Subject: Authorizing the Conveyance of a Permanent Easement to FDOT for Construction Maintenance of Mast Arm Traffic Signal at Intersection of SW 8 Street and SW 127 Avenue

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached resolution which authorizes the Conveyance of a 100 square foot permanent easement to the Florida Department of Transportation (FDOT), in accordance with Florida Statutes 125.38, for no monetary consideration. The purpose of the conveyance is for the construction and maintenance of a mast arm traffic signal at the intersection of SW 8 Street and SW 127 Avenue, in unincorporated Miami-Dade County, Florida, also known as Parcel No. 800.

This item has been prepared by the Internal Services Department at the request of the Public Housing and Community Development Department (PHCD).

SCOPE

The property is located in Commission District 11.

FISCAL IMPACT/FUNDING SOURCE

There is no fiscal impact associated with the conveyance of the easement.

TRACK RECORD/MONITOR

Shannon Clark of the Real Estate Development Division in the Internal Services Department is managing the conveyance of this easement.

DELEGATION OF AUTHORITY

This item authorizes the County Mayor or the County Mayor's designee to execute the conveyance for and on behalf of Miami-Dade County; and authorizes the County Mayor or the County Mayor's designee to exercise any and all other rights conferred therein.

BACKGROUND

FDOT has planned improvements on State Road 90 (SW 8 Street) to improve vehicular and pedestrian movement in the area. Improvements will include repaving and restriping the road, installing bicycle lanes, upgrading crosswalks and pedestrian ramps to comply with the current Americans with Disabilities Act standards, and installing pedestrian and traffic signage and signals. Parcel No. 800, owned by Miami-Dade County, is located on the south side of SW 8 Street at the intersection of SW 127 Avenue. FDOT notified PCHD, as the County department in control of this property, that they wanted to construct a new mast arm traffic signal and upgrade the sidewalk and ramps to comply with current ADA standards. In order to make these modifications, FDOT requires this easement donation from the County to construct and maintain these improvements.
