

Memorandum

Date: March 6, 2012

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
County Mayor 

Subject: Citizens' Right-to-Know Act Annual Report – CY 2011

Agenda Item No. 2B3

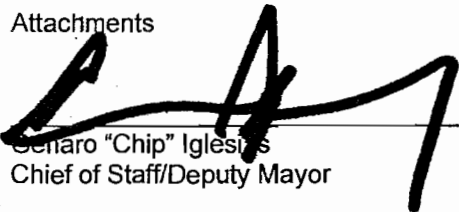

The Pretrial Services Bureau (PTSB) is a component of the Miami-Dade Corrections and Rehabilitation Department (MDCR) and is responsible for releasing and supervising offenders who qualify, per the presiding judge's direction, for a non-financial custody release into the pretrial services program. The program provides defendant profiles to the judiciary at first appearance hearings and/or subsequent circuit court hearings. The role of MDCR is to decrease the number of days spent by incarcerated defendants who could otherwise be safely released to the community while awaiting court appearances, and to provide pertinent information to the court, criminal justice agencies, defendants, and the community.

As required by Florida Statutes 907.043, Section (4)(a)(b), "Citizens' Right-to-Know Act," no later than March 31 of each year, each pretrial services program must submit an annual report to the governing body in the county where the program is located. Attached for your review is the Annual Report which contains the following requisite information:

1. The name, location, and funding sources of the pretrial release program, including the amount of public funds, if any, received by the pretrial release program.
2. The operating and capital budget of each pretrial release program receiving public funds.
3.
 - a. The percentage of the pretrial release program's total budget representing receipt of public funds.
 - b. The percentage of the total budget which is allocated to assisting defendants obtain release through a non-publicly funded program.
 - c. The amount of fees paid by defendants to the pretrial release program.
4. The number of persons employed by the pretrial release program.
5. The number of defendants assessed and interviewed for pretrial release.
6. The number of defendants recommended for pretrial release.
7. The number of defendants for whom the pretrial release program recommended against nonsecured release.
8. The number of defendants granted nonsecured release after the pretrial release program recommended non-secured release.
9. The number of defendants assessed and interviewed for pretrial release who were declared indigent by the court.
10. The name and case number of each person granted nonsecured release who:
 - a. Failed to attend a scheduled court appearance.
 - b. Was issued a warrant for failing to appear.
 - c. Was arrested for any offense while on release through the pretrial release program.

MDCR remains committed to serving the community by providing safe, secure, and humane detention of individuals in its custody while preparing them for a successful return to the community. As such, MDCR works diligently to assess the eligibility of any defendant being considered for non-financial custody release as the safety of Miami-Dade County residents must be maintained.

FAILURES TO APPEAR

FS 907.043(4)(b)10a - The name and case number of each person granted nonsecured release who failed to attend a scheduled court appearance, and 10b - Was issued a warrant for failing to appear. BW=Bench Warrant (Misdemeanor) and AC=Alias Capias (Felony).

Sections 10a and 10b have been combined within the annual report as a failure to appear (when a court date is mandatory) is defined in Florida Corrections Accreditation Commission mandatory standards as such "when a warrant has been issued." Many court dates do not require a defendant appear or are considered a "technical" violation due to notices of court dates not being received or a defendant's presence is waived by the judge.
