Memorandum

Date: May 1, 2012

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Declaring the Acquisition of the Designated Property Known as Parcel 1 for Right-of-Way Needed for the People's Transportation Plan Project Entitled Improvements to Old Cutler Road from SW 97 Avenue to SW 87 Avenue to be a Public Necessity, and Authorizing the Use of Charter County Transportation Surtax Funds

RECOMMENDATION

It is recommended that the Board of County Commissioners (BCC) approve the attached resolution which does the following:

- Declares the acquisition of Parcel 1 required for the road widening, beautification, and right-of-way improvements to Old Cutler Road from SW 97 Avenue to SW 87 Avenue to be a public necessity; and
- Authorizes the County Mayor or the County Mayor's designee and the County Attorney to employ appraisers, expert witnesses, obtain required environmental audits, and to take any and all appropriate actions to acquire the subject parcel in fee simple, either by negotiation, donation, purchase at values established by appraisal together with reasonable attorneys fees, experts fees and cost pursuant to Chapters 73.091 and 73.092 Florida Statutes or eminent domain court proceedings including a declaration of taking as necessary for and on behalf of Miami-Dade County. Proceeds from Charter County Transportation Surtax bond proceeds will be used to fund this Project, therefore, approval by the BCC and the Citizens' Independent Transportation Trust (CITT) is required.

This Resolution is for the acquisition of Parcel 1, needed by the Public Works and Waste Management Department (PWWM) for programmed improvements to Old Cutler Road from SW 97 Avenue to SW 87 Avenue. It is anticipated that the Project will require the acquisition of approximately three parcels, which are being presented for BCC consideration on this agenda. Pursuant to Florida Statute Section 127.02, each parcel must be approved by separate resolution.

Said Resolution is placed for Committee review pursuant to Miami-Dade County Code Section 29-124(f). This item may only be considered by the BCC if the CITT has forwarded a recommendation to the BCC prior to the date scheduled for BCC consideration, or forty-five (45) days have elapsed since the filing with the Clerk of the Board of this item. If the CITT has not forwarded a recommendation and forty-five (45) days have not elapsed since the filing of this item, I will request a withdrawal of this item.

SCOPE

The impact of this Project is countywide; however, it is located within Commission District 8.

FISCAL IMPACT/FUNDING SOURCE

Funding for the right-of-way acquisition, design and construction of this Project is from Charter County Transportation Surtax bond proceeds. This legislative item will be presented to the CITT for review prior to final consideration by the BCC. Funding is programmed within the adopted FY2011-12 Capital

Budget and the index code is CPEPTP608OLD. The index code for the right-of-way acquisition is subject to change; however, any need for additional funds would require further BCC approval.

The total cost of the Project (inclusive of construction, design, and right-of-way acquisition of all parcels) is estimated at \$7,500,000. The anticipated ongoing annual maintenance and operational costs will be approximately \$12,876.92 and \$7,783.06, respectively.

The initial acquisition costs have been budgeted, and no additional fiscal impacts are expected; however, in the event of litigation the ultimate acquisition costs would be subject to ruling by the Court.

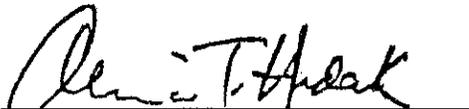

TRACK RECORD/MONITOR

PWWM is the entity overseeing this Project, and the person responsible for monitoring this acquisition is Mr. Raul A. Pino, PLS., Chief, Land Development / Right-of-Way Division.

BACKGROUND

PWWM has programmed the construction of Old Cutler Road as part of the People's Transportation Plan Project Entitled Improvements to Old Cutler Road from SW 97 Avenue to SW 87 Avenue. The proposed Project includes roadway expansion, beautification, and improvements to include curb and gutters, a continuous storm drainage system, enhancements to existing shared use paths, enhanced street lighting, signalization, and landscaping. In addition, the Project will also provide for two (2) traffic circles on Old Cutler Road, one replacing the current signalized intersection at SW 87 Avenue, and the second at the intersection with SW 97 Avenue.

The area to be acquired by Miami-Dade County is necessary for the proposed roadway improvements, and is legally described in "Exhibit A", and illustrated on the parcel location map in "Exhibit B", attached herewith.
