MIAMI-DADE COUNTY

Agenda Item No. 8(N)(2)

Date: September 4, 2012

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
County Mayor

Subject: Resolution Authorizing Approval and Execution of an Interlocal Agreement for Public Transportation Services Between Miami-Dade County and the Town of Miami Lakes for the Operation of Local Circulator Service

---

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve an Interlocal Agreement (Agreement) for Public Transportation Services between Miami-Dade County (County), through Miami-Dade Transit (MDT), and the Town of Miami Lakes (Town) for the operation of public transportation service in and around the Town.

SCOPE

This Interlocal Agreement has a direct impact on Commission District 13. However, due to the connection of service with other MDT routes, the impact of this Circulator benefits the public, and is therefore countywide.

FISCAL IMPACT

There is no fiscal impact to the County for this Agreement. The Town will be responsible for all operating and maintenance costs of the service and will be using its annual Charter County Transportation Surtax (Surtax) proceeds for the operation and maintenance of this Circulator.

DELEGATED AUTHORITY

In accordance with Section 2-8.3 of the Miami-Dade County Code related to identifying delegation of Board authority, there are no authorities beyond that specified in the resolution which include authority for the Mayor, Mayor's designee, or MDT Director to execute an Interlocal Public Transportation Services Agreement between Miami-Dade County and the Town.

TRACK RECORD/MONITOR

This will be the first Circulator Agreement between MDT and the Town. The project manager for this agreement is Robert Pearsall, Section Chief, Service Planning and Scheduling.

BACKGROUND

This is the first Agreement between the County and the Town for a public circulator route. This Agreement allows the Town to provide residents and visitors with public transportation services in accordance with Chapter 31, Article III, Section 31-113 of the County Code, which concerns the ability of municipalities to operate public transit services only under Interlocal Agreements with the County.

The Miami Lakes circulator is scheduled to commence no later than July 2012. This Agreement was approved by the Town Council on February 14, 2012 and the Town intends to contract with a private operator.

MDT has collaborated with and provided technical service and planning to the Town in the development of this Circulator. The Circulator routes complement existing Miami-Dade County Metrobus service in the area and will substantially augment public transportation in the Town. There is minimal service overlap with existing MDT bus routes. A copy of the Agreement, route map, and proposed service schedule are attached hereto as reference (See Exhibits).

Key provisions of this agreement include:

- The Town will adhere to all county, federal, state, and local transit operating and reporting requirements.
- The Agreement is for a five-year term and includes two, five-year automatic renewals under the same contract terms and conditions. Each party has the right to terminate for cause or without clause.
- MDT and the Town will work collaboratively to exchange route and schedule information for the benefit of the riders.
- The Town is proposing to operate three routes: The West Route, The East Route, and The East School Route.
    - The Town will serve the Bob Graham Education Center Barbara Goleman Senior High School, Miami Lakes Elementary, Miami Lakes Middle School, and Miami Lakes Education Center. In addition, the routes will serve local business parks, private schools, retail and commercial centers and residential neighborhoods.
    - The Circulators will operate weekdays in the morning peak from 6:00 a.m. to 10:00 a.m. and the evening peak from 2:15 p.m. to 7:00 p.m.
- The Circulator service is free of charge.
- The Town is responsible for passenger shelters and benches at all bus stops served by the Circulator.

This Agreement is essentially the same as those previously approved by the Board with several other municipalities. As previously indicated, the Town proposes to operate the Circulator at no cost to patrons. In the case where the Town may charge a fare, similar to other agreements for Circulator service, this Agreement requires the Town to enact a fare structure to include the acceptance of all MDT passes, transfers, or identification entitling an eligible passenger to ride the Circulator without paying an additional fare (i.e., Patriot and Golden Passport) or for half fare (i.e. K-12 student).
