**Date:** December 18, 2012  
**To:** Honorable Vice Chairwoman Audrey M. Edmonson  
and Members, Board of County Commissioners  
**From:** Carlos A. Giménez  
County Mayor   
**Subject:** Resolution Approving Issuance of Building Better Communities General Obligation  
Bonds in an Amount not to Exceed \$675,000,000 as part of Flexible Drawdown Bond  
Program

Agenda Item No. 8(D)(1)

## Recommendation

It is recommended that the Board of County Commissioners (Board) adopt the accompanying resolution (Series Resolution) authorizing the issuance of two or more series of general obligation bonds over a four year period in an aggregate principal amount not to exceed \$675,000,000 (Bonds) as part of a flexible drawdown bond program (Flexible Drawdown Bond Program) that will provide the County with access to capital funds as needed at a variable rate of interest to finance the cost of any of the \$2.925 billion voter approved Building Better Communities Projects (Projects).

The Flexible Drawdown Bond Program was presented to the County as an unsolicited proposal by RBC Capital Markets (RBC) as an alternative to the commercial paper program (CP Program) previously approved by the Board.

## Scope

The issuance of the Bonds will have a countywide impact.

## Fiscal Impact/Funding Source

Each series of Bonds will be issued pursuant to a private placement with RBC Municipal Products, Inc. (Purchaser). Once issued, the County has the right to draw upon the Bonds in an amount necessary to pay costs of the Projects. The Bonds will initially bear interest on the principal amount of each draw at a rate equal to the Securities Industry and Financial Markets Association's (SIFMA) short term variable rate tax-exempt index plus a spread of 0.55 percent (Variable Rate of Interest). For example, if SIFMA is 1.00 percent, the interest rate would be 1.00 percent plus 0.55 percent or 1.55 percent. As is the case with the CP Program, the exact amount of interest paid during the four year term of the Flexible Drawdown Bond Program cannot be predicted because the interest rate varies and the amount of principal outstanding from time to time is dependent on the timing of the draws.

Because the Purchaser has agreed to make available up to \$400,000,000 for draws at the County's discretion without charging any interest except on each draw, the Purchaser shall receive an ongoing unutilized/undrawn fee of 0.28 percent on that portion of the \$400,000,000 that has not been drawn. For example, if the County draws \$100,000,000, the Purchaser shall receive 0.28 percent of \$300,000,000 as an unutilized/undrawn fee. The unutilized/undrawn fee is similar to the letter of credit fee the County pays to a letter of credit provider in a CP Program. The actual amount of the unutilized/undrawn fee to be paid by the County during the four year period is difficult to determine because it is dependent upon the timing of the draws. It is anticipated the value of the spread and the unutilized fee could be between \$5,000,000 and \$6,000,000 during the four year term. **Because of letter of credit fees and other expenses associated with the CP Program, the Flexible Drawdown Bond Program fees are estimated to cost \$3,000,000 less than the CP Program.**

During the period of time the Bonds bear the Variable Rate of Interest, the Bonds are in Drawdown Mode. Throughout the four year period, the County may elect at any time to convert outstanding

Bonds in Drawdown Mode to Bonds with a long term maturity of up to 40 years at a fixed interest rate (Fixed Rate Bonds) through a firm remarketing by RBC as the lead remarketing agent with co-remarketing agents selected by the Manager's Finance Committee pursuant to Ordinance 73-99. Once the Bonds in Drawdown Mode are converted to Fixed Rate Bonds the amount converted would once again be available for draws by the County, provided, the maximum amount of Bonds issued under the Flexible Drawdown Bond Program does not exceed \$675,000,000. At the end of the four year period, all outstanding Bonds in the Drawdown Mode must be converted to Fixed Rate Bonds. This is similar to a CP Program in which the commercial paper notes are retired through the issuance of Fixed Rate Bonds periodically and at the end of a set period.

When Bonds are converted to Fixed Rate Bonds, the maturity and interest rate shall be determined by the market at the time of the conversion in accordance with the parameters set forth in the Series Resolution. Any change in those parameters will require approval by the Board. The principal and interest after the conversion will be amortized over their term with redemption provisions set forth in the Series Resolution.

If the Bonds are not converted to Fixed Rate Bonds at the end of the four year period or the County is in default under any of the related program documents identified below, the interest rate on the principal amount of the Bonds will increase to an interest rate that is determined by a formula and will range from 8.50 percent to a maximum of 12.0 percent until the Bonds are converted or the default is cured. At the end of the four year period and during a default, the Purchaser is not obligated to fund any draws requested by the County. This may have an adverse effect on the County's ability to pay the cost of the Projects when due. There are similar provisions in a CP Program.

The principal of, and interest on, the Bonds and other costs of issuance, including the unutilized/undrawn fee, shall be paid from ad valorem taxes that are assessed through a debt service millage as approved by the voters.

#### **Track Record/Monitoring**

The Finance Department will manage the issuance and future sale of the Flexible Drawdown Bonds and the Office of Management and Budget will monitor the use of the proceeds of the Flexible Drawdown Bonds.

#### **Background**

On July 7, 2011, the Board adopted Ordinance 11-38 authorizing (i) a CP Program in which commercial paper notes (CP Notes) may be outstanding in an amount not to exceed \$400,000,000 at any one time; (ii) the competitive solicitation of letter of credit providers and broker dealers; and (iii) the issuance of general obligation bonds to retire the CP Program notes. A CP Program is a program whereby the County directs the broker dealers to sell CP Notes in variable short term mode in an amount that is determined by the County and the proceeds are given to the County to pay for projects. When the amount of CP Notes outstanding approaches \$400,000,000, the County would issue long term bonds and use the long term bond proceeds to pay off the CP Notes. The interest rate on fixed rate long term bonds is generally higher than the interest rate on short term variable rate notes.

The County issued a request for proposal for letter of credit providers and received three responses from qualified letter of credit providers. No one respondent could provide a letter of credit for the \$400,000,000 requested by the County. Rather, the three letter of credit respondents would only provide letters of credit in the aggregate amount of \$350,000,000. Therefore, in order to avail itself of the lesser \$350,000,000 amount, it would be necessary for the County to contract with three different companies. Shortly after the County's issuance of the CP Program Solicitation, the County received

an unsolicited proposal from RBC offering the Flexible Drawdown Bond Program as an alternative to the CP Program.

For the reasons noted below, it is recommended that the County proceed with the Flexible Drawdown Bond Program at this time.

The Flexible Drawdown Bond Program has similar characteristics as a CP Program. They are:

- 1) Draw funds, as needed, up to the requested \$400,000,000;
- 2) As Bonds in the Flexible Drawdown mode are converted, additional series of Flexible Drawdown Bonds may be issued, provided the aggregate principal amount of all the Bonds does not exceed \$675,000,000 and no more than \$400,000,000 of draws are outstanding at any one time; and
- 3) Pay interest at a variable rate on the principal amount of the draws.

In addition, the Flexible Drawdown Bond Program has benefits that may not be realized with a CP Program. They are:

- 1) It provides the County with the amount of available funding requested in the CP Program Solicitation (\$400,000,000) from one source. Under the CP Program Solicitation, only \$350,000,000 of available funding would have been provided in the aggregate from three Respondents. The access to less capital would require the County to sell long term fixed rate bonds sooner, reducing the amount of savings associated with a CP Program;
- 2) Its overall cost of the spread and the unutilized/undrawn fee is estimated to be \$3,000,000 less than the cost of the letter of credit and remarketing fee of the CP Program;
- 3) Its term of four years is one year longer than the longest term offered by any one of the three Respondents to the CP Program Solicitation;
- 4) Administration of a financial program with one firm is more advantageous than with three firms. Under the CP Program Solicitation, the largest participation offered by any Respondent was \$150,000,000. Therefore, the County would have to select all three of the Respondents in order to have access to \$350,000,000 of capital; and
- 5) Interest rate risk is eliminated because there is one Purchaser for the four year period. In the instance of the CP Program Solicitation, three letters of credit providers must be selected in order to have access to a \$350,000,000 CP Program. As letter of credit providers are subject to constant credit surveillance, any downgrade in one or more of their credit ratings may result in higher variable interest rates to the County.

The Series Resolution further provides for:

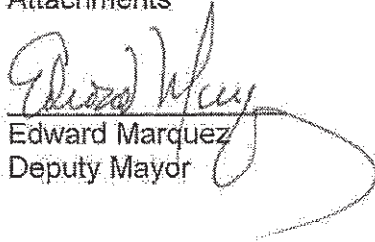

- the County Mayor or the County Mayor's designee to finalize the terms and conditions, within certain limitations and parameters, of the Bonds;
- a negotiated sale;
- the approval of the form and execution of certain related documents including:
  - the Bond Purchase Agreement between RBC and the County;
  - the Bondholder Agreement between the initial Purchaser of the Bonds and the County;
  - the Limited Offering Memorandum; and
  - the Remarketing Agreement.
- the appointment of a Paying Agent and a Bond Registrar;
- the authorization of certain County officials and employees to take all actions necessary in connection with the initial issuance of the Bonds and their subsequent conversion and remarketing.

Since RBC's proposal gives the County a short term interim financing vehicle that is similar or

identical to a commercial paper program but with a savings of \$3 million, it is recommended the Board adopt this Series Resolution enabling the County to enter into the Flexible Drawdown Bond Program offered by RBC.

Resolution R-130-06 provides that any County contract with a third party be finalized and executed prior to its placement on the committee agenda. The sale of the Series 2012 Bonds, which will set their final terms, will not occur until after the effective date of this Series Resolution in order to provide the County the maximum flexibility in the market place as described above. Therefore, a waiver of Resolution R-130-06 is necessary.

**Section 13.** Remarketing.

(a) With respect to Drawdown Bonds which are required to be tendered for purchase pursuant to Section 12, the Remarketing Agent shall offer for sale the GO Bonds to be converted to the Fixed Rate. The Fixed Rate on each Fixed Rate Bond shall be the rate or rates of interest per annum agreed to by the County and the Remarketing Agent and set forth in the Remarketing Agreement to be the rate or rates of interest at which the Remarketing Agent will purchase all of the Fixed Rate Bonds on the Conversion Date for resale at a price (exclusive of accrued interest, if any) equal to or in excess of 100% of the principal amount thereof. Establishment of each Fixed Rate shall be subject to the parameters set forth in Section 17(a).

(b) IN NO EVENT SHALL THE COUNTY BE REQUIRED TO PROVIDE FUNDS FOR THE PAYMENT OF THE PURCHASE PRICE OF DRAWDOWN BONDS SUBJECT TO TENDER FOR PURCHASE.

(c) The Remarketing Agent shall deliver or cause to be delivered the Fixed Rate Bonds remarketed in accordance with the related Remarketing Agreement and, upon receipt of

the proceeds of the sale of the Fixed Rate Bonds, the Tender Agent shall deposit the proceeds of the sale of such Fixed Rate Bonds in the Bond Purchase Fund by 12:00 P.M., New York City time (or such later time as the Paying Agent and the Tender Agent shall permit, but in no event later than such time as shall be necessary to enable the Paying Agent to comply with the procedures of DTC), on such Purchase Date.

(d) There is hereby created and established with the Tender Agent a trust fund to be designated “Miami-Dade County, Florida General Obligation Bonds (Building Better Communities Program), Series [To Be Designated] Bond Purchase Fund”.

(e) Amounts on deposit in each Bond Purchase Fund shall not be commingled with the amounts held in any other fund or account under this Series 2012 Resolution. All amounts received by any Tender Agent from the applicable Remarketing Agent representing the purchase price of GO Bonds remarketed by the Remarketing Agent shall be deposited in the Bond Purchase Fund and shall be used only for payments of the Purchase Price of the GO Bonds so remarketed as provided in this Section.

(f) All moneys deposited in any Bond Purchase Fund shall be held in trust by the Paying Agent or the Tender Agent and applied only in accordance with the provisions of this Series 2012 Resolution.

(g) Amounts on deposit in any Bond Purchase Fund shall either be held uninvested by the Tender Agent or be invested at the written direction of the County only in direct obligations of or obligations unconditionally guaranteed by the United States of America, having a maturity of the lesser of thirty (30) days or when needed. Subject to the requirements of any applicable law to the contrary, any amounts on deposit in any Bond Purchase Fund which remain unclaimed for five years after the date such moneys were so deposited shall at the written request

of the County be paid by the Tender Agent to the County as its absolute property and free from trust, and the Tender Agent shall thereupon be released and discharged with respect thereto and the Holders of Drawdown Bonds subject to purchase shall look only to the County for the payment of the Purchase Price of such Drawdown Bonds.

(h) Notwithstanding anything in this Series 2012 Resolution to the contrary, neither the Paying Agent nor the Tender Agent shall have any right to, or lien whatsoever upon, any of the amounts on deposit in any Bond Purchase Fund for any payment of fees, expenses or other compensation due and owing by the County to the Paying Agent or any Tender Agent, respectively, for any services rendered under this Series 2012 Resolution.

**Section 14. Remarketing Agent; Remarketing Agreements.**

(a) RBCCM LLC is appointed principal remarketing agent (in such capacity, the “Principal Remarketing Agent”) for the GO Bonds, and co-remarketing agents (each, a “Co-Remarketing Agent”, and, together with the Principal Remarketing Agent, the “Remarketing Agent”) shall be appointed for each remarketing of GO Bonds from the County’s underwriting pool in accordance with Section 2-10.6 (8) of the County Code, as amended from time to time.

(b) The Board approves, and authorizes and directs the County Mayor to execute and deliver such Remarketing Agreements as needed in substantially the form on file at the Clerk’s Office as Exhibit C to this Series 2012 Resolution (the “Remarketing Agreement”) and with terms consistent with the parameters set forth in Section 17(a) of this Series 2012 Resolution in order to carry out the terms and provisions of each Conversion, all as he or she shall determine to be in the best interests of the County for and on behalf of the County, after consultation with the County Attorney, Bond Counsel and the Financial Advisor. Compensation to the Remarketing Agent payable under any Remarketing Agreement shall not exceed one per cent (1.00%) of the

principal amount of the GO Bonds subject to remarketing under such Remarketing Agreement. The execution in final form of each Remarketing Agreement for and on behalf of the County by the County Mayor shall be conclusive evidence of the Board's approval of such Remarketing Agreement.

(c) The Principal Remarketing Agent may at any time resign and be discharged of its duties and obligations under the Series 2012 Resolution, but not under any Remarketing Agreement then in effect, upon providing at least sixty (60) days' written notice to the other Notice Parties. In such event, the County Mayor shall appoint a successor Principal Remarketing Agent from the County's underwriting pool in accordance with Section 2-10.6 (8) of the County Code, as amended from time to time, prior to the effective date of such resignation; provided, that, if on or before the Business Day immediately preceding the end of such sixty (60) day period (as such period may have been extended pursuant to clause (1) immediately preceding), the County Mayor shall not have appointed a successor Principal Remarketing Agent, the effective date of such resignation shall be extended to the earlier of an additional thirty (30) days or the date of the appointment of a successor Principal Remarketing Agent, but not to exceed in any event 90 days from the date the Principal Remarketing Agent shall have first provided notice of its resignation in the manner set forth in this Section 14(c). The resignation of the Principal Remarketing Agent shall be effective on the earlier of (i) the date on which a successor is appointed by the County Mayor or (ii) whether or not a successor has been appointed, the end of such additional thirty (30) day period.

(d) The County Mayor may remove the Principal Remarketing Agent and discharge it of its duties and obligations under this Series 2012 Resolution, but not under any Remarketing

Agreement then in effect, upon at least two (2) Business Days' written notice to the other Notice Parties, but such removal may occur only under the following circumstances:

(i) the Principal Remarketing Agent is no longer in business or no longer in the business of acting as a remarketing agent for the remarketing of state and local obligations of a character similar to the GO Bonds;

(ii) federal, state or local authorities have initiated or announced their intent to initiate criminal or civil proceedings against, or an investigation into any alleged activities of, the Principal Remarketing Agent, and, in the judgment of the County Mayor, after consultation with the Financial Advisor, there is a significant possibility that such action will adversely affect the ability of the Principal Remarketing Agent to remarket GO Bonds on terms favorable to the County;

(iii) in connection with the pricing of GO Bonds with respect to which the County has delivered a Mode Conversion Notice, the County and Remarketing Agent are unable to agree on the Fixed Rate or Rates of such GO Bonds, the price at which such GO Bonds are to be remarketed, or the compensation due to the Remarketing Agent in connection with the remarketing of such GO Bonds, and, in the judgment of the County Mayor, after consultation with the Financial Advisor, the position of the County with respect to the terms in dispute is reasonable; or

(iv) the Principal Remarketing Agent shall (i) apply for or consent to the appointment of a receiver, trustee, liquidator or custodian or the like of the Principal Remarketing Agent or of property of the Principal Remarketing Agent, or (ii) admit in writing the inability of the Principal Remarketing Agent to pay its debts generally as they become due, or (iii) make a general assignment for the benefit of

creditors, or (iv) be adjudicated a bankrupt or insolvent, or (v) commence a voluntary case under the United States Bankruptcy Code or file a voluntary petition or answer seeking reorganization, an arrangement with creditors or an order for relief or seeking to take advantage of any insolvency law or file an answer admitting the material allegations of a petition filed against the Principal Remarketing Agent in any bankruptcy, reorganization or insolvency proceeding, or take corporate action for the purpose of effecting any of the foregoing, or (vi) have instituted against it, without its application, approval or consent, a proceeding in any court of competent jurisdiction, under any law relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking in respect of the Principal Remarketing Agent an order for relief or an adjudication in bankruptcy, reorganization, dissolution, winding up or liquidation, a composition or arrangement with creditors, a readjustment of debts, the appointment of a trustee, receiver, liquidator or custodian or the like of the Principal Remarketing Agent or of all or any substantial part of the assets of the Principal Remarketing Agent or other like relief in respect thereof under any bankruptcy or insolvency law, and, if such proceeding is being contested by the Principal Remarketing Agent, the same shall (A) result in the entry of an order for relief or any such adjudication or appointment or (B) remain undismissed and undischarged for a period of ninety (90) days.

In any such event, the County Mayor shall appoint a successor Principal Remarketing Agent from the County's underwriting pool in accordance with Section 2-10.6 (8) of the County Code.

**Section 15.** Preliminary Remarketing Circular and Final Remarketing Circular.

In connection with the remarketing and Conversion of the GO Bonds, the Board:

(a) approves the delivery and distribution of a Preliminary Remarketing Circular with respect to the GO Bonds, substantially in the form attached as Exhibit E to this Supplemental Resolution, with such changes, deletions, insertions and omissions as may be deemed necessary and approved by the County Mayor , upon consultation with the Financial Advisor, the County Attorney, and Bond Counsel, and the County Mayor is authorized to deliver the Remarketing Circular on behalf of the County;

(b) approves the delivery and distribution of a final Remarketing Circular with respect to the GO Bonds (the “Remarketing Circular”), in the form of the Preliminary Remarketing Circular, subject to such changes, insertions and deletions as may be deemed necessary and approved by the County Mayor upon consultation with the Financial Advisor, Bond Counsel, the County Attorney and the County Mayor is authorized to deliver the Remarketing Circular on behalf of the County, and

(c) authorizes the delivery and use of the Remarketing Circular by the Remarketing Agent in connection with the remarketing of the GO Bonds. ,

**Section 16.** Tender Agent.

(a) The Paying Agent shall act as the Tender Agent for the GO Bonds, unless the County shall subsequently appoint a successor Tender Agent.

(b) Regardless of any other provisions of this Series 2012 Resolution, the Paying Agent and the Tender Agent shall at all times be the same entity.

**Section 17.** Terms of Fixed Rate Bonds.

(a) From and after its Conversion Date, each Drawdown Bond converted on such Conversion Date shall be a Fixed Rate Bond and bear a Fixed Rate determined as provided in Section 13(a); provided, however, that in no event shall the Fixed Rate exceed the Maximum Rate. Each Drawdown Bond so converted shall bear interest at a Fixed Rate from and after its Conversion Date.

GO Bonds (i) shall be remarketed in one or more Series, with such Series designations, and in such principal amounts, (ii) shall be dated as of such date or dates and remarketed at such time or times, (iii) shall consist of serial Bonds and/or term Bonds, (iv) shall mature on such date, in such year or years, but not later than forty (40) years from the date of issuance of the Drawdown Bonds being remarketed, (v) shall have a true interest cost rate (the "TIC") applicable to Fixed Rate Bonds remarketed at one time, not to exceed 5.25% per annum, (vi) shall have such Amortization Installments, (vii) shall be sold to the Remarketing Agent at a purchase price not less than one hundred per cent (100.00%) of the Fixed Rate Bonds then subject to remarketing, (viii) may be subject to original issue discount and original issue premium, so long as the net proceeds exceed the aggregate principal amount of the GO Bonds to be remarketed, and (ix) may be subject to redemption prior to maturity; all as set forth in this Section 17 and as may further be determined by the County Mayor, after consultation with the Financial Advisor, and set forth in the related Omnibus Certificate. The execution and delivery of an Omnibus Certificate shall be conclusive evidence of the Board's approval of the final terms and provisions of Fixed Rate Bonds.

(b) Fixed Rate Bonds shall be substantially in the form of Appendix II to this Series 2012 Resolution and may contain such changes, modifications, additions or deletions as the County Mayor deems necessary or appropriate to reflect such Conversion to a Fixed Rate Mode.

(c) Interest on Fixed Rate Bonds shall be paid in arrears on each Interest Payment Date computed upon the basis of a 360-day year comprised of twelve 30-day months.

(d) Fixed Rate Bonds may be subject to redemption in whole or in part prior to maturity upon such terms and conditions as are set forth in the related Omnibus Certificate. The County shall furnish to each Rating Agency the notice provided in Section 5.02 of the Master Resolution, but the failure to provide such notice shall not affect the validity of any such redemption.

**Section 18.** Tax Exemption. In accordance with the provisions of Section 9.03 of the Master Resolution, the County covenants to comply with the requirements of the Internal Revenue Code of 1986, as amended, relating to the exclusion of interest on the GO Bonds from gross income for federal income tax purposes.

**Section 19.** Credit Facilities. If the County Mayor demonstrates, after consultation with the Financial Advisor, that there is an economic benefit to the County to secure and pay for one or more Credit Facilities with respect to the Fixed Rate Bonds, the County Mayor is authorized to secure one or more Credit Facilities with respect to the Fixed Rate Bonds. The County Mayor is authorized to provide for the payment of any premiums on or fees for such Credit Facilities and, after consultation with the County Attorney and Bond Counsel, to enter into, execute and deliver such Credit Agreements as may be necessary to secure such Credit Facilities, with the County Mayor's execution of

any such Credit Agreements to be conclusive evidence of the Board's approval of such agreements.

Any Credit Agreements with any Providers of Credit Facilities shall supplement and be in addition to the provisions of the Ordinance.

**Section 20.** Continuing Disclosure.

(a) The County agrees to provide or cause to be provided for the benefit of the Beneficial Owners to the Municipal Securities Rulemaking Board (the "MSRB") in an electronic format prescribed by the MSRB and such other municipal securities information repository as may be required by law or applicable regulation, from time to time (each such information repository, a "MSIR"), the following annual financial information (the "Annual Information"), commencing with the first Fiscal Year ending after the issuance of the initial Series of Drawdown Bonds:

(i) Information relating to assessed values, ad valorem tax collections and exemptions from ad valorem taxes within the County in a form which is generally consistent with the presentation of such information in the Remarketing Circular for such GO Bonds;

(ii) The County's Comprehensive Annual Financial Report utilizing generally accepted accounting principles applicable to local governments.

The information in paragraphs (i) and (ii) above will be available on or before June 1 of each year for the preceding Fiscal Year, commencing on June 1 of the calendar year next succeeding the calendar year in which the related Conversion takes place, and will be made available, in addition to each MSIR, to each Beneficial Owner who requests such information in writing. The County's Comprehensive Annual Financial Report referred to in paragraph (ii)

above is expected to be available separately from the information in paragraph (i) above and will be provided by the County as soon as practical after acceptance of the County's audited financial statements from the auditors by the County. The County's Comprehensive Annual Financial Report is generally available within eight (8) months from the end of the Fiscal Year.

(b) The County agrees to provide or cause to be provided, in a timely manner not in excess of ten (10) business days after the occurrence of the event, to each MSIR in the appropriate format required by law or applicable regulation, notice of occurrence of any of the following events with respect to the GO Bonds:

- (1) principal and interest payment delinquencies;
- (2) non-payment related defaults, if material;
- (3) unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) substitution of credit or liquidity providers, or their failure to perform;
- (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the GO Bonds, or other material events affecting the tax status of the GO Bonds;
- (7) modifications to rights of holders of the GO Bonds, if material;
- (8) bond calls, if material, and tender offers;
- (9) defeasances;

(10) release, substitution or sale of any property securing repayment of the GO Bonds, if material (the GO Bonds are secured solely by ad valorem taxes levied on property within the County);

(11) rating changes;

(12) bankruptcy, insolvency, receivership or similar event of the County (which is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the County in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the County, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the County);

(13) the consummation of a merger, consolidation, or acquisition involving the County or the sale of all or substantially all of the assets of the County, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and

(14) appointment of a successor or additional trustee or the change of name of the trustee, if material.

(c) The County agrees to provide or cause to be provided, in a timely manner, to each MSIR, in the appropriate format required by law or applicable regulation, notice of its failure to

provide the Annual Information with respect to itself on or prior to the June 1 following the end of the preceding fiscal year.

(d) The obligations of the County under this Section shall remain in effect only so long as the GO Bonds are Outstanding. The County reserves the right to terminate its obligations to provide the Annual Information and notices of material events, as set forth above, if and when the County no longer remains an “obligated person” with respect to the GO Bonds within the meaning of the Rule.

(e) The County agrees that its undertaking pursuant to the Rule set forth in this Section is intended to be for the benefit of the Beneficial Owners and shall be enforceable by the Beneficial Owners if the County fails to cure a breach within a reasonable time after receipt of written notice from a Beneficial Owner that a breach exists; provided that any such Beneficial Owner's right to enforce the provisions of this undertaking shall be on behalf of all Beneficial Owners and shall be limited to a right to obtain specific performance of the County's obligations under this Section in a federal or state court located within the County and any failure by the County to comply with the provisions of this undertaking shall not be a default with respect to the GO Bonds.

(f) Notwithstanding the foregoing, each MSIR to which information shall be provided shall include each MSIR approved by the SEC prior to the issuance of the GO Bonds. In the event that the SEC approves any additional MSIRs after the date of issuance of the GO Bonds, the County shall, if the County is notified of such additional MSIRs, provide such information to the additional MSIRs. Failure to provide information to any new MSIR whose status as a MSIR is unknown to the County shall not constitute a breach of this covenant.

(g) The requirements of subsection (a) above do not necessitate the preparation of any separate annual report addressing only the GO Bonds. The requirements of subsection (a) may be met by the filing of an annual information statement or the County's Comprehensive Annual Financial Report, provided such report includes all of the required Annual Information and is available by the June 1 of each year for the preceding Fiscal Year. Additionally, the County may incorporate any information in any prior filing with each MSIR or included in any Official Statement of the County, provided such Official Statement is filed with the MSRB.

(h) The County reserves the right to modify from time to time the specific types of information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the County; provided that the County agrees that any such modification will be done in a manner consistent with the Rule.

Except to cure any ambiguity, inconsistency or formal defect or omission in the provisions of this Section, the County covenants as to secondary disclosure (the "Covenants") may only be amended if:

(i) the amendment is made in connection with a change in circumstances that arises from a change in legal requirements, a change in law or a change in the identity, nature or status of the County or type of business conducted; the Covenants, as amended, would have complied with the requirements of the Rule at the time of the issuance of such GO Bonds, after taking into account any amendments or change in circumstances; and the amendment does not materially impair the interests of the Beneficial Owners, as determined by Bond Counsel or other independent counsel knowledgeable in the area of federal securities laws and regulations; or

(ii) all or any part of the Rule, as interpreted by the staff of the SEC at the date of the adoption of this Series 2012 Resolution, ceases to be in effect for any reason, and the County elects that the Covenants shall be deemed amended accordingly.

Any assertion of beneficial ownership must be filed, with full documentary support, as part of the written request described above.

The Board further authorizes and directs the County Mayor to cause all other agreements to be made or action to be taken as required in connection with meeting the County's obligations as to the Covenants. The County Mayor shall further be authorized to make such additions, deletions and modifications to the Covenants as he shall deem necessary or desirable in consultation with the County Attorney and Bond Counsel.

**Section 21.** Further Action. The Mayor, the Finance Director, the County Attorney, the Clerk of the Board and other appropriate employees and officials of the County are authorized and directed, collectively or individually, to take all such further action and to execute any and all documents, certificates and other agreements or undertakings necessary or desirable in connection with the issuance of the GO Bonds, the sale of the GO Bonds, the consummation of all transactions in connection with the issuance and sale of the GO Bonds, the Conversion of the Interest Mode of the GO Bonds, and the consummation of all transactions in connection with the remarketing of the GO Bonds subject to Conversion, all as contemplated in this Series 2012 Resolution.

**Section 22.** Dealings in GO Bonds. The Paying Agent, the Registrar, the Tender Agent, a Credit Facility Provider, the Remarketing Agent, and the County, each in its individual capacity, may in good faith and to the extent otherwise permitted by law, buy, sell, own, hold and deal in any of the GO Bonds, and may join in any action which

any Holder of the GO Bonds may be entitled to take with like effect as if it did not act in any capacity hereunder. The Paying Agent, the Registrar, a Credit Facility Provider, the Tender Agent or the Remarketing Agent, each in its individual capacity, either as principal or agent, may also engage in or be interested in any financial or other transaction with the County, and may act as depository, trustee, or agent for any committee or body of Holders of any GO Bonds secured hereby or other obligations of the County as freely as if it did not act in any capacity hereunder or under the Credit Facility.

**Section 23.** Notices. The County agrees to furnish written notice to each Rating Agency and the Credit Facility Provider, if any, of the following: (i) any change in the Paying Agent or the Tender Agent, (ii) the defeasance of any GO Bonds, and (iii) a change in the Interest Rate Mode on the GO Bonds. Such notices shall be furnished to each such Rating Agency at the addresses below, or such other address as may be specified by such Rating Agency in writing to the County.

In addition, the Paying Agent shall, within twenty-five (25) days of the resignation or removal of any Tender Agent or the appointment of a successor Tender Agent give notice thereof by first class mail, postage prepaid, to the owners of the GO Bonds.

**Section 24.** Several Capacities. Anything herein to the contrary notwithstanding, the same entity may serve hereunder as the Paying Agent, the Tender Agent and a Remarketing Agent, and in any combination of such capacities to the extent permitted by law. Any such entity may in good faith buy, sell, own, hold and deal in any of the GO Bonds and may join in any action which any Owners may be entitled to take with like effect as if such entity were not appointed to act in such capacity, under this Series 2012 Resolution.

**Section 25.** Limitation on Rights of Credit Facility Provider. Anything provided herein or in this Series 2012 Resolution to the contrary notwithstanding, no Credit Facility Provider shall be entitled to any benefits of this Series 2012 Resolution or any rights specifically granted to it thereunder to consent to, approve or participate in any actions proposed to be taken by the County, a Holder of Fixed Rate Bonds, or any of them pursuant to this Series 2012 Resolution if:

(a) the Credit Facility Provider shall be in default in the due and punctual performance of its payment obligations under the Credit Facility or if the Credit Facility issued by such Credit Facility Provider for whatever reason is not then enforceable and in full force and effect; or

(b) the Credit Facility Provider shall apply for or consent to the appointment of a receiver, custodian, trustee or liquidator of the Credit Facility Provider or of all or a substantial part of its assets, or shall admit in writing its

inability, or be generally unable, to pay its debts as such debts become due, or shall make a general assignment for the benefit of its creditors, or commence a voluntary case under the Federal Bankruptcy Code (as now or hereafter in effect) or shall file a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding up or composition or adjustment of debts, or shall fail to contest in a timely and appropriate manner, or acquiesce in writing to, any other petition filed against the Credit Facility Provider in any involuntary case under said Federal Bankruptcy Code, or shall take any other action for the purpose of effecting the foregoing; or

(c) any proceeding or case shall be commenced without the application or consent of the Credit Facility Provider, in any court of competent jurisdiction seeking the liquidation, reorganization, dissolution, winding up or composition or readjustment of debts of the Credit Facility Provider or the appointment of a trustee, receiver, custodian, liquidator, sequestrator (or other similar official) or the like, of the Credit Facility Provider or of all or a substantial part of its assets, or similar relief with respect to the Credit Facility Provider under any law relating to bankruptcy, insolvency, reorganization, winding up or composition or adjustment of debts, or for relief, rehabilitation, reorganization, conservation, liquidation or dissolution under Article 16 of the New York Insurance Law or any successor or similar applicable provision of New York law or the law of any other state and such proceeding or case shall continue undismissed and an order, judgment or decree approving or ordering any of the foregoing shall be entered and continue unstayed in effect for a period of sixty (60) consecutive days from the commencement of

such proceedings or case, or any order for relief against the Credit Facility Provider shall be entered in an involuntary case under said Federal Bankruptcy Code; or

(d) the Credit Facility Provider shall no longer insure or secure any of the Fixed Rate Bonds.

**Section 26.** CUSIP Numbers. Any “CUSIP” identification numbers imprinted on the GO Bonds shall not constitute a part of the contract evidenced by the GO Bonds and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and pay for the GO Bonds. In addition, failure on the part of the County, the Paying Agent or the Registrar to use such CUSIP numbers in any notice to Owners of the GO Bonds shall not constitute an event of default or any similar violation of the County’s contract with such Owners.

**Section 27.** Powers of Amendment. In addition to any other amendments permitted by this Series 2012 Resolution and as may be provided in an Omnibus Certificate, this Series 2012 Resolution may be amended or modified at any time or from time to time without the consent of, or notice to, the Holders of the GO Bonds, but with the prior written consent of the Credit Facility Provider, if any, if its rights or obligations or the rights of the Beneficial Owners of the Fixed Rate Bonds are adversely affected, and the prior written consent of the Owner Representative, if any, if its rights or obligations or the rights of the Beneficial Owners of the Drawdown Bonds are adversely affected, for one or more of the following purposes:

To make any change to this Series 2012 Resolution affecting only the Fixed Rate Bonds when all GO Bonds have been tendered pursuant to the terms of this Series 2012 Resolution but have not yet been remarketed following such tender;

Effective upon any Conversion Date, to make any amendment affecting only the GO Bonds being converted;

To modify this Series 2012 Resolution or the GO Bonds if at least 30 days' notice of such modification is provided to the Holders of the GO Bonds and the GO Bonds are subject to mandatory tender at any time during such notice period.

Notwithstanding any provision to the contrary herein, any provision of this Series 2012 Resolution expressly recognizing or granting rights in or to a Credit Facility Provider, if any, may not be amended in any manner which affects the rights of the Credit Facility Provider hereunder without the prior written consent of the Credit Facility Provider.

**Section 28.** Severability. If any one or more of the covenants, agreements or provisions of this Series 2012 Resolution shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separate from the remaining covenants, agreements or provisions of this Series 2012 Resolution or of the GO Bonds.

**Section 29.** Waiver. The provisions of Resolution No. R-130-06, as amended from time to time, requiring that any contracts of the County with third parties be executed and finalized prior to their placement on the committee agenda is waived at the request of the County Mayor for the reasons set forth in the County Mayor's Memorandum. referred to below (the "Registrar"), on the Business Day next preceding the Interest Payment Date (the "Record Date"), irrespective of any transfer or exchange of such Drawdown Bond subsequent to such Record Date and prior to such Interest Payment Date, unless the County shall be in default in payment of interest due on such Interest Payment Date; provided, however, that (i) so long as ownership of such Drawdown Bonds is maintained in a book-entry only system by a securities depository, such payment may be made by automatic funds transfer ("wire") to such securities depository or its nominee or (ii) if such Drawdown Bonds are not maintained in a book-entry only system by a securities depository, upon written request of the registered owner of \$1,000,000 or more in principal amount of such Drawdown Bonds, such payments may be made by wire transfer to the bank and bank account specified in writing by such registered owner to the Paying Agent in form acceptable to it not less than fifteen (15) days prior to the Record Date (such bank being a bank within the continental United States), if such registered owner has advanced to the Paying Agent the amount necessary to pay the cost of such wire transfer or authorized the Paying Agent to deduct the cost of such wire transfer from the payment due such registered owner. The principal of and interest on the Drawdown Bonds shall be payable in any currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of public and private debts. Notice of call for redemption is to be given by mailing a copy of the redemption notice by U.S. mail at least thirty (30) but not more than sixty (60) days prior to the date fixed for redemption to the registered owner of each GO Bond to be redeemed at the address shown on the registration books maintained by the Registrar. Failure to mail any such notice to a registered owner of a GO Bond, or any defect in such notice, shall not affect the validity of the proceedings for redemption of any GO Bond or portion thereof with respect to which no such failure or defect occurred. Any notice mailed as provided in the Resolution shall be conclusively presumed to have been duly given, whether or not the owner of such GO Bond receives such notice. Provided moneys are on deposit with the Paying Agent, interest on the GO Bonds or portions of the GO Bonds called for redemption shall cease to accrue, such GO Bonds or portions of GO Bonds shall cease to be entitled to any lien, benefit or security under the Ordinance and the Resolution and shall be deemed paid and the registered Holders of such GO Bonds or portions of GO Bonds shall have no further rights except to receive payment of the redemption price and to receive GO Bonds for any unredeemed portions of the GO Bonds as provided in the Ordinance and the Resolution.

If the date for payment of the principal of or interest on this GO Bond shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the county where the designated corporate trust office of the Paying Agent is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the scheduled date of payment.

It is hereby certified and recited that this GO Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of the State of Florida; that all acts, conditions and things required to exist, to happen, and to be performed precedent to the issuance of this GO Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable hereto; that the issuance of the GO Bonds of this issue does not violate any constitutional or statutory limitation or provision; that due provision has been made for the levy and collection of an annual tax, without limitation as to rate or amount, upon all taxable property within the corporate limits of the County (excluding exemptions as provided by applicable law), in addition to all other taxes, sufficient to pay the principal of and interest on the GO Bonds as the same shall become due and payable, which tax shall be assessed, levied and collected at the same time and in the same manner as other taxes are assessed, levied and collected within the corporate limits of the County, and that the full faith, credit and taxing power of the County are pledged to the punctual payment of the principal of and interest on the GO Bonds, as the same shall become due and payable.

## Section 9. Right to Terminate Obligation.

The Underwriter will have the right to terminate its obligation under this Agreement to purchase, to accept delivery of and to pay for the Bonds of any Series on or prior to any Drawing Date or any Issuance Date by notifying the County of its election to do so if:

(a) The marketability or market price of any of the Bonds, in the reasonable opinion of the Underwriter, has been materially adversely affected by an amendment to the Constitution of the United States of America or by any legislation (other than any actions taken or proposed by either House of Congress on or prior to the date of this Agreement): (i) enacted or adopted by the United States of America; (ii) recommended to the Congress or otherwise endorsed for passage, by press release, other form of notice or otherwise, by the President of the United States of America, the Chairman or ranking minority member of the Committee on Finance of the United States Senate or the Committee on Ways and Means of the United States House of Representatives, the Treasury Department of the United States of America or the Internal Revenue Service; or (iii) favorably reported out of the appropriate Committee for passage to either House of the Congress by any full Committee of such House to which such legislation has been referred for consideration, or by any decision of any court of the United States of America or by any order, rule or regulation (final, temporary or proposed) on behalf of the Treasury Department of the United States of America, the Internal Revenue Service or any other authority or regulatory body of the United States of America, or by a release or announcement or communication issued or sent by the Treasury Department or the Internal Revenue Service of the United States of America, or any comparable legislative, judicial or administrative development adversely affecting the federal tax status of the County, its property or income, obligations of the general character of the Bonds, or any tax exemption of the Bonds, or any other action or event which has the purpose or effect, directly or indirectly, of adversely affecting the federal income tax consequences of owning the Bonds or of any of the transactions contemplated in connection herewith; or

(b) Any legislation, rule, or regulation (final, temporary or proposed) shall be introduced in, or be enacted or adopted by any department or agency in the State, or a decision by any State or federal court of competent jurisdiction shall be rendered which, in the reasonable opinion of the Underwriter, materially adversely affects the market for any of the Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Bonds to be purchased; or

(c) Any amendment or supplement to the Limited Offering Memorandum is proposed by the County or deemed necessary by Bond Counsel or Disclosure Counsel which, in the reasonable opinion of the Underwriter, materially adversely affects the market for the Bonds or the sale, at the prices stated in this Agreement, by the Underwriter of the Bonds; or

(d) Legislation shall be enacted or adopted, or any action shall be taken by, or on behalf of, the Securities and Exchange Commission (the "Commission") which, in the reasonable opinion of Counsel to the Underwriter, has the effect of requiring the contemplated distribution of the Bonds (or any underlying obligation) to be registered

under the Securities Act of 1933, as amended, or the Bond Ordinance to be qualified under the Trust Indenture Act of 1939, as amended, or any laws analogous thereto relating to governmental bodies, and compliance therewith cannot be accomplished prior to the Issuance Date or Drawing Date, as applicable; or

(e) Legislation shall be introduced by amendment or otherwise in or be enacted by, the House of Representatives or the Senate of the Congress of the United States of America, or a decision by a Court of the United States of America shall be rendered, or a stop order, ruling, release, regulation, official statement or no-action letter by or on behalf of the Commission or any other governmental agency having jurisdiction of the subject matter of the Bonds shall have been proposed, issued or made (which is beyond the control of the Underwriter or the County to prevent or avoid) to the effect that the issuance, offering or sale of the Series of Bonds including all the underlying obligations as contemplated by this Agreement or by the Limited Offering Memorandum, or any document relating to the issuance, offering or sale of the applicable Series of Bonds is or would be in violation of any of the federal securities laws at the Issuance Date or Drawing Date, as applicable, including the Securities Act of 1933, as amended and then in effect, the Securities Exchange Act of 1934, as amended and then in effect, or the Trust Indenture Act of 1939, as amended and then in effect, or with the purpose or effect of otherwise prohibiting the offering and sale of obligations of the general character of the Bonds, as contemplated by this Agreement; or

(f) There shall have occurred, after the signing of this Agreement, either a financial crisis or a default with respect to any debt obligation of the County, or proceedings under the federal or State bankruptcy laws shall have been instituted by the County, in either case the effect of which, in the reasonable judgment of the Underwriter, is such as to materially and adversely affect (i) the market price or marketability by the Underwriter of any of the Bonds, or (ii) the ability of the Underwriter to enforce contracts for the sale of any of the Bonds; or

(g) A general banking moratorium shall have been declared by the United States of America, New York or State authorities, which in the reasonable opinion of the Underwriter, materially adversely affects the market price for or marketability by the Underwriter of any of the Bonds; or

(h) Any national securities exchange, or any governmental authority, shall impose, as to the Bonds or any obligation of the general character of the Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of the Underwriter, or the establishment of material restrictions upon trading of securities, including limited or minimum prices, by any governmental authority or by any national securities exchange; or

(i) Legal action shall have been filed against the County from which an adverse ruling would materially adversely affect the transactions contemplated by this Agreement or by the Limited Offering Memorandum or the validity of the Bonds, the Bond Ordinance or this Agreement; provided, however, that as to any such litigation, the

County may request and the Underwriter may accept an opinion by Bond Counsel, or of other counsel acceptable to the Underwriter, that in such counsel's opinion the issues raised by any such litigation or proceeding are without substance or that the contentions of any plaintiffs are without merit; or

(j) Trading in any securities of the County shall have been suspended on any national securities exchange; or any proceeding shall be pending or threatened by the Commission against the County; or a general suspension of trading on the New York Stock Exchange or the American Stock Exchange or other national securities exchange, the effect of which, in the opinion of the Underwriter, is to affect materially and adversely the market prices of any of the Bonds; or

(k) Any information shall have become known or an event shall have occurred which, in the Underwriter's reasonable opinion, makes untrue, incorrect or misleading in any material respect any statement or information contained in the Limited Offering Memorandum, as that information has been supplemented or amended, or causes the Limited Offering Memorandum, as so supplemented or amended, to contain an untrue, incorrect or misleading statement of a material fact, and upon the receipt of notice of same by the County, (i) the County fails to promptly amend or supplement the Limited Offering Memorandum in a manner which is reasonably acceptable in form and content to the Underwriter, or (ii) the County agrees to the proposed amendment, and such disclosed information or event in the reasonable opinion of the Underwriter (upon due inquiry by the Underwriter and the County's Financial Advisor as to the effect such information or event has on the market price of or marketability of any of the Bonds), materially adversely affects the market price for the Bonds or their sale, at the prices stated in this Agreement, and the County's Financial Advisor concurs in such conclusion; or

(l) There shall have occurred an outbreak or escalation of hostilities, declaration by the United States of a national emergency, war or other national or international calamity or crisis, including a financial crisis, after the execution of this Agreement which, in the sole but reasonable opinion of the Underwriter, would have a material adverse effect on the market price of or marketability of any of the Bonds; or

(m) Trading in securities generally on the New York Stock Exchange shall have been suspended or limited or minimum prices shall have been established on such Exchange; or

(n) Any proceeding shall be pending or threatened by the Commission against the County which, in the reasonable judgment of the Underwriter, shall adversely affect the marketability of the Bonds; or

(o) The Owner Representative shall have delivered notice to the County of the occurrence of a Bondholder Agreement Event of Default.

**Section 10. Applicable Law; Non-Assignability.**

This Agreement shall be governed by the laws of the State of Florida, without regard to choice of law rules. This Agreement shall not be assigned by the County.

**Section 11. Public Entity Crimes.**

The Underwriter represents that it, including its employees, officers, directors, executives, partners, shareholders or agents who are active in the management of the entity, have not been charged with and convicted of a public entities crime pursuant to Section 287.133, Florida Statutes.

**Section 12. Truth in Bonding Statement.**

The County is proposing to issue the Bonds, the proceeds of which will be used for the Community Projects (as defined in the Series 2012 Resolution). The debt or obligation created by the Bonds is expected to be repaid over a period of approximately [30] years. The full faith, credit and taxing power of the County are irrevocably pledged to the repayment and security of the Bonds. The true interest cost and total interest paid over the life of each Series of Bonds are to be set forth in a Disclosure Letter, a form of which is attached hereto as Schedule I.

**Section 13. Execution of Counterparts; Effective Upon Acceptance.**

This Agreement is made solely for the benefit of the County and the Underwriter (including the successors or assigns of any of said parties), and no other person, partnership, association or corporation shall acquire or have any right hereunder or by virtue hereof. This Agreement may be signed in any number of counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument, and will become a binding agreement between the County and the Underwriter when at least one counterpart of this Agreement shall have been signed on behalf of each of the parties hereto. This Agreement may be delivered by the exchange of signed signature pages by facsimile transmission or by e mail with a pdf copy or other replicating image attached, and any printed or copied version of any signature page so delivered shall have the same force and effect as an originally signed version of such signature page. This Agreement shall supersede all previous agreements relating to the same subject matter between the parties and shall become effective upon acceptance by the County as evidenced by the execution hereof by an authorized officer of the County as set forth below.

**Section 14. Refinancing Role.**

The County shall deliver written notice to the Underwriter no less than 90 days prior to any proposed refunding of the Bonds or conversion of the Bonds to the Fixed Rate Mode, as defined in the Series 2012 Resolution (such date, the "*Refinancing Date*"). Within 75 days of such notice, the County and the Underwriter agree to enter into, together with a syndication group [selected by the County in accordance with Section 2-10.6(8) of the County Code, as amended from time to time], either a remarketing agreement in the form of Exhibit B to this Agreement (the "*Remarketing Agreement*") or another agreement in form and substance mutually acceptable to the County and the Underwriter providing for the remarketing, placement

or underwriting of the Bonds, as set forth in Section [\_\_\_\_\_] of the Series 2012 Resolution. The County and RBCCM LLC agree that although they have negotiated the form of Remarketing Agreement that they currently contemplate executing in the future as called for in the applicable Bond Documents, the County and RBCCM LLC agree to negotiate in good faith applicable amendments or supplements to such form Remarketing Agreement as may be appropriate to address regulatory or other changes to conform the Remarketing Agreement to industry custom and practice.

(b) ***Excess Interest.***

(i) If the amount of interest payable for any period in accordance with the terms hereof exceeds the amount of interest that would be payable for such period had interest for such period been calculated at the Maximum Rate, then interest for such period shall be payable in an amount calculated at the Maximum Rate.

(ii) Any interest that would have been due and payable by the County hereunder for any period but for the operation of the immediately preceding paragraph (i) shall accrue and be payable as provided in this paragraph (ii) and shall, after deducting any interest actually paid to the Owners during such period, constitute the "*Excess Interest Amount.*" If there is any accrued and unpaid Excess Interest Amount as of any date, then the principal amount owing by the County to the Owners hereunder with respect to which interest is payable shall bear interest at the Maximum Rate until payment to the Owners of the entire Excess Interest Amount owed to them.

If the County is required by law to withhold or deduct any Taxes from payments required under this Agreement or under the other Bond Documents, the County shall, to the maximum extent permitted by applicable law, increase the amount paid by it to the Owner Representative or such Owner, as applicable, so that, after all withholdings and deductions, the amount received by the Owner Representative or such Owner, as applicable, shall equal the amount the Owner Representative or such Owner, as applicable, would have received without any such withholding or deduction.

(c) **Maintenance of Accounts.** The Owner Representative shall maintain in accordance with its usual practice an account or accounts evidencing the Debt of the County and the amounts payable and paid from time to time hereunder or under the other Bond Documents. A3	A-	A-	59 basis points
Baa1	BBB+	BBB+	69 basis points

In the event of a split GO Debt Rating (e.g., one of S&P, Moody's and Fitch assigns a GO Debt Rating that is in a different row in the chart above than the GO Debt Rating assigned by either of the other Rating Agencies), the Unutilized Fee Rate shall be based upon the row in which the lowest GO Debt Rating appears. As of the Closing Date, the Unutilized Fee Rate equals 28 basis points.

In the event any GO Debt Rating is withdrawn, suspended or reduced below "Baa1" by Moody's or below "BBB+" by S&P or Fitch, the commitment of the Underwriter to honor

Drawings under the Bond Purchase Agreement shall terminate and a Bondholder Agreement Event of Default shall occur under Section 5.01(f).

Any change in the Unutilized Fee Rate resulting from a change in the GO Debt Rating shall become effective as of and on the date of the announcement of the change in such GO Debt Rating. (c) *Insolvency.* The occurrence of an Event of Insolvency;

(d) *Other GO Debt.* (i) Any GO Debt (including any Liquidity Facility Bonds which constitute GO Debt) is not paid when due (whether by scheduled maturity, required prepayment, mandatory tender, acceleration, demand or otherwise); (ii) the occurrence of any event, default or event of default with respect to any GO Debt, subject to the expiration of any applicable grace or cure periods, which, pursuant to the provisions of any Contract related to such GO Debt, permits the holders (or any trustee or other Person on their behalf) of such GO Debt to accelerate such GO Debt or requires such GO Debt to be paid prior to the stated maturity thereof; or (iii) any GO Debt (including any Liquidity Facility Bonds which constitute GO Debt) is declared by the holders thereof (or any trustee or other Person on their behalf) to be immediately due and payable, or such GO Debt is required to be paid or repaid prior to the stated maturity thereof or such GO Debt otherwise becomes immediately due and payable prior to the stated maturity thereof;

(e) *Judgment Default.* The entry or filing of one or more final and non-appealable judgments or orders or any similar decrees or decisions for the payment of money (each, a "*Judgment*") against the County, for which the County is liable and the amount exceeds available insurance coverage (the availability of which is confirmed to the satisfaction of the Owner Representative) by \$25,000,000 or more, individually or in the aggregate and any such Judgment is undischarged, unpaid, unstayed and unbonded for a period of 30 days after entry or issuance thereof;

(f) *Rating Maintenance.* Any GO Debt Rating is reduced below "Baa1" (or its equivalent) by Moody's, below "BBB+" (or its equivalent) by Fitch or below "BBB+" (or its equivalent) by S&P or any GO Debt Rating is withdrawn or suspended;

(g) *False Representation or Warranty.* Any representation or warranty made or deemed made by or on behalf of the County in any Bond Document proves to have been incorrect, untrue, inaccurate or misleading in any material respect when made or deemed to have been made;

(h) *Covenant Default.* The County fails to perform any term, covenant or provision of this Agreement or any other Bond Document that is not the subject of any other paragraph of this Section 5.01, and, if such failure is capable of being cured, such failure is not cured within a period of 30 days of the County having actual knowledge of such failure;

(i) *Event of Default.* Any event of default under, and as defined in, the Bond Ordinance or any of the other Bond Documents occurs and is continuing;

(j) *Taxability.* An Event of Taxability occurs;

(k) *Material Adverse Effect.* A Material Adverse Effect occurs and is continuing; or

(l) *Other Amounts.* Any other obligation owing under this Agreement or any other Bond Document that is not the subject of any other paragraph of this Section 5.01 is not paid within five (5) days after the date when due.

**Section 5.02. Consequences of a Bondholder Agreement Event of Default.** If a Bondholder Agreement Event of Default specified in Section 5.01 hereof occurs, then, in addition to any other rights or remedies available to the Paying Agent or the Owner Representative under any other Bond Document or under applicable Law:

(a) Upon the occurrence of any Bondholder Agreement Event of Default, the Bonds shall automatically and immediately bear interest at the Default Rate. The Owner Representative will promptly provide written notice to the County and to the Paying Agent of the occurrence of such Bondholder Agreement Event of Default (a "*Notice of Bondholder Agreement Event of Default*"), provided that the Owner Representative will incur no liability or responsibility whatsoever by reason of its failure to give such notice and such failure will in no way affect the adjustment of the interest rate on the Bonds to the Default Rate upon the occurrence of a Bondholder Agreement Event of Default. The Notice of Bondholder Agreement Event of Default shall state that a Bondholder Agreement Event of Default has occurred and may state (i) that all Drawdown Bonds shall thereafter be subject to the Amortization Period (in which case all Drawdown Bonds shall be subject to the Amortization Period and mandatory redemption pursuant to Section 10(g) of the Series 2012 Resolution) and/or (ii) that the commitment of the Underwriter to purchase Bonds and to honor Drawings made under the Bond Purchase Agreement is terminated (in which case such commitment of the Underwriter under the Bond Purchase Agreement shall immediately terminate as provided in the Bond Purchase Agreement).

(b) The Owner Representative may cure any Potential Bondholder Agreement Event of Default, Bondholder Agreement Event of Default or event of nonperformance hereunder or under any other Bond Document (in which event the County shall reimburse the Owner Representative pursuant to Section 6.02); provided, however, that the Owner Representative shall have no obligation to effect such a cure.

(c) Upon the occurrence of any Bondholder Agreement Event of Default, the Bonds and all other Obligations shall bear interest at the Default Rate.

**Section 5.03. Remedies Cumulative; Solely for the Benefit of the Owner Representative and any Owner.** To the extent permitted by, and subject to the mandatory requirements of, applicable Law, each and every right, power and remedy specifically given to the Owner Representative or the Owners in the Bond Documents shall be cumulative, concurrent and nonexclusive and shall be in addition to every other right, power and remedy therein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy (whether specifically given or otherwise existing) may be exercised from time to time and as often and in such order as may be deemed expedient by the Owner Representative or the Owners, as the case may be, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise any other right, power or remedy at the same time or thereafter.

The rights and remedies of the Owner Representative specified herein are for the sole and exclusive benefit, use and protection of the Owner Representative and any Owners, and the Owner Representative is entitled, but shall have no duty or obligation to the County, the Paying Agent or any other Person (other than the Owners) or otherwise, to exercise or to refrain from exercising any right or remedy reserved to the Owner Representative hereunder or under any of the other Bond Documents.

**Section 5.04. Waivers or Omissions.** No delay or omission by the Owner Representative or the Owners in the exercise of any right, remedy or power or in the pursuit of any remedy shall impair any such right remedy or power or be construed to be a waiver on the part of the Owner Representative or the Owners of any default or to be acquiescence therein. No express or implied waiver by the Owner Representative or the Owners of any Bondholder Agreement Event of Default shall in any way be a waiver of any future or subsequent Bondholder Agreement Event of Default. No delay or omission on the part of the Owner Representative or the Owners (or the Paying Agent) in exercising any right hereunder or under other Bond Documents following any Bondholder Agreement Event of Default, or any other option granted to the Owner Representative or the Owners (or the Paying Agent) hereunder, in any one or more instances, nor the acceptance by the Owner Representative or the Owners (or the Paying Agent) of any partial payment on account of the Obligations, shall constitute a waiver of any such Bondholder Agreement Event of Default, and each such option shall remain continuously in full force and effect.

**Section 5.05. Discontinuance of Proceedings.** In case the Owner Representative or the Owners proceed to invoke any right, remedy or recourse permitted hereunder or under the other Bond Documents and thereafter elect to discontinue or abandon the same for any reason, the Owner Representative or the Owners, as applicable, have the unqualified right so to do and, in such event, the County, the Owner Representative and the Owners will be restored to their former positions with respect to the Obligations, the Bond Documents and otherwise, and the rights, remedies, recourse and powers of the Owner Representative and the Owners hereunder will continue as if the same had never been invoked.

**Section 5.06. Equitable Relief.** The County recognizes that in the event a Bondholder Agreement Event of Default occurs, any remedy of law may prove to be inadequate relief to the Owner Representative and the Owners; therefore, the County agrees that the Owner Representative, if the Owner Representative so requests, shall be entitled to equitable relief in any such case.

## ARTICLE VI

### MISCELLANEOUS

**Section 6.01. Indemnification.** To the extent permitted by applicable Law, the County hereby indemnifies and holds harmless the Owner Representative and each Owner (and their directors, officers, employees and agents) (each, an "Indemnitee") from and against any and all claims, damages, losses, liabilities, costs or expenses (including reasonable attorneys' fees) whatsoever (collectively, the "Liabilities") which such Indemnitee may incur (or which may be claimed against such Indemnitee by any Person whatsoever) by reason of or in connection with

(a) the issuance by the County or the purchase by the Purchaser of the Bonds, (b) any breach by the County of any representation, warranty, covenant, term or condition in, or the occurrence of any default under, the Bond Documents, including all reasonable fees or expenses resulting from the settlement or defense of any claims or liabilities arising as a result of any such breach or default, (c) involvement of such Indemnitee in any legal suit, investigation, proceeding, inquiry or action as a consequence, direct or indirect, of the Purchaser's purchase of the Bonds, its entering into this Agreement or the enforcement of its rights under this Agreement or the other Bond Documents *provided* that the County shall not be liable to any Person for any claims, damages, costs, or other liabilities based solely upon or arising in connection with the establishment of the Trust, any offers or sales of any certificates of or interests in or under the Trust, or any actions of the Purchaser or any affiliate related to the transactions of the Trust, or (d) any invalidity or alleged invalidity of the Bonds or the failure of the interest on the Bonds to be exempt from federal income tax; *provided* that the County shall not be required to indemnify any Indemnitee for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the willful misconduct or gross negligence of such Indemnitee. Nothing in this Section 6.01 is intended to limit the County's payment obligations contained in Article II.

**Section 6.02. Reimbursement; Interest.** If the Owner Representative or any Owner shall incur any Expenses or pay any Liabilities in connection with enforcing the rights and remedies provided under this Agreement and the other Bond Documents, the Owner Representative's and such Owner's payment of such Expenses and Liabilities constitute advances to the County which shall be paid by the County to the Owner Representative or such Owner, as applicable, within thirty (30) days after demand, together with interest thereon from the date incurred until paid in full at the rate of interest then applicable to the Bonds. Notwithstanding the foregoing, however, in any action or proceeding under any Bond Document to recover or collect the Obligations, mandatory provisions of law governing the recovery of costs, disbursements and allowances shall prevail unaffected by this Section 6.02.

**Section 6.03. Conditions Precedent.** This Agreement shall become effective on the date hereof subject to the satisfaction or waiver by the Purchaser of the conditions precedent set forth in Section 4 of the Bond Purchase Agreement and the issuance of the Bonds.

**Section 6.04. Patriot Act Notice.** The Owner Representative hereby notifies the County that, pursuant to the requirements of the USA PATRIOT Act (Title III of Pub L. 107-56 (signed into law October 26, 2001)) (the "*Patriot Act*"), it is required to obtain, verify and record information that identifies the County, which information includes the name and address of the County and other information that will allow the Owner Representative to identify the County in accordance with the Patriot Act. The County hereby agrees that it shall promptly provide such information upon request by the Owner Representative.

**Section 6.05. Amendments and Waivers; Enforcement.** The Owner Representative and the County may from time to time enter into agreements amending, modifying or supplementing the Bond Documents or changing the rights of the Owner Representative or the County thereunder, and the Owner Representative may from time to time grant waivers or consents to a departure from the due performance of the obligations of the County thereunder. Any such agreement, waiver or consent must be in writing and will be effective only to the extent

specifically set forth in such writing. In the case of any such waiver or consent relating to any provision hereof, any Potential Bondholder Agreement Event of Default or Bondholder Agreement Event of Default so waived or consented to shall be deemed to be cured and not continuing, but no such waiver or consent shall extend to any other or subsequent Potential Bondholder Agreement Event of Default or Bondholder Agreement Event of Default or impair any right consequent thereon.

**Section 6.06. No Implied Waiver.** No course of dealing and no delay or failure of the Owner Representative in exercising any right, power or privilege under any of the Bond Documents will affect any other or future exercise thereof or exercise of any other right, power or privilege; nor will any single or partial exercise of any such right, power or privilege or any abandonment or discontinuance of steps to enforce such a right, power or privilege preclude any further exercise thereof or of any other right, power or privilege.

**Section 6.07. Notices.** All notices, requests, demands, directions and other communications (collectively "notices") under the provisions of this Agreement must be in writing (including facsimile or email communication), unless otherwise expressly permitted hereunder, and must be properly addressed and sent by registered or certified mail or by express courier for next Business Day delivery or by facsimile or email transmission and will be deemed received as follows: (i) if sent by registered or certified mail, five (5) days after mailing; (ii) if sent by express courier, on the next Business Day; (iii) if sent by facsimile or email, when confirmation of transmission is obtained if prior to 5:00 p.m. (local time for the recipient) on a Business Day, and otherwise on the next Business Day; *provided* that service of a notice prescribed by any applicable statute shall be considered complete when the requirements of that statute are met. Except as otherwise specified herein, notices by electronic mail (e-mail) will not constitute notice under this Agreement and are only to be used in addition to notice given as prescribed under clause (i), (ii) or (iii) of the preceding sentence. All notices shall be sent to the applicable party at the following address or in accordance with the last unrevoked written direction from such party to the other parties listed below:

Each item to be delivered by the County to the Owner Representative pursuant to Section 4.01 hereof shall be delivered by email transmission of searchable files.

The Owner Representative may in its sole discretion rely on any notice purportedly made by or on behalf of the County, but it has no duty to accept any notice not given as prescribed in this Section 6.07 and has no duty to verify the identity or authority of the Person giving such notice, unless such action or omission would amount to gross negligence or intentional misconduct.

**Section 6.08. Severability.** The provisions of this Agreement are intended to be severable. If any provision of this Agreement is held invalid or unenforceable in whole or in part in any jurisdiction, such provision will, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without in any manner affecting the validity or enforceability thereof in any other jurisdiction or the remaining provisions hereof in any jurisdiction.

**Section 6.09. Right of Setoff.**

(a) Upon the occurrence of any Bondholder Agreement Event of Default, the Owner Representative and each Owner may, at any time and from time to time, without notice to the County or any other Person (any such notice being expressly waived), set off and appropriate and apply against and on account of any Obligations, without regard to whether or not the Owner Representative or such Owner has made any demand therefor, any and all deposits (general or special, including but not limited to deposits made pursuant to this Agreement and Debt evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts, such as restricted donor accounts) and any other Debt at any time held or owing by the Owner Representative or such Owner, as the case may be, to or for the credit or the account of the County.

(b) The Owner Representative or such Owner shall promptly notify the County after any such set off and application referred to in paragraph (a) above, *provided* that the failure to give such notice shall not affect the validity of such set off and application. Subject to the provisions of paragraph (a) above, the rights of the Owner Representative and the Owners under this Section 6.09 are in addition to other rights and remedies (including other rights of set off) which the Owner Representative or the Owners may have.

**Section 6.10. Governing Law; Waiver of Jury Trial.**

(a) *Governing Law.* THIS AGREEMENT SHALL BE DEEMED TO BE A CONTRACT UNDER AND, TOGETHER WITH ANY DISPUTES OR CONTROVERSIES ARISING OUT OF OR RELATING TO THIS AGREEMENT, SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF FLORIDA AND APPLICABLE FEDERAL LAW, WITHOUT REGARD TO CHOICE OF LAW RULES.

(b) *Waiver of Jury Trial.* TO THE FULLEST EXTENT PERMITTED BY LAW, EACH PARTY HERETO WAIVES ITS RIGHT TO A JURY TRIAL OF ANY AND ALL CLAIMS OR CAUSES OF ACTION BASED UPON OR ARISING OUT OF ANY OF THE BOND DOCUMENTS. IT IS HEREBY ACKNOWLEDGED THAT THE WAIVER OF A JURY TRIAL IS A MATERIAL INDUCEMENT FOR THE PURCHASER TO ENTER INTO THIS AGREEMENT AND THAT THE EXECUTION AND DELIVERY OF THIS AGREEMENT BY EACH PARTY HERETO IS MADE IN RELIANCE UPON SUCH WAIVER. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT SUCH WAIVER HAS BEEN KNOWINGLY AND VOLUNTARILY MADE FOLLOWING CONSULTATION WITH ITS RESPECTIVE LEGAL COUNSEL.

**Section 6.11. No Advisory or Fiduciary Responsibility.** In connection with all aspects of the Transactions (including in connection with any amendment, waiver or other modification hereof or of any other Bond Document), the County acknowledges and agrees that: (a)(i) the Purchaser or one of its Affiliates may have an ownership interest in secondary market securities of which the Bonds form the underlying asset; (ii) the Purchaser contemplates a deposit of the Bonds into the Trust and Royal Bank will be the initial Credit Protection Provider for the Trust; (iii) the arranging, structuring and other services regarding this Agreement provided by the

Purchaser are arm's-length commercial transactions between the County and its Affiliates, on the one hand, and the Purchaser and its Affiliates, on the other hand; (iv) the County has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate; and (v) the County is capable of evaluating, and understands and accepts, the terms, risks and conditions of the Transactions; (b)(i) the Purchaser is and has been acting solely as a principal and has not been, is not, and will not be acting as an advisor, agent or fiduciary for the County or any other Person with respect to the Transactions (whether or not the Purchaser or any of its Affiliates has advised or is currently advising the County on other matters); and (ii) neither the Purchaser nor any of its Affiliates has any obligation to the County with respect to the Transactions, except those obligations expressly set forth herein; and (c) the Purchaser and its Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the County and neither the Purchaser nor any of its Affiliates has any obligation to disclose any of such interests to the County. To the fullest extent permitted by applicable Law, the County hereby waives and releases any claims that it may have against the Purchaser or the Purchaser's Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any Transaction.

**Section 6.12. Entire Agreement.** The Bond Documents constitute the entire understanding and agreement between the County and the Purchaser with respect to the Transactions and the Bonds and supersede all prior or contemporaneous written or oral understandings, courses of dealing and agreements between the County and the Purchaser with respect to the matters addressed in the Bond Documents. In particular, and without limitation, the Bond Documents supersede any commitment by the Purchaser to extend credit to the County or to purchase the Bonds, and all such agreements or commitments are merged into the Bond Documents. Except as incorporated in writing into the Bond Documents, there are no representations, understandings, stipulations, agreements or promises, oral or written, with respect to the matters addressed in the Bond Documents.

**Section 6.13. Duration.** All representations and warranties of the County contained in the Bond Documents or made in connection therewith (including any statements made in or in connection with any amendment hereto) shall survive the making of and shall not be waived by the execution and delivery of any of the Bond Documents or any investigation by the County. All covenants and agreements of the County contained herein shall continue in full force and effect from and after the date hereof until the Obligations have been indefeasibly paid in full and fully discharged; *provided, however*, that the obligations of the County under Article II and Sections 6.01, 6.02 and 6.17 and under each other provision of any Bond Document granting a right of indemnity or reimbursement in favor of the Owner Representative or any other Owner shall survive any expiration or termination of this Agreement.

**Section 6.14. Parties in Interest.** Nothing in this Agreement, whether express or implied, shall be construed to give to any Person other than the County, the Purchaser and the Owner Representative any legal or equitable right, remedy or claim under or in respect of this Agreement, which is intended for the sole and exclusive benefit of the parties hereto. Notwithstanding the foregoing, it is understood and agreed that each Owner is an express and intended third party beneficiary of this Agreement and each Indemnitee is an intended beneficiary of Section 6.01 hereof, that the benefits of this Agreement or Section 6.01 hereof are conferred upon each Owner and each Indemnitee, respectively, and that the Owner Representative shall

exercise and enforce each right, covenant, remedy or other provision hereof on behalf of the Owners or the Indemnitees.

**Section 6.15. Successors and Assigns.** This Agreement is a continuing obligation and is binding upon the County and its respective permitted successors and assigns and inures to the benefit of the Purchaser and the Owner Representative and their respective permitted successors, transferees and assigns. The County may not assign or otherwise transfer or delegate any of its rights or obligations hereunder or under the other Bond Documents without the prior written consent of the Owner Representative. Notwithstanding any other provision of any of the Bond Documents to the contrary, any Owner may, without the consent of the County, assign, pledge as security, participate or sell the Bonds or a beneficial interest in the Bonds, subject to applicable securities laws restrictions, if any, including any pledge or assignment to secure obligations to a Federal Reserve Bank.

**Section 6.16. Owner Representative.**

(a) RBCMPI, its successors and assignees, constitutes the Owner Representative hereunder and under the Bond Documents unless and until a majority of the Owners give written notice to the County and the Paying Agent identifying any successor or assignee Owner Representative hereunder and under the other Bond Documents and, *provided* that any such notice on its face establishes the requisite ownership of a majority of the aggregate principal amount of the Bonds then Outstanding by the Owners identified therein, the Person designated in such notice as the Owner Representative will, upon delivery to the County and the Paying Agent of such notice, constitute the Owner Representative and will succeed to and become vested with all of the rights, powers, privileges and responsibilities of the Owner Representative in the Bond Documents. Any predecessor Owner Representative hereunder will be discharged from its duties and obligations hereunder and under the other Bond Documents, *provided* that the predecessor Owner Representative will continue to be entitled to the benefits of Article II and Sections 6.01, 6.02 and 6.17 and of each other provision of any Bond Document granting a right of indemnity or reimbursement in favor of the Owner Representative.

(b) The Owner Representative may designate any nominee, designee or agent to act for and in the name of the Owner Representative by written notice to the County and the Paying Agent, and any such duly designated nominee, designee or agent will thereupon be empowered to act for and on behalf of the Owner Representative and exercise the rights, powers, privileges and responsibilities of the Owner Representative in each of the Bond Documents.

**Section 6.17. Reinstatement.** To the extent that the Owner Representative or any Owner receives any payment from or on behalf of the County which payment or any part thereof is subsequently

- (a) invalidated;
- (b) declared to constitute a fraudulent conveyance or preferential transfer;
- (c) set aside; or

(d) required to be repaid (including pursuant to any settlement entered into by the Owner Representative or any Owner in its discretion) to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause;

(collectively, "*Set Aside*"), then, to the extent of any such Set Aside, the obligations or part thereof intended to be satisfied shall be revived and reinstated and shall continue in full force and effect as if such payment had not been received by the Owner Representative or such Owner or such Set Aside had not occurred.

**Section 6.18. Standard of Conduct by Owner Representative; Liability of Owner Representative.**

(a) Nothing contained in any Bond Documents limits the right of the Purchaser, the Owner Representative or any Owner to exercise its business judgment or to act, in the context of the granting or withholding of any consent under any of the Bond Documents, in a subjective manner, whether or not objectively reasonable under the circumstances, so long as the Owner Representative's or such Owner's exercise of its business judgment or action is made or undertaken in good faith. The County intends by the foregoing to set forth and affirm the entire understanding with respect to the standard pursuant to which the Owner Representative's or any Owner's duties and obligations are to be judged and the parameters within which the Owner Representative's or any Owner's discretion may be exercised hereunder and under the other Bond Documents. As used herein, "good faith" means honesty in fact in the conduct and transaction concerned.

(b) The County hereby unconditionally and irrevocably releases and discharges the Purchaser, the Owner Representative and each Owner and each of their respective Affiliates and the officers, directors, employees and agents of each of them from any liability or responsibility for any of the following: (i) any use that may be made of the proceeds of the Bonds or any acts or omissions of the Paying Agent or any other Person in connection with the issuance of the Bonds or the use of the proceeds of the Bonds; (ii) any of the acts, omissions, agreements, circumstances and conditions covered by the indemnification provided in Sections 6.01 and 6.02; (iii) any act or omission of the Purchaser, the Owner Representative or any Owner; and (iv) any other circumstance whatsoever in connection with the Transactions or the exercise by the Purchaser, the Owner Representative or any Owner of any of its rights under any of the Bond Documents; *provided* that the County shall have a claim against the Purchaser, the Owner Representative or such Owner, and the Purchaser, the Owner Representative or such Owner shall be liable to the County to the extent, but only to the extent, of any direct, actual damages, but expressly not for any lost profits or any consequential, special, indirect or punitive damages (the right to recover or receive lost profits, consequential, special, indirect or punitive damages being hereby waived), suffered by the County and not required to be mitigated by the County under applicable Law, which direct, actual damages are determined by a final and nonappealable judgment of a court of competent jurisdiction to have been directly caused by the Purchaser's, the Owner Representative's or such Owner's willful misconduct or gross negligence in connection with the administration of this Agreement.

**Section 6.19. Waiver of Rule of Construction.** The County hereby waives any and all provisions of law to the effect that an ambiguity in a contract or agreement should be interpreted against the party responsible for its drafting.

**Section 6.20. Usury.** If applicable Law is interpreted by a court of competent jurisdiction to render usurious any amount or amounts payable to the Purchaser, the Owner Representative or any Owner under this Agreement or the Bonds, or contracted for, charged or received by the Purchaser, the Owner Representative or any Owner with respect to the obligations of the County hereunder or under the Bonds, or if any acceleration or optional or extraordinary prepayment results in the County having paid any interest in excess of that permitted by applicable Law, then it is the Purchaser's and the Owner Representative's express intent that all excess amounts theretofore collected by the Purchaser, the Owner Representative or such Owner will be credited against the principal balance of the County's obligations to the Purchaser, the Owner Representative or such Owner, and the provisions of the Bond Documents will immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder modified, without the necessity of the execution of any new documents, so as to comply with the applicable Law, but so as to permit the recovery of the fullest amount otherwise called for hereunder or thereunder. All sums paid or agreed to be paid to the Purchaser, the Owner Representative or any Owner which may be characterized as interest under applicable Law will, to the extent permitted thereby, be amortized, prorated, allocated, and spread throughout the full stated term of the Bonds or other obligations of the County until payment in full so that the rate or amount of interest on account of such obligations does not exceed the maximum rate permitted by Law from time to time in effect and applicable to such obligations for so long as the obligations are outstanding.

**Section 6.21. Counterparts.** This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. This Agreement may be delivered by the exchange of signed signature pages by facsimile transmission or by e-mail with a pdf copy or other replicating image attached, and any printed or copied version of any signature page so delivered shall have the same force and effect as an originally signed version of such signature page.

2. *Purchase and Sale of the Remarketed Bonds.* Pursuant to Section 11(a) of the Series 2012 Resolution, the County has directed that \$[ ] aggregate principal amount of the Bonds in the Drawdown Mode be converted to Fixed Rate Bonds (such portion of the Bonds in the Drawdown Mode to be converted to Fixed Rate Bonds, the "Remarketed Bonds") on [ ] (the

"Conversion Date"). On the Conversion Date, the Remarketed Bonds will be subject to mandatory tender for purchase and Conversion in accordance with Section 12(a) of the Series 2012 Resolution. Subject to the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein, the Remarketing Agents hereby agree to purchase the Remarketed Bonds on the Conversion Date for resale to investors. The purchase price for the Remarketed Bonds (the "Purchase Price") shall be [\$\_\_\_\_\_] plus interest accrued on the Remarketed Bonds to the Conversion Date. [The Remarketing Agents agree to purchase the Remarketed Bonds at the Purchase Price and may subsequently change such price without any requirement of prior notice.]

The principal amount of the Remarketed Bonds, the dated date therefor, the maturities, the sinking fund and optional redemption provisions and interest rate per annum of the Remarketed Bonds are as set forth in Schedule II hereto.

The County acknowledges and agrees that: (i) the primary role of the Remarketing Agents, as remarketing agents, is to purchase securities, for resale to investors, in an arm's-length commercial transaction between the County and the Remarketing Agents and that the Remarketing Agents have financial and other interests that differ from those of the County; (ii) the Remarketing Agents are not acting as municipal advisors, financial advisors, or fiduciaries to the County and have not assumed any advisory or fiduciary responsibility to the County with respect to the transaction contemplated hereby and the discussions, undertakings and procedures leading thereto (irrespective of whether the Remarketing Agents have provided other services or are currently providing other services to the County on other matters); (iii) the only obligations the Remarketing Agents have to the County with respect to the transaction contemplated hereby expressly are set forth in this Agreement; and (iv) the County has consulted its own financial and/or municipal, legal, accounting, tax and other advisors, as applicable, to the extent it deems appropriate. If the County would like a municipal advisor in this transaction that has legal fiduciary duties to the County, then the County is free to engage a municipal advisor to serve in that capacity.

### 3. *The Remarketing Circular.*

(a) Attached hereto as Exhibit A is either a draft of the final Remarketing Circular or a copy of the Preliminary Remarketing Circular dated [\_\_\_\_\_] (the "*Preliminary Remarketing Circular*"), including the cover page and Appendices thereto, of the County relating to the Remarketed Bonds. Such draft of the final Remarketing Circular or copy of the Preliminary Remarketing Circular, as amended to reflect the changes marked or otherwise indicated on Exhibit A hereto, is hereinafter called the "*Remarketing Circular*."

(b) The Preliminary Remarketing Circular has been prepared by the County for use by the Remarketing Agents in connection with the public offering and sale of the Remarketed Bonds. The County hereby represents and warrants that the Preliminary Remarketing Circular was deemed final by the County as of its date, except for the omission of such information which is dependent upon the final pricing of the Bonds for completion, all as permitted to be excluded by Section (b)(1) of Rule 15c2-12 under the Securities Exchange Act of 1934 (the "Rule").

(c) The County represents that the governing body of the County has reviewed and approved the information in the Remarketing Circular and hereby authorizes the Remarketing Circular to be used by the Remarketing Agents in connection with the public remarketing of the

Bonds. The County shall provide, or cause to be provided, to the Remarketing Agents as soon as practicable after the date of the County's acceptance of this Agreement (but, in any event, not later than within seven business days after the County's acceptance of this Agreement and in sufficient time to accompany any confirmation that requests payment from any customer) copies of the Remarketing Circular which is complete as of the date of its delivery to the Remarketing Agents in such quantity as the Representative shall request in order for the Remarketing Agents to comply with Section (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board (the "MSRB"). The County hereby confirms that it does not object to the distribution of the Remarketing Circular in electronic form.

(d) If, after the date of this Agreement to and including the date the Remarketing Agents are no longer required to provide an Remarketing Circular to potential customers who request the same pursuant to the Rule (the earlier of (i) 90 days from the "end of the underwriting period" (as defined in the Rule) and (ii) the time when the Remarketing Circular is available to any person from the MSRB, but in no case less than 25 days after the "end of the underwriting period" for the Remarketed Bonds), the County becomes aware of any fact or event which might or would cause the Remarketing Circular, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or if it is necessary to amend or supplement the Remarketing Circular to comply with law, the County will notify the Representative (and for the purposes of this clause provide the Representative with such information as it may from time to time request), and if, in the opinion of the Representative, such fact or event requires preparation and publication of a supplement or amendment to the Remarketing Circular, the County will forthwith prepare and furnish, at the County's own expense (in a form and manner approved by the Representative), a reasonable number of copies of either amendments or supplements to the Remarketing Circular so that the statements in the Remarketing Circular as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein necessary to make the statements therein not misleading. If such notification shall be subsequent to the Conversion Date, the County shall furnish such legal opinions, certificates, instruments and other documents as the Representative may deem necessary to evidence the truth and accuracy of such supplement or amendment to the Remarketing Circular.

(e) The Representative hereby agrees to file the Remarketing Circular with the MSRB. Unless otherwise notified in writing by the Representative, the County can assume that the "end of the underwriting period" for purposes of the Rule is the Conversion Date.

4. *Representations, Warranties, and Covenants of the County.* The County hereby represents and warrants to and covenants with the Remarketing Agents that:

(a) The County is, and will be on the Conversion Date, a political subdivision of the State of Florida (the "State") duly created and validly existing under the Constitution and laws of the State;

(c) Except as otherwise specifically set forth in this Agreement, in the event either the County or the Remarketing Agents shall have paid obligations of the other as set forth in this Section, appropriate reimbursements and adjustments shall be made.

10. *Notices.* Any notice or other communication to be given to the County under this Agreement may be given by delivering the same in writing at BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, 111 NORTHWEST FIRST STREET, MIAMI, FLORIDA 33128-1995 and any notice or other communication to be given to the Remarketing Agents under this Agreement may be

This Agreement may not be assigned by the County. All of the County's representations, warranties and agreements contained in this Agreement shall remain operative and in full force and effect, regardless of (i) any investigations made by or on behalf of any of the Remarketing Agents; (ii) the remarketing of the Remarketed Bonds pursuant to this Agreement; and (iii) any termination of this Agreement.

13. *Choice of Law.* This Agreement shall be governed by and construed in accordance with the law of the State.

14. *Severability.* If any provision of this Agreement shall be held or deemed to be or shall, in fact, be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions, or in all jurisdictions because it conflicts with any provisions of any Constitution, statute, rule of public policy, or any other reason, such circumstances shall not have the effect of rendering the provision in question invalid, inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions of this Agreement invalid, inoperative or unenforceable to any extent whatever.

15. *Business Day.* For purposes of this Agreement, "business day" means any day on which the New York Stock Exchange is open for trading.

16. *Section Headings.* Section headings have been inserted in this Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provisions of this Agreement.

17. *Counterparts.* This Agreement may be executed in several counterparts each of which shall be regarded as an original (with the same effect as if the signatures thereto and hereto were upon the same document) and all of which shall constitute one and the same document.

If you agree with the foregoing, please sign the enclosed counterpart of this Agreement and return it to the Remarketing Agents. This Agreement shall become a binding agreement between you and the Remarketing Agents when at least the counterpart of this letter shall have been signed by or on behalf of each of the parties hereto.

LIMITED OFFERING MEMORANDUM

**LIMITED OFFERING MEMORANDUM  
OF  
MIAMI-DADE COUNTY, FLORIDA**

**NOT TO EXCEED \$675,000,000  
MIAMI-DADE COUNTY, FLORIDA  
General Obligation Bonds  
(Building Better Communities Program)**

**INTRODUCTION**

The purpose of this Limited Offering Memorandum of Miami-Dade County, Florida (the "County"), which includes the inside cover pages and Appendices, is to furnish information about the County and its Miami-Dade County, Florida General Obligation Bonds (Building Better Communities Program), to be issued in one or more series in a combined maximum aggregate principal amount not to exceed \$675,000,000\* (the "Bonds" and individually, each a "Series"). The Bonds are authorized to be issued pursuant to the authority of and in full compliance with the Constitution and laws of the State of Florida, including Chapters 125 and 166, Florida Statutes, as amended, and the Home Rule Amendment and Charter of Miami-Dade County, Florida, as amended. The Bonds are authorized to be issued pursuant to Resolution No. R-912-04, Resolution No. R-913-04, Resolution No. R-914-04, Resolution No. R-915-04, Resolution No. R-916-04, Resolution No. R-917-04, Resolution No. R-918-04 and Resolution No. R-919-04, each adopted by the Board of County Commissioners of Miami-Dade County (the "Board") on July 20, 2004 (collectively, the "Authorizing Resolutions"), Ordinance No. 05-47, enacted by the Board on March 1, 2005, as supplemented (the "Master Ordinance"), and Resolution No. R-576-05 adopted by the Board on May 17, 2005, as supplemented (the "Master Resolution") and Resolution No. R-\_-12 adopted by the Board on \_\_\_\_\_, 2012 (the "2012 Resolution" and collectively with the Authorizing Resolutions, the Master Ordinance and the Master Resolution, as amended and supplemented, the "Bond Ordinance").

The Bonds are to be issued pursuant to a voted authorization of \$2,925,750,000 in County general obligation bonds (the "Building Better Communities Program Bonds") authorized by the Master Ordinance and approved by the voters at a special election of the County held on November 2, 2004 to fund the Building Better Communities Program (the "Building Better Communities Program" as more particularly described in this Limited Offering Memorandum). In addition to the Bonds, the County has issued previously \$ \_\_\_\_\_ in aggregate principal amount of Building Better Communities Program Bonds, of which \$ \_\_\_\_\_ remain outstanding as of \_\_\_\_\_, 2012.

The Bonds are general obligations of the County and are payable from unlimited ad valorem taxes on all taxable real and tangible personal property within the County (subject to certain exemptions provided by law). The full faith, credit and taxing power of the County are irrevocably pledged to the prompt payment of the principal of, and interest on, the Bonds, as the same become due. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS."

Proceeds of the Bonds will be used to: (i) finance all or a portion of the costs of some of the Community Projects (as defined in the 2012 Resolution), (ii) pay capitalized interest, if any, on the Bonds, and (iii) pay the cost of issuance with respect to the Bonds.

This Limited Offering Memorandum contains descriptions of, among other things, the Bonds, the Bond Ordinance and the County. Such descriptions and information do not purport to be comprehensive or definitive. Certain information in this Limited Offering Memorandum has been provided by The Depository Trust Company, New York, New York ("DTC"). The County has not provided information in this Limited Offering Memorandum with respect to DTC and does not certify as to the accuracy or sufficiency of the disclosure policies of or content provided by DTC and is not responsible for the information provided by DTC. All references in this Limited Offering Memorandum to the Bond Ordinance and related documents are qualified by reference to such documents, and references to the Bonds are qualified in their entirety by reference to the form of such bonds included in the Bond Ordinance. All capitalized terms in this Limited Offering Memorandum shall have the meanings assigned to such terms in the Bond Ordinance unless another meaning is ascribed to any of such terms in this Limited Offering Memorandum.

## DESCRIPTION OF THE BONDS

### General

The Bonds are authorized to be issued in one or more Series, in a combined aggregate authorized principal amount not to exceed \$675,000,000; provided, however, that (i) the principal amount due on the Bonds of a particular Series shall be only such amount as has been drawn down by the County and not yet redeemed, remarketed, converted or otherwise paid by the County as reflected by the Schedule of Drawings, Redemptions and Remarketings attached to each Bond as Schedule A and maintained by the Registrar (defined below), (ii) the maximum combined aggregate principal amount of Bonds that may be issued shall not exceed \$675,000,000, (iii) the maximum combined aggregate principal amount of Bonds that may remain Outstanding in the Drawdown Mode on any date shall not exceed \$400,000,000, and (iv) at no time may the aggregate principal amount of outstanding Bonds be less than \$10,000,000 unless all outstanding Bonds are paid in full. It is anticipated that, on the date of issuance, the County will draw not less than \$[10,000,000] of the Series 2012-\_\_ Bonds (the "Initial Draw"). Subject to the foregoing limitations and subject to satisfaction of the conditions in the 2012 Resolution and the Bondholder's Agreement, the County may make additional draws under a Series of the Bonds in the Drawdown Mode from time to time.

Each Series of Bonds shall accrue interest during each Interest Accrual Period at an interest rate equal to the sum of (1) the SIFMA Index and (2) the Applicable Spread (rounded up to the nearest one hundredth of one percent); provided that for the initial Interest Accrual Period after the issuance of a Series of Bonds, the Interest Rate Determination Date shall be the second Business Day prior to the issuance of such Series. Interest on the Bonds shall be payable on each Interest Payment Date. Upon the occurrence of any Bondholder's Agreement Event of Default, the Bonds shall immediately and automatically bear interest at the Default Rate. During the Amortization Period for a Series of Bonds, the Bonds of such Series shall bear interest at the Amortization Period Interest Rate. All calculations of interest on the Bonds shall be made by the Calculation Agent and will be computed on the basis of the actual number of days elapsed in an actual 365/366 day year. In no event may any Bond bear interest in excess of the Maximum Rate. In the event that the SIFMA Index is not available, the SIFMA Index shall be replaced by the LIBOR Index.

[ \_\_\_\_\_ ], will act as Registrar and Paying Agent for the Bonds (the "Registrar" "Calculation Agent" or "Paying Agent").

The Bonds will be issued initially as fully registered bonds in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Bonds. Purchases of the Bonds will be made through a book-entry only system maintained by DTC, in denominations of \$100,000 or any integral multiple of \$5,000 in excess of \$100,000 (provided one Bond may be in a denomination which is less than \$100,000) and purchasers of the Bonds (the "Beneficial Owners") will not receive physical delivery

of bond certificates. As long as DTC or its nominee is the registered owner of the Bonds, the principal and interest payments will be made to DTC or its nominee, which will in turn remit such principal and interest payments to DTC's Participants (as defined below under "Book-Entry Only System") for subsequent disbursement to the Beneficial Owners. See "Book-Entry Only System" below.

### **Redemption and Conversion of Bonds**

*Optional Redemption of Bonds.* Bonds are subject to optional redemption in whole or in part at the direction of the County on any Interest Payment Date, with thirty (30) days prior written notice to the Holders, the Owner Representative, the Remarketing Agent, if any, and the Tender Agent, if any, at a redemption price equal to 100% of the principal amount thereof plus interest accrued to, but excluding, the Redemption Date. Optional redemptions shall be in minimum aggregate principal amounts of \$1,000,000 and at no time may the aggregate principal amount of all Outstanding Bonds be less than \$10,000,000 unless all Outstanding Bonds are repaid in full.

*Mandatory Sinking Fund Redemption During an Amortization Period.* During the Amortization Period, the Outstanding Bonds shall be subject to mandatory redemption through the operation of a sinking fund, commencing on the Amortization Commencement Date and on each succeeding Amortization Payment Date. The amount of the Amortization Installment due on the Amortization Commencement Date shall equal three-elevenths of the principal amount of Bonds Outstanding at the beginning of the Amortization Period. The amount of the Amortization Installment due on each Amortization Payment Date after the Amortization Commencement Date shall equal one-eleventh of the principal amount of Bonds outstanding at the beginning of the Amortization Period. The balance of any Bonds outstanding on the Amortization End Date shall be due and payable on the Amortization End Date. During the Amortization Period, the Redemption Price of the Bonds shall be equal to the principal amount of such outstanding Bonds to be redeemed on such date plus interest accrued to but excluding the Redemption Date. During the Amortization Period, interest on Outstanding Bonds shall accrue at the Amortization Period Interest Rate payable monthly in arrears on each Interest payment Date.

*Conversion.* Upon written direction of the County, all or a portion of the Bonds may be converted to Fixed Rate Bonds on any Interest Payment Date. In order to designate a Fixed Rate for any Bonds, at least thirty (30) days prior to the proposed date of such Conversion, the County shall provide a Mode Conversion Notice to the Registrar, the Remarketing Agent, the Tender Agent, the Purchaser and the Owner Representative in the manner prescribed in the Bond Ordinance. If less than all of the Bonds then Outstanding are to be converted to a Fixed Rate Mode, the Bonds which are to be so converted shall be selected by the Registrar in such manner as the Registrar deems appropriate subject to the provisions of the 2012 Resolution regarding Authorized Denominations of Bonds for a Fixed Rate Mode. In the event that (i) the requirements of the 2012 Resolution have not been met on or prior to the fifth (5<sup>th</sup>) Business Day prior to the proposed date of pricing for a scheduled Conversion Date in respect of any Bonds, or (ii) on or prior to the fifth (5<sup>th</sup>) Business Day preceding the date proposed as the pricing date for a scheduled Conversion Date, the County notifies the Remarketing Agent and the Registrar that it does not want all the Bonds which were proposed to be converted to Fixed Rate Bonds on such Conversion Date to be converted to Fixed Rate Bonds, the Bonds subject to such Conversion shall remain in the Drawdown Mode. The Registrar shall give prompt notice to the Notice Parties that the requirements of the 2012 Resolution have not been met on a scheduled Conversion Date in respect of any Bonds. In no event shall the failure of any Bonds to be converted in accordance with the Mode Conversion Notice for any reason be deemed to be an Event of Default.

### **Mandatory Tender and Purchase**

*Mandatory Tender on Conversion Date.* Bonds subject to Conversion are subject to mandatory tender on the Conversion Date as set forth above.

*Special Mandatory Tender on Special Mandatory Tender Date.* The Bonds which are not subject to the Amortization Period are subject to mandatory tender on the Special Mandatory Tender Date. The Paying Agent shall give notice to the Purchaser, the Underwriter and the County at least thirty (30) days prior to the Special Mandatory Tender Date of the amount of Bonds subject to Special Mandatory Tender and otherwise in the manner provided in the 2012 Resolution. The Tender Agent shall hold all Bonds (or portions thereof in Authorized Denominations) delivered to it for purchase in trust for the benefit of the respective Holders of such tendered Series of Bonds until moneys representing the Purchase Price or redemption price of such tendered Bonds (or portions thereof in Authorized Denominations), as the case may be, shall have been delivered to or for the account of or to the order of the Holders thereof.

Any Holder of any Bonds, by its purchase of such Bonds, agrees to tender its Bonds to the Tender Agent for purchase on dates on which such Bonds are subject to mandatory tender as set forth above, and, upon such tender, to surrender such Bonds properly endorsed for transfer in blank. In the event that the Tender Agent holds sufficient funds in the Bond Purchase Fund to pay the Purchase Price of any Bonds which are subject to mandatory tender for purchase and such Bonds are not delivered to the Tender Agent at the time, in the manner and at the place required by the 2012 Resolution, the Undelivered Bonds shall be deemed to have been tendered and purchased by the Tender Agent, and interest accruing on such Undelivered Bonds on and after the applicable Purchase Date shall no longer be payable to the prior registered Holders of such Bonds. In such event the Tender Agent shall hold the funds representing the Purchase Price for the Undelivered Bonds in a segregated subaccount in the Bond Purchase Fund in trust for the Holders of Undelivered Bonds. Such prior Holders of the Undelivered Bonds shall have recourse solely to the funds held by the Tender Agent for the purchase of the Undelivered Bonds and all liability of the County, the Tender Agent and the Paying Agent to the prior Holder for the payment of such undelivered Bonds shall forthwith cease, terminate and be completely discharged, and the Registrar shall not recognize any further transfer of such Undelivered Bonds by such prior Holders. The Registrar or Tender Agent, as the case may be, shall register the transfer of such Undelivered Bonds to the purchaser thereof and shall issue a new Fixed Rate Bond or Fixed Rate Bonds and deliver same pursuant to Section 4.02 of the Master Resolution, notwithstanding such non-delivery.

*Notice.* Notice of any mandatory tender of any Series of Bonds shall be provided by the Registrar substantially in the form of a Mandatory Tender Notice as provided in the 2012 Resolution and shall be mailed by first class U.S. mail at least thirty (30) days prior to the Purchase Date, to Cede & Co., as nominee of DTC, as registered owner of the Bonds, with copies to the Tender Agent, the Remarketing Agent, the Purchaser, the Owner Representative and the Rating Agencies. If DTC is no longer the registered owner of the Bonds, then notice shall be given by the Registrar to the registered Holder of each Bond to be redeemed at the address shown on the registration books maintained by the Registrar. Failure to mail any such notice to a registered owner of a Bond, or any defect in such notice, shall not affect the validity of the proceedings for redemption of any Bond or portion thereof with respect to which no such failure or defect occurred. Any notice mailed as provided in this section and in the 2012 Resolution shall be conclusively presumed to have been duly given, whether or not the Holder of such Bonds receives such notice, and the failure of such Holder to receive any such notice shall not affect the validity of the action described in such notice. Any notice of optional redemption of Bonds may state that such optional redemption is conditioned upon receipt by the Paying Agent of moneys sufficient to pay the principal of, redemption premium, if any, and interest on the Bonds to be redeemed on or prior to the date fixed for redemption. Provided moneys are on deposit with the Paying Agent, interest on the Bonds or portions of the Bonds called for redemption or mandatory tender for purchase shall cease to accrue, such Bonds or portions of Bonds shall cease to be entitled to any lien, benefit or security under the Bond Ordinance and shall be deemed paid and the registered owners of such Bonds or portions of Bonds shall have no further rights except to receive payment of the redemption price or the Purchase Price, as applicable, and to receive Bonds for any unredeemed portions of the Bonds as provided in the Bond Ordinance.

## Book-Entry Only System

*The following description of the procedures and record keeping with respect to beneficial ownership interests in the Bonds, payment of interest and principal on the Bonds to Participants or Beneficial Owners of the Bonds, confirmation and transfer of beneficial ownership interest in the Bonds and other related transactions by and between DTC, the Participants and the Beneficial Owners of the Bonds is based solely on information furnished by DTC on its website for inclusion in this Limited Offering Memorandum. Accordingly, the County cannot make any representations concerning these matters.*

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully-registered bonds registered in the name of Cede & Co., (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of each Series of the Bonds, each in the aggregate principal amount of such maturity, as set forth on the inside cover page of this Limited Offering Memorandum, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants (the "Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the "Indirect Participants"). DTC has a Standard and Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for such Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Bonds with DTC and their

registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond Ordinance. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent by the Paying Agent to DTC. If less than all of the Bonds within a particular maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the County as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, redemption proceeds, if any, and interest payments on the Bonds will be made to Cede & Co., or to such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detailed information from the County or the Paying Agent on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, the Registrar or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, redemption proceeds and interest, as applicable, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the County and/or the Paying Agent. Disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of the Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the County. Under such circumstances, in the event that a successor securities depository is not obtained, definitive bond certificates representing the Bonds are required to be printed and delivered.

The County may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, bond certificates representing the Bonds will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the County believes to be reliable, but the county takes no responsibility for the accuracy thereof.

NEITHER THE COUNTY, THE REGISTRAR NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DTC PARTICIPANT OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE BONDS IN RESPECT OF THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT, THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT IN RESPECT OF THE PRINCIPAL OR INTEREST ON THE BONDS, ANY NOTICE WHICH IS PERMITTED OR REQUIRED TO BE GIVEN TO BONDHOLDERS UNDER THE BOND ORDINANCE OR ANY CONSENT GIVEN OR ACTION TAKEN BY DTC AS BONDHOLDER. SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF SUCH BONDS, AS NOMINEE OF DTC, THE BENEFICIAL OWNERS WILL NOT RECEIVE PHYSICAL CERTIFICATES REPRESENTING THEIR INTERESTS IN THE BONDS, AND REFERENCES HEREIN TO BONDHOLDERS OR REGISTERED HOLDERS OF SUCH BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF SUCH BONDS.

#### **Discontinuance of Book-Entry Only System**

In the event the County decides to obtain Bond certificates, the County may notify DTC and the Registrar, whereupon DTC will notify the DTC Participants, of the availability through DTC of Bond certificates. In such event, the County shall prepare and execute, and the Registrar shall authenticate, transfer and exchange, Bond certificates as requested by DTC in appropriate amounts and within the guidelines set forth in the 2012 Resolution. DTC may also determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the County and the Registrar and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the County and the Registrar shall be obligated to deliver Bond certificates as described herein. In the event Bond certificates are issued, the provisions of the Bond Ordinance shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal of and interest on such certificates. Whenever DTC requests the County and the Registrar to do so, the County will direct the Registrar to cooperate with DTC in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Bonds to any DTC Participant having Bonds credited to its DTC account; or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

#### **Registration, Transfer and Exchange**

If the book-entry only system is discontinued, the Beneficial Owners shall receive certificated Bonds which will be subject to registration of transfer or exchange as set forth below. Transfer of any Bond may be registered upon the registration books maintained by the Registrar upon surrender of such Bond to the Registrar together with a proper written instrument of transfer in form and with guarantee of signature satisfactory to the Registrar. Upon surrender to the Registrar, a new fully registered Bond of the same Series and maturity, in the same aggregate principal amount and bearing the same rate of interest will be issued to and in the name of the transferee. The County and the Registrar may charge the registered owners of the Bonds an amount sufficient to pay any tax, fee or other governmental charge required with respect to the registration of such transfer before any such certificated Bonds are delivered. The Registrar shall not be required (i) to transfer or exchange any Bond for a period from a Regular Record Date to the next succeeding interest payment date or, in the case of a redemption of Bonds, 15 days next preceding any selection of Bonds to be redeemed or until after the mailing of a notice of redemption for the Bonds or (ii) to transfer or exchange any Bonds called for redemption.

The County, the Registrar and the Paying Agent shall deem and treat the registered owner of any Bond as the absolute owner of such Bond for all purposes, including for the purpose of receiving payment of the principal, redemption price, and interest on the Bonds.

## SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

### General Obligation

The Bonds are general obligations of the County and are payable from unlimited ad valorem taxes on all taxable real and tangible personal property within the County (subject to certain exemptions provided by applicable law). The full faith, credit and taxing power of the County are irrevocably pledged to the prompt payment of both principal of, and interest on, the Bonds as the same become due and payable. There is no limitation as to rate or amount of ad valorem taxes levied for the purpose of paying general obligation bonds such as the Bonds. See "AD VALOREM TAXATION" below.

### AD VALOREM TAXATION

*General.* The laws of the State of Florida (the "State") provide for a uniform procedure to be followed by all counties, municipalities, school districts and special districts for the levy and collection of ad valorem taxes on real and personal property. Pursuant to such laws, the County's property appraiser (the "Property Appraiser") prepares an annual assessment roll for all taxing units within the County and levies such millage, subject to constitutional limitations, as determined by each taxing unit, and the County's tax collector (the "Tax Collector") collects all ad valorem taxes for all taxing units in the same manner as County taxes are collected. Since the taxes of all taxing units are billed together by the Tax Collector, each property owner is required to pay all such taxes without preference.

*[TO BE UPDATED]Property Assessment.* Real and personal property valuations are determined each year as of January 1 by the Property Appraiser's office. The Property Appraiser is required to physically inspect the real property every three (3) years. There is a limitation of the lesser of 3% or the increase in the consumer price index during the relevant year on the annual increase in assessed valuation of Homestead Property (defined below), except in the event of a sale of such property during such year, and except as to improvements to such property during that year. State law requires, with certain exceptions, that property be assessed at fair market value; however, \$25,000 of the assessed valuation of a homestead is exempt from taxation for a residence occupied by the owner on a permanent basis where such owner has filed for and received a homestead exemption ("Homestead Property" or "Homestead"). There have been recent changes to the State's Homestead exemption. See " - Property Tax Reform" below. In addition, as of the date of this Limited Offering Memorandum, persons 65 years or older whose household income does not exceed certain levels are allowed an additional \$25,000 exemption.

The Property Appraiser's office prepares the assessment roll and gives notice to each property owner of the proposed taxes. The property owner then has the right to file an appeal with the Value Adjustment Board, which considers petitions relating to assessments and exemptions. The Value Adjustment Board may make adjustments to the assessment roll to reflect any reduction in the assessed value of property upon the completion of the appeals. The assessment roll is then certified by the Value Adjustment Board as complete and the Property Appraiser uses the final assessment roll to levy the millage for each taxing unit in the County.

The County has the authority to increase its millage levy for voter approved debt supported by unlimited ad valorem taxes, including the Bonds, and the limitations, exemptions or adjustments described above and any others provided in State law do not affect the ability of the County to levy and collect ad valorem taxes in amounts sufficient to pay principal of, and interest on, the Bonds. Most

recently, during the 2011 Budget meetings, the Board of County Commissioners voted to increase the millage for debt service from .285 to .445 mills.

*Property Tax Reform.* In June 2007, the Florida Legislature enacted Chapter 2007-321, Laws of Florida (2007) (the "Rollback Law"). The Rollback Law took effect immediately and affected budgets prepared for fiscal year 2007-2008 and subsequent fiscal years. The Rollback Law requires all cities, counties and special districts to roll back their Fiscal Year 2007 tax rates so that they collect the same revenue in Fiscal Year 2007 that they collected in Fiscal Year 2006, and it required a further 0% to 9% tax cut from Fiscal Year 2006 figures, depending on the local government's ad valorem tax revenue increases since Fiscal Year 2001. Using the formula set forth in the Rollback Law, the County reduced its ad valorem tax revenue collections for Fiscal Year 2007 by 9% from its Fiscal Year 2006 collections. After Fiscal Year 2009, property tax rate growth cannot exceed growth of new construction and per capita personal income. The Board can exceed the new statutory cap by up to 10% following a two-thirds majority vote. In addition, the Board can exceed the Rollback Law's cap further following a three-fourths majority vote, or the County's electors can vote to exceed the cap via referendum.

**It should be noted that the Rollback Law does not apply to ad valorem revenues pledged to repay general obligation debt. The County's ability to levy taxes in order to repay the Bonds is not adversely affected.**

Effective January 1, 2008, changes to Florida's property tax laws (Amendment One) created a provision that allows property owners with the Homestead Exemption to transfer the difference between the Market Value and the Assessed Value on their prior Homestead property (the "Homestead Assessment Differential") to their new Homestead property. The new "Assessed Value" will be the difference between the Market Value on the new Homestead property and the "Homestead Assessment Differential" transferred from the previous property. The maximum amount that may be transferred to the new property is \$500,000. The new Assessed Value is the value upon which Exemptions are applied to in order to arrive at Taxable Value. In addition, for Florida Homestead owners already receiving a property tax exemption of \$25,000 on their homes, the new law creates an additional \$25,000 exemption for all property tax levies except school taxes. Also effective January 1, 2008, the first \$25,000 of tangible personal property will be exempt from taxation.

In November 2008, three new constitutional amendments were approved by the voters, which: (a) allow the Florida Legislature, by general law, to exempt from assessed value of residential homes, improvements made to protect property from wind damage and installation of a new renewable energy source device; (b) assess specified working waterfront properties based on current use rather than highest and best use; (c) beginning in 2010, provide property tax exemption for real property perpetually used for conservation; and, for land not so perpetually encumbered, require the Florida Legislature to provide classification and assessment of land use for conservation purposes solely on the basis of character or use.

In May 2009, the Florida Legislature adopted HB 833, allowing an additional homestead exemption for deployed military personnel. The exemption was approved by Florida voters in the November 2010 general election, and took effect January 1, 2011. The exemption is equal to the percentage of days during the prior calendar year that the military homeowner was deployed outside of the United States in support of military operations designated by the Florida Legislature.

HB 381, now before the Florida Legislature, proposes a reduction from 10% to 3% on the limitation on annual ad valorem assessment increases applicable to non-homestead property and provides for a first-time homestead exemption equal to 50% of the property's value, up to the median value for homestead property in the county, and declining by 20% per year over five (5) years, which would be available to each person who has not received a homestead exemption in the last three (3) years. This measure, if enacted, would require approval of 60% of Florida voters voting. The impact these measures would have on the County's ad valorem tax revenues has not been determined.

NOTE: Property in the County is reassessed each year. Property is assessed at actual market value. Tax rates are per \$1,000 of taxable value.

- Exemptions for real property include: \$25,000 homestead exemption; an additional \$25,000 homestead exemption (excluding School Board taxes) starting in Fiscal Year 2009; widows/widowers exemption; governmental exemption; disability/blind exemption; age 65 and older exemption; institutional exemption; economic-development exemption; and other exemptions as allowed by law.
- Amendment 10 was an amendment to the Florida Constitution in 1992 which capped the Assessed Value of properties with homestead exemption to increases of 3% per year or the Consumer Price Index, whichever is less (§193.155, F.S.) (commonly referred to as the "Save Our Homes" provision). This column represents the value difference between the Market Value and the Assessed Value, which will not be taxable (commonly referred to as the "Homestead Assessment Differential" or the "Cap Differential").

- [Total actual and assessed values for Fiscal Year 2010 are estimates based on the First Certified 2009 Tax Roll made in October 2009, prior to any adjustments processed by the Value Adjustment Board. ***Tax Levies and Tax Collections.*** The County has levied certified millages for the Fiscal Year 2011 beginning October 1, 2010, consisting of 5.4275 mills for general operations, 0.4450 mills for Countywide debt service, 0.0200 mills for Fire Rescue District voted debt, 0.2840 mills for libraries, 2.5753 mills for fire protection and 2.2980 mills for municipal services in the County's unincorporated areas. The Florida Constitution establishes a maximum millage, exclusive of voted millages, of 10.0 mills each for general operations for counties and municipalities. The millages levied by the County for debt service (unlimited millage) and for municipal services (separate 10.0 mill cap) in the County's unincorporated areas, are excluded from the 10.0 mill cap on millages levied for the County's general operations.

The County also collects taxes on behalf of other taxing authorities within the County. Section 197.383, Florida Statutes, requires the Tax Collector to distribute to each taxing authority taxes collected on its behalf at the rate of four times per month during the first two months after the tax roll comes into his possession and once per month thereafter, unless the County determines a different schedule. Upon receipt, the moneys representing debt service millage are deposited to the credit of the Miami-Dade

County Interest and Sinking Fund, a special fund created and maintained pursuant to the requirements of Chapter 129, Florida Statutes.

All ad valorem taxes become due and payable on November 1, and become delinquent on the following April 1, at which time they bear interest at not more than 18% per annum until a tax certificate is sold with respect to real property taxes and until paid with respect to personal property taxes. Discounts are allowed for early payment of 4% if paid in November, 3% if paid in December, 2% if paid in January, and 1% if paid in February. All taxes collected are distributed by the Tax Collector to the applicable taxing units. It is the Tax Collector's duty on or before June 1 of each year to advertise and sell tax certificates on real property tax delinquencies extending from the previous April 1. Delinquent taxes may be paid by the property owner prior to sale of tax certificates upon payment of all costs, delinquent taxes and interest at the rate of not more than 18% per annum. The tax certificates must be for an amount not less than the taxes due, plus interest from April 1 to the date of sale at not more than 18% per annum, together with the cost of advertising and expense of the sale. Each tax certificate is awarded to the bidder paying the above amounts and who accepts the lowest interest to be borne by the tax certificate after its sale. If there are no bidders, the County must hold, but not pay for, such tax certificates. Thereafter, the County may sell such tax certificates to the public at any time at the principal amount thereof plus interest at not more than 18% per annum and a fee. With respect to personal property tax delinquencies, such delinquent taxes must be advertised within 45 days after delinquency and, after May 1, the property is subject to warrant, levy, seizure and sale. The proceeds of the sale of the tax certificates are distributed to the respective taxing agencies.

Tax certificates held by persons other than the County may be redeemed and cancelled by any person prior to the time a tax deed is issued upon payment of the face amount of the tax certificate plus interest, costs and other charges. Holders of tax certificates, other than the County, which have not been redeemed may, at any time after two years but prior to seven years from date of issuance, file an application for a tax deed with the Tax Collector upon payment of all other outstanding tax certificates on such property plus interest, any omitted taxes plus interest, and delinquent taxes plus interest covering the real property. Thereafter, the property is advertised for public sale at auction to the highest bidder, subject to certain minimum bids. If there are no other bidders, the holder of the tax certificate receives title to the land. If the tax certificate is held by the County and the County has not succeeded in selling it within two years, the County applies for a tax deed upon payment of all applicable costs and fees but not any amount to redeem the tax certificate. Such property is then also advertised for public sale to the highest bidder, subject to certain minimum bids. If there are no other bidders, the County may purchase the land for the minimum bid. In the case of unsold lands, after seven years the County will take title to such lands.

## THE COUNTY

[TO BE UPDATED]

Set forth below is certain general information concerning the County, the County's government and certain governmental services provided by the County. For detailed information regarding the County and data relating to economic and demographic matters, see "APPENDIX A – GENERAL INFORMATION RELATIVE TO MIAMI-DADE COUNTY, FLORIDA."

### History

The County is the largest county in the southeastern United States in terms of population. The County currently covers 2,209 square miles, located in the southeastern corner of the State, and includes, among other municipalities, the cities of Miami, Miami Beach, Coral Gables and Hialeah. In 2010, the population of the County was estimated at 2,563,885.

The County was created on January 18, 1836 under the Territorial Act of the United States. It included the land area now forming Palm Beach County and Broward County, together with the land area of the present County. In 1909, Palm Beach County was established from the northern portion of what was then Dade County. In 1915, Palm Beach County and the County contributed nearly equal portions of land to create what is now Broward County. There have been no significant boundary changes to the County since 1915.

### County Government and Services

The State Legislature in 1955 approved and submitted to a general election a constitutional amendment designed to give a new form of government to the County. The amendment was approved in a statewide general election in November 1956. A Dade County Charter Board was constituted and, in April 1957, completed a draft of a charter for the County. The proposed charter (the "Home Rule Charter") was adopted in a countywide election in May 1957 and became effective on October 20, 1957. The electors of the County were granted power to revise and amend the Home Rule Charter from time to time by countywide vote. Over the last several years, the electors have amended the County Charter to materially change how the County is governed. Previously, the County was governed by a Board of County Commissioners ("Board") with all administrative matters handled by a County Manager who reported to the Board. Under this form of government, the elected Mayor had limited powers. As a result of three Charter amendments, the electors have established a "strong mayor" form of government. All administrative matters were transferred from the County Manager to the Mayor and the office of County Manager was eliminated as a charter office. The Mayor has authority over all departments including the appointment of each director. Currently, the Mayor continues to utilize a County Manager as a chief administrator. The Mayor has the authority to hire, fire and set the salary of the County Manager.

The County has home rule powers, subject only to the limitations of the Constitution and general laws of the State. The County, in effect, is both (1) a county government with certain powers effective throughout the entire County, including 35 municipalities, and (2) a municipal government for the unincorporated area of the County. The County has not displaced or replaced the cities, but supplements them. The County can take over particular activities of a city's operations if the services fall below minimum standards set by the Board, or with the consent of the governing body of a particular city.

The Charter of the County provides a process for recall of members of the Board, the Mayor and certain other elected officials. The recall process first requires the Clerk of the Circuit Court to certify a petition signed by at least four percent of the registered voters in the county, district or municipality, the amount of which is determined on the day on which the form of petition is approved. Upon the Clerk's certification of the signed petition, the Board must call for a recall election not less than 45 days nor more than 90 days after the certification of the signed petition. The recalled officer shall be deemed removed

from office immediately upon certification of the results of such recall election by the Miami-Dade County Canvassing Board that a majority of electors have voted in favor of recall.

Any vacancy in the office of Mayor or member of the Board shall be filled by a majority vote of the remaining members of the Board within 30 days of the certification of the election results, or the Board shall meet within 30 days of the certification of the election results to call an election to be held not more than 45 days from the call of such election. A person appointed to fill any vacated office shall serve only until the next County-wide election. A person elected to fill any vacated office shall serve for the remainder of the unexpired term of office.

After certification of recall petitions for Mayor Carlos Alvarez and County Commissioner Natacha Seijas, a special recall election was held on March 15, 2011. On March 18, 2011, the Miami-Dade County Canvassing Board certified that a majority of electors voted to recall both officers, whose terms would have expired in November 2012. At a special meeting held on April 11, 2011, the Board scheduled a special county-wide election and a special district-wide election for May 24, 2011 to fill the vacancy of Mayor and Commissioner for District 13, respectively. Since a candidate must win a majority of the votes cast, runoff elections were called for June 28, 2011, if needed. The Board also closed the qualifying period for individuals interested in running for either position at 5 p.m. on April 12, 2011. Since Commissioner Carlos A. Gimenez from District 7 has filed to run for Mayor, the Board called a special election for May 24, 2011 to fill this vacancy and called a special run-off election for June 28, 2011, if needed. The District 7 seat will remain vacant in the interim.

Until a new Mayor takes office, the administrative affairs of the County will continue to be the responsibility of the County Manager and Department heads. Mayor Alvarez delegated all Mayoral authority that may be delegated under the Charter and State law to the office of County Manager before he left office. The County Manager may further delegate that authority to appropriate officials in the County as needed. Those Mayoral powers that can only be exercised by the Mayor, such as hiring and firing the County Manager and Department heads, as well as vetoing legislation adopted by the Board, may not be exercised until a new Mayor takes office. As a result, any legislation passed by the Board before a new mayor takes office is not subject to a mayoral veto and becomes law 10 days after its passage.

After being selected County Manager by the Board in 2003, George Burgess was re-appointed by Mayor Alvarez in 2007 after the electorate approved a strong mayor form of government. On March 17, 2011, he resigned. On the same day, Mayor Alvarez appointed Alina T. Hudak as the new County Manager. Ms. Hudak has served in the position of Assistant County Manager since 1998. She has been an employee of the County since 1984 when she was hired as a management trainee. Her appointment was effective immediately. Pursuant to the County Code, the Mayor's appointment of a County Manager is deemed approved if the Board does not consider the appointment at its next regularly scheduled meeting. The Board, however, voted unanimously in favor of Ms. Hudak's appointment at its regularly scheduled meeting of April 4, 2011. The County Manager serves at the pleasure of the Mayor; therefore, the election or appointment of a new Mayor may result in changes to senior management of the County, including the County Manager.

The County has assumed responsibility on a countywide basis for an increasing number of functions and services, including the following:

- (a) Countywide police services, complementing the municipal police services within the cities and providing full-service police protection for the unincorporated areas of the County, with direct access to the National Crime Information Center in Washington, D.C. and the Florida Crime Information Center.
- (b) Uniform system of fire protection, complementing the municipal fire protection services within five municipalities and providing full-service fire protection for the Miami-Dade

Fire and Rescue Service District, which includes the unincorporated area of the County and the 30 municipalities which have consolidated their fire departments within the Miami-Dade Fire and Rescue Department. The Miami-Dade Fire and Rescue Department also provides emergency medical services by responding to and providing on-site treatment to the seriously sick and injured.

- (c) Certain expenses of the State's consolidated two-tier court system (pursuant to Florida Statutes, Section 29.008) are the responsibility of the County. The two-tier court system consists of the higher Circuit Court and the lower County Court. The Circuit Court handles domestic relations, felonies, probate, civil cases where the amount in dispute is \$15,000 or more, juvenile cases, and appeals from the County Court. The County Court handles violations of municipal ordinances, misdemeanors and civil cases where the amount in dispute is less than \$15,000.
- (d) Countywide water and sewer system operated by the Water and Sewer Department.
- (e) Jackson Memorial Hospital ("JMH") is operated, maintained and governed by an independent governing body called the Public Health Trust (the "Trust"). Based on the number of admissions to a single facility, JMH is one of the nation's busiest medical centers. The Board appoints members of the Board of Trustees for the Trust and also approves the budget of the Trust. The County continues to subsidize treatment of indigent patients on a contractual basis with the Trust.
- (f) Unified transit system, consisting of various surface public transportation systems, a 22.4-mile long rapid transit system, the Metromover component of the rapid rail transit system with 4.4 miles of an elevated double-loop system, and Metrobus operating over 29.0 million miles annually.
- (g) Combined public library system consisting of the Main Library, 47 branches and 4 mobile libraries offering educational, informational and recreational programs and materials. It is anticipated that the newly-constructed Arcola Lakes Branch, will be open in summer 2011. On an annual basis, approximately 8 million people visit the libraries and check out more than 9.2 million items such as books, DVDs, books on tape, CDs and other library materials, while reference librarians answer over 9 million questions. The library system is the largest free internet provider in South Florida, registering more than 2 million internet sessions. Its web page offers an extensive digital library of more than 1,500 downloadable e-books, videos and music that are available 24/7.
- (h) Property appraisal services are performed by the County's Property Appraiser's office. Tax collection services are performed by the Miami-Dade Tax Collector. All collected taxes are distributed directly to each governmental entity, according to its respective tax levy. The municipalities, the Board of Public Instruction and several State agencies use data furnished to them by the Miami-Dade Tax Collector for the purpose of budget preparations and for their governmental operations.
- (i) Establish minimum standards, enforceable throughout the County, in areas such as environmental resources management, building and zoning, consumer protection, health, housing and welfare.
- (j) Garbage and trash collection services to an average of approximately 324,000 households during Fiscal Year 2010 within the unincorporated area and certain municipalities of the County, and disposal services to public and private haulers countywide.
- (k) The Dante B. Fascell Port of Miami (the "Port") is owned and operated by the County through the Seaport Department. The Port is the world's largest multi-day cruise port in terms of cruise passengers, handling over 4,145,053 passengers in Fiscal Year 2010. As of September 2010, the Port had the largest container cargo port in the State and is within the top ten in the United States in total number of containers held.

- (l) The following airport facilities: (i) the Miami International Airport, the principal commercial airport serving South Florida; (ii) the Opa-locka Airport, a 1,810 acre facility, (iii) the Opa-locka West Airport, a 420 acre facility that has been decommissioned, (iv) the Kendall-Tamiami Executive Airport, a 1,380-acre facility, (v) the Homestead General Aviation Airport, a 960-acre facility, and (vi) the Training and Transition Airport, a facility of approximately 24,300 acres located in Collier and Miami-Dade Counties. All of these facilities are County-owned and operated by the Miami-Dade Aviation Department.
- (m) Several miscellaneous services, including mosquito and animal control.

### Other Post Employment Benefits

The County offers medical and dental plans to active employees and provides retirees the opportunity to participate in the plans. The County has approximately 37,500 active covered participants, and 2,300 pre-age 65 and 550 post-age 65 retired employees participating in the plans. Employees who retire and begin receiving benefits under the Florida Retirement System and who were participants in the existing medical plan at the time of retirement are entitled to participate in the plans. The County contributes to both the pre-65 and post-65 retiree medical coverage. Retirees pay the full cost of dental coverage. However, it is the County's current policy that its per capita contribution for retiree health care benefits will remain fixed at the 2008 dollar level. As a result, the retiree contributions will be increased to the extent necessary so that they are sufficient to provide for the difference between the gross costs for medical coverage and the fixed County contributions.

The County's Actuarial Accrued Liability (AAL) for obligations related to post-employment health care and other non-pension benefits referred to as other post employment benefits ("OPEB") was estimated to be \$336.7 million as of October 1, 2009, with an annual OPEB cost of \$30.9 million in Fiscal Year 2010 (assuming a 30-year amortization, a level percentage of payroll, closed, amortization method, and a 4.0% - 4.75% discount rate). Currently, the County's policy is to fund the benefits on a pay-as-you-go basis and the estimates assume the County will continue that policy. As of September 30, 2010, no assets have been segregated and restricted to provide postretirement benefits. During the fiscal year ended September 30, 2010, the County contributed \$20.6 million towards retirees' medical benefits on the pay-as-you-go basis.

The Actuarial Accrued Liability (AAL), Annual Required Contribution (ARC) and contribution made during Fiscal Year 2010 were allocated to County departments as follows (in thousands):

**NOTES:**

<sup>(1)</sup> Included in the Miscellaneous Revenue under the Approved Budget 2011 Fiscal Year column in the above table are all unencumbered funds carried forward from the prior Fiscal Year available for the appropriation of 2011 expenditures. State law permits counties and municipalities to appropriate 95% of estimated revenues to be collected in the ensuing Fiscal Year plus the excess funds from prior years as the basis for authorizing levels of expenditures. Excess funds from prior years considered in the budgetary process are not presented as revenues for financial reporting purposes and generally accepted accounting principles.

Actual revenues for Fiscal Year 2010 outpaced the Fiscal Year 2010 Budget, resulting in slightly positive operations. Through the first half of Fiscal Year 2011, unaudited results are positively tracking the Approved Budget 2011 Fiscal Year, i.e., revenues are trending above budgeted levels, while expenses are trending slightly below. There is no assurance that the current trends will continue.

**INVESTMENT POLICY [UPDATE]**

Pursuant to Florida Statutes, Section 218.45, which requires a written investment policy by the Board, the County adopted an investment policy (the "Investment Policy") which applies to all funds held by or for the benefit of the County in excess of those required to meet short-term expenses, except for proceeds of bond issues (including the Bonds) which are specifically exempted by Board ordinance or resolution.

The overall investment objectives of the Investment Policy, listed in order of importance are:

1. the safety of principal;
2. the liquidity of funds; and
3. the maximization of investment income.

The Investment Policy limits the securities eligible for inclusion in the County's portfolio to a maximum maturity of five (5) years. The Investment Policy allows investments in repurchase agreements with a maximum length to maturity of 14 days from the date of purchase; the collateral shall be "marked to market" daily.

To enhance safety, the Investment Policy requires the diversification of the portfolio to control the risk of loss resulting from over-concentration of assets in a specific maturity, issuer, instrument, dealer, or bank through which the instruments are bought and sold. The Investment Policy also requires the monthly portfolio performance reports to be presented to the Clerk of the Circuit and County Courts and to the County's Finance Director, quarterly portfolio reports to be submitted to the Investment Advisory Committee established by the Board and an annual portfolio performance report to be presented to the Board within 180 days of the end of the Fiscal Year.

The Investment Policy may be modified by the Board as it deems appropriate to meet the needs of the County.

## LITIGATION

There is no litigation pending or, to the knowledge of the County, threatened, seeking to restrain or enjoin the issuance or delivery of the Bonds, or questioning or affecting the validity of the Bonds or the proceedings and authority under which they are to be issued. Neither the creation, organization or existence of the Board, nor the title of the present members or other officers of the Board to their respective offices is being contested.

## ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Bonds upon an Event of Default under the Bond Ordinance are in many respects dependent upon regulatory and judicial actions that are often subject to discretion and delay. Under existing laws and judicial decisions, the remedies provided for under the Bond Ordinance may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified to the extent that the enforceability of certain legal rights related to the Bonds is subject to various limitations including those imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the enforcement of creditors' rights generally and by equitable remedies and proceedings generally.

## TAX MATTERS

### Opinions

In the opinion of Greenberg Traurig, P.A. and Edwards & Associates, P.A., Bond Counsel, under existing statutes, regulations, rulings and court decisions and assuming continuing compliance with certain covenants and the accuracy of certain representations, (1) interest on the Bonds will be excludable from gross income for federal income tax purposes, (2) interest on the Bonds will not be an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however such interest on the Bonds will be taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on certain corporations, and (3) the Bonds and the income thereon will not be subject to taxation under the laws of the State, except estate taxes and taxes under Chapter 220, Florida Statutes, as amended, on interest, income or profits on debt obligations owned by corporations as defined therein.

*Generally. [UPDATE]*

The above opinion on federal tax matters will be based on and will assume the accuracy of certain representations and certifications, and compliance with certain covenants, of the County to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Bonds will be and will remain obligations, the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those

certifications and representations. Bond Counsel will express no opinion as to any other tax consequences regarding the Bonds.

The Code prescribes a number of qualifications and conditions for the interest on state and local government obligations to be and to remain excludable from gross income for federal income tax purposes, some of which require future or continued compliance after issuance of the obligations in order for the interest to be and to continue to be so excludable from the date of issuance. Noncompliance with these requirements by the County may cause the interest on the Bonds to be included in gross income for federal income tax purposes and thus to be subject to federal income tax retroactively to the date of issuance of the Bonds. The County has covenanted to take the actions required of it for the interest on the Bonds to be and to remain excludable from gross income for federal income tax purposes, and not to take any actions that would adversely affect that excludability.

Except as described herein, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of the Bonds. Prospective purchasers of Bonds should be aware that the ownership of Bonds may result in collateral federal income tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry Bonds or, in the case of a financial institution, that portion of the owner's interest expense allocable to interest on a Bond, (ii) the reduction of loss reserve deduction for property and casualty insurance companies by 15% of certain items, including interest on the Bonds, (iii) the inclusion of interest on the Bonds in the effectively connected earnings and profits (with adjustments) of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of interest on the Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, and (v) the inclusion of interest on the Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits.

Purchasers of the Bonds at other than their original issuance at the respective prices or yields indicated on the inside cover of this Limited Offering Memorandum should consult their own tax advisors regarding other tax considerations such as the consequences of market discount.

From time to time, there are legislative proposals pending in Congress that, if enacted into law, could alter or amend one or more of the federal tax matters described above including, without limitation, the excludability from gross income of interest on the Bonds, adversely affect the market price or marketability of the Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would apply to the Bonds.

#### *Information Reporting and Backup Withholding*

Interest paid on tax-exempt bonds such as the Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Bonds and proceeds from the sale of Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Bonds. This withholding generally applies if the owner of Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Bonds

may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

### FINANCIAL ADVISOR

Public Financial Management, Inc., Orlando, Florida, is the Financial Advisor to the County with respect to the issuance and sale of the Bonds. The Financial Advisor has assisted the County in the preparation of this Limited Offering Memorandum and has advised the County as to other matters relating to the planning, structuring and issuance of the Bonds. The Financial Advisor is not obligated to undertake and has not undertaken to make an independent verification or to assume responsibility for the accuracy, completeness or fairness of the information contained in this Limited Offering Memorandum.

Public Financial Management, Inc. is an independent advisory firm and is not engaged in the business of underwriting, trading or distributing municipal or other public securities.

### INITIAL OWNER

RBC Capital Markets, LLC, the initial owner of the Bonds (the "Initial Owner") has agreed, subject to certain conditions, to purchase from the County (without a placement agent) up to \$675,000,000 aggregate principal amount of Bonds at a price equal to 100% of the principal amount thereof drawn down from time to time, plus accrued interest thereon in the event that the draw is made on a date that is not an Interest Payment Date. The Bond Purchase Agreement provides that the Initial Owner will purchase such Bonds subject to certain terms and conditions set forth in the Bond Purchase Agreement including the condition that the maximum aggregate principal amount of the Bonds of all Series to be Outstanding in the Drawdown Mode shall not exceed \$400,000,000 and at no time may the aggregate principal amount of all Outstanding Bonds be less than \$10,000,000 unless all Outstanding Bonds are repaid in full.

### FINANCIAL INFORMATION

The County's Audited Annual Financial Report for the Fiscal Year ended September 30, 2011 included in this Limited Offering Memorandum as APPENDIX C, has been audited by McGladrey & Pullen, LLP, independent auditors. Such audited financial statements, including the notes thereto, should be read in their entirety. McGladrey & Pullen, LLP has not been engaged to perform and has not performed, since the date of their report, any procedures on the audited financial statements in that report. ### RATINGS

#### QUESTIONS ARE WE USING ALL 3?

Standard & Poor's Ratings Services ("S&P"), Moody's Investors Service, Inc. ("Moody's") and Fitch Ratings ("Fitch") have assigned ratings to the Bonds of \_\_\_\_\_ respectively.

The ratings, including any related outlook with respect to potential changes in such rating, reflect only the view of the Rating Agencies. Any desired explanation of the significance of such ratings should be obtained from the Rating Agency furnishing the same. Generally, the Rating Agencies base their ratings on the information and materials furnished to them and on investigations, studies and assumptions by them. There is no assurance that the ratings will continue for any given period of time or that the same will not be revised downward or withdrawn entirely by the Rating Agency furnishing the same if, in its judgment circumstances so warrant. Any such downward revision or withdrawal of the rating may have

an adverse effect on the market price of the Bonds. Except as described below, under the caption "CONTINUING DISCLOSURE," the County has not undertaken any responsibility either to bring to the attention of the owners of the Bonds any proposed revisions, suspension or withdrawal of any such rating or to oppose any such revision, suspension or withdrawal.

As a condition to the issuance and delivery of the Bonds to the Initial Owner, all Bonds must have a rating of at least \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_ by S&P, Moody's and Fitch, respectively.

### CONTINUING DISCLOSURE

The County has agreed to provide or cause to be provided for the benefit of the Beneficial Owners of the Bonds to the centralized information repository or such other municipalities securities information repository as may be required by law, from time to time, the information set forth in the 2012 Resolution, commencing with the Fiscal Year ending September 30, 2011. An excerpt from the 2012 Resolution setting forth the County's continuing disclosure undertaking is set forth in Appendix F to this Limited Offering Memorandum.

The County has reserved the right to modify from time to time the specific types of information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the County; provided that the County has agreed that any modification will be done in a manner consistent with Rule 15c-12 of the Securities and Exchange Commission. See APPENDIX F to this Limited Offering Memorandum. During the past five years, the County has not failed to comply with any prior agreements to provide continuing disclosure information pursuant to Rule 15c2-12.

### LEGAL MATTERS

Certain legal matters incident to the authorization, issuance and sale of the Bonds, including their legality and enforceability and the exclusion of interest on the Bonds from gross income for federal income tax purposes, are subject to the approval of Greenberg Traurig, P.A., Miami, Florida and Edwards & Associates, P.A., Miami, Florida, Bond Counsel, copies of whose legal opinions will be delivered with the Bonds. Certain other legal matters will be passed upon for the County by the Office of the Miami-Dade County Attorney. Kutak Rock LLP, Atlanta Georgia, is acting as counsel to the Initial Owner. The fees payable to Bond Counsel and Initial Owner's counsel are contingent upon the issuance and delivery of the Bonds.

The proposed text of the legal opinion of Bond Counsel is set forth as APPENDIX D to this Limited Offering Memorandum. The actual legal opinions to be delivered may vary from the text of APPENDIX D, as the case may be, if necessary, to reflect facts and law on the date of delivery of the Bonds.

The legal opinions of Bond Counsel, and the Office of the Miami-Dade County Attorney are based on existing law, which is subject to change. Such legal opinions are further based on factual representations made to Bond Counsel and the Office of the Miami-Dade County Attorney as of the date thereof. Bond Counsel and the Office of the Miami-Dade County Attorney assume no duty to update or supplement their respective opinions to reflect any facts or circumstances, including changes in law, that may thereafter occur or become effective.

The legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions regarding the legal issues expressly addressed therein. By rendering a legal opinion, the opinion giver does not become an insurer or

### **DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS**

Florida law requires the County to make a full and fair disclosure of any bonds or other debt obligations which it has issued or guaranteed and which are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served as a conduit issuer). Florida law further provides, however, that if the County in good faith believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The County is not and has not been in default as to principal and interest on bonds or other debt obligations which it has issued as the principal obligor or guarantor.

There are several special purpose governmental authorities of the County that serve as conduit issuers of private activity bonds for purposes such as housing, industrial development and health care. Defaults have occurred in connection with some of those private activity bonds; however, such defaults affect only the defaulted issues and have no effect on the payment of the Bonds. The County has no obligation to pay such bonds and the conduit issuers had only a limited obligation to pay such bonds from the payments made by the underlying obligors with respect to such issues. Therefore, the County in good faith believes that defaults relating to conduit issuers are not material with regard to the Bonds and any disclosure concerning any defaults of conduit financings is not necessary.

### **CERTIFICATE CONCERNING THE LIMITED OFFERING MEMORANDUM**

Concurrently with the delivery of the Bonds, the County will furnish its certificate, executed by the County's Finance Director to the effect that, to the best of his knowledge, this Limited Offering Memorandum, as of its date and as of the date of delivery of the Bonds, does not contain any untrue statement of material fact and does not omit any material fact that should be included herein for the purpose for which the Limited Offering Memorandum is to be used, or which is necessary to make the statements contained herein, in light of the circumstances under which they were made, not misleading.

### **MISCELLANEOUS**

References to the Bond Ordinance and certain other contracts, agreements and other materials not attached as an Appendix hereto or not purporting to be quoted in full are brief outlines of certain provisions and do not purport to summarize or describe all the provisions of such documents. Reference is hereby made to such documents and other materials for the complete provisions, copies of which will be furnished by the County upon written request.

Any statements in this Limited Offering Memorandum involving matters of opinion, whether or not expressly so stated, are intended as such and not as representations of fact. Statements in this Limited Offering Memorandum, while not guaranteed, are based upon information which the County believes to be reliable.

The delivery of this Limited Offering Memorandum by the County has been duly authorized by the Board.

**APPENDIX A [UPDATE]**

**GENERAL INFORMATION RELATIVE TO  
MIAMI-DADE COUNTY, FLORIDA**

## GENERAL INFORMATION RELATIVE TO MIAMI-DADE COUNTY, FLORIDA

### Economy

The County's economy has transitioned from mixed service and industrial in the 1970s to a knowledge-based economy. The shift to knowledge-based sectors, such as life sciences, aviation, financial services and IT/Telecom has diversified the local economy. Other important sectors include international trade, health services and the tourism industry, which remains one of the largest sectors in the local economy. Wholesale and retail trades are strong economic forces in the local economy, as well and are projected to continue, which is reflective of the County's position as a wholesale center in Southeast Florida, serving a large international market. The diversification of the economy creates a more stable economic base.

In an effort to further strengthen and diversify the County's economic base, the County commissioned a private consulting firm in 1984 to identify goals and objectives for various public and private entities. The Beacon Council was established as a public-private partnership to promote these goals and objectives.

### International Commerce

The Greater Miami Area is the center for international commerce for the southeastern United States as well as Latin America and the Caribbean. Its proximity to the Caribbean, Mexico, Central America and South America makes it a natural center of commerce in the Americas. Approximately 1,200 multinational corporations are established in South Florida. In addition, the international background of many of its residents is an important labor force characteristic for multinational companies which operate across language and cultural differences.

Trade with Latin America, Europe and Caribbean countries has generated substantial growth in the number of financial institutions conducting business in the County. The large Spanish-speaking labor force and the County's proximity to Latin America have also contributed to the growth of the banking industry in the County. According to the Federal Reserve Bank of Atlanta, as of September 30, 2010 there were 13 Edge Act Banks throughout the United States; five of those institutions were located in the County with over \$10.2 billion on deposit. Edge Act Banks are federally chartered organizations offering a wide range of banking services, but limited to international transactions only. These banking institutions are: Bancafe International, Banco Itau Europa International, Banco Santander International, HSBC Private Bank International and Standard Chartered Bank International America.

The County had the highest concentration of international bank agencies on the east coast south of New York City, with a total of 22 foreign chartered banks and over \$9.9 billion on deposit as of September 30, 2010, according to the Florida Department of Financial Services, Office of Financial Regulations.

### Corporate Expansion

The favorable geographic location of the County, a well-trained labor force and the favorable transportation infrastructure have allowed the economic base of the County to expand by attracting and retaining many national and international firms doing business in Latin America, the Caribbean, the United States and the rest of the world. Among these corporations with world or national headquarters in the County are: Burger King, Carnival Cruise Lines, Royal Caribbean Cruises, and Lennar. Those

corporations with Latin American regional headquarters include: Federal Express Corporation, Kraft Foods International, Porsche Latin America, Telefonica, and Caterpillar.

### Industrial Development Authority

The role of the Miami-Dade County Industrial Development Authority (the "IDA") is the development and management of the tax-exempt industrial development revenue bond program, which serves as a financial incentive to support private sector business and industry expansion and location. Programs developed are consistent with the IDA's legal status and compatible with the economic development goals established by the Board and other economic development organizations operating in the County.

Between 1979 and the creation of the Beacon Council in 1986, the IDA provided expansion and location assistance to 195 private sector businesses, accounting for a capital investment of \$695 million and the creation of over 11,286 new jobs.

The IDA's principal program, the Tax-Exempt Industrial Development Revenue Bond Program, has generated 442 applications through April 2011. From 1986 to December 2010, bonds for 229 company projects have been issued in an aggregate principal amount in excess of \$2.0 billion. Approximately 10,073 new jobs have been generated by these projects. The IDA continues to manage approximately 43 outstanding Industrial Development Revenue Bond Issues, approximating \$816 million in capital investment.

### Other Authority Activities

In October 1979, the Miami-Dade County Health Facilities Authority (the "Health Authority") was formed to assist local not-for-profit health care corporations to acquire, construct, improve or refinance health care projects located in the County through the issuance of tax-exempt bonds or notes. As of April 2011, the Health Facilities Authority has issued 24 series of bonds totaling over \$2.0 billion.

In October 1969, the Board created the Miami-Dade County Educational Facilities Authority (the "EFA") to assist institutions of higher learning within the County to have an additional means to finance facilities and structures needed to maintain and expand learning opportunities and intellectual development. As of April 2011, the EFA has issued 52 series of bonds totaling over \$1.7 billion.

In December 1978, the Housing Finance Authority of Miami-Dade County (Florida) (the "HFA") was formed to issue bonds to provide the HFA with moneys to purchase mortgage loans secured by mortgages on single family residential real property owned by low and moderate income persons residing in the County. Since its inception, the HFA has generated \$1.18 billion in mortgage funds through the issuance of revenue bonds under the Single Family Mortgage Revenue Bond Program. As of April 2011, under the HFA's Multi-Family Mortgage Revenue Bond Program, revenue bonds aggregating approximately \$995 million have been issued for new construction or rehabilitation of 17,106 units.

The bonds issued by the foregoing authorities and the IDA are not debts or obligations of the County or the State or any political subdivision thereof, but are payable solely from the revenues provided by the respective private activity borrower as security therefor.

### Film Industry

Miami-Dade County's film and entertainment rebounded from the major downturn suffered in 2009, with spending in the County by the film, television, commercial advertising and still photo shoots up 25% over the past year. With Florida's new \$242 million production incentive program (which began October 1) offering productions 20-30% of their Florida budget, expectations for even further industry

gains are high. In the past year Television continued to be the bright spot in Miami-Dade County's productions economy with \$75 million spent locally. USA Network's hit series "Burn Notice" filmed its 13 episode 4<sup>th</sup> season entirely in South Florida, as did A&E Networks' "The Glades," both of which will be back in production in South Florida in 2011. Numerous reality TV series and the very active Spanish language television business also contributed to a 30% uptick in TV production from the same period 2009. The commercial advertising and still photo sectors contributed about \$30 million to the bottom line during 2010, up about 17% from the previous year. In all more than 900 productions have been filmed on location in Miami-Dade County in 2010, spending an estimated \$115 million in the local economy.

### Surface Transportation

The County owns and operates through its Transit Department, a unified multi-modal public transportation system. Operating in a fully integrated configuration, the County's Transit Department provides public transportation services through: (i) Metrorail - a 22.6-mile, 22-station elevated electric rail line connecting South Miami-Dade and the City of Hialeah with the Downtown and Civic Center areas, providing 17.4 million passenger trips annually; (ii) Metromover - a fully automated, driverless 4.4-mile elevated electric double-loop people-mover system interfaced with Metrorail and completing approximately 8.1 million passenger trips annually throughout 21 stations in the central business district and south to the Brickell international banking area and north to the Omni area; and (iii) Metrobus, including both directly operated and contracted conventional urban bus service, operating over 29.8 million miles per year, interconnecting with all Metrorail stations and key Metromover stations, and providing over 70.5 million passenger trips annually.

The County also provides para-transit service to qualified elderly and handicapped riders through its Special Transportation Service, which supplies over 1.55 million passenger trips per year in a demand-response environment.

Additionally, the County's Transit Department is operating the Bus Rapid Transit ("BRT") on the South Miami-Dade Busway, a dedicated-use BRT corridor that runs parallel to US1/South Dixie Highway. Service commenced in 1997 and was extended from North Kendall Drive/SW 88<sup>th</sup> Street to SW 244<sup>th</sup> Street. A final segment was completed in December 2007. The South Miami-Dade Busway traverses over twenty miles, connecting Florida City (SW 344<sup>th</sup> Street) with the Metrorail system, with connection to downtown Miami.

### Airport

The County owns and operates the Miami International Airport (the "Airport"), the principal commercial airport serving Southeast Florida. The Airport also has the second highest international passenger traffic in the U.S. During Fiscal Year 2010, the Airport handled 35,029,106 passengers and 1,991,467 tons of air freight. The Airport is classified by the Federal Aviation Administration as a large hub airport, the highest classification given by that organization. The Airport is also one of the principal maintenance and overhaul bases, as well as a principal training center, for the airline industry in the United States, Central and South America, and the Caribbean.

A five year summary of the passengers served and cargo handled by the Airport is shown below:

**Passengers and Cargo Handled by

**Seaport**

The Port is an island port, which covers 640 acres of land, operated by the Seaport Department. It is the world's largest multi-day cruise port. Embarkations and debarkations on cruise ships totaled over 4.1 million passengers for Fiscal Year 2010. With the increase in activity from the Far-East markets and South and Central America, cargo tonnage transiting the Port amounted to over 7.3 million tons for Fiscal Year 2010.

The following table sets forth a five-year summary of both cruise passengers served and cargo handled:

**Tourism**

The Greater Miami Area is a leading center for tourism in the State. Miami was a primary destination for domestic air travelers after Orlando according to the Florida Division of Tourism. It is also the principal port of entry in the State for international air travelers. During 2009, approximately 69% of international air travelers entering the State arrived through the Airport. The Airport has the second highest international passenger traffic behind New York's John F. Kennedy International Airport.

An estimated 11.9 million visitors spent at least one night in Greater Miami and the Beaches in 2009. Due to the economy's impact on travel, Miami visitors were down -1.6% in 2009 compared to 2008. Domestic visitors accounted for 52% of all overnight visitors and were down -1.4 compared to the previous year. International visitors were down -1.8% in 2009 compared to 2008 and made up 48% of all overnight visitors.

While the majority of international visitors to Greater Miami and the Beaches continue to originate from Latin America, visitors originating from Europe accounted for 1.2 million in 2009, a decline from 1.4 million in 2008. Visitors from Canada and Japan were also accounted for in 2009, with 537,000 visitors in total.

The following is a five-year summary of domestic and international visitors, including a further breakdown of international visitors by region of origin, and the estimated economic impact produced by those visitors:
