

Memorandum

Date: June 5, 2012

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

Agenda Item No. 8(F)(3)

From: Carlos A. Gimenez
Mayor

Subject: Resolution Authorizing Competitive Contract Awards and Modifications For
Various County Departments

This item was amended at the May 8, 2012 meeting of the Internal Management and Fiscal Responsibility Committee to reflect a reduced allocation for MDT under item 1.4 from \$650,000 to \$325,000. The revised total allocation for all County departments under the initial contract term is now \$2,785,000 and not \$3,110,000, and the cumulative value changes to \$7,241,000 from \$8,081,000.

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached award of competitive contracts and contract modifications with authority to exercise options-to-renew (OTR). The items are described briefly below and in more detail in the accompanying attachments:

Item 1.1 - Clay Targets for Parks, Recreation and Open Spaces: Approves the establishment of a contract for purchase of clay targets for the Parks, Recreation and Open Spaces Department (PROS) in the amount of \$695,000 over the initial five-year term. If the County chooses to exercise the one, five-year option-to-renew period, the cumulative value is \$1,390,000. The sale of clay targets is revenue-generating for PROS.

Item 1.2 – Inmate Uniforms: Approves the establishment of a contract for purchase of inmate uniforms for the Corrections and Rehabilitation Department in the amount of \$2,504,000 over the five-year term. All three vendors recommended under this solicitation are local vendors.

Item 1.3 – Floor Cleaning Machines, Pre-Qualification Pool: Approves the establishment of a pre-qualification pool for purchase of floor cleaning machines for Miami-Dade Transit (MDT) in the amount of \$200,000 over the initial five-year term. If the County chooses to exercise the one, five-year OTR period, the cumulative value is \$400,000. Authorization is also requested to allow MDT to use Charter County Transportation Surtax funds as a component of MDT Operating funds for this contract. Six of the eleven vendors that qualified for this pool are local vendors.

Item 1.4 – Public Safety and Emergency Preparedness Equipment and Related Services: Approves access to a competitively established U.S Communities Government Purchasing Alliance contract for purchase of public safety and emergency preparedness equipment and related services for various County departments in the amount of \$2,785,000 for two years and six months. If the County chooses to exercise the four, one-year options-to-renew periods, the cumulative value is \$7,241,000. Authorization is also requested to allow MDT to use Charter County Transportation Surtax funds as a component of MDT Operating funds for this contract. While the vendor is located in Fairfax County, accessing this contract will provide the County a 41 percent discount off manufacturer pricing.

Item 2.1 - Automotive and Truck Parts and Repair Services: Modifies this contract for an additional allocation of \$700,000 from MDT Operating Funds so that MDT can purchase automotive and truck replacement parts and specialized repair services for the remaining OTR terms authorized by the Board through Resolution R-504-09. Authorization is also requested to allow MDT to use

Charter County Transportation Surtax funds as a component of MDT Operating funds for this contract. Eight of the 12 vendors in this pool are local vendors.

Item 2.2 - Hand Painted Banners and Signs: Modifies this contract for an additional six months, which is needed to ensure continuity of services until the successor contract is established. The successor contract is expected by November of this year.

Item 2.3 – Janitorial Supplies: Modifies this contract for additional six months and \$440,000 to allow various County departments to continue purchase of janitorial supplies. This is necessary to allow time for award of the successor contract, which is expected by October 2012.

Item 2.4 – Landscaping and Lawn Maintenance: Modifies this contract for an additional seven months and \$499,000 to allow the Aviation Department to continue purchasing ongoing grounds maintenance. This extension is necessary until the long-term successor contract is established, which is expected by January 2013.

Item 2.5 – Barricades and Traffic Control Accessories, Rental: Modifies this contract for additional allocation funded by MDT Operating Funds so that MDT can continue to rent barricades and traffic control devices. The additional allocation of \$23,000 is being transferred from unallocated MDT funds; therefore, no additional funds are required. Authorization is also requested to allow MDT to use Charter County Transportation Surtax funds as a component of MDT Operating funds for this contract.

Item 2.6 – Elevator Maintenance Services: Modifies this contract for an additional \$100,000 allocation from MDT Operating Funds so that the Miami-Dade Transit Department can continue to purchase elevator maintenance and repair services. Authorization is also requested to allow MDT to use Charter County Transportation Surtax funds as a component of MDT Operating funds for this contract. This modification is necessary due to higher than expected emergency repair costs throughout the contract term.

This contract award recommendation is placed for Committee review pursuant to Miami-Dade County Code Section 29-124(f). This contract award recommendation may only be considered by the Board if the Citizens' Independent Transportation Trust (CITT) has forwarded a recommendation to the Board prior to the date scheduled for Board consideration or 45 days have elapsed since the filing with the Clerk of the Board of this contract award recommendation. If the CITT has not forwarded a recommendation and 45 days have not elapsed since the filing of this award recommendation, I will request a withdrawal of this item. The contracts in this package are scheduled for the May CITT meeting.

Scope

The impact of the items in the attached Competitive Contract Awards and Modifications Package is countywide in nature.

Fiscal Impact/Funding Source

The allocation and funding source by department/agency is listed in the attached Competitive Contract Awards and Modifications Packages. Some contract modifications included in this item include Charter County Transportation Surtax funding.

Contract amounts and department allocations represent the maximum spending authority based on past utilization. This action does not guarantee that the total contract amount/value will be expended

by County departments/agencies. Funding will be expended only if departmental budgets can support the expenditures approved in their annual budget adopted by the Board.

Track Record/Monitor

There are no known performance/compliance issues with the vendors recommended for award in the Competitive Contract Awards and Modifications Package. Each department's contract manager is reflected in the attached item.

Delegated Authority

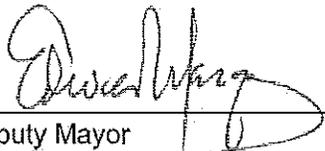

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise, in their discretion, subsequent OTR periods and extend contracts for purchase of goods and services in accordance with the terms and conditions of each contract.

Due Diligence

Due diligence was conducted in accordance with the Internal Services Department's Procurement Guidelines to determine Contractor responsibility, including verifying corporate status and review of performance or compliance issues. The lists that were referenced include: convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to Contractor responsibility. This information is being provided pursuant to Resolution R-187-12.

Background

Additional background information on the four awards (Items 1.1 through 1.4), as well as the six contract modifications (Items 2.1 through 2.6) are attached.

ITEM 1.1

Memorandum

Date:

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Recommendation for Approval to Award: Clay Targets for Parks, Recreation and Open Spaces

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve award of this contract to Parks & Sons, Inc. (primary vendor) and Miami Grandstand Entertainment Corp. (secondary vendor) for purchase of clay targets for the Parks, Recreation and Open Spaces Department.

CONTRACT NUMBER: 7767-1/21

CONTRACT TITLE: Clay Targets for Parks, Recreation and Open Spaces

TERM: Five years with one, five-year option-to-renew

APPROVAL TO ADVERTISE: September 12, 2011

METHOD OF AWARD: To the two responsive and responsible bidders offering the lowest aggregate price, as primary and secondary vendors.

PREVIOUS CONTRACT AMOUNT: \$836,000 for five years

CONTRACT AMOUNT: \$695,000 for five years*
* Should the County choose to exercise the one, five-year option-to-renew, the cumulative value will be \$1,390,000.

BACKGROUND

An Invitation to Bid was issued under full and open competition to purchase clay targets for the Parks, Recreation and Open Spaces Department (PROS). These targets are sold to patrons at the Trail Glades Shooting Range for use as a form of trapshooting, in which clay targets are thrown from traps and are shot at from different stations. The clay targets are also used for various types of presentations, for competition purposes, and for law enforcement agency training. Revenue from sale of clay targets has averaged approximately \$269,000 per year over the last 4 years.

ITEM 1.2

Memorandum

Date:

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Recommendation for Award of Contract for Inmate Uniforms, and Rejection of Bids Received for Item No. 5 (Jackets)

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve award of this contract to Global Trading, Inc., Palmetto Uniforms, Inc. and Paragon Uniform Group, Inc. for purchase of inmate uniforms used by the Miami-Dade Corrections and Rehabilitation Department. It is further recommended that the Board approve rejection of all bids received for Item No. 5 (jackets for participants in the Boot Camp Program).

CONTRACT NUMBER: 9212-0/17

CONTRACT TITLE: Inmate Uniforms

TERM: Five years

APPROVAL TO ADVERTISE: September 19, 2011

METHOD OF AWARD: To up to three lowest priced responsive, responsible bidders (as primary, secondary and tertiary vendors), on an item-by-item basis.

PREVIOUS CONTRACT AMOUNTS:

Contract 9212-0/11:	\$2,214,641 for five years
Contract 8070-4/12:	\$ 476,736 for five years
Contract IB6518-0/12:	\$ 253,592 for five years

CONTRACT AMOUNT: \$2,504,000 for five years

BACKGROUND

Miami-Dade Corrections and Rehabilitation Department (MDCR) will use this contract for the purchase of all clothing issued to inmates. Inmate clothing consists of underwear, t-shirts, shirts, shorts, pants, socks, and footwear. This contract will consolidate three existing contracts for purchase of inmate-related clothing and footwear.

The County Attorney's Office (CAO) determined that bids received from Paragon Uniform Group, Inc. and Global Trading, Inc. were not responsive for Item No. 3 (inmate gym shorts) and Item No. 11 (men's briefs), respectively. All bids received for Item No. 5 (jackets for participants in the Boot Camp Program) are rejected due to the ambiguity between the specifications and the price sheet. Therefore, no award is recommended for this item only. Staff will revise the specifications for the jackets and re-solicit.

MIAMI-DADE COUNTY COUNTY ATTORNEY'S OFFICE

To: Abelín Rodríguez
Contracting Agent
Internal Services Department

From: Monica Rizo
Assistant County Attorney

Re: Responsiveness on ITB No. 9212-0/17:
Inmate Uniforms

Date: November 14, 2011

You have asked this office if bids from Paragon Uniform Group, Inc. ("Paragon") and Global Trading, Inc. ("Global") may be considered responsive to the above-referenced Invitation to Bid ("ITB"). For the reasons set forth below, we conclude that Paragon's bid for Item No. 3 and Global's bid for Item No. 11 are non-responsive and must be rejected. The ITB is ambiguous with respect to the specification for Item No. 5 and therefore all bids must be rejected for Item No. 5 and no award can be made for Item No. 5 under this solicitation.

FACTS

We rely on the information provided in your memorandums to this office of October 24 and 28, 2011, Paragon's bid, Global's bid and the ITB. Our opinion herein is strictly limited to the questions and issues raised in your memorandums. Section 1.3(D) of the ITB provides that a "[b]idder may be considered non-responsive if bids are conditioned to modifications, changes, or revisions to the terms and conditions of this solicitation." Section 2.6 of the ITB provides that "[a]wards will be made up to the three (3) lowest price responsive, responsible bidders as primary, secondary and tertiary on an item-by-item basis. . . . An Item[] is defined as all associated and noted sizes of the same particular article of clothing (i.e. Sizes S-XL and 2XL, 3XL, Etc.)." Section 1.2(G) of the ITB provides that "[w]here there appears to be a conflict between the General Terms and Conditions, Special Conditions, the Technical Specifications, the Bid Submittal Section, or any addendum issued, the order of precedence shall be: the last addendum issued, the Bid Submittal Section, the Technical Specifications, the Special Conditions, and then the General Terms and Conditions."

A. Paragon

Item No. 3 of the ITB was for inmate gym shorts. Section 3.4 of the ITB requires that gym shorts for inmates be made of "65/35 poly/combed cotton, 7.5 oz." fabric. However, on the bid submittal form for Item No. 3- inmate gym shorts, Paragon wrote "note same fabric as resident scrub sets." The specifications for the resident scrub sets, contained in Section 3.2 of the ITB, required "65/35 poly/cotton, 3.5-4.5 poplin or broadcloth."

B. Global

Item No. 11 of the ITB was for men's briefs. Section 3.10 of the ITB requires that men's briefs be "100% pre-shrunk Cotton." However, on the bid submittal form for Item No. 11- men's briefs, Global specified the style as "60% cotton 40% poly."

C. Specifications for Denim Inmate Jackets

Section 3.5 of the ITB provides the specifications for Item No. 5- denim inmate jackets, and requires that denim inmate jackets be "7.5 oz. 65/35, poly/cotton, hip length, preshrunk, heavy duty." The bid submittal form for Item No. 5- denim inmate jackets described the jacket as "100% cotton, color: blue denim. Size S-XL. (Technical Specifications 3.5)."

DISCUSSION

Based on the facts set forth above, Paragon's bid to the County for Item No. 3 and Global's bid to the County for Item No. 11 are not responsive. Paragon may not be awarded Item No. 3 of the ITB and Global may not be awarded Item No. 11 of the ITB. In addition, the ITB is ambiguous with respect to the specifications for Item No. 5 and therefore all bids must be rejected for Item No. 5 and no award can be made for Item No. 5 under this solicitation.

In general, a proposal may be rejected or disregarded if there is a material variance between the proposal and the advertisement. A minor variance, however, will not invalidate the proposal. See *Robinson Electric Co. v. Dade County*, 417 So.2d 1032, 1034 (Fla. 3d DCA 1982). There is a two part test to determine if a specific noncompliance in a proposal constitutes a substantial and thus nonwaivable issue: (1) whether the effect of the waiver would be to deprive the County of the assurance that the contract would be entered into, performed and guaranteed according to its specific requirements; and (2) whether it would adversely affect competitive bidding by placing a proposer in a position of advantage over other proposers. *Id.*

Paragon took specific exception to the requirements of Section 3.4 of the ITB by stating that it would provide 7.5 oz. poplin or cotton rather than the 7.5 oz. cloth required by the specifications of the ITB. Global likewise took specific exception to the requirements of Section 3.10 of the ITB by stating that it would provide 60% cotton/40% poly men's briefs rather than the 100% cotton men's briefs required by the ITB. Therefore, both Paragon and Global's notations in their respective bids were a clear repudiation of the specifications of the ITB and thus deprived the County of the assurance that the contract would be entered into, performed and guaranteed according to the specific requirements of the ITB.

The ITB was ambiguous with respect to Item No. 5 and thus Item No. 5 cannot be awarded under this solicitation. While the ITB provides that the bid submittal form takes precedence over the technical specification, the bid submittal form for Item No. 5 specifically referenced and incorporated the technical specifications. Thus, the bid submittal form for Item No. 5 was internally inconsistent and ambiguous as it both required the denim jackets to be 100% cotton and referenced Section 3.5 of the ITB, which required the denim jackets to be 7.5 oz, 65/35 poly/cotton. It was not clear to the bidders whether they were to bid on and provide denim jackets that were 100% cotton or ones that were a poly/cotton blend.

Subject: Recommendation for Approval to Establish a Pre-qualification Pool: Floor Cleaning Machines

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve establishment of a pre-qualification pool for purchase of floor cleaning machines for Miami-Dade Transit (MDT). Approval is also requested to allow MDT to use Charter County Transportation Surtax funds as a component of MDT Operating funds for this contract.

This contract award recommendation is placed for Committee review pursuant to Miami-Dade County Code Section 29-124(f). This contract award recommendation may only be considered by the Board if the Citizens' Independent Transportation Trust (CITT) has forwarded a recommendation to the Board prior to the date scheduled for Board consideration or forty-five (45) days have elapsed since the filing with the Clerk of the Board of this contract award recommendation. If the CITT has not forwarded a recommendation and forty-five (45) days have not elapsed since the filing of this award recommendation, I will request a withdrawal of this item.

- CONTRACT NUMBER:** 9551-1/21
- CONTRACT TITLE:** Floor Cleaning Machines, Pre-Qualification Pool
- TERM:** Five years with one, five year option-to-renew
- APPROVAL TO ADVERTISE:** September 6, 2011
- METHOD OF SELECTION:** To all responsive and responsible bidders who meet the pre-qualification requirements as specified in the solicitation for participation in future spot market competitions. Additional qualified vendors may be added to the pool at any time during the contract term, subject to ratification by the Board on a biannual basis.
- PREVIOUS ALLOCATION:** N/A
- PROPOSED ALLOCATION:** Up to \$200,000 for five years. Should the County choose to exercise the one, five year option-to-renew, the cumulative value will be \$400,000.

BACKGROUND

The purpose of this solicitation was to establish a pool of pre-qualified vendors for the purchase of floor cleaning machines to be used at various MDT sites, including the Support Services, Central, Coral Way and Northwest facilities. Floor cleaning machines include, but are not limited to, vacuum cleaners, burnishers, buffers, extractors, sweepers, scrubbers, and pressure washers. MDT needs to replace floor cleaning machines that have exceeded their useful life and have become costly to maintain. The

current machines were purchased between seven and fifteen years ago. The price per machine varies, depending on the type of machine. This pool of pre-qualified vendors will allow the County to secure the most competitive pricing by conducting spot market competitions at the time of the need, which will result in a contract award.

The County's janitorial contracts are limited to cleaning of offices, bathrooms, lunchrooms and common areas (hallways) in the Bus Maintenance garages. Contracted janitorial staff does not clean the shop maintenance areas and repair bays. This is the responsibility of MDT Bus General Helpers and requires MDT to have their own equipment, which, due to the large amounts of oil/grease that accumulate on the shop floors and pose safety and environmental hazards, requires the use of heavy duty industrial floor scrubbers.

Contract No. RQ06-814063-10A:	\$1,548,945 for five years

CONTRACT AMOUNT: \$3,110,000 for two years and six months*

* If the County chooses to exercise the four, one-year options-to-renew, the cumulative value will be \$8,081,000.

BACKGROUND

Fairfax County, as lead agency for U.S. Communities, awarded a contract for public safety and emergency preparedness equipment and related services. U.S. Communities leverages the buying power of cities and counties throughout the country to achieve economies of scale that would not be possible at the municipal level. The contract was established via a competitive Request for Proposals (RFP) process. A Miami-Dade County representative served on the selection committee for the solicitation.

This contract provides a significant discount off of catalog pricing on thousands of safety-related items, including protective clothing, respirators and accessories, hearing protection, first aid supplies, traffic safety supplies, lighting, batteries and other related items. This contract will replace an existing safety supply contract, as well as the previously accessed U.S. Communities contract for similar equipment and services.

Accessing this contract provides the County a substantial (41%) discount off manufacturer's pricing. Orders exceeding certain thresholds may be eligible for additional price discounts. The contract also allows the flexibility to obtain new and/or upgraded items, as they become available. In addition, the contract allows for negotiation of lower rates/pricing for technical services, rentals, and training.
