**Subject:** Recommendation for Approval to Modify Contract 9013-1/19, Office Trailers, Pre-qualification Pool

Agenda Item No. 9(A)(2)

## Recommendation

It is recommended that the Board of County Commissioners (Board) approve modification of *Contract 9013-1/19, Office Trailers, Pre-qualification Pool* to allocate \$3,000,000.00 for the Community Action and Human Services Department.

Community Action and Human Services will use this contract for the purchase and installation of 17 trailers to be used as portable classrooms for the Head Start/Early Head Start program throughout the County. These units will be replacing County-owned modular units, which are included as part of the Interlocal Agreement by and between Miami-Dade County and the School Board of Miami-Dade County, currently in use as Head Start Classrooms. The existing units are no longer compliant with State, local, or Miami-Dade County Public Schools building codes, and do not conform with the requirements of Health and Human Services and the Department of Children and Families for Head Start facilities. Replacement of the units is required to comply with the terms of the Interlocal Agreement and to ensure the safety and security of the children. A request for quotations has been issued under the terms and conditions of the contract for the purchase of the units. It is also recommended that the County Mayor waive his veto authority to allow Community Action and Human Services to complete the installation of the trailers before the children begin the 2013-14 Head Start/ Early Head Start school year on August 19, 2013.

The units will replace classrooms at the following sites:
