Subject: Recommendation for Approval to Award: Establishment of Pre-qualification Pool for Head Start Program Diagnostic and Therapeutic Services

Agenda Item No. 8(F)(8)

At the February 15, 2012 Economic Development and Social Services Committee Meeting, the County Attorney's Office requested that the proposed resolution be amended to include the following clause: "WHEREAS, the Community Action Agency (CAA) Board has recommended the contract award prescribed herein."

RECOMMENDATION

It is recommended that the Board of County Commissioners approve establishment of a pre-qualification pool for Head Start Program Diagnostic and Therapeutic Services, as defined by the U. S. Department of Health & Human Services (DHHS), for the Community Action and Human Services Department. Approximately 400 children in the Head Start Program and their families will be served via this pool.

CONTRACT NUMBERS: RFQ782a, RFQ782b, RFQ782c, RFQ782d, and RFQ782e

CONTRACT TITLE: Head Start Program Diagnostic & Therapeutic Services Pool

TERM: The term of this pool will be from the effective date until the end of the fifth Program year, July 31, 2017.

APPROVAL TO ADVERTISE: July 28, 2011

METHOD OF AWARD: To qualified responsive and responsible proposers to establish a pre-qualification pool. Vendors in the pool will receive initial assignment of services (i.e., speech, occupational and/or physical diagnostic and therapeutic services) in the target geographic areas they serve. After the pool is established, the County may adjust the assigned services and/or the target geographic area to ensure that the County's goals and Head Start Program needs are met.

PREVIOUS CONTRACT AMOUNT: \$650,000 for a one year period

CONTRACT AMOUNT: \$1,750,000 for the initial term. This estimated amount may increase or decrease depending upon federal funding, which is awarded on a yearly basis.

BACKGROUND

Miami-Dade County has been providing comprehensive child development services through the Head Start Program since 1965. The Head Start Program (Program) promotes school readiness for low-

income children, from birth to five years of age. The Program enhances the cognitive, social, and emotional development of the participants in a learning environment that supports their growth in language, literacy, mathematics, science, social and emotional functioning, creative arts and physical skills.

In accordance with the Head Start Act, Head Start Program Services must include the provision of early childhood specialized instruction and disability related services, such as speech, occupational, and physical therapy to enrolled children who have a developmental impediment or a medical condition. Through these services, the Head Start Program addresses individual educational goals to ensure appropriate developmental skill levels are achieved by the time the child enters elementary school. Services are typically provided in pre-school classrooms and/or other settings depending on the unique needs of the child and their family.

Head Start Program diagnostic and therapeutic services are currently being provided under a pool contract which expires on March 31, 2012. The successor pool contract will replace the existing pool. The services to be provided are substantially the same as the current pool with enhancements as defined by Department of Health & Human Services to ensure a consistent referral process, and that staff development training requirements are met.

Seven firms responded to the solicitation. As further described in the attached Report of the Evaluation/Selection Committee, the Committee recommended that the County enter into negotiations with five firms. The Committee considered 1) services to be provided (i.e., speech/occupational and/or physical diagnostic and therapeutic services), 2) number of children to be served, and 3) coverage of services required for each of the designated target geographic areas (Hialeah, Northwest, Northeast, Central, West Central and Southwest) in making its recommendation. The Report of the Evaluation/Selection Committee includes a chart titled "Recommended Firms by Target Geographic Areas/Service Provided/Numbers Served" which provides detailed information on the recommendation.

The five recommended firms possess the required licenses and are authorized Medicaid providers. Being an authorized Medicaid provider is critical to the mission and goals of the Program, as most of the Program children are Medicaid recipients. These firms have qualified diagnostic and therapeutic service professionals with the capacity to screen, assess, evaluate and provide the Head Start Program's educationally relevant speech, occupational, and/or physical diagnostic and therapeutic services. The recommended firms specialize in providing diagnostic and therapeutic care services for low-income families and traditionally underserved populations in the targeted geographic areas. Additionally, the recommended firms concentrate on providing services to children from birth to five years of age, and have specific knowledge of child development milestone assessment techniques. The recommendation ensures coverage for all of the target geographic areas and the anticipated service needs.

Medicaid negotiated rates apply for all diagnostic and therapeutic services provided to children. In the event that services authorized by the Program are not covered under the Medicaid guidelines, and when no other funding source (i.e., private insurance or third party payer) is available, the Program shall pay for said services, subject to appropriation of funds and funding availability.

[45 CFR § 164.528]
- g. Availability of Information to County. Associate shall make available to the County such information as the County may require to fulfill the County's obligations to provide access to, provide a copy of, and account for, disclosures of PHI pursuant to HIPAA and the HIPAA Regulations, including, but not limited to, 45 CFR Sections 164.524 and 164.528. - h. Amendment of PHI. Associate shall make the County's PHI available to the County as may be required to fulfill the County's obligations to amend PHI pursuant to HIPAA and the HIPAA Regulations, including, but not limited to, 45 CFR Section 164.526 and Associate shall, as directed by the County, incorporate any amendments to the County's PHI into copies of such PHI maintained by Associate, and in the time and manner designated by the County. [45 CFR § 164.504(e)(2)(ii)(F)]
- i. Internal Practices. Associate shall make its internal practices, books and records relating to the use and disclosure of the County's PHI (or PHI created or received by Associate on behalf of the County) available to the County and to the Secretary of the U.S. Department of Health and Human Services in a time and manner designated by the

Appendix B

County or the Secretary for purposes of determining Associate's compliance with HIPAA and the HIPAA Regulations. [45 CFR § 164.504(e)(2)(ii)(H) and 45 CFR Part 64, Subpart C.]

3. Audits, Inspection and Enforcement. From time to time, after reasonable notice, upon any breach of this Addendum by Associate, the County may inspect the facilities, systems, books and records of Associate to monitor compliance with this Addendum. Associate shall promptly remedy any violation of this Addendum and shall certify the same to the County in writing. The fact that the County inspects, or fails to utilize its right to inspect, Associate's facilities, systems, books, records, and procedures does not relieve Associate of its responsibility to comply with this Addendum, nor does the County's (i) failure to detect or (ii) detection, but failure to notify Associate or require Associate to remedy such breach, constitute acceptance of such practice or a waiver of the County's enforcement rights under this Addendum.

4. Termination.

a. Material Breach. A breach by Associate of any provision of this Addendum, shall constitute a material breach of the Agreement and shall provide grounds for immediate termination of the Agreement by the County. [45 CFR § 164.504(e)(3) and 45 CFR § 164.314(a)(2)(i)(D)]

b. Termination for Cause - Reasonable Steps to Cure Breach. If the County recognizes a pattern of activity or practice of Associate that constitutes a material breach or violation of the Associate's obligations under the provisions of this Addendum and does not terminate the Agreement pursuant to Section 4a, above, the County may provide an opportunity for Associate to end the violation or cure the breach within five (5) days, or other cure period as may be specified in the Agreement. If Associate does not cure the breach or end the violation within the time period provided, the County may immediately terminate the Agreement.

c. Judicial or Administrative Proceedings. The County may terminate the Agreement, effective immediately, if (i) Associate is named as a defendant in a criminal or administrative proceeding for a violation of HIPAA, or (ii) a finding or stipulation that Associate has violated any standard or requirement of the HIPAA Regulations (or other security or privacy law) is made in any administrative or civil proceeding.

d. Effect of Termination. Appendix B

PHI or, if return or destruction is not feasible, Associate shall provide to the County notification of the conditions that make return or destruction infeasible, and shall continue to extend the protections of this Addendum to such information, and limit further use or disclosure of such PHI to those purposes that make the return or destruction of such PHI infeasible. [45 CFR § 164.504(e)(2)(ii)(I)]

5. **Indemnification.** Associate shall indemnify and hold harmless the County and its officers, employees, trustees, agents, and instrumentalities (the indemnified parties) from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the County or its officers, trustees, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to, or resulting from the performance of this Addendum by Associate or its employees, agents, servants, partners, principals, or subcontractors. Associate shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits, or actions of any kind or nature in the name of any of the indemnified parties, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. Associate expressly understands and agrees that any insurance protection required by this Addendum, or otherwise provided by Associate, shall in no way limit the responsibility to indemnify, keep and save harmless and defend the indemnified parties as herein provided. This paragraph shall survive the termination of the Agreement.

6. **Limitation of Liability.** Nothing in this Addendum shall be construed to affect or limit the County's sovereign immunity as set forth in Florida Statutes, Section 768.28.

7. **Amendment.**

a. **Amendment to Comply with Law.** The parties acknowledge that state and federal laws relating to the security and privacy of PHI, including electronic data, are rapidly evolving and that amendment of this Addendum may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HIPAA Regulations and other applicable laws relating to the security or confidentiality of PHI. The parties understand and agree that the County must receive satisfactory written assurance from Associate that Associate will adequately safeguard all PHI that it receives or creates pursuant to this Agreement. Upon the County's request, Associate agrees to promptly enter into an amendment to the Agreement embodying written assurances consistent with the standards and requirements of HIPAA, the HIPAA Regulations or other applicable laws. The County, in addition to any other remedies including specific performance, may terminate the Agreement upon five [5] days' written notice in the event Associate does not enter into said amendment to the Agreement providing assurances regarding the safeguarding of PHI that the County, in its sole discretion, deems sufficient to satisfy the standards and requirements of HIPAA and the HIPAA Regulations. Notwithstanding Associate's failure to enter into an amendment, Associate shall comply with all provisions of the HIPAA laws.

b. **Amendment to Business Associate Addendum.** In addition to amendments described in 7a above, this Addendum may be otherwise modified or amended by written mutual agreement of the parties without amendment of the remainder of this Agreement.

8. **Assistance in Litigation or Administrative Proceedings.** Associate shall make itself, and any subcontractors, employees or agents assisting Associate in the performance of its obligations under this Agreement, available to the County at the County's convenience upon reasonable notice, at no cost to the County, to testify as witnesses, for document production, or otherwise, in the event of litigation or administrative proceedings being commenced against the County, its trustees, officers, agents or employees based upon claimed violation of HIPAA, the HIPAA Regulations or other laws relating to security and privacy, except where Associate or its subcontractor, employee or agent is a named adverse party.

9. **Effect on Agreement.** Except as specifically required to implement the purposes of this Addendum, or to the extent inconsistent with this Addendum, all other terms of the Agreement shall remain in force and effect. In the event of any conflict between this Addendum and Agreement, this Addendum shall control.

10. **Interpretation.** This Addendum and the Agreement shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HIPAA Regulations and applicable Florida laws. The parties agree that any ambiguity in

Appendix B

this Addendum shall be resolved in favor of a meaning that complies and is consistent with HIPAA and the HIPAA Regulations.

11. Jurisdiction. Any litigation between the parties regarding the terms of this Addendum shall take place in Miami-Dade County, Florida.

The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the County Manager participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the Contractor to the County Manager for a decision, together with all evidence and other pertinent information in regard to such questions, in order that a fair and impartial decision may be made. Whenever the County Manager is entitled to exercise discretion or judgement or to make a determination or form an opinion pursuant to the provisions of this Article, such action shall be fair and impartial when exercised or taken. l. Notification of Breach. Associate shall notify the County within twenty-four (24) hours, and shall provide written notice no later than forty-eight (48) hours of any suspected or actual breach of security, intrusion or unauthorized disclosure of PHI and/or any actual or suspected disclosure of data in violation of any applicable federal or state laws or regulations. Associate shall take (i) prompt corrective action to cure any such deficiencies, and (ii) any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.

m. Expenses. Any and all expenses incurred by Associate in compliance with the terms of this Addendum or in compliance with the HIPAA Regulations shall be borne by Associate.

n. No Third Party Beneficiary. The provisions and covenants set forth in this Agreement are expressly entered into only by and between Associate and the County and are intended only for their benefit. Neither Associate nor the County intends to create or establish any third party beneficiary status or right (or the equivalent thereof) in any other third party nor shall any other third party have any right to enforce or enjoy any benefit created or established by the provisions and covenants in this Agreement.

3. Audits, Inspection and Enforcement. From time to time, after reasonable notice, upon any breach of this Addendum by Associate, the County may inspect the facilities, systems, books and records of Associate to monitor compliance with this Addendum. Associate shall promptly remedy any violation of this Addendum and shall certify the same to the County in writing. The fact that the County inspects, or fails to utilize its right to inspect, Associate's facilities, systems, books, records, and procedures does not relieve Associate of its responsibility to comply with this Addendum, nor does the County's (i) failure to detect or (ii) detection, but failure to notify Associate or require Associate to remedy such breach, constitute acceptance of such practice or a waiver of the County's enforcement rights under this Addendum.

4. Termination.

a. Material Breach. A breach by Associate of any provision of this Addendum, shall constitute a material breach of the Agreement and shall provide grounds for immediate termination of the Agreement by the County. [45 CFR § 164.504(e)(3) and 45 CFR § 164.314(a)(2)(i)(D)]

b. Termination for Cause - Reasonable Steps to Cure Breach. If the County recognizes a pattern of activity or practice of Associate that constitutes a material breach or violation of the Associate's obligations under the provisions of this Addendum and does not terminate the Agreement pursuant to Section 4a, above, the County may provide an opportunity for Associate to end the violation or cure the breach within five (5) days, or other cure period as may be specified in the Agreement. If Associate does not cure the breach or end the violation within the time period provided, the County may immediately terminate the Agreement.

c. Judicial or Administrative Proceedings. The County may terminate the Agreement, effective immediately, if (i) Associate is named as a defendant in a criminal or administrative proceeding for a violation of HIPAA, or (ii) a finding or stipulation that Associate has violated any standard or requirement of the HIPAA Regulations (or other security or privacy law) is made in any administrative or civil proceeding.

d. Effect of Termination. Upon termination of the Agreement for any reason, Associate shall return or destroy as directed by the County all PHI, including but not limited to ePHI, received from the County (or created or received by Associate on behalf of the County) that Associate still maintains in any form. This provision shall also apply to County PHI that is in the possession of subcontractors or agents of Associate. Associate shall retain no copies of such

Appendix B

PHI or, if return or destruction is not feasible, Associate shall provide to the County notification of the conditions that make return or destruction infeasible, and shall continue to extend the protections of this Addendum to such information, and limit further use or disclosure of such PHI to those purposes that make the return or destruction of such PHI infeasible. [45 CFR § 164.504(e)(2)(ii)(I)]

5. **Indemnification.** Associate shall indemnify and hold harmless the County and its officers, employees, trustees, agents, and instrumentalities (the indemnified parties) from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the County or its officers, trustees, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to, or resulting from the performance of this Addendum by Associate or its employees, agents, servants, partners, principals, or subcontractors. Associate shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits, or actions of any kind or nature in the name of any of the indemnified parties, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. Associate expressly understands and agrees that any insurance protection required by this Addendum, or otherwise provided by Associate, shall in no way limit the responsibility to indemnify, keep and save harmless and defend the indemnified parties as herein provided. This paragraph shall survive the termination of the Agreement.

6. **Limitation of Liability.** Nothing in this Addendum shall be construed to affect or limit the County's sovereign immunity as set forth in Florida Statutes, Section 768.28.

7. **Amendment.**

a. **Amendment to Comply with Law.** The parties acknowledge that state and federal laws relating to the security and privacy of PHI, including electronic data, are rapidly evolving and that amendment of this Addendum may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HIPAA Regulations and other applicable laws relating to the security or confidentiality of PHI. The parties understand and agree that the County must receive satisfactory written assurance from Associate that Associate will adequately safeguard all PHI that it receives or creates pursuant to this Agreement. Upon the County's request, Associate agrees to promptly enter into an amendment to the Agreement embodying written assurances consistent with the standards and requirements of HIPAA, the HIPAA Regulations or other applicable laws. The County, in addition to any other remedies including specific performance, may terminate the Agreement upon five [5] days' written notice in the event Associate does not enter into said amendment to the Agreement providing assurances regarding the safeguarding of PHI that the County, in its sole discretion, deems sufficient to satisfy the standards and requirements of HIPAA and the HIPAA Regulations. Notwithstanding Associate's failure to enter into an amendment, Associate shall comply with all provisions of the HIPAA laws.

b. **Amendment to Business Associate Addendum.** In addition to amendments described in 7a above, this Addendum may be otherwise modified or amended by written mutual agreement of the parties without amendment of the remainder of this Agreement.

8. **Assistance in Litigation or Administrative Proceedings.** Associate shall make itself, and any subcontractors, employees or agents assisting Associate in the performance of its obligations under this Agreement, available to the County at the County's convenience upon reasonable notice, at no cost to the County, to testify as witnesses, for document production, or otherwise, in the event of litigation or administrative proceedings being commenced against the County, its trustees, officers, agents or employees based upon claimed violation of HIPAA, the HIPAA Regulations or other laws relating to security and privacy, except where Associate or its subcontractor, employee or agent is a named adverse party.

9. **Effect on Agreement.** Except as specifically required to implement the purposes of this Addendum, or to the extent inconsistent with this Addendum, all other terms of the Agreement shall remain in force and effect. In the event of any conflict between this Addendum and Agreement, this Addendum shall control.

10. **Interpretation.** This Addendum and the Agreement shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HIPAA Regulations and applicable Florida laws. The parties agree that any ambiguity in

Appendix B

this Addendum shall be resolved in favor of a meaning that complies and is consistent with HIPAA and the HIPAA Regulations.

11. Jurisdiction. Any litigation between the parties regarding the terms of this Addendum shall take place in Miami-Dade County, Florida.

If Associate does not cure the breach or end the violation within the time period provided, the County may immediately terminate the Agreement.

The parties understand and agree that the County must receive satisfactory written assurance from Associate that Associate will adequately safeguard all PHI that it receives or creates pursuant to this Agreement. Upon the County's request, Associate agrees to promptly enter into an amendment to the Agreement embodying written assurances consistent with the standards and requirements of HIPAA, the HIPAA Regulations or other applicable laws. The County, in addition to any other remedies including specific performance, may terminate the Agreement upon five [5] days' written notice in the event Associate does not enter into said amendment to the Agreement providing assurances regarding the safeguarding of PHI that the County, in its sole discretion, deems sufficient to satisfy the standards and requirements of HIPAA and the HIPAA Regulations. Notwithstanding Associate's failure to enter into an amendment, Associate shall comply with all provisions of the HIPAA laws.

b. **Amendment to Business Associate Addendum.** In addition to amendments described in 7a above, this Addendum may be otherwise modified or amended by written mutual agreement of the parties without amendment of the remainder of this Agreement.

8. **Assistance in Litigation or Administrative Proceedings.** Associate shall make itself, and any subcontractors, employees or agents assisting Associate in the performance of its obligations under this Agreement, available to the County at the County's convenience upon reasonable notice, at no cost to the County, to testify as witnesses, for document production, or otherwise, in the event of litigation or administrative proceedings being commenced against the County, its trustees, officers, agents or employees based upon claimed violation of HIPAA, the HIPAA Regulations or other laws relating to security and privacy, except where Associate or its subcontractor, employee or agent is a named adverse party.

Local Preference:

Local Preference is not applicable, as project is supported by federal funds.

Negotiations:

3. Easter Seals South Florida, Inc.
4. BioNetworks, Inc.
5. Integrated Rehabilitation Center, Inc.

The following individuals will participate in the negotiations:

Maria Carballeira, Procurement Contracting Officer, Department of Procurement Management
Florreyn "Joy" Vickers, Center Supervisor, Community Action Agency
Graciela Laskis, Special Projects Administrator 1, Community Action Agency

Consensus Statement:

The Committee has determined that the top five firms are qualified to serve in the Pool. The Committee considered the scoring guidelines in accordance with Implementing Order 3-34 (Formation and Performance of Selection Committees) in making this recommendation. There is a 48 point difference between the score of the highest ranked firm (Hearing and Speech Center of Florida, Inc.) and the fifth ranked firm (Integrated Rehabilitation Center, Inc.). After the fifth ranked firm, there is a significant gap in the scoring of approximately 100 points to the next ranked firm.

Additionally, in their recommendation, the Committee considered 1) services to be provided (i.e., Speech/Occupational/Physical), 2) number of children to be served, and 3) coverage of services required for each of the designated Target Geographic Areas (Hialeah, Northwest, Northeast, Central, West Central and Southwest). The attached chart titled "Recommended Firms by Target Geographic Areas/Service Provided/Numbers Served" provides detailed information on the recommendation, by firm. After the Pool is established, the Head Start Program Disability Services Administrators may adjust the designated Target Geographic Area assignments and/or Services provided by each firm as may be necessary to accommodate Program children served.

The five recommended firms possess the required licenses. These firms have qualified diagnostic and therapeutic service professionals with the capacity to screen, assess, evaluate and provide the Head Start Program's educationally relevant speech, occupational, and/or physical therapy services. These firms specialize in providing diagnostic and therapeutic care services for low-income families and traditionally underserved populations in the targeted geographic areas. Additionally, the recommended firms concentrate on providing services to children from birth to five years of age, and possess a specific knowledge of child development milestones and assessment techniques. The recommendation ensures coverage for all of the target geographic areas and the majority of anticipated

services, with the exception of the Northwest area. The services that are not covered for the Northwest area will be addressed through the negotiations process. The Committee fully expects that the negotiations team will be able to negotiate coverage for this area. Alternatively, Program Administrators can assign services within the other target geographic areas to meet Program needs.

Copies of the score sheets are attached for each Evaluation/Selection Committee member, as well as a composite score sheet.

If required, the Selection Committee will select several candidate firms meeting the published criteria to make oral presentations at a properly noticed public hearing to the full Selection Committee.

The Selection Committee shall be responsible for evaluating, rating and ranking the proposals by each Committee member, based on the criteria and procedure contained in the advertised document.
