Delegation of Authority

No additional authority is being requested within the body of this Contract.

Track Record/Monitor

H & R Paving is currently performing work for PWWM at a satisfactory level. PWWM has reviewed the Capital Improvements Information System (CIIS) database and found 70 awarded construction contracts as follows:

- one from (1) the Water and Sewer Department, and
- 69 from PWWM.

The referenced database also lists a total of 142 contractor performance evaluations (several contracts having two evaluations on file, an interim and a project closeout) with an overall performance rating of 3.1 (satisfactory performance), out of a possible 4.0 (superior performance) rating. The Regulatory and Economic Resources Department, Small Business Development Division (SBD) History of Violation's report lists no violations for this contractor.

According to the Florida Department of State, Division of Corporations, H & R Paving, Inc., Company Principals are Raul Gonzalez and Lucrecia Gonzalez and the Company's address is listed as 1955 NW 110 Avenue, Miami, Florida 33172.

Following PWWM's standard operating procedures, after award of this Contract a pre-construction meeting will be scheduled. The person responsible for all PTP projects in PWWM is PTP Coordinator, Mr. Alejandro Martinez-Esteve, RA, LEED AP. Following completion of the award process, the project will be assigned to Mr. Joaquin Rabassa, P.E., Project Coordinator, for day-to-day responsibilities.

Background

As part of the PTP Neighborhood Improvements initiative, PWWM continues to take advantage of various contracting mechanisms such as the Miscellaneous Construction Contracting process available under the MCC 7360 Program. Through this process, PWWM forwards a Request for Price Quotation (RPQ), by way of facsimile transmission, to a pool of firms that have registered with the Internal Services Department for the respective trade. Additionally, PWWM advertises the project in the *Daily Business Review* and all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project's award evaluation is based upon the bid submitted by the lowest responsive, responsible bidder for the project.

PWWM submitted to SBD its contract measure recommendation for Community Small Business Enterprise (CSBE) participation for this RPQ. SBD completed its Project Review and Analysis, and established Trade Set-Asides for Traffic Stripes and Markings, and Concrete Work, including Americans with Disabilities items as required for compliance with Implementing Order No. 3-22. A Community Workforce Program Goal of ten (10) percent has been established for this project since several locations fall within a Designated Target Area.

Subsequent to SBD's Project Review and Analysis, PWWM forwarded RPQ No. 20120159, utilizing the MCC 7360 Plan - CICC 7360-0/08, to a list of 63 pre-registered firms. A total of three (3) firms purchased contract documents and two (2) firms proffered a bid. On March 6, 2013, H & R Paving, Inc. proffered the lowest responsive and responsible base bid of \$1,289,622.66, two (2) percent over the County's cost estimate.

The second lowest bidder, H & J Asphalt, Inc. was found non-complaint with the requirements of Implementing Order No. 3-22 for the CSBE Program. Based on the results of the solicitation, PWWM issued a recommendation for award on March 26, 2013 for RPQ No. 20120159 to H & R Paving, Inc., with the stipulation that approval for this project must be obtained from the CITT and the BCC.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment, and tools to perform all operations necessary for roadway resurfacing improvements. The work includes milling of existing pavement, the widening and resurfacing of intersecting streets, and resurfacing of asphalt pathways (pedestrian, bicycle, etc.) adjacent or not to the edge of the pavement, if necessary, clearing and excavating of shoulder areas or build-up, grading and clean-up of adjacent shoulders and removal of roots, if required. Additionally work includes pavement markings including the installation of reflective pavement markers, new sidewalks, sidewalk curb and gutters and pedestrian ramps.

Small Business Development (SBD), under Business Affairs, a Division of the Department of Regulatory and Economic Resources has completed its review of the subject project for compliance with the Community Small Business Enterprise (CSBE) Program for Construction Services. The contract measure established for this project is a 10% Community Workforce Program (CWP) Goal and two (2) Trade Set-Asides in the following trade areas:

Trade Set-Aside #1 - Traffic Stripes and Markings: Painted and/or Thermoplastic

Trade Set-Aside #2 – Concrete Work: Sidewalk and/or Curb and Gutter, including American with Disabilities (ADA) Items

The Contracts & Specifications Section of the Public Works and Waste Management Department (PW/WMD) has submitted bid documents from H & R Paving, Inc. (#1) and H & J Asphalt, Inc. (#2) for compliance review. Following is the pre-award compliance status and summary.
