Memorandum

Date: May 21, 2013

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Recommendation for Approval to Execute Ground Leases with RUDG's assignees
for the Martin Fine Villas/Haley Sofge and Claude Pepper Towers sites

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the execution of ground leases (Leases) with RUDG, LLC or their assignees (Developer), in order to provide site control for the future development of the Martin Fine Villas/Haley Sofge and Claude Pepper Towers sites. The Developer requires the Leases as evidence of site control, which is a prerequisite for their nine percent (9%) Low Income Housing Tax Credits (Housing Tax Credits) application that they intend to submit to the Florida Housing Finance Corporation (Finance Corporation) in the 2013 Universal Cycle for development financing for these sites. It is also recommended that the Board consent to the Developer subleasing the sites for the purposes described herein.

Additionally, it is recommended that the Board authorize the County Mayor or County Mayor's designee to submit disposition applications to the U.S. Department of Housing and Urban Development (Housing and Urban Development) for the Martin Fine Villas/Haley Sofge Towers site and the Claude Pepper Towers site, which were previously approved by the Board as a result of Request for Proposals (RFP) No. 794. It is further recommended that the Board authorize the County Mayor or County Mayor's designee to execute amendments to annual contribution contracts agreements, releases, and other documents on behalf of Miami-Dade County (County) as may be required by Housing and Urban Development.

CONTRACT NO: N/A

CONTRACT TITLE:
PROPERTY ADDRESSES: Ground Lease between Miami-Dade County and Developer for Martin Fine Villas/Haley Sofge Towers site: Folio 01-3135-047-0010 (District 5-Commissioner Bruno A. Barreiro); and the Claude Pepper Towers site: Folio 01-3135-018-0310 (District 3- Commissioner Audrey M. Edmonson)

METHOD OF AWARD: The Developer and award of ground leases for the two sites were selected pursuant to RFP No. 794 and approved by Resolution No. R-1026-11.

DESCRIPTION: The Developer will execute ground leases and any other documents that may be required by Housing and Urban Development or the Finance Corporation.

TERM: Eleven (11) months from the effective date of the Ground Lease, subject to the Developer obtaining nine percent (9%) Housing Tax Credits.

COUNTY FUNDING SOURCE: None

PERFORMANCE DATA: There are no known performance issues with the recommended firms.

COMPLIANCE DATA: There are no known compliance issues with the recommended firms.

CONTRACT MEASURES: N/A

LIVING WAGE: The services provided are not covered under the Living Wage Ordinance.

USER ACCESS PROGRAM: The User Access program does not apply to revenue contracts.

LOCAL PREFERENCES: Not applicable due to public housing and federal funding restrictions.

DELEGATED AUTHORITY: If this item is approved, the County Mayor or the County Mayor's designee will have the authority to exercise, at the discretion of the County Mayor, to make any necessary amendments required by the Finance Corporation or Housing and Urban Development, and to exercise termination, cancellation, and renewal provisions in accordance with the terms and conditions of the ground leases and any amendments.

USING/MANAGING AGENCY: Public Housing and Community Development (Department)

SCOPE: Pursuant to Resolution No. R-1026-11, the scope of these projects will not be finalized until the Master Development Agreements are executed. Negotiations will commence in the event the Developer is awarded nine percent (9%) Housing Tax Credits from the Finance Corporation. It is anticipated that successful negotiations will result in improvements to the Martin Fine Villas/Haley Sofge and Claude Pepper Towers sites and/or revenue sharing agreements between the Developer and the County.

TRACK RECORD/MONITORING: Jorge Cibran, Director of Facilities and Development Division, Public Housing and Community Development Department

Background:

RFP No. 794 was issued on July 14, 2011, to solicit offers from developers to maximize and expedite the development potential of over 100 existing public housing sites and vacant land sites administered by the Department. The solicitation sought to establish partnerships with qualified entities to rehabilitate/upgrade existing public housing units, remove and replace obsolete public housing units, increase the number of units on underutilized sites, develop vacant land owned by the County, and also incorporate commercial and other special purpose uses, where appropriate, at particular public housing sites or vacant land sites. Additionally, the Department sought to replace its older units with new contemporary designs that resemble market-rate units (regardless of whether these are public housing, affordable or market-rate units) and incorporate creative and sustainable design solutions.

Pursuant to Resolution No. R-1026-11, on November 23, 2011, the Board awarded site control through ground leases to six (6) developers for a total of twenty eight (28) project sites. Resolution No. R-1026-11 approved the Developer for the Martin Fine Villas/Haley Sofge site and the Claude Pepper Towers site and approved the execution of ground leases for those sites. The ground leases were subsequently executed for the Martin Fine Villas/Haley Sofge and Claude Pepper Towers sites, and the Developer applied for nine percent (9%) Housing Tax Credits from the Finance Corporation in the 2011 Universal Cycle. However, the Developer was not awarded Housing Tax Credits for these sites in the 2011 Universal Cycle. The leases were for a term of 11 months and were also dependent upon receiving funding and therefore have expired. This process was further enumerated in the November 15, 2012 memorandum to the Economic Development and Social Services Committee (Attachment A).

The Developer now seeks to apply for nine percent (9%) Housing Tax Credits for the 2013 Universal Cycle for the Martin Fine Villas/Haley Sofge and Claude Pepper Towers sites. However, Board approval of a ground lease is a prerequisite to apply for Housing Tax Credits as this establishes site control. The Leases include the authorization to enter into sub-ground leases. It is expected that each site will have multiple funding applications, and therefore, is different from previous ground leases. The sub-ground leases are for the purposes of separating and delineating the specific areas to be developed with this specific funding application, and will be determined at a later date. The Leases are contingent on obtaining funding award from the Finance Corporation.

For the last several months, the Finance Corporation has been evaluating its rule-making process to determine the requirements for 2013 applications for Housing Tax Credits. The Finance Corporation

has changed its approach and will issue several Requests for Proposals (Finance Corporation Solicitation). The initial Finance Corporation Solicitation is open to applicants proposing developments of affordable rental Permanent Supportive Housing for Persons with Special Needs, with a goal to fund one application for Veterans with Special Needs. The Developer will submit two (2) applications in this new cycle, one for the Martin Fine Villas/Haley Sofge site for Special Needs housing, and the other for the Claude Pepper Towers site (with additional units at this existing site) for Veterans with Special Needs housing. The Finance Corporation Solicitation was issued on April 15, 2013 and the due date is May 24, 2013 (a seven (7) week application period). In light of the very short application period and the pending deadline, the attached ground leases are being presented to the Board for approval. Additionally, it is also recommended that the County Mayor waive his veto authority to allow the Developer to meet the Finance Corporation deadline subsequent to Board approval.

In order to proceed with the development of these sites, the County, as a public housing authority, must seek prior approval from Housing and Urban Development. This requires a disposition application to Housing and Urban Development for each respective development site. However, the County cannot submit its applications to Housing and Urban Development without first obtaining approval from the Board. The County will only submit the disposition application if the Developer is awarded Housing Tax Credits. Therefore, it is recommended that the Board approve the attached resolution authorizing the County Mayor or County Mayor's designee to submit disposition applications to Housing and Urban Development for the subject sites.

Subject: Status Report on Ground Leases Awarded Pursuant to Resolution R-1026-11
including those awarded Low Income Housing Tax Credits

The following report is Pursuant to Resolution No. R-152-12, which directed the Chair of the Economic Development and Social Services Committee, Rebecca Sosa to convene a special meeting on March 14, 2012 to review Request for Proposal (RFP) No. 794 and to provide recommendations to the Board of County Commissioners for consideration. During this meeting, Commissioner Sosa requested that Public Housing and Community Development (PHCD) provide the committee with a status report on ground leases awarded pursuant to Resolution No. R-1026-11, including those approved for the Low Income Housing Tax Credits.

Background

Request for Proposals (RFP) No. 794 (Proposal) was issued on July 14, 2011 to solicit proposals for Developer Services to maximize and expedite the development potential of over 100 existing public housing sites and vacant land sites. The County received 215 proposals in response to RFP No. 794. On November 23, 2011, the Board of County Commissioners (Board), pursuant to Resolution R-1026-11, approved six developers for 28 development sites. Additionally, on February 7, 2012 the Board approved Resolution R-137-12 to allow awarded developers to apply for nine percent Low Income Housing Tax Credits from the Florida Housing Finance Corporation.

In addition to the 28 development sites initially awarded by the Board, there was one additional developer and four additional development sites awarded by the Board on February 7, 2012 pursuant to Resolution R-152-12. The awarded developers proposed four percent tax credits for the four additional sites. A summary of the seven developers and 32 sites approved by the Board is attached as Exhibit A.

Applications for the nine percent Low Income Housing Tax Credits were submitted from developers throughout the State of Florida to the Florida Housing Finance Corporation (Finance Corporation). Of the projects that were awarded nine percent tax credits by the Florida Housing Finance Corporation, six of the projects were Public Housing and Community Development (PHCD) public housing sites. The six awarded project sites, the developers and the Finance Corporation's award amounts are summarized below:

<u>Project/Site - Developer</u>	<u>Finance Corporation Award</u>
• Dante Fascell - RUDQ	\$15,904,007
• Joe Moretti (Brickell Site) - RUDQ	\$24,663,918
• Stirrup Plaza - RUDQ	\$11,445,721
• South Miami Plaza - RUDQ	\$11,346,918
• Green Turnkey - Carlisle	\$ 3,248,740
• Jack Orr Plaza - RUDQ	\$20,573,550

Status

A summary of the 32 (28 - nine percent and 4 - four percent) project sites awarded by the Board as indicated in Exhibit A are as follows:

Subsequent to the Board's approval of the 28 sites initially awarded, Public Housing and Community Development and the County Attorney's Office worked closely with the awarded developers to provide information and assist with documentation that was required for the Finance Corporation applications:

- Negotiated Ground Leases
- Negotiated Ground Lease amendments and Assignment and Acceptance Agreements
- Coordinated with U.S. Housing and Urban Development (HUD) to obtain confirmation of HUD Program letters.
- Provided Public Housing and Community Development Declaration of Trust letters and provision of other miscellaneous information requested by developers.
- Scheduled and attended initial resident meetings, along with the developer to advise residents of the potential for redevelopment at their sites, obtained their input and responded to questions.
- Coordinated with other County Departments to assist with required forms for the Florida Housing Finance Corporation applications.

Additional steps completed or underway by PHCD for the 28 sites initially awarded by the Board include:

- On June 10, 2012 the Board approved Resolution No. R-512-12 granting approval of the Demolition and/or Disposition applications for the nine public housing sites most likely to be awarded nine percent Low Income Housing Tax Credits from the Florida Housing Finance Corporation.
- Subsequently, out of the 28 sites initially awarded by Board, six development sites received nine percent Low Income Housing Tax Credit awards from the Finance Corporation as indicated above and in Exhibit A. The actions taken for the 6 awarded sites include the following:
 - Completed negotiations with developers including a Master Development Agreement, which will be forwarded to the Board and HUD for approval.
 - Prepared and submitted required Environmental Review documents for HUD's review and approval. Demolition and/or Disposition applications will be submitted to HUD once environmental documents are approved by HUD.
 - Scheduled and attended resident meetings to provide detailed information on all aspects of the planned redevelopment and received resident input.
 - Conducted project coordination meetings and continued working closely with developers as necessary on all aspects of the development process.
 - For the sixth site, Green Turnkey, negotiations with Carlisle Development are on-going and are expected to be concluded within the next several weeks.

- For the 22 development sites which were approved for nine percent Low Income Housing Tax Credits by the Board, but were not awarded nine percent Low Income Housing Tax Credits from the Finance Corporation as indicated in Exhibit A, PHCD will continue to negotiate with those developers for awarded development sites. For those development projects determined to be in the County's best interest, the County will execute new ground lease agreements, with approval from the Board and HUD, to provide developers the site control required to submit funding applications. This initial agreement will be contingent upon developers obtaining funding. Once funding is obtained, the County will execute additional agreements including a Master Development Agreement with appropriate approvals from the Board and HUD, to develop the project sites.

The next steps for the four (4) additional sites (Lincoln Gardens, Victory Homes, Harry Cain and Ward Towers) awarded by the Board include:

- Negotiations on all four project sites are underway. For those projects determined to be in the County's best interest, the County will execute ground lease agreements to provide developers the site control required to submit funding applications. This initial agreement will be contingent upon developers obtaining funding. Once funding is obtained, the County will execute additional agreements including a Master Development Agreement, with appropriate approvals from the Board and HUD, to develop the project sites.
- With respect to the Lincoln Gardens site, a ground lease agreement has been negotiated with the developer and will be forwarded to the Board for approval with an explanation, regarding the projects special circumstances and deadline that the other three projects do not have.
- Request approval from the Board to apply for Demolition and/or Disposition applications to HUD. Subsequent to approval, prepare and submit Environmental Review Documents and once approved by HUD, submit Demolition and/or Disposition applications to HUD for approval.
- Conduct meetings with residents to provide information about proposed redevelopment and obtain their input.
- Conduct project coordination meetings and continue working closely with developers as necessary on all aspects of the development process.

In summary, PHCD will continue to work with the developers to ensure that each step is consistent with the Board's directives and the federal guidelines.

ARTICLE III

RENT

3.1 Rent. Tenant covenants and agrees to pay to Landlord as rent under this Lease, \$1 per year for the Term and any Extensions, with the first such payment being payable on the Commencement Date of this lease, and a capitalized lease payment of \$500,000 upon closing of the construction financing for each of the "Public Housing Portion" and the "Additional Housing Portion" as defined in Article V, below. Said payments of rent shall be made payable to the Board of County Commissioners, c/o Public Housing and Community Development, 701 N.W. 1st Court, 16th Floor, Miami, Florida 33136, or at such other place and to such other person as Landlord may from time to time designate in writing, as set forth herein. Prior to the Commencement Date, Tenant is not obligated to pay rent or any other sums to the Landlord under this Lease.

3.2 Surrender. Upon the expiration of this Lease by the passage of time or otherwise, Tenant will quietly yield, surrender and deliver up possession of the Premises to Landlord. In the event Tenant fails to vacate the Premises and remove such personal property as Tenant is allowed to remove from the Premises at the end of the Term, or at the earlier termination of this Lease, Landlord shall be deemed Tenant's agent to remove such items from the Premises at Tenant's sole cost and expense. Furthermore, should Tenant fail to vacate the Premises in accordance with the terms of this Lease at the end of the Term, or at the earlier termination of this Lease, the Tenant shall pay to Landlord a charge for each day of occupancy after expiration or termination of the Lease in an amount equal to 150% of Tenant's Rent prorated on a daily basis. Tenant covenants to pay and discharge, when the same shall become due all other amounts, liabilities, and obligations which Tenant assumes or agrees to pay or discharge pursuant to this Lease, together with every fine, penalty, interest and cost which may be added for nonpayment or late payment thereof (provided that Tenant shall not be liable for any payment or portion thereof which Landlord is obligated to pay and which payment Landlord has failed to make when due); and, in the event of any failure by Tenant to pay or discharge the foregoing, Landlord shall have all the rights, powers and remedies provided herein, by law or otherwise in the case of nonpayment of Rent.

3.5 Taxes. Tenant understands and agrees that as a result of the Landlord's fee ownership of the Premises, for State law purposes, the Premises currently is exempt from any ad valorem taxes. Landlord represents to Tenant that such exemption should remain in effect notwithstanding that Landlord is entering into this Lease. However, during the Term of this Lease, should, for any reason whatsoever, the Premises become subject to ad valorem taxes or any other real estate taxes, fees, impositions and/or charges imposed during the Term and any Extensions upon the Premises and the building and/or other improvements constructed on the Premises by Tenant ("Real Estate Taxes"), Tenant shall be required to pay all Real Estate Taxes, prior to delinquency without notice or demand and without set-off, abatement, suspension or deduction. In the event that the folio identification number applicable to the Premises shall also contain other property not specifically included in, or a part of, the Premises, then Tenant shall only be required to pay the portion of such taxes exclusively attributable to the Premises. - (c) except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, neither the Land nor any part thereof has been used for the disposal of refuse or waste, or for the generation, processing, storage, handling; treatment, transportation or disposal of any Hazardous Substances;
- (d) except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, no Hazardous Substances have been installed, used, stored, handled or located on or beneath the Land, which Hazardous Substances, if found on or beneath the Land, or improperly disposed of off of the Land, would subject the owner or occupant of the Premises to damages, penalties, liabilities or an obligation to perform any work, cleanup, removal, repair, construction, alteration, demolition, renovation or installation in or in connection with the Premises (***Environmental Cleanup Work***) in order to comply with any Environmental Laws;
- (e) except as may be referenced in the Environmental Assessments, no notice from any governmental authority or any person has ever been served upon Landlord,

its agents or employees, claiming any violation of any Environmental Law or any liability thereunder, or requiring or calling any attention to the need for any Environmental Cleanup Work on or in connection with the Premises, and neither Landlord, its agents or employees has ever been informed of any threatened or proposed serving of any such notice of violation or corrective work order; and

- (f) except as may be referenced in the Environmental Assessments, and to the best of Landlord's knowledge, no part of the Land is affected by any Hazardous Substances contamination, which for purposes hereof, shall mean: (i) the contamination of any improvements, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on or of the Land by Hazardous Substances, or (ii) the contamination of the buildings, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on, or of, any other property as a result of Hazardous Substances emanating from the Land.

Tenant shall not have any right, authority or power to bind Landlord, the Premises or any other interest of the Landlord in the Premises and will pay or cause to be paid all costs and charges for work done by it or caused to be done by it, in or to the Premises, for any claim for labor or material or for any other charge or expense, lien or security interest incurred in connection with the development, construction or operation of the Improvements or any change, alteration or addition thereto. IN THE EVENT THAT ANY MECHANIC'S LIEN SHALL BE FILED, TENANT SHALL PROCURE THE RELEASE OR DISCHARGE THEREOF WITHIN NINETY (90) DAYS EITHER BY PAYMENT OR IN SUCH OTHER MANNER AS MAY BE PRESCRIBED BY LAW. NOTICE IS HEREBY GIVEN THAT LANDLORD SHALL NOT BE LIABLE FOR ANY LABOR, SERVICES OR MATERIALS FURNISHED OR TO BE FURNISHED TO THE TENANT OR TO ANYONE HOLDING ANY OF THE PREMISES THROUGH OR UNDER THE TENANT, AND THAT NO MECHANICS' OR OTHER LIENS FOR ANY SUCH LABOR, SERVICES OR MATERIALS SHALL ATTACH TO OR AFFECT THE INTEREST OF THE LANDLORD IN AND TO ANY OF THE PREMISES. THE LANDLORD SHALL BE PERMITTED TO POST ANY NOTICES ON THE PREMISES REGARDING SUCH NON-LIABILITY OF THE LANDLORD.
- (b) Tenant shall make, or cause to be made, prompt payment of all monies due and legally owing to all persons, firms, and corporations doing any work, furnishing any materials or supplies or renting any equipment to Tenant or any of its contractors or subcontractors in connection with the construction, reconstruction, furnishing, repair, maintenance or operation of the Premises, and in all events will bond or cause to be bonded, with surety companies reasonably satisfactory to Landlord, or pay or cause to be paid in full forthwith, any mechanic's, materialmen's or other lien or encumbrance that arises, whether due to the actions of Tenant or any person other than Landlord, against the Premises.

- (c) Tenant shall have the right to contest any such lien or encumbrance by appropriate proceedings which shall prevent the collection of or other realization upon such lien or encumbrance so contested, and the sale, forfeiture or loss of the Premises to satisfy the same; provided that such contest shall not subject Landlord to the risk of any criminal liability or civil penalty, and provided further that Tenant shall give reasonable security to insure payment of such lien or encumbrance and to prevent any sale or forfeiture of the Premises by reason of such nonpayment, and Tenant hereby indemnifies Landlord for any such liability or penalty. Upon the termination after final appeal of any proceeding relating to any amount contested by Tenant pursuant to this Section 4.3, Tenant shall immediately pay any amount determined in such proceeding to be due, and in the event Tenant fails to make such payment, Landlord shall have the right after five (5) business days' notice to Tenant to make any such payment on behalf of Tenant and charge Tenant therefor.
- (d) Nothing contained in this Lease shall be construed as constituting the consent or request of Landlord, expressed or implied, to or for the performance of any labor or services or the furnishing of any materials for construction, alteration, addition, repair or demolition of or to the Premises or of any part thereof.

4.4 Insurance Requirements.

Beginning on the Commencement Date and continuing until the expiration or earlier termination of the Term, Tenant shall at all times obtain and maintain, or cause to be maintained, insurance for Tenant and the Premises as described in Exhibit C.

ARTICLE V

USE OF PREMISES; COVENANTS RUNNING WITH THE LAND

5.1 Use; Covenants.

Tenant and Landlord agree that Tenant or its sublessee(s), as applicable, shall (i) redevelop or rehabilitate the 475 Public Housing Units which already exist on the Land as the Haley Sofge Towers, (ii) redevelop, rehabilitate or replace the 50 Public Housing Units which already exist on the Land as the Martin Fine Villas (collectively the "Public Housing Portion"), and (iii) construct additional housing units for elderly, disabled, special needs or other population acceptable to the County on a portion of the Land which is currently without improvements ("Additional Housing Portion") after HUD's approval of Landlord's disposition application and all applicable mixed-finance agreements and documents. Notwithstanding the preceding sentence, it is understood by the parties that HUD's approval of the Landlord's disposition application and the mixed finance agreements and documents is not a condition precedent to entering into this Lease; to any sublease between Tenant and a sublessee, or a condition precedent to Tenant's obtaining site control of the Premises. Landlord acknowledges that the replacement of the 50 Martin Fine Villas Public Housing Units may be included within a new development situated on the Additional Housing Portion.

Tenant and Landlord further agree that Tenant may sublease portions of the Premises as provided in Section 5.7(b) below, prior to the Commencement Date, as defined herein, in order to separate the leasehold estate created hereby into the Public Housing Portion and

the Additional Housing Portion, and that more than one sublessee will develop the Public Housing Portion in various projects. Notwithstanding any other provision herein, Tenant (or its sublessee, as applicable) shall assume control and liability for the Additional Housing Portion when Tenant (or its sublessee, as applicable) closes on its financing for the development and construction of the additional housing units to be constructed there, and Tenant (or any of its sublessee(s), as applicable) shall assume control and liability for the Public Housing Portion when Tenant (or any of its sublessee(s), as applicable) closes on its financing for the redevelopment or rehabilitation of applicable portions of the 525 Public Housing Units there.

(a) Tenant covenants, promises and agrees that during the Term of this Lease it shall not devote the Premises or any part thereof to uses other than those consistent with this Lease and the requirements of all applicable documents to be executed between Landlord and Tenant (collectively, the "Landlord/Tenant Documents"). Without limiting the generality of the foregoing sentence, or the duration of the use restrictions applicable during the Term, Tenant covenants, promises and agrees that:

1. Intentionally omitted;
2. ~~Except as otherwise provided in the Act, the Premises (less any portion thereof subleased in accordance with the provisions of Subsection 5.7(b), below, which may be used for special needs affordable housing, as provided therein) shall be maintained and operated under the terms and conditions applicable to public housing, as set forth in the Applicable Public Housing Requirements, during the 20-year period that begins on the latest date on which modernization with public housing capital funds is completed, as required by Section 9(d)(3)(B) of the Act (or any successor provision);~~
3. Except as otherwise provided in the Act, no portion of the Premises may be disposed of before the expiration of the 10-year period beginning upon the conclusion of the fiscal year for which such amounts were provided, as required by Section 9(e)(3) of the Act (or any successor provision);
4. Neither the Premises, nor any part thereof, may be demolished other than in accordance with the Applicable Public Housing Requirements.

Notwithstanding the foregoing, prior to the Commencement Date, the Tenant agrees that Landlord shall have a continued right of entry onto the Premises for the purposes of the Landlord's continued operation of the Improvements and maintenance of the Property during the period prior to the Commencement Date. Landlord shall, during this period, continue to operate the Improvements in the manner in which Landlord has operated them prior to the Lease Date and shall be responsible for all aspects of maintaining, leasing, operating, insuring and administering the Premises. If, prior to the Commencement Date, the Premises is destroyed or damaged, or becomes subject to a taking by virtue of eminent domain, to any extent whatsoever, Tenant may, in its sole discretion, terminate this Lease by written notice to the Landlord, whereupon neither party hereto shall have any further rights or obligations hereunder

(b) The provisions of this Section 5.1 are intended to create a covenant running with the land and, subject to the terms and benefits of the Public Housing Requirements, to encumber and benefit the Premises and to bind for the Term Landlord and Tenant and each of their successors and assigns and all subsequent owners of the Premises, including,

without limitation, any entity which succeeds to Tenant's interest in the Premises by foreclosure of any Permitted Leasehold Mortgage or instrument in lieu of foreclosure.

(c) In the event of a conflict between the Public Housing Requirements and this Lease, the Public Housing Requirements shall govern.

5.2 Residential Improvements.

- (a) Tenant shall construct the Improvements on the Land in conformance with the Plans and Specifications. Tenant shall cause the Improvements to be substantially completed and placed in service in accordance with the Landlord/Tenant Documents. Tenant shall construct the Improvements and make such other repairs, renovations and betterments to the Improvements as it may desire (provided that such renovations and betterments do not reduce the number of units or bedroom count at the Premises) all at its sole cost and expense, in accordance with (i) the Landlord/Tenant Documents and (ii) any mortgage encumbering the Tenant's leasehold estate, in a good and workmanlike manner, with new materials and equipment whose quality is at least equal to that of the initial Improvements, and in conformity with all applicable federal, state, and local laws, ordinances and regulations. Tenant shall apply for, prosecute, with reasonable diligence, procure or cause to be procured, all necessary approvals, permits, licenses or other authorizations required by applicable governmental authorities having jurisdiction over the Improvements for the construction and/or rehabilitation, development, zoning, use and occupation of the Improvements, including, without limitation, the laying out, installation, maintenance and replacing of the heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems, fixtures, wires, pipes, conduits, equipment and appliances and water, gas, electric, telephone, drain and other utilities that are customary in developments of this type for use in supplying any such service to and upon the Premises. Landlord shall, without expense to Landlord absent consent therefor, cooperate with Tenant and assist Tenant in obtaining all required licenses, permits, authorizations and the like, and shall sign all papers and documents at any time needed in connection therewith, including without limitation, such instruments as may be required for the laying out, maintaining, repairing, replacing and using of such services or utilities. Any and all buildings, fixtures, improvements, trade fixtures and equipment placed in, on, or upon the Premises shall remain the sole and exclusive property of Tenant and its subtenants, notwithstanding their affixation to, annexation to, or incorporation into the Premises, until the termination of this Lease, at which time title to any such buildings, fixtures, Improvements trade fixtures and equipment that belong to Tenant shall vest in Landlord.
- (b) Tenant shall take no action to effectuate any material amendments, modifications or any other alterations to the Plans and Specifications unless authorized in accordance with the Landlord/Tenant Documents or otherwise approved by Landlord in writing and in advance.

5.3 Tenant's Obligations.

- (a) Tenant shall, at its sole cost and expense, maintain the Premises, reasonable wear and tear excepted, and make repairs, restorations, and replacements to the Improvements, including without limitation the landscaping, irrigation, heating,

ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems; structural roof, walls, floors and foundations; and the fixtures and appurtenances as and when needed to preserve them in good working order and condition, and regardless of whether the repairs, restorations, and replacements are ordinary or extraordinary, foreseeable or unforeseeable, capital or non-capital, or the fault or not the fault of Tenant, its agents, employees, invitees, visitors, and contractors. All such repairs, restorations, and replacements will be in quality and class, as elected by Tenant, either equal to or better than the original work or installations and shall be in accordance with all applicable building codes and Applicable Public Housing Requirements.

- (b) Except as may otherwise be approved or deemed approved in accordance with the Governing Documents and all other applicable documents to be executed between Landlord and Tenant, Tenant shall not make any alteration, improvement, or addition to the Premises having a cost greater than \$50,000, or demolish any portion thereof, without first presenting to Landlord complete plans and specifications therefor and obtaining Landlord's written consent thereto, which consent shall not unreasonably be withheld so long as, in Landlord's reasonable judgment such alteration, improvement, addition or demolition will not violate this Lease or impair the value of the Property. Landlord/Tenant Documents.
-

5.4 Compliance with Law.

- (a) Tenant shall, at its expense, perform all its activities on the Premises in compliance, and shall cause all occupants of any portion thereof to comply, with all applicable laws, ordinances, codes and regulations affecting the Premises or its uses, as the same may be administered by authorized governmental officials.
- (b) Without limitation of the foregoing, but expressly subject to the provisions of Section 5.4, Tenant agrees to fulfill the responsibilities set forth below with respect to environmental matters:
- (c) Tenant shall operate the Premises in compliance with all Environmental Laws applicable to Tenant relative to the Premises and shall identify, secure and maintain all required governmental permits and licenses as may be necessary for the Premises. All required governmental permits and licenses issued to Tenant and associated with the Premises shall remain in effect or shall be renewed in a timely manner, and Tenant shall comply therewith and cause all third parties to comply therewith. All Hazardous Substances present, handled, generated or used on the Premises will be managed, transported and disposed of in a lawful manner. Tenant shall not knowingly permit the Premises or any portion thereof to be a site for the use, generation, treatment, manufacture, storage, disposal or transportation of Hazardous Substances, except in such amounts as are ordinarily used, stored or generated in similar projects, or otherwise knowingly permit the presence of Hazardous Substances in, on or under the Premises in violation of any applicable law.
- (d) Tenant shall promptly provide Landlord with copies of all forms, notices and other information concerning any releases, spills or other incidents relating to Hazardous Substances or any violations of Environmental Laws at or relating to the Premises

upon discovery of such releases, spills or incidents, when received by Tenant from any government agency or other third party, or when and as supplied to any government agency or other third party.

5.5 Ownership of Improvements/Surrender of Premises.

At all times during the Term, Tenant shall be deemed to exclusively own the Improvements and the Personal Property for federal tax purposes, and Tenant alone shall be entitled to all of the tax attributes of ownership thereof, including, without limitation, the right to claim depreciation or cost recovery deductions and the right to claim the low-income housing tax credit described in Section 42 of the Code, with respect to the Improvements and the Personal Property, and Tenant shall have the right to amortize capital costs and to claim any other federal tax benefits attributable to the Improvements and the Personal Property. At the expiration or earlier termination of the Term of this Lease or any portion thereof, Tenant shall peaceably leave, quit and surrender the Premises, and the Improvements thereon (or the portion thereof so terminated), subject to the rights of tenants in possession of residential units under leases with Tenant, provided that such tenants are not in default thereunder and attorn to Landlord as their lessor. Upon such expiration or termination, the Premises (or portion thereof so terminated) shall become the sole property of Landlord at no cost to Landlord and shall be free of all liens and encumbrances and in the condition set forth in Section 5.3 (consistent with prudent and appropriate property management and maintenance during the Term) and, in the event of a casualty, to the provisions of Article VI. Tenant acknowledges and agrees that upon the expiration or sooner termination of this Lease any and all rights and interests it may have either at law or in equity to the Premises shall immediately cease.

5.6 Easements.

Landlord agrees that Landlord shall not unreasonably withhold or delay its consent, and shall join with Tenant from time to time during the Term in the granting of easements affecting the Premises which are for the purpose of providing utility services for the Premises. If any monetary consideration is received by Tenant as a result of the granting of any such easement, such consideration shall be paid to Landlord. As a condition precedent to the exercise by Tenant of any of the powers granted to Tenant in this Section, Tenant shall give notice to Landlord of the action to be taken, shall certify to Landlord, that in Tenant's opinion such action will not adversely affect either the market value of the Premises or the use of the Premises for the Development.

5.7 Transfer; Conveyance; Assignment.

(a) Except as otherwise permitted hereunder, Tenant agrees for itself and its successors and assigns in interest hereunder that it will not, (1) assign this Lease or any of its rights under this Lease as to all or any portion of the Premises generally, or (2) make or permit any voluntary or involuntary total or partial sale, lease, assignment, conveyance, mortgage, pledge, encumbrance or other transfer of any or all of the Premises, or the Improvements, or the occupancy and use thereof, other than in accordance with Applicable Public Housing Requirements and this Lease (including, but not limited to (i) any sale at foreclosure or by the execution of any judgment of any or all of Tenant's rights hereunder, or (ii) any transfer by operation of law), without first obtaining Landlord's express written consent thereto, which shall not be unreasonably withheld.

#2820179 v5
30364-0935

14

(b) Tenant shall have the right to enter a sublease of any part of the premises ("Sublease") to one or more entities that are affiliated with Tenant, without any approval or consent of Landlord, but shall provide notice thereof to Landlord; however, notwithstanding any other provisions of this Lease, no Sublease shall relieve Tenant of any obligations under the terms of this Lease unless a release is granted by Landlord. Additionally, each Sublease must be for a use compatible with the standards and requirements set forth in this Section 5 or for special needs affordable housing. Tenant must give written notice to Landlord specifying the name and address of any Sublessee to which all notices required by this Lease shall be sent, and a copy of the Sublease. Tenant shall provide Landlord with copies of all Subleases entered into. Landlord agrees to grant Non-Disturbance Agreements for any Sublessee which will provide that in the event of a termination of this Lease which applies to the portion of the Premises covered by such Sublease, due to an Event of Default committed by the Tenant, such Sublessee will not be disturbed and will be allowed to continue peacefully in possession directly under this Lease as the successor tenant, provided that the Sublessee shall be in compliance with the terms and conditions of its Sublease; and the Sublessee shall agree to attorn to Landlord. Landlord further agrees that it will grant such assurances to such Sublessee so long as it remains in compliance with the terms of its Sublease, and provided further that any such Sublease does not extend beyond the expiration of the Term of this Lease.

(c) In the event one or more of Tenant's Sublessee is successful in obtaining LIHTC for that portion of the Premises which is subject to such Sublease, but Tenant is not successful in obtaining LIHTC for the portion of the property not subleased and remaining subject to this Lease, Landlord and Tenant agree to modify this Lease so as to make it a direct lease between Landlord and the relevant Sublessee, for the subleased Premises.

ARTICLE VI

CASUALTY AND TAKING

6.1 Casualty.

Casualty Damage. In the event the Premises should be destroyed or damaged by fire, windstorm, or other casualty to the extent that the Premises is rendered unfit for the intended purpose of Tenant (as determined by Tenant in its sole and absolute discretion), Tenant may cancel this Lease, but only after removing any trash and/or debris therefrom, subject to the terms and provisions of any Permitted Leasehold Mortgagee. If the Premises is partially damaged due to any other reason than the causes described immediately above, but the Premises is not rendered unusable for Tenant's purposes (as determined by Tenant in its sole and absolute discretion), subject to the terms and provisions of any Permitted Leasehold Mortgagee, the same shall be repaired by Tenant to the extent Tenant receives sufficient proceeds to complete such repairs from its insurance carrier under its insurance policy. Any such repairs will be completed within a reasonable time after receipt of such proceeds. If the damage to the Premises shall be so extensive as to render it unusable for Tenant's purposes (as determined by Tenant in its sole and absolute discretion) but shall nonetheless be capable of being repaired within One Hundred Twenty (120) days, subject to the terms and provisions of any Permitted Leasehold Mortgagee, the damage shall be repaired with due diligence by Tenant to the extent Tenant receives sufficient proceeds

under its insurance policy to complete such repairs. In the event that a nearby structure(s) or improvement(s) is damaged or destroyed due to Tenant's negligence, Tenant shall be solely liable and responsible to repair and/or compensate the owner for such damage or loss.

Notwithstanding anything contained in this Section 6.1, or otherwise in this Lease to the contrary, as long as the Tenant's leasehold interest is encumbered by any Permitted Leasehold Mortgage, this Lease shall not be terminated by Landlord or Tenant in the event that the Premises is partially or totally destroyed, and, in the event of such partial or total destruction, all insurance proceeds from casualty insurance as provided herein shall be paid to and held by the Permitted Leasehold Mortgagee, or an insurance trustee selected by the Permitted Leasehold Mortgagee to be used for the purpose of restoration or repair of the Premises. Permitted Leasehold Mortgagee shall have the right to participate in adjustment of losses as to casualty insurance proceeds and any settlement discussion relating to casualty or condemnation.

6.2 Taking.

-
- (a) Notice of Taking. Upon receipt by either Landlord or Tenant of any notice of Taking, or the institution of any proceedings for Taking the Premises, or any portion thereof, the party receiving such notice shall promptly give notice thereof to the other, and such other party may also appear in such proceeding and may be represented by an attorney.
- (b) Award. Subject to the terms of the Permitted Leasehold Mortgages (as defined in Section 8.10), the Landlord and the Tenant agree that, in the event of a Taking that does not result in the termination of this Lease pursuant to Section 6.2(c) or 6.2(d), this Lease shall continue in effect as to the remainder of the Premises, and the net amounts owed or paid to the Landlord or pursuant to any agreement with any condemning authority which has been made in settlement of any proceeding relating to a Taking, less any costs and expenses incurred by the Landlord in collecting such award or payment (the "Award") will be disbursed in accordance with Section 6.2(c) or 6.2(d) (as the case may be) to the Landlord and/or Tenant. The Tenant and, to the extent permitted by law, any Permitted Leasehold Mortgagee, shall have the right to participate in negotiations of and to approve any such settlement with a condemning authority (which approval shall not be unreasonably withheld).
- (c) Total Taking. In the event of a permanent Taking of the fee simple interest or title of the Premises, or control of the entire leasehold estate hereunder (a "Total Taking"), this Lease shall thereupon terminate as of the effective date of such Total Taking, without liability or further recourse to the parties, provided that each party shall remain liable for any obligations required to be performed prior to the effective date of such termination and for any other obligations under this Lease which are expressly intended to survive termination. The Taking of any portion of the Improvements, fifteen percent (15%) or more of the then existing parking area, the loss of the rights of ingress and egress as then established or the loss of rights to use the Easement, shall be, at Tenant's election, but not exclusively considered, such a substantial taking as would render the use of the Property not suitable for

Tenant's use. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant, the loss of Tenant's leasehold estate and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

- (d) Partial Taking. In the event of a permanent Taking of less than all of the Premises (a "Partial Taking"), if Tenant reasonably determines that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot reasonably be made to be economically viable, structurally sound, then Tenant may terminate this Lease, and the Tenant's portion of the Award shall be paid to Tenant, provided that any and all obligations of Tenant have been fully and completely complied with by Tenant as of the date of said Partial Taking. If Tenant shall not elect to terminate this Lease, Tenant shall be entitled to a reduction of rent of such amount as shall be just and equitable. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking and the Tenant does not terminate this Lease, the Tenant shall be entitled to receive and retain an equitable portion of the Award and shall apply such ~~portion of the Award necessary to repair or restore the Premises or the Improvements as nearly as possible to the condition the Premises or the Improvements were in immediately prior to such Partial Taking.~~ Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking which affects the use of the Premises after the term hereof, the Award shall be apportioned between the Tenant and the Landlord based on the ratio of the remaining term hereof and the remaining expected useful life of the Premises following the term hereof. Subject to the terms of the Permitted Leasehold Mortgages, notwithstanding any provision herein to the contrary, the Landlord shall be entitled to receive and retain any portion of the Award apportioned to the land upon which the Improvements are located. Should such award be insufficient to accomplish the restoration, such additional costs shall be paid by Tenant. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.
- (e) Resolution of Disagreements. Should Landlord and Tenant be unable to agree as to the division of any singular award or the amount of any reduction of rents and other charges payable by Tenant under the Lease, such dispute shall be submitted for resolution to the court exercising jurisdiction of the condemnation proceedings, each party bearing its respective costs for such determination. Landlord shall not agree to any settlement in lieu of condemnation with the condemning authority without Tenant's consent.
- (f) No Existing Condemnation. Landlord represents and warrants that as of the Commencement Date it has no actual or constructive knowledge of any proposed condemnation of any part of the Premises. In the event that subsequent to the

Effective Date, but prior to the Commencement Date, a total or partial condemnation either permanent or temporary, is proposed by any competent authority, Tenant shall be under no obligation to commence or continue construction of the building and other improvements and rent and other charges, if any, payable by Tenant under the Lease shall abate until such time as it can be reasonably ascertained that the Premises shall not be so affected. In the event the Premises is so affected, Tenant shall be entitled to all rights, damages and awards pursuant to the appropriate provisions of this Lease.

6.3 Termination upon Non-Restoration.

Following a Partial Taking, if a decision is made pursuant to this Article VI that the remaining portion of the Premises is not to be restored, and Tenant shall have determined that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot be made economically viable or structurally sound, Tenant shall surrender the entire remaining portion of the Premises to Landlord and this Lease shall thereupon be terminated without liability or further recourse to the parties hereto, provided that any Rent, impositions and other amounts payable or obligations hereunder owed by Tenant to Landlord as of the date of the Partial Taking shall be paid in full.

6.4 Conflict with ACC.

In the event of a conflict between any of the provisions of this Article VI and the provisions of the ACC, as amended by the ACC Amendment, the ACC and the ACC Amendment shall govern.

ARTICLE VII

CONDITION OF PREMISES

7.1 Condition; Title. The Premises are demised and let in an "as is" condition as of the Commencement Date. The Premises are demised and let to Tenant subject to: As-Is. Notwithstanding anything to the contrary contained herein, upon Tenant taking possession of the Premises, Tenant shall be deemed to have accepted the Premises in its "as-is" and "where-is" condition, with any and all faults, and with the understanding that the Landlord has not offered any implied or expressed warranty as to the condition of the Premises and/or as to it being fit for any particular purpose, provided, however, that the foregoing shall not in any way limit, affect, modify or otherwise impact any of Landlord's representations, warranties and/or obligations contained in this Lease.

Tenant shall, within 20 days following the Commencement Date, obtain a title commitment to insure Tenant's leasehold interest in the Premises. Tenant shall advise Landlord as to any title matters that Tenant deems objectionable and Landlord may, in its sole discretion, take the steps necessary to cause such objectionable matters to be removed from the title commitment. If Landlord elects not to take such steps, it will so advise Tenant within 20 days of receipt of Tenant's notice, and Tenant shall thereafter have the right to terminate this Lease or to proceed notwithstanding the objectionable title matters.

7.2 No Encumbrances. Landlord covenants that Landlord has full right and lawful authority to enter into this Lease in accordance with the terms hereof and to grant the estate demised hereby. Landlord represents and warrants that there are no existing mortgages, deeds of trust, easements, liens, security interests, encumbrances and/or restrictions encumbering Landlord's fee interest in the Land other than those matters identified on Exhibit B attached hereto (the "Permitted Encumbrances"). Other than as affected by the Permitted Encumbrances, Landlord's fee interest shall not hereafter be subordinated to, or made subject to, any mortgage, deed of trust, easement, lien, security interest, encumbrance and/or restriction except for an encumbrance that expressly provides that it is and shall remain subject and subordinate at all times in lien, operation and otherwise to this Lease and to all renewals, modifications, amendments, consolidations and replacements hereof (including new leases entered into pursuant to the terms hereof and extensions). Landlord covenants that it will not encumber or lien the title of the Premises or cause or permit said title to be encumbered or liened in any manner whatsoever, and Tenant may reduce or discharge any such encumbrance or lien by payment or otherwise at any time after giving thirty (30) days' written notice thereof to Landlord. Tenant may recover or recoup all costs and expenses thereof from Landlord if the Landlord fails to discharge any such encumbrance within the said thirty (30) day period. Such recovery or recoupment may, in addition to all other remedies, be made by setting off against the amount of Rent payable by Tenant hereunder. Landlord and Tenant agree to work cooperatively together to create such easements and rights of way as may be necessary or appropriate for the Premises.

7.3 Landlord's Title and Quiet Enjoyment. Landlord represents and warrants that Landlord is seized in fee simple title to the Premises, free and clear and unencumbered, other than as affected by the Permitted Encumbrances. Landlord covenants that, so long as Tenant pays rent and performs the covenants herein contained on its part to be paid and performed, Tenant will have lawful, quiet and peaceful possession and occupancy of the Premises and all other rights and benefits accruing to Tenant under the Lease throughout the Term, without hindrance or molestation by or on the part of Landlord or anyone claiming through Landlord. Landlord further represents and warrants that it has good right, full power and lawful authority to enter into this Lease. Tenant shall have the right to order a title insurance commitment on the Premises. In the event the title insurance commitment shall reflect encumbrances or other conditions not acceptable to Tenant ("Defects"), then, Landlord, upon notification of the Defects, shall immediately and diligently proceed to cure same and shall have a reasonable time within which to cure the Defects. If, after the exercise of all reasonable diligence, Landlord is unable to clear the Defects, then Tenant may accept the Defects or Tenant may terminate the Lease and the parties shall be released from further liability, so long as Tenant is not in default hereunder beyond any grace period applicable thereto, Tenant's possession of the Premises will not be disturbed by Landlord, its successors and assigns.

7.4 Notwithstanding Section 7.3 above, Landlord and its agents, upon reasonable prior notice to Tenant, shall have the right to enter the Premises for purposes of reasonable inspections performed during reasonable business hours in order to assure compliance by Tenant with its obligations under this Lease.

ARTICLE VIII

DEFAULTS AND TERMINATION

8.1 Default.

The occurrence of any of the following events shall constitute an event of default (*Event of Default*) hereunder:

- (a) if Tenant fails to pay when due any Rent or other impositions due hereunder pursuant to Article III (except where such failure is addressed by another event described in this Section 8.1 as to which lesser notice and grace periods are provided), and any such default shall continue for thirty (30) days after the receipt of written notice thereof by Tenant from Landlord; or
- (b) if Tenant fails in any material respect to observe or perform any covenant, condition, agreement or obligation hereunder not addressed by any other event described in this Section 8.1, and shall fail to cure, correct or remedy such failure within thirty (30) days after the receipt of written notice thereof, unless such failure cannot be cured by the payment of money and cannot with due diligence be cured within a period of thirty (30) days, in which case such failure shall not be deemed to continue if Tenant proceeds promptly and with due diligence to cure the failure and diligently completes the curing thereof within a reasonable period of time; provided, however, that for such time as Landlord or its affiliate is the management agent retained by Tenant, Tenant shall not be in default hereunder due to actions or inactions taken by Landlord or its affiliate in its capacity as the management agent; or
- (c) If any representation or warranty of Tenant set forth in this Lease, in any certificate delivered pursuant hereto, or in any notice, certificate, demand, submittal or request delivered to Landlord by Tenant pursuant to this Lease shall prove to be incorrect in any material and adverse respect as of the time when the same shall have been made and the same shall not have been remedied to the reasonable satisfaction of Landlord within thirty (30) days after notice from Landlord; or
- (d) if Tenant shall be adjudicated bankrupt or be declared insolvent under the Federal Bankruptcy Code or any other federal or state law (as now or hereafter in effect) relating to bankruptcy, insolvency, reorganization, winding-up or adjustment of debts (collectively called **Bankruptcy Laws**), or if Tenant shall (a) apply for or consent to the appointment of, or the taking of possession by, any receiver, custodian, trustee, United States Trustee or Tenant or liquidator (or other similar official) of Tenant or of any substantial portion of Tenant's property; (b) admit in writing its inability to pay its debts generally as they become due; (c) make a general assignment for the benefit of its creditors; (d) file a petition commencing a voluntary case under or seeking to take advantage of a Bankruptcy Law; or (e) fail to controvert in a timely and appropriate manner, or in writing acquiesce to, any petition

commencing an involuntary case against Tenant pursuant to any bankruptcy law; or

- (e) if an order for relief against Tenant shall be entered in any involuntary case under the Federal Bankruptcy Code or any similar order against Tenant shall be entered pursuant to any other Bankruptcy Law, or if a petition commencing an involuntary case against Tenant or proposing the reorganization of Tenant under the Federal Bankruptcy Code shall be filed in and approved by any court of competent jurisdiction and not be discharged or denied within ninety (90) days after such filing, or if a proceeding or case shall be commenced in any court of competent jurisdiction seeking (a) the liquidation, reorganization, dissolution, winding-up or adjustment of debts of Tenant, (b) the appointment of a receiver, custodian, trustee, United States Trustee or liquidator (or other similar official of Tenant) of any substantial portion of Tenant's property, or (c) any similar relief as to Tenant pursuant to Bankruptcy Law, and any such proceeding or case shall continue undismissed, or any order, judgment or decree approving or ordering any of the foregoing shall be entered and continued unstayed and in effect for ninety (90) days; or

-
- (f) Tenant vacates or abandons the Premises or any substantial part thereof for a period of more than thirty (30) consecutive days (or, if applicable, such longer period as may be permitted in accordance with Section 6.1 or 6.2); or
 - (g) This Lease, the Premises or any part thereof are taken upon execution or by other process of law directed against Tenant, or are taken upon or subjected to any attachment by any creditor of Tenant or claimant against Tenant, and such attachment is not stayed or discharged within ninety (90) days after its levy; or
 - (h) Tenant makes any sale, conveyance, assignment or transfer in violation of this Lease.

8.2 Remedies for Tenant's Default.

Upon or after the occurrence of any Event of Default which is not cured within any applicable cure period, and so long as same remains uncured, Landlord may terminate this Lease by providing not less than thirty (30) days' written notice (which notice may be contemporaneous with any notice provided under Section 8.1) to Tenant, setting forth Tenant's uncured, continuing default and Landlord's intent to exercise its rights to terminate, whereupon this Lease shall terminate on the termination date therein set forth unless Tenant's default has been cured before such termination date. Upon such termination, Tenant's interest in the Premises shall automatically revert to Landlord, Tenant shall promptly quit and surrender the Premises to Landlord, without cost to Landlord, and Landlord may, without demand and further notice, reenter and take possession of the Premises, or any part thereof, and repossess the same as Landlord's former estate by summary proceedings, ejectment or otherwise without being deemed guilty of any manner of trespass and without prejudice to any remedies which Landlord might otherwise have for arrearages of Rent or other impositions hereunder or for a prior breach of the provisions of this Lease. The obligations of Tenant under this Lease which arose prior to termination shall survive such termination.

8.3 Termination. Termination by Landlord: The occurrence of any of the following shall give Landlord the right to terminate this Lease upon the terms and conditions set forth below

8.4 Automatic Termination:

- (a) Tenant fails to cause the Commencement Date to occur within eleven (11) months following the Lease Date.
- (b) Landlord and Tenant fail to obtain the final approval of this Lease by the Miami-Dade Board of County Commissioners, which shall be within the Board's sole discretion.
- (c) Institution of proceedings in voluntary bankruptcy by the Tenant
- (d) Institution of proceedings in involuntary bankruptcy against the Tenant if such proceedings continue for a period of Ninety (90) days or more.
 - (i) Assignment of Lease by Tenant for the benefit of creditors.
 - (ii) A final determination of termination of this Lease in a court of law in favor of the Landlord in litigation instituted by the Tenant against the Landlord, or brought by the Landlord against Tenant.

8.5 Life/Safety Issues. Tenant must cure within thirty (30) calendar days (or such longer period if the default is not capable of being cured in such 30 day period) after Tenant's receipt of written notice from Landlord, a condition posing a threat to health or safety of the public or patrons. Notwithstanding the 30-day period to cure, Tenant shall assess the condition that poses a threat to the health or safety of the public or patrons and determine if immediate action shall be taken by Tenant to cure the health and safety issue. Tenant shall

maintain an accurate record of, and promptly report to the Landlord, all accidents or incidents resulting in the exposure of persons to toxic substances, hazardous materials or hazardous operations; the injury or death of any person; or damage to property incidental to work performed under the Agreement and all violations for which the Tenant has been cited by any federal, State or local regulatory/enforcement agency. The report shall include a copy of the notice of violation and the findings of any inquiry or inspection, and an analysis addressing the impact these violations may have on the work remaining to be performed. The report shall also state the required action(s), if any, to be taken to correct any violation(s) noted by the federal, State or local regulatory/enforcement agency and the time frame allowed by the agency to accomplish the necessary corrective action.

8.6 Remedies Following Termination. Upon termination of this Lease, Landlord may:

- (a) retain, at the time of such termination, any Rent or other impositions paid hereunder, without any deduction, offset or recoupment whatsoever; and
- (b) enforce its rights under any bond outstanding at the time of such termination; and
- ~~(c) require Tenant to deliver to Landlord, or otherwise effectively transfer to Landlord any and all governmental approvals and permits, and any and all rights of possession, ownership or control Tenant may have in and to, any and all financing arrangements, plans, specifications, and other technical documents or materials related to the Premises.~~

8.7 Regulatory Default.

Notwithstanding anything herein to the contrary, the following shall apply to any default declared as a result of any failure by Tenant to comply with the provisions of Section 8.1:

- (a) Upon a determination by Landlord that Tenant has materially breached or defaulted on any of the obligations under Section 8.1 (a **Regulatory Default**), Landlord shall notify Tenant of (i) the nature of the Regulatory Default, (ii) the actions required to be taken by Tenant in order to cure the Regulatory Default, and (iii) the time, (a minimum of sixty (60) days or such additional time period as may be reasonable under the circumstances), within which Tenant shall respond with reasonable evidence to Landlord that all such required actions have been taken.
- (b) If Tenant shall have failed to respond or take the appropriate corrective action with respect to a Regulatory Default to the reasonable satisfaction of Landlord within the applicable time period, then Landlord shall have the right to terminate the Lease or seek other legal or equitable remedies as Landlord determines in its sole discretion; provided, however, that if prior to the end of the applicable time period, Tenant seeks a declaratory judgment or other order from a court having jurisdiction that Tenant shall not have incurred a Regulatory Default, Landlord shall not terminate this Lease during the pendency of such action.
- (c) In addition to and not in limitation of the foregoing, if Landlord shall determine that a Regulatory Default shall have occurred by reason of a default by Tenant's

management agent, and that Tenant shall have failed to respond or take corrective action to the reasonable satisfaction of Landlord within the applicable cure period, then Landlord may require Tenant to take such actions as are necessary in order to terminate the appointment of the management agent pursuant to the terms of its management agreement and to appoint a successor management agent of the Premises.

8.8 Performance by Landlord.

If Tenant shall fail to make any payment or perform any act required under this Lease, Landlord may (but need not) after giving not less than thirty (30) (except in case of emergencies and except where a shorter time period is specified elsewhere in this Lease) days' notice to Tenant and without waiving any default or releasing Tenant from any obligations, cure such default for the account of Tenant. Tenant shall promptly pay Landlord the amount of such charges, costs and expenses as Landlord shall have incurred in curing such default.

(a) Costs and Damages. Tenant shall be liable to, and shall reimburse, Landlord for any and all actual reasonable expenditures incurred and for any and all actual damages suffered by Landlord in connection with any Event of Default, ~~collection of Rent or other impositions owed under this Lease, the remedying of any default under this Lease or any termination of this Lease, unless such termination is caused by the default of Landlord,~~ including all costs, claims, losses, liabilities, damages and expenses (including without limitation, reasonable attorneys' fees and costs) incurred by Landlord as a result thereof.

(b) Remedies Cumulative. The absence in this Lease of any enumeration of events of default by Landlord or remedies of either party with respect to money damages or specific performance shall not constitute a waiver by either party of its right to assert any claim or remedy available to it under law or in equity.

8.9 Permitted Leasehold Mortgages.

Neither the Tenant nor any permitted successor in interest to the Premises or any part thereof shall, without the prior written consent of the Landlord in each instance, engage in any financing or any other transaction creating any mortgage or other encumbrance or lien upon the Premises, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Premises, except for the encumbrances set forth on Exhibit B hereto (the "**Permitted Encumbrances**") and the leasehold mortgages securing the loans which will be obtained by Tenant for renovation of the Improvements and closed on or about the Commencement Date (the "**Permitted Leasehold Mortgages**"). With respect to the Permitted Leasehold Mortgages, the following provisions shall apply:

(a) When giving notice to the Tenant with respect to any default under the provisions of this Lease, the Landlord will also send a copy of such notice to the holder of each Permitted Leasehold Mortgage (each a "**Permitted Leasehold Mortgagee**"), provided that each such Permitted Leasehold Mortgagee shall have delivered to the Landlord in writing a notice naming itself as the holder of a Permitted Leasehold Mortgage and registering the name and post office address to which all notices and other communications to it may be addressed.

(b) Each Permitted Leasehold Mortgagee shall be permitted, but not obligated, to cure any default by the Tenant under this Lease within the same period of time specified for the Tenant to cure such default. The Tenant authorizes each Permitted Leasehold Mortgagee to take any such action at such Permitted Leasehold Mortgagee's option and does hereby authorize entry upon the Premises for such purpose.

(c) The Landlord agrees to accept payment or performance by any Permitted Leasehold Mortgagee as though the same had been done by the Tenant.

(d) In the case of a default by the Tenant other than in the payment of money, and provided that a Permitted Leasehold Mortgagee has commenced to cure the default and is proceeding with due diligence to cure the default, the Landlord will refrain from terminating this Lease for a reasonable period of time (not to exceed 120 days from the date of the notice of default, unless (i) such cure cannot reasonably be completed within 120 days from the date of the notice of default, and (ii) a Permitted Leasehold Mortgagee continues to diligently pursue such cure to the reasonable satisfaction of the Landlord) within which time the Permitted Leasehold Mortgagee may either (i) obtain possession of the Premises (including possession by receiver); (ii) institute foreclosure proceedings and complete such foreclosure; or (iii) otherwise acquire the Tenant's interest under this Lease. The Permitted Leasehold Mortgagee shall not be required to continue such possession or continue such foreclosure proceedings if the default which was the subject of the notice shall have been cured. Notwithstanding the foregoing, the Landlord will refrain from terminating this Lease in the event such Permitted Leasehold Mortgagee is enjoined or stayed in such possession or such foreclosure proceedings, and provided that the Permitted Leasehold Mortgagee has delivered to Landlord copies of any and all orders enjoining or staying such action, Landlord will grant such Permitted Leasehold Mortgagee such additional time as is required for such Permitted Leasehold Mortgagee to complete steps to acquire or sell Tenant's leasehold estate and interest in this Lease by foreclosure of its Permitted Leasehold Mortgage or by other appropriate means with due diligence; however, nothing in this Section shall be construed to extend this Lease beyond the Term.

(e) Any Permitted Leasehold Mortgagee or other acquirer of Tenant's leasehold estate and interest in this Lease pursuant to foreclosure, an assignment in lieu of foreclosure or other proceedings, any of which are permitted without the Landlord's consent, may, upon acquiring the Tenant's leasehold estate and interest in this Lease, without further consent of the Landlord and without HUD's consent, sell and assign the leasehold estate and interest in this Lease on such terms and to such persons and organizations as are acceptable to such Permitted Leasehold Mortgagee or acquirer and thereafter be relieved of all obligations under this Lease, provided such assignee has delivered to the Landlord its written agreement to be bound by all of the provisions of this Lease. Permitted Leasehold Mortgagee, or its nominee or designee, shall also have the right to further assign, sublease or sublet all or any part of the leasehold interest hereunder to a third party without the consent or approval of Landlord.

(f) In the event of a termination of this Lease prior to its stated expiration date, the Landlord will enter into a new lease for the Premises with the Permitted Leasehold Mortgagee (or its nominee), for the remainder of the term, effective as of the date of such termination, at the same Rent payment and subject to the same covenants and agreements, terms, provisions, and limitations herein contained, provided that:

(1) The Landlord receives the Permitted Leasehold Mortgagee's written request for such new lease within 30 days from the date of such termination and notice thereof by the Landlord to the Permitted Leasehold Mortgagee (including an itemization of amounts then due and owing to the Landlord under this Lease), and such written request is accompanied by payment to the Landlord of all amounts then due and owing to Landlord under this Lease and, within 10 days after the delivery of an accounting therefor by the Landlord, pays any and all costs and expenses incurred by the Landlord in connection with the execution and delivery of the new lease, less the net income collected by the Landlord from the Premises subsequent to the date of termination of this Lease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the Rent payment thereafter becoming due under the new lease, provided, however, that the Permitted Leasehold Mortgagee shall receive full credit for all capitalized lease and Rent payments previously delivered by the Tenant to the Landlord; and

(2) Upon the execution and delivery of the new lease at the time payment is made in (1) above, all subleases which thereafter may have been assigned and transferred to the Landlord shall thereupon be assigned and transferred without recourse by the Landlord to the Permitted Leasehold Mortgagee (or its nominee), as the new Tenant.

(3) If a Permitted Leasehold Mortgagee acquires the leasehold estate created hereunder or otherwise acquires possession of the Premises pursuant to available legal remedies, Landlord will look to such holder to perform the obligations of Tenant hereunder only from and after the date of foreclosure or possession and will not hold such holder responsible for the past actions or inactions of the prior Tenant. Permitted Leasehold Mortgagee's liability shall be limited to the value of such Permitted Leasehold Mortgagee's interest in this Lease and in the leasehold estate created thereby.

Notwithstanding the foregoing and to the extent permitted by Section 42 of the Code, the deadline to complete construction of the Improvements set forth in Article V shall be extended for such period of time as may be reasonably required by the Permitted Leasehold Mortgagee or its nominee to complete construction.

8.10 HUD's Rights on Event of Default.

- a. Tenant shall give HUD a copy of all notices of default or other notices that Tenant may give to or serve in writing upon Landlord pursuant to the terms of this Lease. No notice by Tenant to Landlord under this Lease shall be effective unless a copy of such notice has been provided to HUD.
- b. HUD, at its option, may pay any amount or do any act or thing required of Landlord by the terms of this Lease. All payments made and all acts performed by HUD shall be as if they had been performed by Landlord.

- c. Upon the occurrence of an Event of Default that also constitutes a substantial default under the ACC, HUD may: (1) require Landlord to convey to HUD its fee simple interest in the Premises, and ensure Tenant's conveyance to HUD of its leasehold interest in the Premises, if, in HUD's determination (which determination shall be final and conclusive), such conveyance of title is necessary to achieve the purposes of the Act; or (2) require Tenant to deliver possession and control of the Premises to HUD; or (3) exercise any other right or remedy existing under applicable law, or available at equity. HUD's exercise or non-exercise of any right or remedy under the ACC shall not be construed as a waiver of HUD's right to exercise that or any other right or remedy at any time.
- d. If HUD acquires title to, or possession of, the Premises, HUD shall reconvey, or redeliver possession of, the Premises to Landlord and Tenant in accordance with their respective interests in the Premises: (i) upon a determination by HUD that the substantial default under the ACC has been cured and that the Premises will thereafter be operated in accordance with the terms of the ACC; or (ii) after the termination of HUD's obligation to make annual contributions available, unless there are any obligations or covenants of Landlord to HUD that are then in default.
-
- e. ~~During the Term of this Lease, and so long as Tenant shall not be in default of its obligations hereunder, HUD agrees that in the event of a substantial default by Landlord under the ACC, HUD shall exercise any remedies or sanctions authorized under the ACC, including taking possession of Landlord's interest in the Premises, in such a manner as not to disturb Tenant's rights under this Lease or any other agreement between Landlord and Tenant.~~

ARTICLE IX

SOVEREIGNTY AND POLICE POWERS

9.1 County as Sovereign

It is expressly understood that notwithstanding any provision of this Lease and the Landlord's status thereunder:

- (a) The Landlord retains all of its sovereign prerogatives and rights as a county under Florida laws and shall in no way be estopped from withholding or refusing to issue any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and regulations of whatever nature applicable to the planning, design, construction and development of the Premises or the operation thereof, or be liable for the same; and
- (b) The Landlord shall not by virtue of this Lease be obligated to grant the Tenant any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and ordinances of whatever nature applicable to the planning, design, construction, development and/or operation of the Premises.

9.2 No Liability for Exercise of Police Power

Notwithstanding and prevailing over any contrary provision in this Lease, or any Landlord covenant or obligation that may be contained in this Lease, or any implied or perceived duty or obligation including but not limited to the following:

- (i) To cooperate with, or provide good faith, diligent, reasonable or other similar efforts to assist the Tenant, regardless of the purpose required for such cooperation;
 - (ii) To execute documents or give approvals, regardless of the purpose required for such execution or approvals;
 - (iii) To apply for or assist the Tenant in applying for any county, city or third party permit or needed approval; or
 - (iv) To contest, defend against, or assist the Tenant in contesting or defending against any challenge of any nature;
-

shall not bind the Board of County Commissioners, the Planning and Zoning Department, DERM, the Property Appraiser or any other county, city, federal or state department or authority, committee or agency to grant or leave in effect any tax exemptions, zoning changes, variances, permits, waivers, contract amendments, or any other approvals that may be granted, withheld or revoked in the discretion of the Landlord or any other applicable governmental agencies in the exercise of its police power; and the Landlord shall be released and held harmless, by the Tenant from and against any liability, responsibility, claims, consequential or other damages, or losses to the Tenant or to any third parties resulting from denial, withholding or revocation (in whole or in part) of any zoning or other changes, variances, permits, waivers, amendments, or approvals of any kind or nature whatsoever. Without limiting the foregoing, the parties recognize that the approval of any building permit and/or certificate of occupancy or tax exemption will require the Landlord to exercise its quasi-judicial or police powers. Notwithstanding any other provision of this Lease, the Landlord shall have no obligation to approve, in whole or in part, any application for any type of tax exemption, permit, license, zoning or any other type of matter requiring government approval or waiver. The Landlord's obligation to use reasonable good faith efforts in the permitting of the use of County-owned property shall not extend to any exercise of quasi-judicial or police powers, and shall be limited solely to ministerial actions, including the timely acceptance and processing of any requests or inquiries by Tenant as authorized by this Lease. Moreover, in no event shall a failure of the Landlord to adopt any of the Tenant's request or application for any type of permit, license, zoning or any other type of matter requiring government approval or waiver be construed a breach or default of this Lease.

ARTICLE X

ARTICLE XI

RIGHT OF FIRST OFFER; RIGHT OF FIRST REFUSAL

11.1 Landlord's Intent to Market Premises.

If Landlord, in its sole discretion (but subject to any applicable HUD requirements relating to disposition and State laws relating to the sale or conveyance of County-owned property), decides to sell its interest in the Premises, then, prior to marketing the Premises, Landlord shall give written notice of such intent to Tenant setting forth the terms and conditions on which Landlord desires to sell the Premises (**Sales Notice**). Tenant shall have sixty (60) days thereafter within which to notify Landlord of its intent to purchase the Premises offered for sale upon such terms and conditions as are set forth in the Sales Notice. If such Sales Notice is timely given, the Closing shall be ninety (90) days after the date of the Sales Notice. The status of title to be delivered and the instruments to be executed pursuant thereto shall be as stated in the Sales Notice and the amount of earnest money that Tenant shall be required to deposit with the notification of intent to purchase by matching the offer shall be as stated in the Sales Notice. Failure of Tenant to so notify Landlord in a timely manner shall be deemed an election not to purchase. In the event Tenant does not so timely notify Landlord of its intent to purchase the offered property upon the terms and conditions stated in the Sales Notice, Landlord shall be free to market such property on its own or through a broker and thereafter may sell the property, subject to all of the terms and conditions of the Lease and any applicable requirements of HUD or any other legal requirements; provided that Landlord may not sell the Premises on terms and conditions that are materially different from those contained in any Sales Notice received by Tenant without first offering Tenant the opportunity once again to purchase the Premises in accordance with this Section 11.1 upon such materially different terms and conditions upon which Landlord bases its offer of sale.

11.2 Right of First Refusal.

If Landlord is not marketing the Premises as provided in Section 11.1 above, but receives a written offer in acceptable form from an unrelated third party that Landlord is willing to accept for the purchase of the Premises (a **Sales Offer**), Landlord shall notify Tenant of the terms and conditions of such Sales Offer. Tenant shall then have sixty (60) days within which to notify Landlord of its intent to purchase the Premises by matching said Sales Offer and, in the event of such timely response, the closing of the purchase and sale of the Premises shall be in accordance with the terms of such Sales Offer. In the event that timely notice is not given by Tenant to Landlord, Tenant shall be deemed to have elected not to match said Sales Offer, and Landlord shall be free to sell the Premises to such third party on the terms and conditions set forth in the Sales Offer, subject, however, to all terms and conditions of this Lease and any applicable requirements of HUD or any other legal requirements. If Landlord fails to sell the Premises to such third party for an aggregate

sales price not less than ninety-five percent (95%) of the sales price set forth in the Sales Offer and otherwise in accordance with the terms of the Sales Offer within one hundred and eighty (180) days after Landlord is entitled to sell the Premises to such third party, the right of first refusal created in this Section 11.2 shall be revived and again shall be enforceable.

11.3. **Mortgagee Rights.** Tenant's rights with respect to any option to purchase the Premises as set forth in this Section 11 shall be assignable to and may be exercised by any Permitted Leasehold Mortgagee which succeeds in interest to the Tenant, without requiring any consent or approval by Landlord.

ARTICLE XII

DEFAULTS; REMEDIES

12.1 Defaults. Notwithstanding anything to the contrary contained in the Lease, at any time that Landlord or any affiliate of Landlord is a member of Tenant or owns a controlling interest in a member of Tenant, an Event of Default or a Regulatory Default shall not have occurred if the action or inaction that otherwise would constitute an Event of Default or a Regulatory Default was caused by the actions or inactions of Landlord or its affiliate in its capacity as a direct or indirect member of Tenant.

12.2 Remedies.

(a) Notwithstanding anything to the contrary contained in the Lease, in the event Landlord exercises its remedies pursuant to Article VIII and terminates this Lease, Tenant may, within 90 days following such termination reinstate this Lease for the balance of the Term by paying to Landlord an amount equal to the actual damages incurred by Landlord as a result of the breach that resulted in such termination and any actual costs or expenses incurred by Landlord as a result of such reinstatement of this Lease.

(b) Notwithstanding anything to the contrary contained in the Lease, Landlord shall not exercise any of its remedies hereunder without having given notice of the Event of Default or other breach or default to the Investor Member of Tenant (following the admission of the Investor Member) simultaneously with the giving of notice to Tenant as required under the provisions of Article VIII of the Lease. The Investor Member shall have the same cure period after the giving of a notice as provided to Tenant, plus an additional period of 60 days. If the Investor Member elects to cure the Event of Default or other breach or default, Landlord agrees to accept such performance as though the same had been done or performed by Tenant.

(c) Notwithstanding anything to the contrary contained in the Lease, following the admission of the Investor Member, the Investor Member shall be deemed a third-party beneficiary of the provisions of this Section for the sole and exclusive purpose of entitling the Investor Member to exercise its rights to notice and cure, as expressly stated herein. The foregoing right of the Investor Member to be a third-party beneficiary under the Lease shall be the only right of Investor Member (express or implied) to be a third-party beneficiary hereunder.

(d) Notwithstanding anything to the contrary contained in the Lease, Landlord agrees that it will take no action to effect a termination of the Lease by reason of any Event of Default or any other breach or default (i) at any time that Landlord or its affiliate is a member of Tenant or owns a controlling interest in a member of Tenant or (ii), if Landlord or its affiliate is not a member of Tenant and does not own a controlling interest in a member of Tenant, without first giving to the Investor Member reasonable time, not to exceed 60 days, to replace Tenant's managing member and/or admit an additional managing member and cause the new managing member to cure the Event of Default or other breach or default; provided, however, that as a condition of such forbearance, Landlord must receive notice from the Investor Member of the substitution or admission of a new managing member of Tenant within 30 days following Landlord's notice to Tenant and the Investor Member of the Event of Default or other breach or default, and Tenant, following such substitution or admission of the managing member, shall thereupon proceed with due diligence to cure such Event of Default or other breach or default. In no event, however, shall Landlord be required to engage in the forbearance described in this section for a period longer than six (6) months, regardless of the due diligence of the Investor Member or the new managing member.

ARTICLE II

PREMISES AND TERM

Landlord leases and demises to Tenant and its successors and assigns, subject to and with the benefit of the terms, covenants, conditions and provisions of this Lease, the Land for the Term unless sooner terminated in accordance with the provisions contained in this Lease.

ARTICLE III

RENT

3.1 Rent. Tenant covenants and agrees to pay to Landlord as rent under this Lease, \$1 per year for the Term and any Extensions, with the first such payment being payable on the Commencement Date of this lease, and 50 percent of surplus cash flow after all developer fees have been paid. Said payments of rent shall be made payable to the Board of County Commissioners, c/o Public Housing and Community Development, 701 N.W. 1st Court, 16th Floor, Miami, Florida 33136, or at such other place and to such other person as Landlord may from time to time designate in writing, as set forth herein. Prior to the Commencement Date, Tenant is not obligated to pay rent or any other sums to the Landlord under this Lease.

3.2 Surrender. Upon the expiration of this Lease by the passage of time or otherwise, Tenant will quietly yield, surrender and deliver up possession of the Premises to Landlord. In the event Tenant fails to vacate the Premises and remove such personal property as Tenant is allowed to remove from the Premises at the end of the Term, or at the earlier termination of this Lease, Landlord shall be deemed Tenant's agent to remove such items from the Premises at Tenant's sole cost and expense. Furthermore, should Tenant fail to vacate the Premises in accordance with the terms of this Lease at the end of the Term, or at the earlier termination of this Lease, the Tenant shall pay to Landlord a charge for each day of occupancy after expiration or termination of the Lease in an amount equal to 150% of Tenant's Rent prorated on a daily basis. Such charge shall be in addition to any actual damages suffered by Landlord by Tenant's failure to vacate the Premises, for which Tenant shall be fully liable, it being understood and agreed, however, that Tenant shall under no circumstances be liable to Landlord for any

incidental, indirect, punitive or consequential damages (including, but not limited to, loss of revenue or anticipated profits). Base Rent.

3.3 Utilities. Tenant shall pay or cause to be paid all charges for water, gas, sewer, electricity, light, heat, other energy sources or power, telephone or other service used, rendered or supplied to Tenant in connection with the Premises.

3.4 Other. Tenant covenants to pay and discharge, when the same shall become due all other amounts, liabilities, and obligations which Tenant assumes or agrees to pay or discharge pursuant to this Lease, together with every fine, penalty, interest and cost which may be added for nonpayment or late payment thereof (provided that Tenant shall not be liable for any payment or portion thereof which Landlord is obligated to pay and which payment Landlord has failed to make when due); and, in the event of any failure by Tenant to pay or discharge the foregoing, Landlord shall have all the rights, powers and remedies provided herein, by law or otherwise in the case of nonpayment of Rent.

3.5 Taxes. Tenant understands and agrees that as a result of the Landlord's fee ownership of the Premises, for State law purposes, the Premises currently is exempt from any ad valorem taxes. Landlord represents to Tenant that such exemption should remain in effect notwithstanding that Landlord is entering into this Lease. However, during the Term of this Lease, should, for any reason whatsoever, the Premises become subject to ad valorem taxes or any other real estate taxes, fees, impositions and/or charges imposed during the Term and any Extensions upon the Premises and the building and/or other improvements constructed on the Premises by Tenant ("Real Estate Taxes"), Tenant shall be required to pay all Real Estate Taxes, prior to delinquency without notice or demand and without set-off, abatement, suspension or deduction. In the event that the folio identification number applicable to the Premises shall also contain other property not specifically included in, or a part of, the Premises, then Tenant shall only be required to pay the portion of such taxes exclusively attributable to the Premises. In addition, Tenant shall be required to pay for any water, electric, sewer, telephone or other utility charges incurred by Tenant during the Term or any Extensions which are limited solely to the Premises and/or any structures and/or improvements thereon.

ARTICLE IV

INDEMNITY, LIENS AND INSURANCE

4.1 Indemnity for Tenant's Acts. Landlord shall continue to operate the Premises until the Commencement Date. Upon the Commencement Date, Tenant shall indemnify and hold harmless the Landlord and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the Landlord or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Lease by the Tenant or its employees, agents, servants, partners principals or subcontractors. Tenant shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the Landlord, where

#2854329 v2

applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may issue thereon, provided, however, nothing herein contained shall obligate or hold Tenant responsible prior to the Commencement Date for any costs, expenses, claims or demands made by any party associated with the Premises or for any claims stemming from Landlord's and/or its officers', employees' or agents' sole misconduct or sole negligence, unless such costs, expenses, claims or demands arise from the acts or omissions of the Tenant, its agents, contractors, employees, partners or invitees. Tenant expressly understands and agrees that any insurance protection required by this Lease or otherwise provided by Tenant shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Landlord or its officers, employees, agents and instrumentalities as herein provided.

4.2 Landlord's Environmental Responsibility and Representations.

- (a) Except to the extent that an environmental condition is aggravated or exacerbated by the negligent or willful acts or omissions of Tenant, its agents or contractors, Tenant shall not be responsible under this Lease for any claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement action of any kind, and all costs and expenses incurred in connection therewith arising out of: (i) the presence of any Hazardous Substances in, on, over, or upon the Premises first affecting the Premises as of or prior to the Commencement Date, whether now known or unknown; or (ii) the failure of Landlord or its agents or contractors prior to the Commencement Date to comply with any Environmental Laws relating to the handling, treatment, presence, removal, storage, decontamination, cleanup, transportation or disposal of Hazardous Substances into, on, under or from the Premises at any time, whether or not such failure to comply was known or knowable, discovered or discoverable prior to the Commencement Date.
- (b) Landlord represents and warrants to Tenant that, as of the date hereof:
- (c) except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, neither the Land nor any part thereof has been used for the disposal of refuse or waste, or for the generation, processing, storage, handling, treatment, transportation or disposal of any Hazardous Substances;
- (d) except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, no Hazardous Substances have been installed, used, stored, handled or located on or beneath the Land, which Hazardous Substances, if found on or beneath the Land, or improperly disposed of off of the Land, would subject the owner or occupant of the Premises to damages, penalties, liabilities or an obligation to perform any work, cleanup, removal, repair, construction, alteration, demolition, renovation or installation in or in connection with the Premises (**Environmental Cleanup Work**) in order to comply with any Environmental Laws;
- (e) except as may be referenced in the Environmental Assessments, no notice from any governmental authority or any person has ever been served upon Landlord,

its agents or employees, claiming any violation of any Environmental Law or any liability thereunder, or requiring or calling any attention to the need for any Environmental Cleanup Work on or in connection with the Premises, and neither Landlord, its agents or employees has ever been informed of any threatened or proposed serving of any such notice of violation or corrective work order; and

- (f) except as may be referenced in the Environmental Assessments, and to the best of Landlord's knowledge, no part of the Land is affected by any Hazardous Substances contamination, which for purposes hereof, shall mean: (i) the contamination of any improvements, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on or of the Land by Hazardous Substances, or (ii) the contamination of the buildings, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on, or of, any other property as a result of Hazardous Substances emanating from the Land.

4.3 Liens.

- (a) Tenant agrees that it will not permit any mechanic's, materialmen's or other liens to stand against the Premises for work or materials furnished to Tenant it being provided, however, that Tenant shall have the right to contest the validity thereof. Tenant shall not have any right, authority or power to bind Landlord, the Premises or any other interest of the Landlord in the Premises and will pay or cause to be paid all costs and charges for work done by it or caused to be done by it, in or to the Premises, for any claim for labor or material or for any other charge or expense, lien or security interest incurred in connection with the development, construction or operation of the Improvements or any change, alteration or addition thereto. IN THE EVENT THAT ANY MECHANIC'S LIEN SHALL BE FILED, TENANT SHALL PROCURE THE RELEASE OR DISCHARGE THEREOF WITHIN NINETY (90) DAYS EITHER BY PAYMENT OR IN SUCH OTHER MANNER AS MAY BE PRESCRIBED BY LAW. NOTICE IS HEREBY GIVEN THAT LANDLORD SHALL NOT BE LIABLE FOR ANY LABOR, SERVICES OR MATERIALS FURNISHED OR TO BE FURNISHED TO THE TENANT OR TO ANYONE HOLDING ANY OF THE PREMISES THROUGH OR UNDER THE TENANT, AND THAT NO MECHANICS' OR OTHER LIENS FOR ANY SUCH LABOR, SERVICES OR MATERIALS SHALL ATTACH TO OR AFFECT THE INTEREST OF THE LANDLORD IN AND TO ANY OF THE PREMISES. THE LANDLORD SHALL BE PERMITTED TO POST ANY NOTICES ON THE PREMISES REGARDING SUCH NON-LIABILITY OF THE LANDLORD.
- (b) Tenant shall make, or cause to be made, prompt payment of all monies due and legally owing to all persons, firms, and corporations doing any work, furnishing any materials or supplies or renting any equipment to Tenant or any of its contractors or subcontractors in connection with the construction, reconstruction, furnishing, repair, maintenance or operation of the Premises, and in all events will bond or cause to be bonded, with surety companies reasonably satisfactory to Landlord, or pay or cause to be paid in full forthwith, any mechanic's, materialmen's or other lien or encumbrance that arises, whether due to the actions of Tenant or any person other than Landlord, against the Premises.

#2854329 v2
30364-0935

9

- (c) Tenant shall have the right to contest any such lien or encumbrance by appropriate proceedings which shall prevent the collection of or other realization upon such lien or encumbrance so contested, and the sale, forfeiture or loss of the Premises to satisfy the same; provided that such contest shall not subject Landlord to the risk of any criminal liability or civil penalty, and provided further that Tenant shall give reasonable security to insure payment of such lien or encumbrance and to prevent any sale or forfeiture of the Premises by reason of such nonpayment, and Tenant hereby indemnifies Landlord for any such liability or penalty. Upon the termination after final appeal of any proceeding relating to any amount contested by Tenant pursuant to this Section 4.3, Tenant shall immediately pay any amount determined in such proceeding to be due, and in the event Tenant fails to make such payment, Landlord shall have the right after five (5) business days' notice to Tenant to make any such payment on behalf of Tenant and charge Tenant therefor.
- (d) Nothing contained in this Lease shall be construed as constituting the consent or request of Landlord, expressed or implied, to or for the performance of any labor or services or the furnishing of any materials for construction, alteration, addition, repair or demolition of or to the Premises or of any part thereof.

4.4 Insurance Requirements.

Beginning on the Commencement Date and continuing until the expiration or earlier termination of the Term, Tenant shall at all times obtain and maintain, or cause to be maintained, insurance for Tenant and the Premises as described in Exhibit C.

ARTICLE V

USE OF PREMISES; COVENANTS RUNNING WITH THE LAND

Tenant and Landlord agree that Tenant shall (i) redevelop or rehabilitate the 166 Public Housing Units which already exist on the Land ("Public Housing Side"), and (ii) construct additional housing units for elderly, disabled, special needs or other population acceptable to the County on a portion of the Land which is currently without improvements ("Additional Housing Side") after HUD's approval of Landlord's disposition application and all applicable mixed-finance agreements and documents. Notwithstanding the preceding sentence, it is understood by the parties that HUD's approval of the Landlord's disposition application and the mixed finance agreements and documents is not a condition precedent to entering into this Lease; to any sublease between Tenant and a sublessee, or a condition precedent to Tenant's obtaining site control of the Premises.

Tenant and Landlord further agree that Tenant may sublease a portion of the Premises as provided in Section 5.7(b) below, prior to the Commencement Date, as defined herein, in order to separate the leasehold estate created hereby into the Public Housing Side and the Additional Housing Side. Notwithstanding any other provision herein, Tenant (or its sublessee, as applicable) shall assume control and liability for the Additional Housing Side when Tenant (or its sublessee, as applicable) closes on its financing for the development and construction of the additional housing units to be constructed there, and Tenant (or its sublessee, as applicable) shall assume control and liability for the Public Housing Side when

Tenant (or its sublessee, as applicable) closes on its financing for the redevelopment or rehabilitation of the 166 Public Housing Units there.

5.1 Use; Covenants.

(a) Tenant covenants, promises and agrees that during the Term of this Lease it shall not devote the Premises or any part thereof to uses other than those consistent with this Lease and the requirements of all applicable documents to be executed between Landlord and Tenant (collectively, the "Landlord/Tenant Documents"). Without limiting the generality of the foregoing sentence, or the duration of the use restrictions applicable during the Term, Tenant covenants, promises and agrees that:

1. Intentionally omitted;
2. Except as otherwise provided in the Act, the Premises (less any portion thereof subleased in accordance with the provisions of Subsection 5.7(b), below, which may be used for special needs affordable housing, as provided therein) shall be maintained and operated under the terms and conditions applicable to public housing, as set forth in the Applicable Public Housing Requirements, during the 20-year period that begins on the latest date on which modernization with public housing capital funds is completed, as required by Section 9(d)(3)(B) of the Act (or any successor provision);
3. Except as otherwise provided in the Act, no portion of the Premises may be disposed of before the expiration of the 10-year period beginning upon the conclusion of the fiscal year for which such amounts were provided, as required by Section 9(e)(3) of the Act (or any successor provision);
4. Neither the Premises, nor any part thereof, may be demolished other than in accordance with the Applicable Public Housing Requirements.

Notwithstanding the foregoing, prior to the Commencement Date, the Tenant agrees that Landlord shall have a continued right of entry onto the Premises for the purposes of the Landlord's continued operation of the Improvements and maintenance of the Property during the period prior to the Commencement Date. Landlord shall, during this period, continue to operate the Improvements in the manner in which Landlord has operated them prior to the Lease Date and shall be responsible for all aspects of maintaining, leasing, operating, insuring and administering the Premises. If, prior to the Commencement Date, the Premises is destroyed or damaged, or becomes subject to a taking by virtue of eminent domain, to any extent whatsoever, Tenant may, in its sole discretion, terminate this Lease by written notice to the Landlord, whereupon neither party hereto shall have any further rights or obligations hereunder

(b) The provisions of this Section 5.1 are intended to create a covenant running with the land and, subject to the terms and benefits of the Public Housing Requirements, to encumber and benefit the Premises and to bind for the Term Landlord and Tenant and each of their successors and assigns and all subsequent owners of the Premises, including, without limitation, any entity which succeeds to Tenant's Interest in the Premises by foreclosure of any Permitted Leasehold Mortgage or Instrument in lieu of foreclosure.

(c) In the event of a conflict between the Public Housing Requirements and this Lease, the Public Housing Requirements shall govern.

5.2 Residential Improvements.

- (a) Tenant shall construct the Improvements on the Land in conformance with the Plans and Specifications. Tenant shall cause the Improvements to be substantially completed and placed in service in accordance with the Landlord/Tenant Documents. Tenant shall construct the Improvements and make such other repairs, renovations and betterments to the Improvements as it may desire (provided that such renovations and betterments do not reduce the number of units or bedroom count at the Premises) all at its sole cost and expense, in accordance with (i) the Landlord/Tenant Documents and (ii) any mortgage encumbering the Tenant's leasehold estate, in a good and workmanlike manner, with new materials and equipment whose quality is at least equal to that of the initial Improvements, and in conformity with all applicable federal, state, and local laws, ordinances and regulations. Tenant shall apply for, prosecute, with reasonable diligence, procure or cause to be procured, all necessary approvals, permits, licenses or other authorizations required by applicable governmental authorities having jurisdiction over the Improvements for the construction and/or rehabilitation, development, zoning, use and occupation of the Improvements, including, without limitation, the laying out, installation, maintenance and replacing of the heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems, fixtures, wires, pipes, conduits, equipment and appliances and water, gas, electric, telephone, drain and other utilities that are customary in developments of this type for use in supplying any such service to and upon the Premises. Landlord shall, without expense to Landlord absent consent therefor, cooperate with Tenant and assist Tenant in obtaining all required licenses, permits, authorizations and the like, and shall sign all papers and documents at any time needed in connection therewith, including without limitation, such instruments as may be required for the laying out, maintaining, repairing, replacing and using of such services or utilities. Any and all buildings, fixtures, improvements, trade fixtures and equipment placed in, on, or upon the Premises shall remain the sole and exclusive property of Tenant and its subtenants, notwithstanding their affixation to, annexation to, or incorporation into the Premises, until the termination of this Lease, at which time title to any such buildings, fixtures, Improvements trade fixtures and equipment that belong to Tenant shall vest in Landlord.
- (b) Tenant shall take no action to effectuate any material amendments, modifications or any other alterations to the Plans and Specifications unless authorized in accordance with the Landlord/Tenant Documents or otherwise approved by Landlord in writing and in advance.

5.3 Tenant's Obligations.

- (a) Tenant shall, at its sole cost and expense, maintain the Premises, reasonable wear and tear excepted, and make repairs, restorations, and replacements to the Improvements, including without limitation the landscaping, irrigation, heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems; structural roof, walls, floors and foundations; and the fixtures and appurtenances as and when needed to preserve them in good working order and condition, and regardless of whether the repairs, restorations, and replacements are ordinary or extraordinary, foreseeable or unforeseeable, capital or non-capital, or the fault or not

30364-0935

12

the fault of Tenant, its agents, employees, invitees, visitors, and contractors. All such repairs, restorations, and replacements will be in quality and class, as elected by Tenant, either equal to or better than the original work or installations and shall be in accordance with all applicable building codes and Applicable Public Housing Requirements.

- (b) Except as may otherwise be approved or deemed approved in accordance with the Governing Documents and all other applicable documents to be executed between Landlord and Tenant, Tenant shall not make any alteration, improvement, or addition to the Premises having a cost greater than \$50,000, or demolish any portion thereof, without first presenting to Landlord complete plans and specifications therefor and obtaining Landlord's written consent thereto, which consent shall not unreasonably be withheld so long as, in Landlord's reasonable judgment such alteration, improvement, addition or demolition will not violate this Lease or impair the value of the Property. Landlord/Tenant Documents.

5.4 Compliance with Law.

- (a) Tenant shall, at its expense, perform all its activities on the Premises in compliance, and shall cause all occupants of any portion thereof to comply, with all applicable laws, ordinances, codes and regulations affecting the Premises or its uses, as the same may be administered by authorized governmental officials.
- (b) Without limitation of the foregoing, but expressly subject to the provisions of Section 5.4, Tenant agrees to fulfill the responsibilities set forth below with respect to environmental matters:
- (c) Tenant shall operate the Premises in compliance with all Environmental Laws applicable to Tenant relative to the Premises and shall identify, secure and maintain all required governmental permits and licenses as may be necessary for the Premises. All required governmental permits and licenses issued to Tenant and associated with the Premises shall remain in effect or shall be renewed in a timely manner, and Tenant shall comply therewith and cause all third parties to comply therewith. All Hazardous Substances present, handled, generated or used on the Premises will be managed, transported and disposed of in a lawful manner. Tenant shall not knowingly permit the Premises or any portion thereof to be a site for the use, generation, treatment, manufacture, storage, disposal or transportation of Hazardous Substances, except in such amounts as are ordinarily used, stored or generated in similar projects, or otherwise knowingly permit the presence of Hazardous Substances in, on or under the Premises in violation of any applicable law.
- (d) Tenant shall promptly provide Landlord with copies of all forms, notices and other information concerning any releases, spills or other incidents relating to Hazardous Substances or any violations of Environmental Laws at or relating to the Premises upon discovery of such releases, spills or incidents, when received by Tenant from any government agency or other third party, or when and as supplied to any government agency or other third party.

5.5 Ownership of Improvements/Surrender of Premises.

#2854329 v2
30364-0935

13

At all times during the Term, Tenant shall be deemed to exclusively own the Improvements and the Personal Property for federal tax purposes, and Tenant alone shall be entitled to all of the tax attributes of ownership thereof, including, without limitation, the right to claim depreciation or cost recovery deductions and the right to claim the low-income housing tax credit described in Section 42 of the Code, with respect to the Improvements and the Personal Property, and Tenant shall have the right to amortize capital costs and to claim any other federal tax benefits attributable to the Improvements and the Personal Property. At the expiration or earlier termination of the Term of this Lease or any portion thereof, Tenant shall peaceably leave, quit and surrender the Premises, and the Improvements thereon (or the portion thereof so terminated), subject to the rights of tenants in possession of residential units under leases with Tenant, provided that such tenants are not in default thereunder and attorn to Landlord as their lessor. Upon such expiration or termination, the Premises (or portion thereof so terminated) shall become the sole property of Landlord at no cost to Landlord and shall be free of all liens and encumbrances and in the condition set forth in Section 5.3 (consistent with prudent and appropriate property management and maintenance during the Term) and, in the event of a casualty, to the provisions of Article VI. Tenant acknowledges and agrees that upon the expiration or sooner termination of this Lease any and all rights and interests it may have either at law or in equity to the Premises shall immediately cease.

5.6 Easements.

Landlord agrees that Landlord shall not unreasonably withhold or delay its consent, and shall join with Tenant from time to time during the Term in the granting of easements affecting the Premises which are for the purpose of providing utility services for the Premises. If any monetary consideration is received by Tenant as a result of the granting of any such easement, such consideration shall be paid to Landlord. As a condition precedent to the exercise by Tenant of any of the powers granted to Tenant in this Section, Tenant shall give notice to Landlord of the action to be taken, shall certify to Landlord, that in Tenant's opinion such action will not adversely affect either the market value of the Premises or the use of the Premises for the Development.

5.7 Transfer; Conveyance; Assignment.

(a) Except as otherwise permitted hereunder, Tenant agrees for itself and its successors and assigns in interest hereunder that it will not, (1) assign this Lease or any of its rights under this Lease as to all or any portion of the Premises generally, or (2) make or permit any voluntary or involuntary total or partial sale, lease, assignment, conveyance, mortgage, pledge, encumbrance or other transfer of any or all of the Premises, or the Improvements, or the occupancy and use thereof, other than in accordance with Applicable Public Housing Requirements and this Lease (including, but not limited to (i) any sale at foreclosure or by the execution of any judgment of any or all of Tenant's rights hereunder, or (ii) any transfer by operation of law), without first obtaining Landlord's express written consent thereto, which shall not be unreasonably withheld.

(b) Tenant shall have the right to enter a sublease of any part of the premises (a "Sublease") to an entity that is affiliated with Tenant, without any approval or consent of Landlord, but shall provide notice thereof to Landlord; however, notwithstanding any other provisions of this Lease, no Sublease shall relieve Tenant of any obligations under the terms of this Lease unless a release is granted by Landlord. Additionally, each Sublease must be

#2854329 v2
30364-0935

for a use compatible with the standards and requirements set forth in this Section 5 or for special needs affordable housing. Tenant must give written notice to Landlord specifying the name and address of any Sublessee to which all notices required by this Lease shall be sent, and a copy of the Sublease. Tenant shall provide Landlord with copies of all Subleases entered into. Landlord agrees to grant Non-Disturbance Agreements for any Sublessee which will provide that in the event of a termination of this Lease which applies to the portion of the Premises covered by such Sublease, due to an Event of Default committed by the Tenant, such Sublessee will not be disturbed and will be allowed to continue peacefully in possession directly under this Lease as the successor tenant, provided that the Sublessee shall be in compliance with the terms and conditions of its Sublease; and the Sublessee shall agree to attorn to Landlord. Landlord further agrees that it will grant such assurances to such Sublessee so long as it remains in compliance with the terms of its Sublease, and provided further that any such Sublease does not extend beyond the expiration of the Term of this Lease.

(c) In the event Tenant's Sublessee is successful in obtaining LIHTC for that portion of the Premises which is subject to the Sublease, but Tenant is not successful in obtaining LIHTC for the portion of the property not subleased and remaining subject to this Lease, Landlord and Tenant agree to modify this Lease so as to make it a direct lease between Landlord and the Sublessee, for the subleased Premises.

ARTICLE VI

CASUALTY AND TAKING

6.1 Casualty.

Casualty Damage. In the event the Premises should be destroyed or damaged by fire, windstorm, or other casualty to the extent that the Premises is rendered unfit for the intended purpose of Tenant (as determined by Tenant in its sole and absolute discretion), Tenant may cancel this Lease, but only after removing any trash and/or debris therefrom, subject to the terms and provisions of any Permitted Leasehold Mortgagee. If the Premises is partially damaged due to any other reason than the causes described immediately above, but the Premises is not rendered unusable for Tenant's purposes (as determined by Tenant in its sole and absolute discretion), subject to the terms and provisions of any Permitted Leasehold Mortgagee, the same shall be repaired by Tenant to the extent Tenant receives sufficient proceeds to complete such repairs from its insurance carrier under its insurance policy. Any such repairs will be completed within a reasonable time after receipt of such proceeds. If the damage to the Premises shall be so extensive as to render it unusable for Tenant's purposes (as determined by Tenant in its sole and absolute discretion) but shall nonetheless be capable of being repaired within One Hundred Twenty (120) days, subject to the terms and provisions of any Permitted Leasehold Mortgagee, the damage shall be repaired with due diligence by Tenant to the extent Tenant receives sufficient proceeds under its insurance policy to complete such repairs. In the event that a nearby structure(s) or improvement(s) is damaged or destroyed due to Tenant's negligence, Tenant shall be solely liable and responsible to repair and/or compensate the owner for such damage or loss.

Notwithstanding anything contained in this Section 6.1, or otherwise in this Lease to the contrary, as long as the Tenant's leasehold interest is encumbered by any Permitted Leasehold Mortgage, this Lease shall not be terminated by Landlord or Tenant in the event that the Premises is partially or totally destroyed, and, in the event of such partial or total destruction, all insurance proceeds from casualty insurance as provided herein shall be paid to and held by the Permitted Leasehold Mortgagee, or an insurance trustee selected by the Permitted Leasehold Mortgagee to be used for the purpose of restoration or repair of the Premises. Permitted Leasehold Mortgagee shall have the right to participate in adjustment of losses as to casualty insurance proceeds and any settlement discussion relating to casualty or condemnation.

6.2 Taking.

- (a) Notice of Taking. Upon receipt by either Landlord or Tenant of any notice of Taking, or the institution of any proceedings for Taking the Premises, or any portion thereof, the party receiving such notice shall promptly give notice thereof to the other, and such other party may also appear in such proceeding and may be represented by an attorney.
- (b) Award. Subject to the terms of the Permitted Leasehold Mortgages (as defined in Section 8.10), the Landlord and the Tenant agree that, in the event of a Taking that does not result in the termination of this Lease pursuant to Section 6.2(c) or 6.2(d), this Lease shall continue in effect as to the remainder of the Premises, and the net amounts owed or paid to the Landlord or pursuant to any agreement with any condemning authority which has been made in settlement of any proceeding relating to a Taking, less any costs and expenses incurred by the Landlord in collecting such award or payment (the "Award") will be disbursed in accordance with Section 6.2(c) or 6.2(d) (as the case may be) to the Landlord and/or Tenant. The Tenant and, to the extent permitted by law, any Permitted Leasehold Mortgagee, shall have the right to participate in negotiations of and to approve any such settlement with a condemning authority (which approval shall not be unreasonably withheld).
- (c) Total Taking. In the event of a permanent Taking of the fee simple interest or title of the Premises, or control of the entire leasehold estate hereunder (a "Total Taking"), this Lease shall thereupon terminate as of the effective date of such Total Taking, without liability or further recourse to the parties, provided that each party shall remain liable for any obligations required to be performed prior to the effective date of such termination and for any other obligations under this Lease which are expressly intended to survive termination. The Taking of any portion of the Improvements, fifteen percent (15%) or more of the then existing parking area, the loss of the rights of ingress and egress as then established or the loss of rights to use the Easement, shall be, at Tenant's election, but not exclusively considered, such a substantial taking as would render the use of the Property not suitable for Tenant's use. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant, the loss of Tenant's leasehold estate and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning

#2854329 v2
30364-0935

authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

- (d) Partial Taking. In the event of a permanent Taking of less than all of the Premises (a "Partial Taking"), if Tenant reasonably determines that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot reasonably be made to be economically viable, structurally sound, then Tenant may terminate this Lease, and the Tenant's portion of the Award shall be paid to Tenant, provided that any and all obligations of Tenant have been fully and completely complied with by Tenant as of the date of said Partial Taking. If Tenant shall not elect to terminate this Lease, Tenant shall be entitled to a reduction of rent of such amount as shall be just and equitable. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking and the Tenant does not terminate this Lease, the Tenant shall be entitled to receive and retain an equitable portion of the Award and shall apply such portion of the Award necessary to repair or restore the Premises or the Improvements as nearly as possible to the condition the Premises or the Improvements were in immediately prior to such Partial Taking. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking which affects the use of the Premises after the term hereof, the Award shall be apportioned between the Tenant and the Landlord based on the ratio of the remaining term hereof and the remaining expected useful life of the Premises following the term hereof. Subject to the terms of the Permitted Leasehold Mortgages, notwithstanding any provision herein to the contrary, the Landlord shall be entitled to receive and retain any portion of the Award apportioned to the land upon which the Improvements are located. Should such award be insufficient to accomplish the restoration, such additional costs shall be paid by Tenant. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.
- (e) Resolution of Disagreements. Should Landlord and Tenant be unable to agree as to the division of any singular award or the amount of any reduction of rents and other charges payable by Tenant under the Lease, such dispute shall be submitted for resolution to the court exercising jurisdiction of the condemnation proceedings, each party bearing its respective costs for such determination. Landlord shall not agree to any settlement in lieu of condemnation with the condemning authority without Tenant's consent.
- (f) No Existing Condemnation. Landlord represents and warrants that as of the Commencement Date it has no actual or constructive knowledge of any proposed condemnation of any part of the Premises. In the event that subsequent to the Effective Date, but prior to the Commencement Date, a total or partial condemnation either permanent or temporary, is proposed by any competent authority, Tenant shall be under no obligation to commence or continue construction of the building and other improvements and rent and other charges, if any, payable by Tenant under the Lease shall abate until such time as it can be reasonably ascertained that the

Premises shall not be so affected. In the event the Premises is so affected, Tenant shall be entitled to all rights, damages and awards pursuant to the appropriate provisions of this Lease.

6.3 Termination upon Non-Restoration.

Following a Partial Taking, if a decision is made pursuant to this Article VI that the remaining portion of the Premises is not to be restored, and Tenant shall have determined that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot be made economically viable or structurally sound, Tenant shall surrender the entire remaining portion of the Premises to Landlord and this Lease shall thereupon be terminated without liability or further recourse to the parties hereto, provided that any Rent, impositions and other amounts payable or obligations hereunder owed by Tenant to Landlord as of the date of the Partial Taking shall be paid in full.

6.4 Conflict with ACC.

In the event of a conflict between any of the provisions of this Article VI and the provisions of the ACC, as amended by the ACC Amendment, the ACC and the ACC Amendment shall govern.

ARTICLE VII

CONDITION OF PREMISES

7.1 Condition; Title. The Premises are demised and let in an "as is" condition as of the Commencement Date. The Premises are demised and let to Tenant subject to: As-Is. Notwithstanding anything to the contrary contained herein, upon Tenant taking possession of the Premises, Tenant shall be deemed to have accepted the Premises in its "as-is" and "where-is" condition, with any and all faults, and with the understanding that the Landlord has not offered any implied or expressed warranty as to the condition of the Premises and/or as to it being fit for any particular purpose, provided, however, that the foregoing shall not in any way limit, affect, modify or otherwise impact any of Landlord's representations, warranties and/or obligations contained in this Lease.

Tenant shall, within 20 days following the Commencement Date, obtain a title commitment to insure Tenant's leasehold interest in the Premises. Tenant shall advise Landlord as to any title matters that Tenant deems objectionable and Landlord may, in its sole discretion, take the steps necessary to cause such objectionable matters to be removed from the title commitment. If Landlord elects not to take such steps, it will so advise Tenant within 20 days of receipt of Tenant's notice, and Tenant shall thereafter have the right to terminate this Lease or to proceed notwithstanding the objectionable title matters.

7.2 No Encumbrances. Landlord covenants that Landlord has full right and lawful authority to enter into this Lease in accordance with the terms hereof and to grant the estate demised hereby. Landlord represents and warrants that there are no existing mortgages, deeds of trust, easements, liens, security interests, encumbrances and/or

#2854329 v2
30364-0935

18

restrictions encumbering Landlord's fee interest in the Land other than those matters identified on Exhibit B attached hereto (the "Permitted Encumbrances"). Other than as affected by the Permitted Encumbrances, Landlord's fee interest shall not hereafter be subordinated to, or made subject to, any mortgage, deed of trust, easement, lien, security interest, encumbrance and/or restriction except for an encumbrance that expressly provides that it is and shall remain subject and subordinate at all times in lien, operation and otherwise to this Lease and to all renewals, modifications, amendments, consolidations and replacements hereof (including new leases entered into pursuant to the terms hereof and extensions). Landlord covenants that it will not encumber or lien the title of the Premises or cause or permit said title to be encumbered or liened in any manner whatsoever, and Tenant may reduce or discharge any such encumbrance or lien by payment or otherwise at any time after giving thirty (30) days' written notice thereof to Landlord. Tenant may recover or recoup all costs and expenses thereof from Landlord if the Landlord fails to discharge any such encumbrance within the said thirty (30) day period. Such recovery or recoupment may, in addition to all other remedies, be made by setting off against the amount of Rent payable by Tenant hereunder. Landlord and Tenant agree to work cooperatively together to create such easements and rights of way as may be necessary or appropriate for the Premises.

7.3 Landlord's Title and Quiet Enjoyment. Landlord represents and warrants that Landlord is seized in fee simple title to the Premises, free and clear and unencumbered, other than as affected by the Permitted Encumbrances. Landlord covenants that, so long as Tenant pays rent and performs the covenants herein contained on its part to be paid and performed, Tenant will have lawful, quiet and peaceful possession and occupancy of the Premises and all other rights and benefits accruing to Tenant under the Lease throughout the Term, without hindrance or molestation by or on the part of Landlord or anyone claiming through Landlord. Landlord further represents and warrants that it has good right, full power and lawful authority to enter into this Lease. Tenant shall have the right to order a title insurance commitment on the Premises. In the event the title insurance commitment shall reflect encumbrances or other conditions not acceptable to Tenant ("Defects"), then, Landlord, upon notification of the Defects, shall immediately and diligently proceed to cure same and shall have a reasonable time within which to cure the Defects. If, after the exercise of all reasonable diligence, Landlord is unable to clear the Defects, then Tenant may accept the Defects or Tenant may terminate the Lease and the parties shall be released from further liability, so long as Tenant is not in default hereunder beyond any grace period applicable thereto, Tenant's possession of the Premises will not be disturbed by Landlord, its successors and assigns.

7.4 Notwithstanding Section 7.3 above, Landlord and its agents, upon reasonable prior notice to Tenant, shall have the right to enter the Premises for purposes of reasonable inspections performed during reasonable business hours in order to assure compliance by Tenant with its obligations under this Lease.

ARTICLE VIII

DEFAULTS AND TERMINATION

8.1 Default.

The occurrence of any of the following events shall constitute an event of default (***Event of Default***) hereunder:

- (a) if Tenant fails to pay when due any Rent or other impositions due hereunder pursuant to Article III (except where such failure is addressed by another event described in this Section 8.1 as to which lesser notice and grace periods are provided), and any such default shall continue for thirty (30) days after the receipt of written notice thereof by Tenant from Landlord; or
- (b) if Tenant fails in any material respect to observe or perform any covenant, condition, agreement or obligation hereunder not addressed by any other event described in this Section 8.1, and shall fail to cure, correct or remedy such failure within thirty (30) days after the receipt of written notice thereof, unless such failure cannot be cured by the payment of money and cannot with due diligence be cured within a period of thirty (30) days, in which case such failure shall not be deemed to continue if Tenant proceeds promptly and with due diligence to cure the failure and diligently completes the curing thereof within a reasonable period of time; provided, however, that for such time as Landlord or its affiliate is the management agent retained by Tenant, Tenant shall not be in default hereunder due to actions or inactions taken by Landlord or its affiliate in its capacity as the management agent; or
- (c) If any representation or warranty of Tenant set forth in this Lease, in any certificate delivered pursuant hereto, or in any notice, certificate, demand, submittal or request delivered to Landlord by Tenant pursuant to this Lease shall prove to be incorrect in any material and adverse respect as of the time when the same shall have been made and the same shall not have been remedied to the reasonable satisfaction of Landlord within thirty (30) days after notice from Landlord; or
- (d) if Tenant shall be adjudicated bankrupt or be declared insolvent under the Federal Bankruptcy Code or any other federal or state law (as now or hereafter in effect) relating to bankruptcy, insolvency, reorganization, winding-up or adjustment of debts (collectively called ***Bankruptcy Laws***), or if Tenant shall (a) apply for or consent to the appointment of, or the taking of possession by, any receiver, custodian, trustee, United States Trustee or Tenant or liquidator (or other similar official) of Tenant or of any substantial portion of Tenant's property; (b) admit in writing its inability to pay its debts generally as they become due; (c) make a general assignment for the benefit of its creditors; (d) file a petition commencing a voluntary case under or seeking to take advantage of a Bankruptcy Law; or (e) fail to controvert in a timely and appropriate manner, or in writing acquiesce to, any petition

commencing an involuntary case against Tenant pursuant to any bankruptcy law; or

- (e) if an order for relief against Tenant shall be entered in any involuntary case under the Federal Bankruptcy Code or any similar order against Tenant shall be entered pursuant to any other Bankruptcy Law, or if a petition commencing an involuntary case against Tenant or proposing the reorganization of Tenant under the Federal Bankruptcy Code shall be filed in and approved by any court of competent jurisdiction and not be discharged or denied within ninety (90) days after such filing, or if a proceeding or case shall be commenced in any court of competent jurisdiction seeking (a) the liquidation, reorganization, dissolution, winding-up or adjustment of debts of Tenant, (b) the appointment of a receiver, custodian, trustee, United States Trustee or liquidator (or other similar official of Tenant) of any substantial portion of Tenant's property, or (c) any similar relief as to Tenant pursuant to Bankruptcy Law, and any such proceeding or case shall continue undismissed, or any order, judgment or decree approving or ordering any of the foregoing shall be entered and continued unstayed and in effect for ninety (90) days; or
- (f) Tenant vacates or abandons the Premises or any substantial part thereof for a period of more than thirty (30) consecutive days (or, if applicable, such longer period as may be permitted in accordance with Section 6.1 or 6.2); or
- (g) This Lease, the Premises or any part thereof are taken upon execution or by other process of law directed against Tenant, or are taken upon or subjected to any attachment by any creditor of Tenant or claimant against Tenant, and such attachment is not stayed or discharged within ninety (90) days after its levy; or
- (h) Tenant makes any sale, conveyance, assignment or transfer in violation of this Lease.

8.2 Remedies for Tenant's Default.

Upon or after the occurrence of any Event of Default which is not cured within any applicable cure period, and so long as same remains uncured, Landlord may terminate this Lease by providing not less than thirty (30) days' written notice (which notice may be contemporaneous with any notice provided under Section 8.1) to Tenant, setting forth Tenant's uncured, continuing default and Landlord's intent to exercise its rights to terminate, whereupon this Lease shall terminate on the termination date therein set forth unless Tenant's default has been cured before such termination date. Upon such termination, Tenant's interest in the Premises shall automatically revert to Landlord, Tenant shall promptly quit and surrender the Premises to Landlord, without cost to Landlord, and Landlord may, without demand and further notice, reenter and take possession of the Premises, or any part thereof, and repossess the same as Landlord's former estate by summary proceedings, ejectment or otherwise without being deemed guilty of any manner of trespass and without prejudice to any remedies which Landlord might otherwise have for arrearages of Rent or other Impositions hereunder or for a prior breach of the provisions of this Lease. The obligations of Tenant under this Lease which arose prior to termination shall survive such termination.

8.3 Termination. Termination by Landlord: The occurrence of any of the following shall give Landlord the right to terminate this Lease upon the terms and conditions set forth below

8.4 Automatic Termination:

- (a) Tenant fails to cause the Commencement Date to occur within eleven (11) months following the Lease Date.
- (b) Landlord and Tenant fail to obtain the final approval of this Lease by the Miami-Dade Board of County Commissioners, which shall be within the Board's sole discretion.
- (c) Institution of proceedings in voluntary bankruptcy by the Tenant
- (d) Institution of proceedings in involuntary bankruptcy against the Tenant if such proceedings continue for a period of Ninety (90) days or more.
 - (i) Assignment of Lease by Tenant for the benefit of creditors.
 - (ii) A final determination of termination of this Lease in a court of law in favor of the Landlord in litigation instituted by the Tenant against the Landlord, or brought by the Landlord against Tenant.

8.5 Life/Safety Issues. Tenant must cure within thirty (30) calendar days (or such longer period if the default is not capable of being cured in such 30 day period) after Tenant's receipt of written notice from Landlord, a condition posing a threat to health or safety of the public or patrons. Notwithstanding the 30-day period to cure, Tenant shall assess the condition that poses a threat to the health or safety of the public or patrons and determine if immediate action shall be taken by Tenant to cure the health and safety issue. Tenant shall

maintain an accurate record of, and promptly report to the Landlord, all accidents or incidents resulting in the exposure of persons to toxic substances, hazardous materials or hazardous operations; the injury or death of any person; or damage to property incidental to work performed under the Agreement and all violations for which the Tenant has been cited by any federal, State or local regulatory/enforcement agency. The report shall include a copy of the notice of violation and the findings of any inquiry or inspection, and an analysis addressing the impact these violations may have on the work remaining to be performed. The report shall also state the required action(s), if any, to be taken to correct any violation(s) noted by the federal, State or local regulatory/enforcement agency and the time frame allowed by the agency to accomplish the necessary corrective action.

8.6 Remedies Following Termination. Upon termination of this Lease, Landlord may:

- (a) retain, at the time of such termination, any Rent or other impositions paid hereunder, without any deduction, offset or recoupment whatsoever; and
- (b) enforce its rights under any bond outstanding at the time of such termination; and
- (c) require Tenant to deliver to Landlord, or otherwise effectively transfer to Landlord any and all governmental approvals and permits, and any and all rights of possession, ownership or control Tenant may have in and to, any and all financing arrangements, plans, specifications, and other technical documents or materials related to the Premises.

8.7 Regulatory Default.

Notwithstanding anything herein to the contrary, the following shall apply to any default declared as a result of any failure by Tenant to comply with the provisions of Section 8.1:

- (a) Upon a determination by Landlord that Tenant has materially breached or defaulted on any of the obligations under Section 8.1 (a **Regulatory Default**), Landlord shall notify Tenant of (i) the nature of the Regulatory Default, (ii) the actions required to be taken by Tenant in order to cure the Regulatory Default, and (iii) the time, (a minimum of sixty (60) days or such additional time period as may be reasonable under the circumstances), within which Tenant shall respond with reasonable evidence to Landlord that all such required actions have been taken.
- (b) If Tenant shall have failed to respond or take the appropriate corrective action with respect to a Regulatory Default to the reasonable satisfaction of Landlord within the applicable time period, then Landlord shall have the right to terminate the Lease or seek other legal or equitable remedies as Landlord determines in its sole discretion; provided, however, that if prior to the end of the applicable time period, Tenant seeks a declaratory judgment or other order from a court having jurisdiction that Tenant shall not have incurred a Regulatory Default, Landlord shall not terminate this Lease during the pendency of such action.
- (c) In addition to and not in limitation of the foregoing, if Landlord shall determine that a Regulatory Default shall have occurred by reason of a default by Tenant's

#2854329 v2
30364-0935

management agent, and that Tenant shall have failed to respond or take corrective action to the reasonable satisfaction of Landlord within the applicable cure period, then Landlord may require Tenant to take such actions as are necessary in order to terminate the appointment of the management agent pursuant to the terms of its management agreement and to appoint a successor management agent of the Premises.

8.8 Performance by Landlord.

If Tenant shall fail to make any payment or perform any act required under this Lease, Landlord may (but need not) after giving not less than thirty (30) (except in case of emergencies and except where a shorter time period is specified elsewhere in this Lease) days' notice to Tenant and without waiving any default or releasing Tenant from any obligations, cure such default for the account of Tenant. Tenant shall promptly pay Landlord the amount of such charges, costs and expenses as Landlord shall have incurred in curing such default.

(a) Costs and Damages. Tenant shall be liable to, and shall reimburse, Landlord for any and all actual reasonable expenditures incurred and for any and all actual damages suffered by Landlord in connection with any Event of Default, collection of Rent or other impositions owed under this Lease, the remedying of any default under this Lease or any termination of this Lease, unless such termination is caused by the default of Landlord, including all costs, claims, losses, liabilities, damages and expenses (including without limitation, reasonable attorneys' fees and costs) incurred by Landlord as a result thereof.

(b) Remedies Cumulative. The absence in this Lease of any enumeration of events of default by Landlord or remedies of either party with respect to money damages or specific performance shall not constitute a waiver by either party of its right to assert any claim or remedy available to it under law or in equity.

8.9 Permitted Leasehold Mortgages.

Neither the Tenant nor any permitted successor in interest to the Premises or any part thereof shall, without the prior written consent of the Landlord in each instance, engage in any financing or any other transaction creating any mortgage or other encumbrance or lien upon the Premises, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Premises, except for the encumbrances set forth on Exhibit B hereto (the "**Permitted Encumbrances**") and the leasehold mortgages securing the loans which will be obtained by Tenant for renovation of the Improvements and closed on or about the Commencement Date (the "**Permitted Leasehold Mortgages**"). With respect to the Permitted Leasehold Mortgages, the following provisions shall apply:

(a) When giving notice to the Tenant with respect to any default under the provisions of this Lease, the Landlord will also send a copy of such notice to the holder of each Permitted Leasehold Mortgage (each a "**Permitted Leasehold Mortgagee**"), provided that each such Permitted Leasehold Mortgagee shall have delivered to the Landlord in writing a notice naming itself as the holder of a Permitted Leasehold Mortgage and

registering the name and post office address to which all notices and other communications to it may be addressed.

(b) Each Permitted Leasehold Mortgagee shall be permitted, but not obligated, to cure any default by the Tenant under this Lease within the same period of time specified for the Tenant to cure such default. The Tenant authorizes each Permitted Leasehold Mortgagee to take any such action at such Permitted Leasehold Mortgagee's option and does hereby authorize entry upon the Premises for such purpose.

(c) The Landlord agrees to accept payment or performance by any Permitted Leasehold Mortgagee as though the same had been done by the Tenant.

(d) In the case of a default by the Tenant other than in the payment of money, and provided that a Permitted Leasehold Mortgagee has commenced to cure the default and is proceeding with due diligence to cure the default, the Landlord will refrain from terminating this Lease for a reasonable period of time (not to exceed 120 days from the date of the notice of default, unless (i) such cure cannot reasonably be completed within 120 days from the date of the notice of default, and (ii) a Permitted Leasehold Mortgagee continues to diligently pursue such cure to the reasonable satisfaction of the Landlord) within which time the Permitted Leasehold Mortgagee may either (i) obtain possession of the Premises (including possession by receiver); (ii) institute foreclosure proceedings and complete such foreclosure; or (iii) otherwise acquire the Tenant's interest under this Lease. The Permitted Leasehold Mortgagee shall not be required to continue such possession or continue such foreclosure proceedings if the default which was the subject of the notice shall have been cured. Notwithstanding the foregoing, the Landlord will refrain from terminating this Lease in the event such Permitted Leasehold Mortgagee is enjoined or stayed in such possession or such foreclosure proceedings, and provided that the Permitted Leasehold Mortgagee has delivered to Landlord copies of any and all orders enjoining or staying such action, Landlord will grant such Permitted Leasehold Mortgagee such additional time as is required for such Permitted Leasehold Mortgagee to complete steps to acquire or sell Tenant's leasehold estate and interest in this Lease by foreclosure of its Permitted Leasehold Mortgage or by other appropriate means with due diligence; however, nothing in this Section shall be construed to extend this Lease beyond the Term.

(e) Any Permitted Leasehold Mortgagee or other acquirer of Tenant's leasehold estate and interest in this Lease pursuant to foreclosure, an assignment in lieu of foreclosure or other proceedings, any of which are permitted without the Landlord's consent, may, upon acquiring the Tenant's leasehold estate and interest in this Lease, without further consent of the Landlord and without HUD's consent, sell and assign the leasehold estate and interest in this Lease on such terms and to such persons and organizations as are acceptable to such Permitted Leasehold Mortgagee or acquirer and thereafter be relieved of all obligations under this Lease, provided such assignee has delivered to the Landlord its written agreement to be bound by all of the provisions of this Lease. Permitted Leasehold Mortgagee, or its nominee or designee, shall also have the right to further assign, sublease or sublet all or any part of the leasehold interest hereunder to a third party without the consent or approval of Landlord.

(f) In the event of a termination of this Lease prior to its stated expiration date, the Landlord will enter into a new lease for the Premises with the Permitted Leasehold Mortgagee (or its nominee), for the remainder of the term, effective as of the date of such

#2854329 v2

25

termination, at the same Rent payment and subject to the same covenants and agreements, terms, provisions, and limitations herein contained, provided that:

(1) The Landlord receives the Permitted Leasehold Mortgagee's written request for such new lease within 30 days from the date of such termination and notice thereof by the Landlord to the Permitted Leasehold Mortgagee (including an itemization of amounts then due and owing to the Landlord under this Lease), and such written request is accompanied by payment to the Landlord of all amounts then due and owing to Landlord under this Lease and, within 10 days after the delivery of an accounting therefor by the Landlord, pays any and all costs and expenses incurred by the Landlord in connection with the execution and delivery of the new lease, less the net income collected by the Landlord from the Premises subsequent to the date of termination of this Lease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the Rent payment thereafter becoming due under the new lease, provided, however, that the Permitted Leasehold Mortgagee shall receive full credit for all capitalized lease and Rent payments previously delivered by the Tenant to the Landlord; and

(2) Upon the execution and delivery of the new lease at the time payment is made in (1) above, all subleases which thereafter may have been assigned and transferred to the Landlord shall thereupon be assigned and transferred without recourse by the Landlord to the Permitted Leasehold Mortgagee (or its nominee), as the new Tenant.

(3) If a Permitted Leasehold Mortgagee acquires the leasehold estate created hereunder or otherwise acquires possession of the Premises pursuant to available legal remedies, Landlord will look to such holder to perform the obligations of Tenant hereunder only from and after the date of foreclosure or possession and will not hold such holder responsible for the past actions or inactions of the prior Tenant. Permitted Leasehold Mortgagee's liability shall be limited to the value of such Permitted Leasehold Mortgagee's interest in this Lease and in the leasehold estate created thereby.

Notwithstanding the foregoing and to the extent permitted by Section 42 of the Code, the deadline to complete construction of the Improvements set forth in Article V shall be extended for such period of time as may be reasonably required by the Permitted Leasehold Mortgagee or its nominee to complete construction.

8.10 HUD's Rights on Event of Default.

- a. Tenant shall give HUD a copy of all notices of default or other notices that Tenant may give to or serve in writing upon Landlord pursuant to the terms of this Lease. No notice by Tenant to Landlord under this Lease shall be effective unless a copy of such notice has been provided to HUD.

- b. HUD, at its option, may pay any amount or do any act or thing required of Landlord by the terms of this Lease. All payments made and all acts performed by HUD shall be as if they had been performed by Landlord.
- c. Upon the occurrence of an Event of Default that also constitutes a substantial default under the ACC, HUD may: (1) require Landlord to convey to HUD its fee simple interest in the Premises, and ensure Tenant's conveyance to HUD of its leasehold interest in the Premises, if, in HUD's determination (which determination shall be final and conclusive), such conveyance of title is necessary to achieve the purposes of the Act; or (2) require Tenant to deliver possession and control of the Premises to HUD; or (3) exercise any other right or remedy existing under applicable law, or available at equity. HUD's exercise or non-exercise of any right or remedy under the ACC shall not be construed as a waiver of HUD's right to exercise that or any other right or remedy at any time.
- d. If HUD acquires title to, or possession of, the Premises, HUD shall reconvey, or redeliver possession of, the Premises to Landlord and Tenant in accordance with their respective interests in the Premises: (i) upon a determination by HUD that the substantial default under the ACC has been cured and that the Premises will thereafter be operated in accordance with the terms of the ACC; or (ii) after the termination of HUD's obligation to make annual contributions available, unless there are any obligations or covenants of Landlord to HUD that are then in default.
- e. During the Term of this Lease, and so long as Tenant shall not be in default of its obligations hereunder, HUD agrees that in the event of a substantial default by Landlord under the ACC, HUD shall exercise any remedies or sanctions authorized under the ACC, including taking possession of Landlord's interest in the Premises, in such a manner as not to disturb Tenant's rights under this Lease or any other agreement between Landlord and Tenant.

ARTICLE IX

SOVEREIGNTY AND POLICE POWERS

9.1 County as Sovereign

It is expressly understood that notwithstanding any provision of this Lease and the Landlord's status thereunder:

- (a) The Landlord retains all of its sovereign prerogatives and rights as a county under Florida laws and shall in no way be estopped from withholding or refusing to issue any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and regulations of whatever nature applicable to the planning, design, construction and development of the Premises or the operation thereof, or be liable for the same; and

- (b) The Landlord shall not by virtue of this Lease be obligated to grant the Tenant any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and ordinances of whatever nature applicable to the planning, design, construction, development and/or operation of the Premises.

9.2 No Liability for Exercise of Police Power

Notwithstanding and prevailing over any contrary provision in this Lease, or any Landlord covenant or obligation that may be contained in this Lease, or any implied or perceived duty or obligation including but not limited to the following:

- (i) To cooperate with, or provide good faith, diligent, reasonable or other similar efforts to assist the Tenant, regardless of the purpose required for such cooperation;
- (ii) To execute documents or give approvals, regardless of the purpose required for such execution or approvals;
- (iii) To apply for or assist the Tenant in applying for any county, city or third party permit or needed approval; or
- (iv) To contest, defend against, or assist the Tenant in contesting or defending against any challenge of any nature;

shall not bind the Board of County Commissioners, the Planning and Zoning Department, DERM, the Property Appraiser or any other county, city, federal or state department or authority, committee or agency to grant or leave in effect any tax exemptions, zoning changes, variances, permits, waivers, contract amendments, or any other approvals that may be granted, withheld or revoked in the discretion of the Landlord or any other applicable governmental agencies in the exercise of its police power; and the Landlord shall be released and held harmless, by the Tenant from and against any liability, responsibility, claims, consequential or other damages, or losses to the Tenant or to any third parties resulting from denial, withholding or revocation (in whole or in part) of any zoning or other changes, variances, permits, waivers, amendments, or approvals of any kind or nature whatsoever. Without limiting the foregoing, the parties recognize that the approval of any building permit and/or certificate of occupancy or tax exemption will require the Landlord to exercise its quasi-judicial or police powers. Notwithstanding any other provision of this Lease, the Landlord shall have no obligation to approve, in whole or in part, any application for any type of tax exemption, permit, license, zoning or any other type of matter requiring government approval or waiver. The Landlord's obligation to use reasonable good faith efforts in the permitting of the use of County-owned property shall not extend to any exercise of quasi-judicial or police powers, and shall be limited solely to ministerial actions, including the timely acceptance and processing of any requests or inquiries by Tenant as authorized by this Lease. Moreover, in no event shall a failure of the Landlord to adopt any of the Tenant's request or application for any type of permit, license, zoning or any other type of matter requiring government approval or waiver be construed a breach or default of this Lease.

ARTICLE X

MISCELLANEOUS

10.1 Construction.

Landlord and Tenant agree that all the provisions hereof are to be construed as covenants and agreements as though the words importing such covenants and agreements were used in each separate section thereof.

10.2 Performance Under Protest.

In the event of a dispute or difference between Landlord and Tenant as to any obligation which either may assert the other is obligated to perform or do, then the party against whom such obligation is asserted shall have the right and privilege to carry out and perform the obligation so asserted against it without being considered a volunteer or deemed to have admitted the correctness of the claim, and shall have the right to bring an appropriate action at law, equity or otherwise against the other for the recovery of any sums expended in the performance thereof and in any such action, the successful party shall be entitled to recover in addition to all other recoveries such reasonable attorneys' fees as may be awarded by the Court.

10.3 No Waiver.

Failure of either party to complain of any act or omission on the part of the other party, no matter how long the same may continue, shall not be deemed to be a waiver by said party of any of its rights hereunder. No waiver by either party at any time, express or implied, of any breach of any other provision of this Lease shall be deemed a waiver of a breach of any other provision of this Lease or a consent to any subsequent breach of the same or any other provision. If any action by either party shall require the consent or approval of the other party, the other party's consent to or approval of such action on any one occasion shall not be deemed a consent to or approval of said action on any subsequent occasion. Any and all rights and remedies which either party may have under this Lease or by operation of law, either at law or in equity, upon any breach, shall be distinct, separate and cumulative and shall not be deemed inconsistent with each other; and no one of them whether exercised by said party or not, shall be deemed to be in exclusion of any other; and two or more or all of such rights and remedies may be exercised at the same time.

10.4 Headings.

The headings used for the various articles and sections of this Lease are used only as a matter of convenience for reference, and are not to be construed as part of this Lease or to be used in determining the intent of the parties of this Lease.

10.5 Partial Invalidity.

If any terms, covenant, provision or condition of this Lease or the application thereof to any person or circumstances shall be declared invalid or unenforceable by the final ruling of a court of competent jurisdiction having final review, the remaining terms, covenants, provisions and conditions of this Lease and their application to persons or circumstances shall not be affected thereby and shall continue to be enforced and recognized as valid agreements of the parties, and in the place of such invalid or unenforceable provision there shall be substituted a like, but valid and enforceable, provision which comports to the findings of the aforesaid court and most nearly accomplishes the original intention of the parties.

10.6 Decision Standards.

In any approval, consent or other determination by any party required under any provision of this Lease, the party shall act reasonably, in good faith and in a timely manner, unless a different standard is explicitly stated.

10.7 Bind and Inure.

Unless repugnant to the context, the words **Landlord** and **Tenant** shall be construed to mean the original parties, their respective successors and assigns and those claiming through or under them respectively. The agreements and conditions in this Lease contained on the part of Tenant to be performed and observed shall be binding upon Tenant and its successors and assigns and shall inure to the benefit of Landlord and its successors and assigns, and the agreements and conditions in this Lease contained on the part of Landlord to be performed and observed shall be binding upon Landlord and its successors and assigns and shall inure to the benefit of Tenant and its successors and assigns. No holder of a mortgage of the leasehold interest hereunder shall be deemed to be the holder of said leasehold estate until such holder shall have acquired indefeasible title to said leasehold estate.

10.8 Estoppel Certificate.

Any dispute arising from this Lease or the contractual relationship between the Parties shall be governed by Florida law, and shall be decided solely and exclusively by State or Federal courts located in Miami-Dade County, Florida.

ARTICLE XI

RIGHT OF FIRST OFFER; RIGHT OF FIRST REFUSAL

11.1 Landlord's Intent to Market Premises.

If Landlord, in its sole discretion (but subject to any applicable HUD requirements relating to disposition and State laws relating to the sale or conveyance of County-owned property), decides to sell its interest in the Premises, then, prior to marketing the Premises, Landlord shall give written notice of such intent to Tenant setting forth the terms and conditions on which Landlord desires to sell the Premises (**Sales Notice**). Tenant shall have sixty (60) days thereafter within which to notify Landlord of its intent to purchase the Premises offered for sale upon such terms and conditions as are set forth in the Sales Notice. If such Sales Notice is timely given, the Closing shall be ninety (90) days after the date of the Sales Notice. The status of title to be delivered and the instruments to be executed pursuant thereto shall be as stated in the Sales Notice and the amount of earnest money that Tenant shall be required to deposit with the notification of intent to purchase by matching the offer shall be as stated in the Sales Notice. Failure of Tenant to so notify Landlord in a timely manner shall be deemed an election not to purchase. In the event Tenant does not so timely notify Landlord of its intent to purchase the offered property upon the terms and conditions stated in the Sales Notice, Landlord shall be free to market such property on its own or through a broker and thereafter may sell the property, subject to all of the terms and conditions of the Lease and any applicable requirements of HUD or any other legal requirements; provided that Landlord may not sell the Premises on terms and conditions that are materially different from those contained in any Sales Notice received by Tenant without first offering Tenant the opportunity once again to purchase the Premises in accordance with this Section 11.1 upon such materially different terms and conditions upon which Landlord bases its offer of sale.

11.2 Right of First Refusal.

If Landlord is not marketing the Premises as provided in Section 11.1 above, but receives a written offer in acceptable form from an unrelated third party that Landlord is willing to accept for the purchase of the Premises (a **Sales Offer**), Landlord shall notify Tenant of the terms and conditions of such Sales Offer. Tenant shall then have sixty (60) days within which to notify Landlord of its intent to purchase the Premises by matching said Sales Offer and, in the event of such timely response, the closing of the purchase and sale of the Premises shall be in accordance with the terms of such Sales Offer. In the event that timely notice is not given by Tenant to Landlord, Tenant shall be deemed to have elected not to match said Sales Offer, and Landlord shall be free to sell the Premises to such third party on the terms and conditions set forth in the Sales Offer, subject, however, to all terms and conditions of this Lease and any applicable requirements of HUD or any other legal requirements. If Landlord fails to sell the Premises to such third party for an aggregate

sales price not less than ninety-five percent (95%) of the sales price set forth in the Sales Offer and otherwise in accordance with the terms of the Sales Offer within one hundred and eighty (180) days after Landlord is entitled to sell the Premises to such third party, the right of first refusal created in this Section 11.2 shall be revived and again shall be enforceable.

11.3. **Mortgagee Rights.** Tenant's rights with respect to any option to purchase the Premises as set forth in this Section 11 shall be assignable to and may be exercised by any Permitted Leasehold Mortgagee which succeeds in interest to the Tenant, without requiring any consent or approval by Landlord.

ARTICLE XII

DEFAULTS; REMEDIES

12.1 Defaults. Notwithstanding anything to the contrary contained in the Lease, at any time that Landlord or any affiliate of Landlord is a member of Tenant or owns a controlling interest in a member of Tenant, an Event of Default or a Regulatory Default shall not have occurred if the action or inaction that otherwise would constitute an Event of Default or a Regulatory Default was caused by the actions or inactions of Landlord or its affiliate in its capacity as a direct or indirect member of Tenant.

12.2 Remedies.

(a) Notwithstanding anything to the contrary contained in the Lease, in the event Landlord exercises its remedies pursuant to Article VIII and terminates this Lease, Tenant may, within 90 days following such termination reinstate this Lease for the balance of the Term by paying to Landlord an amount equal to the actual damages incurred by Landlord as a result of the breach that resulted in such termination and any actual costs or expenses incurred by Landlord as a result of such reinstatement of this Lease.

(b) Notwithstanding anything to the contrary contained in the Lease, Landlord shall not exercise any of its remedies hereunder without having given notice of the Event of Default or other breach or default to the Investor Member of Tenant (following the admission of the Investor Member) simultaneously with the giving of notice to Tenant as required under the provisions of Article VIII of the Lease. The Investor Member shall have the same cure period after the giving of a notice as provided to Tenant, plus an additional period of 60 days. If the Investor Member elects to cure the Event of Default or other breach or default, Landlord agrees to accept such performance as though the same had been done or performed by Tenant.

(c) Notwithstanding anything to the contrary contained in the Lease, following the admission of the Investor Member, the Investor Member shall be deemed a third-party beneficiary of the provisions of this Section for the sole and exclusive purpose of entitling the Investor Member to exercise its rights to notice and cure, as expressly stated herein. The foregoing right of the Investor Member to be a third-party beneficiary under the Lease shall be the only right of Investor Member (express or implied) to be a third-party beneficiary hereunder.

(d) Notwithstanding anything to the contrary contained in the Lease, Landlord agrees that it will take no action to effect a termination of the Lease by reason of any Event of Default or any other breach or default (i) at any time that Landlord or its affiliate is a member of Tenant or owns a controlling interest in a member of Tenant or (ii), if Landlord or its affiliate is not a member of Tenant and does not own a controlling interest in a member of Tenant, without first giving to the Investor Member reasonable time, not to exceed 60 days, to replace Tenant's managing member and/or admit an additional managing member and cause the new managing member to cure the Event of Default or other breach or default; provided, however, that as a condition of such forbearance, Landlord must receive notice from the Investor Member of the substitution or admission of a new managing member of Tenant within 30 days following Landlord's notice to Tenant and the Investor Member of the Event of Default or other breach or default, and Tenant, following such substitution or admission of the managing member, shall thereupon proceed with due diligence to cure such Event of Default or other breach or default. In no event, however, shall Landlord be required to engage in the forbearance described in this section for a period longer than six (6) months, regardless of the due diligence of the Investor Member or the new managing member.

Compliance with the foregoing requirements shall not relieve Tenant of their liability and obligation under this section or under any other section of this agreement

Execution of this Lease is contingent upon the receipt of the insurance documents, as required, within fifteen (15) calendar days after Landlord's notification to Tenant to comply before the award is made. If the insurance certificate is received within the specified time frame but not in the manner prescribed in this Lease, the Tenant shall be verbally notified of such deficiency and shall have an additional five (5) calendar days to submit a corrected certificate to the County. If the Tenant fails to submit the required Insurance documents in the manner prescribed in this Lease within twenty (20) calendar days after Landlord's notification to comply, it shall be an Event of Default pursuant to the Lease.

The Tenant hereby agrees that all insurance proceeds from the All Risk Builder Risk Completed Value Form policy (or if converted, the "all risk" or comprehensive policy) shall be used to restore, replace or rebuild the Improvements, if the Tenant determines that it is in its best interest to do so, subject to the requirements of any approved mortgage lien holder's rights secured against the Premises and subject further to the terms of Article VI of the Lease.

(e) All such insurance policies shall contain (i) an agreement by the insurer that it will not cancel the policy without delivering prior written notice of cancellation to each named insured and loss payee thirty (30) days prior to canceling the insurance policy; and (ii)
