning July 1, 2011 and ending June 30, 2012

Project Title: Ambient Air Quality Monitoring

Project Location: Miami-Dade County

Project Background: Title 40 of the Code of Federal Regulations (40 CFR), Parts 50 and 58 specify the National Ambient Air Quality Standards (NAAQS) needed to protect public health for ozone, carbon monoxide (CO), sulfur dioxide (SO₂), nitrogen dioxide (NO₂) and particulates, defined as those particulates with an aerodynamic diameter of 10 microns or less, referred to as PM₁₀; and lists the specific requirements for the number of monitors, the design of the monitoring network for those monitors, and the placement of those monitors, along with the quality assurance requirements to enable the operating agency to produce legally defensible ambient air quality monitoring data which may be used to determine compliance with the NAAQS as well as showing that public health is being protected. Since the Department's district offices do not have sufficient staff to operate all of the required monitors, it is imperative that the local air program (the Grantee) pick up this operational requirement. This grant is to be used by the Grantee to help defray the costs of the operation of the required monitoring program.

Project Description:

Task: The Grantee will operate an ambient air quality monitoring network within Miami-Dade County which consists of certain monitors designated as State and Local Air Monitoring Stations (SLAMS) for ozone, CO, SO₂, NO₂ and PM₁₀. This shall entail the Grantee operating federal reference or equivalent method samplers on a continuous schedule, collecting and storing the hourly and/or intermittent ambient data according to the approved Standard Operating Procedures (SOPs), performing the quality control and quality assurance activities as delineated in 40 CFR, Parts 50 and 58, the *Quality Assurance Project Plan for the State of Florida's Ambient Air Quality Monitoring Program (QAPP)*, and the approved Standard Operating Procedures (SOPs). The validated ambient monitoring data must be submitted to the DEP's air quality data base within thirty (30) days after the end of the month in which they were recorded. Verification of those ambient data, on a quarterly basis, shall be made within fifty (50) days after the end of the calendar quarter in which they were recorded.

The submitted data must meet or exceed the EPA's 75% data completeness requirement and must have been collected in accordance with 40 CFR, Parts 50 and 58; the QAPPs; and the approved SOPs.

To verify data, the Grantee must perform a quality review of the data and associated documentation. Data verification includes ensuring all data collected during the quarter in question are in the Florida Air Monitoring Assessment System (FAMAS); complete a review of the data for anomalies or errors which did not arise during the monthly validation process; perform a final comparison of the data to site and maintenance documentation along with a statistical review of the data. Once these actions are complete, the Grantee must perform a verification review of the data using FAMAS. If any discrepancies or errors arise as part of the verification review by FAMAS, those discrepancies must be corrected and the documentation adjusted as necessary. Once the verification review in FAMAS is deemed satisfactory, the Grantee will sign off on the data verification in FAMAS by setting the verification flags for those data. Finally, the Grantee will submit a notification, in writing or by e-mail, to the DEP Grant Manager at the Bureau of Air Monitoring and Mobile Sources' Ambient Monitoring Section that the verification of the data is complete.

Deliverables: The Grantee shall submit validated ambient air quality data to the Department's ambient air quality data base within thirty (30) days after the end of the month in which they were recorded. Verification of those ambient data, on a quarterly basis, shall be made within fifty (50) days after the end of the calendar quarter in which they were recorded. The Grantee will submit a notification, in writing or by

e-mail, to the DEP Grant Manager at the Bureau of Air Monitoring and Mobile Sources' Ambient Monitoring Section that the verification of the data is complete.

Completion Date(s): Quarters ending September 30, 2011, December 31, 2011, March 31, 2012, and June 30, 2012 with the quarterly verifications being due no later than November 18, 2011, February 17, 2012, May 18, 2012 and August 17, 2012, respectively.
