Dear Chairwoman,

I am most humbled and honored to be considered to again serve on the Board of MDX. It is also a blessing to be supported by so many fine and dedicated Commissioners whom would consider me worthy of serving our community after a quarter century of public service.

At this time however, due to the dual office holder rules as well as family obligations to my children, I am not able to serve on MDX at this time.

I look forward to remaining engaged in matters important to our vibrant and growing region .

Most gratefully yours,

Al Maloof

My dear amiga Vice Chairwoman,

First and foremost CONGRATS!! On your election as Vice Chairwoman of the BCC.

As the deadline approaches for the MDX appointments it is clear to me that I must request that you withdraw my name for re-appointment to the MDX Board for another four year term.

I began my new position as Executive Director for the Foundation for Human Rights in Cuba this past Monday and after completing a full week and realizing that my work commitments and travel schedule will not allow me to be able to give MDX the time and energy it so much deserves in this most important final phase of Open Road Tolling, I concluded that I could not energetically serve the Board, MDX and the community adequately.

As I look back on what we have accomplished in the last eight years(seems like only yesterday) I feel a sense of pride but also satisfaction that we have diligently worked to provide the residents of Miami Dade County improved mobility and connectivity.

I hope that you will continue to appoint to the MDX Board people who are representative of our community, mindful of the travelling public and with the highest integrity.

As always feel free to count on me for any other issues that you may feel that I can be of assistance. Hoping to see you soon!!
