ARTICLE VII - GRIEVANCE PROCEDURE

Section 1. Resolution of Grievances

In a mutual effort to provide harmonious working relationships between the parties to this Agreement, it is agreed to and understood by both parties that the following shall be the sole procedure for the resolution of grievances arising between the parties as to the interpretation or application of the provisions of this Agreement.

It is agreed that every effort will be made by the Union and the Employer to resolve disagreements or disputes informally and promptly prior to the initiation of the formal grievance procedure and at the first step. An employee may be assisted or represented by a representative of the Union at each step of the grievance procedure. Unless the employee requests Union representation, nothing in this section shall prevent the Employer from discussing any incident or circumstance related to any employee without the presence of a Union representative. However, the Employer agrees not to deny representation if it is requested.

Section 2. Definition

A grievance shall be defined as any dispute arising from the interpretation or application of this Agreement, or arising from conditions of employment. A class grievance shall be defined as any dispute which concerns two (2) or more employees within the bargaining unit. Class grievances should name all employees and/or classifications covered in the grievance. Each written grievance, when filed, shall contain a brief statement of the facts of the violation claimed, together with the article of the contract violated and the remedy sought. All grievances shall be processed in accordance with the grievance procedure as set forth in this article.

Section 3. Procedure

A. **Step 1**

The employee shall file a grievance, in writing, with the individual who possesses the authority to either modify the disciplinary action or to correct the contract violation within ten (10) calendar days of the occurrence or knowledge giving rise to the grievance. This person, or designee, shall meet with the grievant and the Union Representative and shall reply in writing within ten (10) calendar days after receipt of the written grievance.

B. **Step 2**

If the Union is not satisfied with the reply in Step 1 within ten (10) calendar days thereafter the written grievance shall be presented to this individual's Supervisor. This person, or designee, shall meet with the grievant and the Union Representative and shall reply in writing within ten (10) calendar days after receipt of the written grievance.

C. **Step 3**

If the Union is not satisfied with the reply in Step 2, within ten (10) calendar days thereafter the written grievance shall be presented to the Senior Vice President of Patient Care Services. This person, or designee, shall meet with the grievant and the Union Representative and shall reply in writing within ten (10) calendar days after receipt of the written grievance.

(18) 2/7

MB

D. Whenever possible, appropriate and unique to one division, the Union will attempt to discuss Union grievances, except those concerning disciplinary action, health and safety or Union rights, with the Division Director or designee before submitting the grievance directly at Step 3 of the grievance procedure.

Section 4. Amended Procedure for Certain Grievances

Grievances concerning disciplinary action, health and safety or Union rights, together with all class grievances, shall be submitted in writing directly at Step 3 of the grievance procedure.

Section 5. Class Grievances

In order to minimize the disruption to patient care in the case of class grievances, no more than two (2) employees per shift, per unit, plus a Union Representative, shall be released from work for grievance meetings.

Section 6. Time Limits

Failure to observe the time limits for submission of any grievance at any step will automatically result in the grievance being considered abandoned. Failure to meet or to respond to a grievance within the prescribed time limit will automatically move the grievance to the next step.

Extensions of time limits shall only be by mutual agreement in writing between the parties to this agreement, except that either party shall be permitted one (1) extension of time per grievance as a matter of right not to exceed fifteen (15) days, providing that the other party is notified in writing of the extension prior to the expiration of the original period.

Section 7. Employee Obligation

The parties acknowledge that, as a principle of interpretation, employees are obligated to work as directed while grievances are pending, except as set forth in Article XXI of this Agreement.

Section 8. Employer Responses

All responses required in Steps 1, 2 and 3, above, as applicable, shall be directed to the aggrieved employee with a copy furnished to the Union. In class grievances, copies will be directed to the Union only. A rejection of a grievance at any step of the procedure must contain a statement of the reasons for the rejection.

Section 9. Exclusions

Any subjects excluded from the arbitration procedure (Article VIII) shall also be excluded from the grievance procedure with the sole exception of reprimands, which shall be grievable but not arbitrable as provided under Article IX, Disciplinary Action, Section 3, Reprimands.

ARTICLE VIII - ARBITRATION

If the Union is not satisfied with the reply in Step 3 of the grievance procedure, the Union shall have ten (10) calendar days after receipt thereof to notify the Employer of intent to submit the grievance to arbitration. Within thirty (30) days following notification to the Employer, the Union must file a request for arbitration. If the parties cannot agree upon an impartial arbitrator within five (5) days, the parties shall request a list of seven (7) arbitrators from FMCS or AAA. The parties shall each strike from said list, alternately, three (3) names, after determining the first strike by lot,

and the remaining name shall be the arbitrator. The arbitrator shall promptly conduct the hearing on the grievance at which both parties shall be permitted to present their evidence and arguments. The decision of the arbitrator shall be rendered in writing no later than thirty (30) days after the conclusion of the hearing, and such decision shall be final and binding.

Each party will pay its own expenses and will share equally in expenses incurred mutually in arbitration.

Employees required to testify will be made available without loss of pay; however, whenever possible, they shall be placed on call to minimize time lost from work and, unless directly required to assist the principal Union Representative in the presentation of the case, they shall return to work upon completion of their testimony. The intent of the parties is to minimize time lost from work and disruption of patient care.

The arbitrator shall limit his opinion to the interpretation or application of this Agreement and shall have no power to amend, modify, nullify, ignore or add to the provisions of this Agreement.

Grievances, as defined, may be submitted regarding the matters contained in the Agreement or arising from conditions of employment.

Reprimands and determinations under Article XIV (Employment Practices), Section 4 (Classification Appeal), and Section 15, B, C, D (Job Specification Language) are not arbitrable.

ARTICLE IX - DISCIPLINARY ACTION

Section 1. Just Cause

Any employee shall not be discharged, disciplined or demoted except for just cause. The Employer will follow progressive disciplinary procedures, whenever appropriate, and in all instances will have the burden of proving just cause for disciplinary action taken.

Section 2. Procedure

A. Whenever it is alleged that an employee has violated any law, rule, regulation, or policy, that employee shall be notified in accordance with Section 2. E. of this article, and informed of the law, rule, regulation, or policy allegedly violated. The Employer shall initiate an investigation prior to notification to the employee of a pending disciplinary action. The Employer shall conduct the necessary investigation to include full consideration of any documentation submitted by the employee prior to making a final decision. In specifying charges, the Employer will be guided, in part, by the Code of Ethics for the affected job classification.

B. The Employer agrees to inform the employee and the Union of their right to representation in the disciplinary process. The Employer will give the employee at least 48 hours written notice providing date, time and place that a disciplinary/counseling session is scheduled. This notice will include the law, rule, regulation, or policy allegedly violated and nature of the alleged violation.

C. Final disciplinary action determinations will not be rendered until the completion of the presentation and rebuttal meetings where the Employer and the employee together with the Representative, through use of evidence, documents and witnesses, have the opportunity to present their respective cases. Rebuttal meetings must be scheduled within fourteen (14) calendar days unless mutually agreed between the parties. The Employer shall have

fourteen (14) calendar days to render a decision following the rebuttal presentation unless time is extended by mutual Agreement. The Union and the employee shall receive a copy of the rebuttal response.

D. The Employer agrees that all disciplinary actions (dismissals, suspensions, demotions) except reprimands will be appealable by the employee to a hearing examiner as provided in the Miami-Dade County Code and the Personnel Rules of the PHT or, at the option of the Union and the employee, to the Grievance and Arbitration procedures provided in Articles VII and VIII of this Agreement. The employee shall be notified in writing of both appeal procedures by name and contract article.

E. Notices of disciplinary action, Records of Counselings and documented verbal counseling shall be given on a timely basis and insofar as practicable within twenty-one (21) days after the Employer discovers the facts requiring the notice, except where good cause for delay is shown. Forty-eight (48) hour written notice is not required for documented verbal counseling. Good cause shall include, but not limited to, the pendency of outside criminal, administrative or other proceedings.

F. Any disciplinary action currently in an employee file, which is overturned, shall be stamped invalid.

Section 3. Reprimands

Reprimands shall be appealable by the employee to the grievance procedure up to and including Step 3, but shall not be further appealable to either an Arbitrator or to a County Hearing Examiner Officer. Within thirty (30) days of the receipt of the Employer's reply to such a grievance at any step of the grievance procedure, the employee and/or the Union shall have the right to file a written response to the Written Reprimand and have said response inserted in the employee's personnel folder.

Written Reprimands and Records of Counseling, together with any reference to such reprimands or Records of Counselings excluding performance evaluations, shall cease to be of any force or effect after a two (2) year period from receipt of the Record of Counseling or Written Reprimand in which the employee has received no further disciplinary actions or Records of Counseling. At the employee's specific written request, these shall be promptly stamped in the employee's personnel file as no longer in effect.

Section 4. Hearing Pursuant to the Hearing Examiner System

A. The employee subjected to the disciplinary process shall be informed in writing of the charges. The employee or the employee's representative shall have the right to confront and question all witnesses under oath. The right of discovery and procedural rights in accordance with the Florida Rules of Civil Procedure shall be provided to the employee.

B. All disciplinary actions including demotions, suspensions, and dismissals of permanent employees, but excluding reprimands shall be appealable to a hearing examiner, in accordance with the applicable section(s) of the Miami-Dade County Code (Section 2-47). This section shall not apply to the termination of a nonpermanent or probationary employee or to the demotion of permanent employees who fail to complete the promotional probationary period to the satisfaction of the department for other than disciplinary reasons.

C. The decision of a hearing examiner shall include a finding of facts, conclusions to sustain the decision and may include recommendations, a copy of which shall be immediately provided to the employee and to the Union.

D. The above referenced Code provisions providing for a disciplinary appeal process are to be read to include the following procedural guarantees:

1. The Employer shall continue to abide by the previously agreed to and published Hearing Examiner Procedure Manual.

2. The PHT Labor Relations Manager shall be responsible for initiating the selection of the hearing examiner on each appeal and setting the date, time and place for the hearing upon consultation with the parties involved. There shall be no ex parte communication between the participants of the hearing and the examiner.

3. The parties to the hearing shall not initiate ex parte communications with the President of the PHT for the purpose of influencing the final appeal decision. This decision shall be based solely on the hearing record.

Section 5. Grievance Procedure

A. The Union will have the option on behalf of a permanent status bargaining unit employee, to appeal disciplinary actions resulting in dismissals, suspensions or demotions of permanent employees through the grievance and arbitration procedure contained in Article VII and VIII of this Agreement. The Union shall notify the Office of Labor Relations in writing no later than fourteen (14) calendar days from the employee's receipt of the final disciplinary action determination of its decision on whether to exercise the option of appealing through the grievance and arbitration procedure or request an appeal in accordance with Section 2-47 of the Code of Miami-Dade County. The Union's choice between the grievance and arbitration procedure or the Code provision under Section 2-47, once made, shall not be subject to change.

B. In the case where the Union chooses not to select the grievance and arbitration procedure for disciplinary actions resulting in dismissals, suspensions or demotions of permanent employees, then the disciplinary appeal provisions under Section 2-47 of the Code of Miami-Dade County shall prevail and be utilized if a timely appeal is requested. In the event the Union selects the option to appeal disciplinary actions resulting in dismissals, suspensions or demotions of permanent employees under the grievance and arbitration procedure then the provisions of Section 2-47 of the Code will not be applicable.

B. Eligible bargaining unit employees shall be entitled to eighty percent (80%) short term disability leave benefits in accordance with coverage provided under the Miami-Dade County Code (Section 2-56.27.1).

Section 20. Clinical Social Worker Licensure Exam

Effective upon ratification, the PHT agrees to pay the cost of the Clinical Social Worker Licensure Exam and pre-exam registration upon successfully passing the exam.

ARTICLE XV- VACANCIES, TRANSFERS, REASSIGNMENTS, UNIT MERGERS AND FILLING VACANCIES

Section 1. Shift Transfers, Posting and Filling of Vacancies and Reassignments.

A. Shift Transfers. Recognizing that access to preferred shifts by employees can make an important contribution to employee morale and retention, the parties agree that all available shifts shall be made available to employees within the unit by unit seniority.

(18) 4/7

MB

B. Posting of Vacancies. All unit available vacancies shall be posted in the unit and concurrently throughout all PHT facilities. If employees under paragraph A do not express interest in the vacancy within the first fourteen (14) days of posting, the vacancy shall continue to be posted on bulletin boards located throughout PHT facilities until a job offer is made by recruitment services. With written notice to the Union, the Employer may offer employment to an employee prior to the end of the fourteen (14) day posting period, provided that:

1. More than one (1) vacancy exists in the unit.
2. Priority for shift selection under A above is maintained.

Recruitment Services is responsible for posting all vacancies for which a personnel requisition has been submitted.

C. Filling of Vacancies. During this posting period, current employees with the necessary qualifications will be given preference over outside applicants. When skill, competency and ability are considered substantially equal in the judgment of the Employer, seniority shall be the deciding consideration in filling vacancies. All employees who apply for a posted vacancy shall be advised of the vacancy status as soon as practical. An employee's current salary will not be a determining factor when considering employees for transfer.

D. There will be no less than two (2) nor more than three (3) weeks notice to the department from which an employee is transferred. In the event that the position being vacated is critical to the operation of the unit, the employee may be retained until such time as the employee is replaced, but for no more than sixty (60) days. However, for pay purposes, transfers will be effective at the beginning of the pay period following acceptance.

E. An employee returning to a previous permanent-status classification within one (1) month will be transferred to the employee's previous position and department unless the position has been abolished or has been filled by another employee with permanent status in the classification for that position. In the event the former position is not available, the returning employee will be offered a vacant position in that classification or will replace a probationary/trial employee in that classification.

F. If it becomes necessary to reduce FTE's in a unit, the hospital will first seek volunteers in a unit. If there is an insufficient number of volunteers, affected employees will be reassigned in inverse order of hospital-wide seniority in the classification, consistent with the reassignment procedure in Appendix D, Reassignment Procedure.

Section 2. Unit Mergers

When one or more units are merged, the following procedure will be utilized:

(A) The unit seniority of all affected employees shall be maintained and merged into one new unit seniority list. Any shift selections or vacation scheduling in accordance with the Collective Bargaining Agreement will be based upon this merged seniority.

(B) In the event that a unit merger necessitates the elimination of any positions, the reassignment procedure will be followed and, unless there are volunteers, the employee with the least hospital-wide seniority in the affected classification of the new merged unit will be reassigned and/or offered the opportunity to voluntarily demote.

2/7

ARTICLE XVI - ORIENTATION AND CROSS-TRAINING

For purposes of administering the parties' orientation and cross-training programs, the term "new employee orientation" shall mean the instruction provided to new employees upon hiring, "incumbent orientation" shall mean an instruction program of twenty-four (24) hours or less, and the term "cross-training" shall mean an instruction program of more than twenty-four (24) hours.

Section 1. Orientation

A. The Employer agrees to continue the new employee orientation program for employees upon initial hire. An employee shall not be expected to work in an area of practice to which the employee has not been oriented/cross-trained except in emergency circumstances.

B. An employee who is new to a unit but not to the Hospital will receive orientation to that unit and to the employee's job responsibilities within it. If an employee is expected to work in more than one unit, the employee will be appropriately oriented to each unit.

C. An incumbent employee's orientation for a new unit may be extended up to thirty-six (36) hours if the employee has not yet completed instruction on all of the items on an orientation checklist.

D. No employee shall be required to take more than two (2) "incumbent orientations" during any twelve (12) month period without entering a formal cross-training program.

E. Orientation shall be offered and floating distributed on a non-discriminatory basis.

Section 2. Cross-training

A. When an employee is cross-trained, an initial assessment of competence will be done and an organized, documented training program, using tools such as checklists, will be provided in order to ensure the safe delivery of quality patient care. The employee and the person responsible for the cross-training shall mutually acknowledge in writing when the cross-training has been successfully completed. Attainment and maintenance of necessary skills and competency needed to practice in the intended unit will be documented.

B. When cross-training programs are available or necessary, the employer will first seek volunteers. Selection from volunteers shall be made by seniority. If there are insufficient volunteers to meet departmental needs, employees shall be assigned in inverse order of seniority. Volunteers must meet licensure requirements of the position. The Employer agrees to make cross-training programs and opportunities available to employees in the same classification and same department on an equitable basis.

ARTICLE XVII - LAYOFFS, RECALL AND REEMPLOYMENT RIGHTS

Section 1. Procedure

A. Layoff, defined, is the separation of an employee for lack of work or funds as determined by the Employer; or due to the reductions in or the contracting out of services, without fault or delinquency on the employee's part.

In the event of a layoff, employees will be laid-off and recalled in accordance with the procedures established herein.

B. The procedure will apply to full and regular part-time bargaining unit employees in the statuses of permanent, substitute, and probationary. Exempt employees shall be covered by this procedure. Seniority points will be calculated for each affected employee. In calculating seniority points one (1) point will be assigned for each month of full-time service, one-half (0.5) point will be assigned for each month of part-time service. Points for months of service are simply totaled with the final number being the retention score.

All time spent on military leave of absence will be included in calculating seniority points. Seniority credit will be given to an employee who has volunteered for military service during peacetime (not eligible for military leave of absence), provided the employee is re-employed within ninety days of release from military service. Seniority credit will be given for the service time prior to and during the military service.

Qualified veterans will receive veterans' preference points equal to 5% of the highest seniority score. These points are added to the veteran's seniority score.

C. The Employer will make every effort to give sixty (60) days notice to the Union of any decision to layoff unit members. No less than 21 days written notice will be given to bargaining unit members who were laid off or demoted. A copy of such notice will be simultaneously sent to the Union.

D. Layoffs will be done in inverse order of seniority by classification. Employees in the statuses of temporary relief and on-call pool will be terminated prior to any full-time or regular part-time employee in the bargaining unit being impacted by lay-off. An employee who has worked in the classifications of MSW and LCSW, and who during that time performed the same function or duties in the former classification as in the latter, will have his/her seniority blended for the purposes of layoff, recall, and reassignment.

E. Full-time employees will automatically bump into any classification in which they previously held permanent status. Employees in grant funded positions will only be eligible to bump in their same area of discipline within their same grant area. However, this does not affect the right of an employee to otherwise bump into any position and/or classification in which they held permanent status.

F. During the twenty-one (21) day notice period, employees who have been bumped shall be given five (5) calendar days to select by hospital-wide seniority a reassignment to a vacant position in their discipline. The Union will be responsible for facilitating this process.

G. Part-time employees can only bump within their classification within their specific discipline. It is understood that in a layoff, part-time employees may be required to move to full-time status in order to exercise bumping rights. Reasonable efforts will be made to ensure that part-time employees may continue in part-time status. Full-time employees shall not be required to accept part-time positions.

H. All time served in the higher classification will be credited as time served in lower classifications within their specific discipline. When a higher classification within a

unit is eliminated the affected employee may voluntarily opt to demote to a previously held classification to remain in their unit/discipline, as permitted by licensure. Bargaining unit employees who previously held permanent status in classifications outside of this bargaining unit will be subject to the applicable layoff procedures of the classification to which they are displaced.

I. For purposes of layoff only:

1. Time served as a I will count towards time as a II in the specific discipline. Time served in these classifications in pool status will not be considered. When management deletes a job classification and creates a new classification and the primary function remains the same then time in the previous class would count for the purposes of layoffs, reassignments, or recall as time in the new class (most current example would be: time served as a Medicaid Specialist would count as time served as an Enrollment Specialist).

2. No bargaining unit employee shall be laid-off in lieu of maintaining a full-time equivalent traveler, agency or pool employee in the specific discipline. Following a lay-off, pool and agency employees may be used during the necessary transition time specifically to cover for orientation and cross-training that may be required as a result of lay-off.

J. Employees who have been displaced will be given priority consideration for other opportunities in their specific discipline.

K. The County and PHT agree that County employees cannot bump bargaining unit employees working for the PHT nor can PHT Bargaining Unit employees bump County Bargaining Unit employees.

Section 2. Recall

A. Employees will be recalled in inverse order of layoff. Employees that have been laid-off will have recall rights to vacancies in their previously held position for a period of two (2) years from the date of layoff.

B. The Union will be notified of all employees on recall lists and vacancies, as offered and accepted.

C. Once recalled, employees will have their previous seniority and extended ill bank restored. If employees received a payout of their extended ill upon layoff, once recalled they can purchase back their time.

Section 3. Furloughs

a. Effective March 1, 2012, the Employer agrees not to implement any furloughs of bargaining unit employees through the end of fiscal year 2013. Thereafter, in the event it is financially necessary, system-wide furloughs may be implemented only upon approval of the governing body of the PHT (the Financial Recovery Board or, if the Financial Recovery Board no longer exists, the members of the Public Health Trust) after notice and public hearing.

b. The Employer will make every effort to give sixty (60) days written notice to the Union of

any decision to furlough unit members. No less than twenty-one (21) days written notice will be given to bargaining unit members who are to be furloughed.

c. These furlough provisions shall be considered the status quo upon expiration of this Collective Bargaining Agreement unless the Union gives notice to the Employer sixty (60) days prior to expiration of its desire to revert back to the status quo regarding furloughs in existence during the term of the predecessor agreement.

ARTICLE XVIII - CONTRACTING OUT

If the PHT solicits bids or proposals from the public to contract out services currently being performed by members of the bargaining unit, the PHT will notify the union. Notice of the solicitation will be provided as soon as practicable but in no event later than members of the general public are notified. If the County Commission solicits bids or proposals from the public to contract out services currently being performed by members of the bargaining unit, the PHT will provide the Union with notice as soon as it receives notice of the County Commission's solicitation.

Upon request by the Union, the PHT shall make available for inspection any and all documents publicly available relating to the services contemplated for contracting out, prior to action being taken by the Employer to accomplish the contracting out. The Union may, within thirty (30) days or less if possible, propose an alternative plan by which the work may be done economically and efficiently by appropriate members of the bargaining unit. If the PHT receives such a proposal from the Unions it will give such proposal reasonable consideration.

ARTICLE XIX - GROUP INSURANCE

A. The County's and PHT's contribution for group health insurance shall not exceed the amount it contributes toward single employee coverage and no contribution shall be made for dependent coverage.

B. The parties agree that bargaining unit employees will be offered the opportunity to become members of a qualified Health Maintenance Organization pursuant to law and in accordance with all rules, regulations, and procedures pertaining thereto prescribed by the Employer and the qualified Health Maintenance Organization.

C. The parties agree that bargaining unit employees will be offered the opportunity to participate pursuant to law and in accordance with all rules, regulations,
and procedures pertaining thereto prescribed by the Employer and the Internal Revenue Code.

1. The PHT will provide a $10.00 biweekly contribution to the Flexible Benefits Plan to employees enrolled in the ~~JMH Health Plan~~ HMO plans. Notwithstanding the foregoing sentence, effective March 1, 2012, this flex dollar contribution shall be suspended until September 30, 2014. Thereafter, the $10.00 bi-weekly employer contribution shall be automatically restored.

2. The County/PHT will continue to provide an annual $1,000 contribution to the Flexible Benefits Plan paid in biweekly increments for County/PHT employees eligible for group health insurance or the Flexible Benefits Plan. Notwithstanding the foregoing sentence, effective March 1, 2012, this flex dollar contribution shall be suspended until September 30, 2014. Thereafter, the $1,000 employer contribution shall be automatically restored.

2/7

MB

3. All employees enrolled in the County/PHT's Point of Service/Managed Health Care Group Insurance Plan shall be required to pay three percent (3%) of the cost of single coverage of this plan.

4. All employees in the bargaining unit shall be required to contribute five percent (5%) of base wages toward the cost of coverage for group health insurance. The deduction shall be in pre-tax dollars to the extent allowable by law. Base wages is understood to mean base wages actually earned by the employee, and no contributions will be made by an employee for time not in pay status.

   Effective January 1, 2014, the monies comprising the health care contribution shall be reinstated to the employees' pay, provided however, that the Employer shall have the right to reopen this provision of the Collective Bargaining Agreement, in advance, for the purposes of negotiating whether these reductions will be continued. In the event that the Employer chooses to reopen this provision and the parties are unable to reach an agreement, the dispute shall be submitted to the County Commission, with the parties' mutual waiver of any right to a hearing before a Special Magistrate, for final resolution of the impasse in accordance with the requirements of State Law.

5. With the exception of legislatively mandated changes to health benefits, the County has the right to re-open this Agreement to negotiate the redesign of the County's health plans for plan year 2013. Union participation shall be obtained to negotiate health plan provisions and benefits, prior to establishing premium contributions.

~~D. The Union will have the option, in accordance with the specific terms and conditions contained in Appendix F which is attached hereto and made a part hereof by reference, to offer bargaining unit employees a Union-sponsored health insurance plan provided a minimum of one hundred (100) nurses enrolled in the Plan.~~

D. PUBLIC PROTECTION PLAN

The Public Health Trust recognizes that the contributions set forth in Paragraph C.4., above, constitute a sacrifice by the employees represented by the SEIU Local 1991 and their families to ensure the continued operation, improvement, and viability of the Jackson Health Systems for the welfare and benefit of the public. Accordingly, the parties enter into the following Public Protection Plan:

1. The Public Health Trust will open a primary care clinic at the JHS Main Campus by no later than December 31, 2012. If the clinic is not opened by the indicated date the employee contributions to the cost of coverage for group health insurance as provided in Paragraph C.4., above, shall be the subject of a reopener on the Article regarding a potential contribution decrease.

2. The Public Health Trust will work on ways to reduce Emergency Room wait times.

3. If the Ryder Trauma Center closes during the term of this Agreement, employee contributions to the cost of coverage for group health insurance as provided in Paragraph C.4., above, shall be the subject of a reopener regarding a potential contribution decrease.

4. If the Burn Center closes during the term of this Agreement, employee contributions to the cost of coverage for group health insurance as provided in Paragraph C.4., above, shall be the subject of a reopener regarding a potential contribution decrease.

(18) 2/7

MB

5. If the ER Department closes during the term of this Agreement, employee contributions to the cost of coverage for group health insurance as provided in Paragraph C.4., above, shall be the subject of a reopener regarding a potential contribution decrease.

6. If the spinal cord, transplant, children or women, or obstetrics specialty services are discontinued during the term of this Agreement, employee contributions to the cost of coverage for group health insurance as provided in Paragraph C.4., above, shall be the subject of a reopener regarding a potential contribution decrease.

7. If during the term of this Agreement, Jackson Health System receives a CMS payment (to be determined) then employee contributions to the cost of coverage for group health insurance as provided in Paragraph C.4., above, shall be the subject of a reopener regarding a potential employee contribution decrease.

ARTICLE XX - EMPLOYEE REPRESENTATION ON COMMITTEES

A. The parties are jointly committed to the principle of employee participation in all standing and special committees which discuss and recommend action which affects delivery of quality care or the conditions under which employees work.

B. To this end, bargaining unit employees will be included as full members of all such committees. The number of employees ~~i~~regardless of the bargaining unit of the employee included on any particular committee, where not separately specified elsewhere in this Agreement, shall be my mutual agreement between the parties.

C. The selection of the individual employees to serve on each committee shall in all cases be at the discretion of the Union, which shall inform the Employer in writing of the names selected. Whenever more than one (1) employee is to be included on a committee and the committee composition is not separately specified elsewhere in this Agreement, the Union will endeavor to select committee employees who are interested in the work of the Committee from different areas, shifts, etc. of the bargaining unit.

D. Existing committees covered by this Article include, but are not limited to:

This Agreement, including its supplements and exhibits attached hereto, concludes all collective bargaining between the parties during the term hereto, and constitutes the sole, entire and existing Agreement between the parties hereto, and supersedes all prior Agreements and undertakings oral and written, express or implied, or practices, between the Employer and the Union or its employees, and expresses all obligations and restrictions imposed on each of the respective parties during its term.

(18) 2/7

VMS

The Employer and the Union recognize that employee substance and alcohol abuse can have an adverse impact on Miami-Dade County government, the PHT's operations, the image of employees and the general health, welfare and safety of the employees, and the general public.

The Employer shall have authority to require employees to submit to toxicology and alcohol testing designed to detect the presence of any controlled substance, narcotic drug, or alcohol. The Trust agrees that requiring employees to submit to testing of this nature shall be limited to circumstances that indicate reasonable grounds to suspect that the employee is under the influence of such substances, suffers from substances or alcohol abuse, or is in violation of the Personnel Rules or Departmental Rules and Regulations regarding the use of such substances. Employees reasonably believed to suffer from substance abuse may be referred, at the department's discretion, to the Employee Assistance Program. An employee who voluntarily seeks assistance for substance abuse may not be disciplined for seeking assistance. However, voluntary participation in a substance abuse program shall not preclude discipline for the employee should job performance or employee conduct issues arise.

It is further understood by the parties that the aforementioned authority to require that employees submit to such testing be approved by a division director, or higher authority within the department to ensure proper compliance with the terms of this article. An employee, who is to be tested in accordance with the provisions of this article, will be permitted to make a phone call to the Union. This phone call shall not prevent, inhibit, or unreasonably delay the testing of such employee.

The results of such test or the employees' refusal to submit to toxicology or alcohol testing as provided for in this article, can result in appropriate disciplinary action in accordance with the applicable provision of the County Code, the Personnel Rules, Departmental Rules and Regulations and this Collective Bargaining Agreement.

The parties agree that toxicology and alcohol testing are an acceptable part of regularly scheduled Employer required physical examinations.

ARTICLE XXIV - PHYSICAL AND PSYCHOLOGICAL IMPAIRMENTS

A department director or their authorized representative(s) shall have the authority to require employees that have been determined, through reasonable suspicion, by the Department to possibly suffer from a physical, psychological or psychiatric impairment which may prevent the employee from satisfactorily performing the complete duties and responsibilities of his/her position, to submit to a physical, medical, psychological, or psychiatric examination deemed necessary for purposes of determining the employee's fitness to perform the complete duties and responsibilities of his/her position.

Such examinations will be performed by a physician approved and appointed by the Employer. The results of such examination(s) shall be promptly furnished to the concerned department director or their authorized representative. The results of the applicable information submitted by the examining physician to the Employer should be limited to information that is pertinent to the issues of the employee's ability to perform the duties and responsibilities of his/her position.

Based upon the results of such examinations, and other relevant information, the department director may place the employee on either paid or unpaid compulsory leave in accordance with the provision of the Leave Manual until such time as the department is satisfied that the employee can return to work. The department may require the employee or attending physician to furnish additional pertinent medical reports or information deemed necessary while the

employee is on compulsory leave. The period of compulsory leave shall not exceed one (1) year. Should the condition be corrected and so certified by the attending physician or psychologist, the employee may petition the Department for reinstatement. If the employee's petition for reinstatement is denied by the department, disciplinary action must be initiated by the department in accordance with the Personnel Rules. Nothing in the provision of this article shall prevent the concerned department from administering appropriate disciplinary action in accordance with the Personnel Rules and this Collective Bargaining Agreement.

ARTICLE XXV - ASSIGNABILITY OF CONTRACT

The provisions of this Agreement shall be binding upon the parties hereto and upon their successors and assigns (as those terms are defined by state or federal labor law, including but not limited to a taxing district or 501(c)(3) designated entity) for the full term of this Agreement. The parties agree that the terms and obligations herein contained shall not be affected, modified, altered or changed in any respect by the transfer or assignment by the Employer of any or all of its property, control, ownership or management or by any change in the legal status of the Employer or any part thereof. The parties further agree that:

A. In the event of a sale, merger, assignment, or other transfer of operations of the Hospital, prior to the sale, merger, assignment or transfer the Hospital shall:

1. Inform the prospective purchaser, merger party, assignee, transferee or other relevant acquiring or surviving entity ("New Employer") of the existence of this Agreement and of its terms and conditions;

2. Provide a copy of this Agreement to the New Employer;

3. Require as a condition of the sale, merger, assignment or transfer that the New Employer shall recognize the Union as the collective bargaining representative;

4. Require as a condition of the sale, merger, assignment or transfer that the New Employer shall assume (by written instrument executed with the Union) this Agreement between the Hospital and Union [subject to the modification that the New Employer shall offer comparable benefit plans in lieu of benefits plans that are specifically administered by and available only through the Hospital, for the remainder of its term];

5. Including the foregoing terms and conditions in a binding, written agreement between the Hospital and the New Employer, which states that the Union and the bargaining unit employees covered by this Agreement are the intended beneficiaries of these terms and conditions with the legal right to enforce them; and

6. Provide the Union satisfactory documentation of compliance with the foregoing terms and conditions prior to the sale, merger, assignment or transfer.

ARTICLE XXVI - MISCELLANEOUS

Should any part of this Agreement or any portion herein contained be rendered illegal, legally invalid or unenforceable by a Court of competent jurisdiction, or by the decision of any authorized governmental agency, such invalidation of such part or portion of this Agreement shall not invalidate the remaining portion thereof. In the event of such occurrence, the parties agree to meet immediately, and, if possible, to negotiate substitute provisions for such parts or portions rendered or declared illegal or invalid. The remaining parts and provisions of this agreement shall remain in full force and effect.

(18) 2/7

MB

The parties recognize that during the term of this Agreement situations may arise which require that terms and conditions set forth in this Agreement must be clarified or amended. Under such circumstances, SEIU Local 1991 is specifically authorized by bargaining unit employees to enter into the settlement of grievance disputes or memoranda of understanding to clarify or amend this Agreement without having to be ratified by bargaining unit members.

ARTICLE XXVII - STRIKES AND LOCKOUTS

There will be no strikes, work stoppages, picket lines, slowdowns or concerted failure or refusal to perform assigned work by the employees or the Union and there will be no lockouts by the Employer for the duration of this Agreement. The Union guarantees to support the Employer fully in maintaining operations in every way.

Any employee who participates in or promotes a strike, work stoppage, picket line, slowdown, or concerted failure or refusal to perform assigned work may be discharged or otherwise disciplined by the Employer.

It is recognized by the parties that the Employer and the Union are ~~r~~responsible for and engaged in activities which are the basis of the health and welfare of our citizens and that any violation of this section would give rise to irreparable damage to the Employer and to the public at large. Accordingly, it is understood and agreed that in the event of any violation of this section the Employer shall be entitled to seek and obtain immediate injunctive relief. However, it is agreed that the Union shall not be responsible for any act alleged to constitute a breach of this section if it can show that the Union did not instigate, authorize, condone, sanction or ratify such action, and further, that the Union has used every reasonable means to prevent or terminate such action.

ARTICLE XXVIII TERM OF AGREEMENT

A. The collective bargaining agreement between the PHT, Miami Dade County and Local 1991, Service Employees International Union, shall be effective October 1, 2008~~11~~ and continue to September 30, 2011~~14~~.

B. Either party may require by written notice to the other no later than June 30, 2011~~14~~, negotiations concerning modification, amendments, and renewal of this Agreement to be effective October 1, 2011~~14~~.

2/7

WB

~~SEIU has the right to reopen this Agreement to discuss issues related to personal leave/vacation cashout, Article XII, Section 1H upon implementation of information technology changes.~~

~~Such reopener shall be subject to mechanisms of Chapter 447, including impasse procedures.~~

ARTICLE XXIX – PENSION BENEFITS

A. Effective March 1, 2012, the pension benefits of the Public Health Trust Retirement Plan shall be amended to reflect the following changes to the pension benefits of the Florida Retirement System (FRS) which became effective July 1, 2011: cost-of-living adjustments; changes to the definition of retirement age for new hires, other than the increase of the minimum years of service requirement; and changes to the calculation of average final compensation for new hires. B. The Summary Plan Description for the PHT Retirement Plan shall be ~~a~~mended to conform to this Agreement, and a copy shall be provided to the Union upon its completion.

ARTICLE XXX - EMPOWERMENT PROGRAMS

A. The Union and the Employer recognize that it is in the interest of all parties and the public to ensure the stability, efficiency, and improvement of the Jackson Health System. To that end, upon ratification of this Agreement, the Employer shall provide one million dollars annually to SEIU to work on ways to achieve these goals, or alternatively and in lieu of the aforementioned and upon mutual agreement, the Employer shall provide no less than 8 FTE paid released employees (total and not "per bargaining unit") selected by the SEIU to work on ways to achieve these goals (or upon mutual agreement, a combination of less than 8 FTE paid released employees and monetary payment to the maximum combined value of one million dollars).

   Any expert or consultant hired by the Union shall have access to any projects/efforts by the Employer to ensure the stability, efficiency, and improvement of the Jackson Health System, including any planning, idea generation, analysis, decision making, meetings, documentation and implementation of projects, including with regard to the AOA, and shall work in conjunction with JHS in this regard. The Employer shall make every reasonable effort to provide all SEIU requests for data, financial records (including underlying primary documents), financial analyses, models, computer runs, contracts, billing, audits and other records within 72 business hours of the request. The document shall be provided at no charge. Such experts or consultants shall be provided access to the employer facilities and shall be provided suitable working space at the facility.

B. Efficiencies

   1. The Union agrees to provide additional concessions in the annualized amount of $15 million (total and not "per bargaining unit") in a manner more specifically described herein. The Union agrees to propose operational efficiencies, defined as reductions in costs and/or generation of new revenue (including 50% of the amounts received through the SEIU/Sellers-Dorsey Initiative), with the goal of reaching an annualized savings in the amount of $15 million dollars for each year of this Agreement.

(18) 2/7

WB

2. Effective March 1, 2012, PL accrual shall be reduced by 1.54 hours per pay period (as reflected in the chart, below), subject to the other paragraphs of this Article.

Full-time employees shall earn paid personal leave hours as follows:

(1) During the first five (5) years of employment, 0.09225 hours shall be earned for each hour in pay status per pay period up to a maximum of 7.38 hours (80 hours or more in pay status). This approximates 24 days per year. However, a full-time employee shall not be eligible to receive payment for personal leave days until after the first six (6) months of employment, except as outlined in Section 2.

(6) In order to recognize longevity of service, employees with more than five (5) years of continuous service shall earn personal leave hours as follows:

Year of Employment	Per Hr. In Pay Status	Max. Hours Earned Per Pay Period	Equivalent Day* Earned Per Year
6th	.09615	7.692	25
7th	.09995	7.996	26

19th	.12695	10.156	33
20th on	.13075	10.460	34

*Calculations are based on 8-hour shifts.

3. In the event that on or before September 29, 2012 the Union does not meet its goal of providing operational efficiencies consistent with the process described in paragraph 6, below, in an annualized value of $15 million, then SEIU agrees to fill the shortfall through the implementation of a combination of the following concessions: the further reduction or adjustment of PL accrual described in paragraph B.2., above; modifications to the PTO program; and/or modifications to the Extended Illness Program. The shortfall may also be made up with other concessions as proposed by the Union and approved by management. The same procedure shall be utilized for fiscal years 2013 and 2014.

4. In the event that on or before September 29, 2012 the Union meets its goal of providing operational efficiencies consistent with the process described in paragraph 6, below, in an annualized value of $15 million, then the parties agree that $8 million of the $15 million may be utilized (at the Union's election) to offset and restore retroactively the PL accrual described in paragraph B.2 above within four (4) pay periods of meeting the goal. In the event that on or before September 29, 2012 the Union exceeds its goal of providing operational efficiencies consistent with the process described in paragraph 6, below, in an annualized value in excess of $15 million, then the parties agree that 50% of the overage shall be utilized to reduce employee contribution toward group health insurance, prospectively. The same procedure shall be utilized in fiscal years 2013 and 2014.

(18) 2/7

MB

5. The parties recognize that these operational efficiency proposals can only be developed with the highest degree of cooperation between Jackson and Union leadership. Jackson agrees to provide appropriate support, access, and authority to the Union and its advisors and must provide a collaborative and efficient environment to evaluate and quantify operational efficiency proposals. The Employer commits that there will be no intentional delays or unreasonable denials or delays related to the vetting or approval of recommendations presented by the Union. The parties agree that any operational efficiencies originating from the Union that are vetted and approved by the Executive Steering Committee and validated by the PMO consistent with the process described in paragraph 6, below, will not be unreasonably denied approval or recognition by the Employer.

6. The Union and its advisors will present SEIU operational efficiency recommendations to an Executive Steering Committee as established by the Employer. This Committee shall consist of three voting members (the Chief Financial Officer, the Chief Medical Officer, and the Chief Operating Officer) and two non-voting members from the Union. This committee shall meet each month for the purpose of reviewing operational efficiency recommendations proposed by SEIU. Upon vetting and approval by management, which shall not be unreasonably withheld, the annualized value of the recommendations, as validated by the PMO, shall be counted as operational efficiencies as defined above. In addition, the SEIU recommendations already approved and quantified through the Joint Efficiency Task Force shall not be excluded as operational efficiencies in the event that they are approved in accordance with the process outlined herein, and only to the extent that they have not already been fully implemented as of ratification of this Agreement.

7. SEIU recommendations already approved and quantified through the Joint Efficiency Task Force shall be subject to gain sharing in accordance with the language of the March 18, 2010, Agreement, to the extent that they have been implemented as of ratification of this Agreement. The parties agree that any such gain sharing shall not count against or contribute towards the Union's $15 million target for operational efficiencies as described in this Article.

APPENDIX B

REASSIGNMENT PROCEDURE

If it becomes necessary to reduce the FTE's in a unit, the hospital will first seek volunteers in the unit. If there is an insufficient number of volunteers, affected employees will be reassigned in inverse order of hospital-wide seniority in the classification, consistent with the reassignment procedure identified below:

1) Meeting dates will be scheduled with the Divisional ~~Sr.~~ Vice President, ~~Patient Care Services~~, the Department Director, Labor Relations and the Union to discuss the reassignment.

2) Appropriate available positions on the affected list will be frozen.

3) The Employer will notify the Union, in writing, of the affected unit(s); the affected employees by name, hospital-wide seniority date by classification; the appropriate available positions in the affected classification and, the effective date of reassignment.

4) The number of volunteers, in the affected classification(s), accepted from each affected unit(s) will not exceed the number of FTE's being reassigned from that unit. Volunteers from the affected unit(s) will be accepted on a hospital-wide seniority basis in the classification(s), providing licensure requirements for the position are met.

5) The volunteer reassignment process will generally be completed within two weeks of notification to the employee(s). Notification of involuntary reassignments will be completed within 72 hours of completion of the voluntary process.

6) Hospital-wide seniority in the classification(s) will prevail in the selection of the appropriate available positions.

7) The unit seniority of the affected employees shall be maintained and merged into one unit seniority list. Any shift selections or vacation scheduling in accordance with the Collective Bargaining Agreement will be based upon the merged seniority.

8) This procedure will not be used in the layoff procedure of the collective bargaining agreement.

For purposes of the reassignment procedure, a unit shall be defined as follows:

Lab – Specialty areas (e.g., Micro, CORE, Transfusion)
Social Work – Department
Pharmacy – Central, Satellite and/or Specialty
All other classifications – by class and licensure

~~APPENDIX C~~

~~UNION-SPONSORED INSURANCE PLAN~~

~~Local 1991, Service Employees International Union (SEIU), hereinafter referred to as the Union, the Public Health Trust herein after referred to as the Employer, agree that the Union shall have the right to offer employees in the SEIU bargaining unit an optional alternative health insurance plan beginning in January, under the following conditions:~~

~~1. Schedule~~

~~The offering of any Union-sponsored plan will be made in accordance with the following schedule:~~

~~The Employer will provide to the Union a statement specifying the Employer's average cost for health insurance for employees in the bargaining unit, based on the formula:~~

$$\frac{\text{Total Projected Cost of Insurance Paid by the Employer on Behalf of Unit Members for}}{\text{Total Number of Participating Employees in the Unit}}$$

~~The Union will provide to the Employer, in writing, a statement as to whether it plans to make available a Union-sponsored insurance plan.~~

~~The Union will provide to the County a written description of its plan design and the rates it expects to charge employees. This date may be extended up to fifteen (15) days by mutual agreement. If the required information is not supplied by this date or the parties have not mutually agreed to extend the date, it will be assumed that the Union has decided not to offer a Union-sponsored plan, and employees will not be offered such an option.~~

~~The Union will provide the Employer with sufficient copies of plan descriptions to distribute to employees. The Employer will make such copies available to unit members in the same manner as copies of plan descriptions for the Employer's own plans are made available. The same date will be used in subsequent years.~~

~~The Employer will provide the Union with a reconciled calculation of the rate it will contribute to the Union-sponsored plan based on actual enrollment in the plan, calculated in accordance with the following paragraph.~~

~~2. At the beginning of the last pay period immediately prior to the effective date of open enrollment, the Employer will advance to the Union the Employer's portion of the insurance premium attributable to Union Plan enrollment for the first pay period, as calculated below.~~

~~3. Calculation of Employer Contribution Rate~~

~~(a) The parties understand that this agreement to provide for a Union-sponsored insurance plan is based on the Union's assistance that whatever insurance plan it offers, it will not result in an increase in the amount the Employer spends on insurance for members of this bargaining unit.~~
~~(b) To effectuate this purpose, the parties agree that:~~

~~1) The Employer's contribution to the Union-sponsored plan will be calculated as follows:~~

(18) 2/7

E/es Former Plan (1)	# of Participating E/es Electing Union E/e in (2)	Projected Cost of Plan Per Plan	Projected Cost To Assuming No
	N1	C1	N1 * C1

	Total Participating E/ees Electing Union Plan	Total Projected Cost for Participating E/es Electing Union Plan
Reconciled Cost Per Participating Employee = (Weighted Average)		Total Projected Cost for Participating E/es Electing Union Plan
		Total Participating E/es Participating in Union Plan

1. The insurers are those currently being used by the Employer and are subject to change. The list of insurers is intended to serve as an example of how contributions are to be calculated, not to restrict the Employer's selection of insurers.

2. Cost of plan shall include the Employer contribution for the single member premium plus any amount paid to the employee as an incentive to join the plan, as specified in Article XIX, Group Health Insurance, of the Collective Bargaining Agreement.

3 (b) (1) Continued.

The Employer contribution to the Union-sponsored plan on behalf of each employee electing the Union plan will be equal to the Reconciled Cost Per Employee, paid on a bi-weekly basis and on the same terms as such contributions are made to Employer health insurance plans; provided, however, that the first bi-weekly payment after the advance payment referred to in Paragraph 2 above, shall be equal to the difference, if any, between the amount already paid and any amount still due for that pay period.

(2) Employer's contribution to the Union-sponsored plan on behalf of each employee electing the Union plan will be the Reconciled Cost Per Employee plus an adjustment for inflation in the Employer's cost of health insurance, if any. ~~The Employer's rate increase per employee shall be calculated as follows:~~

Plan	# of Participating E/es in Bargaining Unit in Plan as of 1999 Open Enrollment	$ Increase Per E/e	$ Increase to County
POS	P1	I1	P1 * I1
AvMed	P2	I2	P2 * I2
	P3	I3	P3 * I3
JMH	P4	I4	P4 * I4

Total Participating E/es in Bargaining Unit	Total Increase to County

County Increase per Ee = Total Increase / Total Participating E/es in Bargaining Unit

(3) The Union shall have the right to decide whether it will offer dental/vision insurance and life insurance in addition to medical insurance. Should the Union decide to offer such insurance, it will notify the Employer of its intent to do so by July 1, of the year preceding the year in which the Union intends to offer such insurance. For example, if the Union wishes to offer life insurance, it will notify the Employer of its intent by July 1, _____.

In calculating the Employer's contribution to the Union-sponsored plan for dental insurance, the same rate formula as for health insurance will be applied. The Employer's contribution to Union-sponsored life insurance plan shall be the same as its per employee contribution to the County's own plan. If the Union offers a dental or life insurance plan, employees electing the Union-sponsored medical plan will automatically be placed in the Union's dental and life insurance plan.

4. Employees will be allowed to switch to a different plan only during open enrollment.

5. The Union will have its plan independently audited annually in a professionally acceptable manner and provide copies of the audit to the Employer on request. The audit shall include complete paid claim information, including Diagnostic Related Groups, separated by total employees and dependents.

6. An employee shall become eligible to begin receiving Employer contributions to the Union sponsored plan on his or her behalf at the same time and on the same conditions as the employee would be eligible to receive contributions to an Employer-sponsored plan.

7. The parties understand that nothing in this Exhibit prohibits the Union from establishing or participating in a Health Trust Fund which may include two or more local bargaining units. In the event the Association does decide to establish or participate in such a Trust Fund, it will assume all responsibility for ensuring that the Trust is established and operated in accordance with all applicable federal, state, and local laws and regulations.
