Memorandum

Date: June 4, 2013

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Proposed Zoning Ordinance Establishing the Bird Road Corridor Urban Area
Zoning District.

A handwritten signature in black ink, appearing to read "Carlos A. Gimenez", written over the subject line of the memorandum.

Recommendation

It is recommended that the Board of County Commissioners (Board) adopt the attached ordinance establishing the Bird Road Corridor Urban Area zoning district.

Scope

The proposed ordinance impacts the unincorporated area along the four-mile long section of Bird Road from the Palmetto Expressway to the Florida Turnpike in Commission District 10, Senator Javier D. Souto.

Fiscal Impact/Funding Source

The proposed ordinance creates no fiscal impact on Miami-Dade County.

Track Record/Monitor

Eric Silva, Assistant Director of Development Services in the Department of Regulatory and Economic Resources, will be responsible for implementation of the proposed ordinance.

Background

The proposed Bird Road Urban Area zoning district implements the land use recommendations from the Bird Road Corridor Study Report (Report) which was approved by the Board on April 6, 2010 through Resolution No. R-356-10. Specifically, the Report recommends the establishment of a zoning district providing for development standards to permit mixed-uses and pedestrian-oriented buildings. Consistent with that recommendation, the proposed ordinance would establish the Bird Road Corridor Urban Area District within Chapter 33 of the Code of Miami-Dade County.

The Bird Road Corridor Urban Area District would be applicable exclusively to the Bird Road Corridor study area and provide for:

- Mixed uses, including retail, office and residential.
- Building standards that will require new buildings to be developed in an attractive manner for pedestrians.
- Street standards that will require future right-of-way improvements to provide for ample sidewalk areas, as well as encourage on-street parking areas and landscaping.
- Reduced parking requirements for developments providing mixed uses.
- Landscape and open space standards.

Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

The Planning Advisory Board recommended adoption of the Bird Road Corridor Urban Area District at its December 17, 2012 meeting. Properties within the boundaries of the proposed district would become subject to the Bird Road Corridor Urban Area District standards upon approval of a rezoning application to be heard by the Board at a future date.
