Subject: Resolution Authorizing Modification of a Contract with RESPECT of Florida and Use of Charter County Transportation Surtax Funds

Agenda Item No. 8(F)(4)

Recommendation

It is recommended that the Board of County Commissioners (Board) waive competitive bidding procedures for the purchase of goods and services pursuant to Section 2-8.1 of the County Code and Section 5.03(D) of the Home Rule Charter and approve the attached contract modification. The item is described briefly below and in more detail in the accompanying attachment.

Item 1 – Janitorial Services - Modifies a contract with the Florida Association of Rehabilitation Facilities (RESPECT) for an additional six months and additional spending authority in the amount of \$2,868,000 to continue the purchase of janitorial services for various County facilities and on Miami-Dade Transit buses.

RESPECT is statutorily designated not-for-profit agency by the State of Florida that operates as a preferential purchasing program for government agencies, and manages employment for the blind and severely handicapped. RESPECT provides employment opportunities for Floridians with disabilities. Chapter 413 of the Florida Statutes directs state and local government agencies to purchase applicable products and services from Florida-based, non-profit, community based organizations that employ people with disabilities and RESPECT is the central contact point for this process. Purchases from RESPECT pursuant to the Florida Statutes are exempt from state and local government competitive bidding requirements in accordance with Section 60E-1.005, Florida Administrative Code.

This agenda item is placed for Committee review pursuant to Miami-Dade County Code Section 29-124(f). The recommendation in Section 2 of this item may only be considered by the Board if the Citizens' Independent Transportation Trust (CITT) has forwarded a recommendation to the Board prior to the date scheduled for Board consideration or 45 days have elapsed since the filing with the Clerk of the Board of this contract award recommendation. If the CITT has not forwarded a recommendation and 45 days have not elapsed since the filing of this award recommendation, I will request a withdrawal of this item. This contract is scheduled for the June 2013 CITT meeting.

Scope

The scope of the action in this item is countywide in nature.

Fiscal Impact/Funding Source

The current 12-month contract is valued at \$5,160,000. This item would modify the contract by an additional \$2,868,000 and six months. The allocation and funding source for the departments are listed in detail in the attached item.

The contract amount and departmental allocations represent the maximum spending authority based on past utilization. This action does not guarantee that the total contract amount/value will be expended by the department. Funding will be expended only if the department's budget can support

the expenditures approved in its annual budget adopted by the Board.

Track Record/Monitor

There are no known performance/compliance issues with the vendor recommended for award in the attached item. Each departments' contract manager is reflected in the individual item.

Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority to extend the contract for purchase of goods and services in accordance with the terms and conditions of the contract listed in the attached item.

Due Diligence

Due diligence was conducted in accordance with the Internal Services Department's Procurement Guidelines to determine Contractor responsibility, including verifying corporate status and review of performance or compliance issues. The lists that were referenced include: convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to Contractor responsibility. This information is being provided pursuant to Resolution R-187-12.

Item 1 – Contract Modification

Contract No.: BW7934-1/12-1	Title: Janitorial Services

Type of Change:

| <input checked="" type="checkbox"/> Additional Time | <input checked="" type="checkbox"/> Authorization to use Charter County |
| <input checked="" type="checkbox"/> Additional Spending Authority | Transportation Surtax Funds as a Component of MDT Operating Funds |

Contract Description and Reason for Change:

This janitorial contract was awarded to the Florida Association of Rehabilitation Facilities, Inc. d/b/a RESPECT of Florida (RESPECT). RESPECT is the non-profit agency that employs blind, disabled, and/or handicapped persons to provide certain services, to include janitorial services, in public agencies per Florida Statute 413.036.

There are currently 22 sites included in this contract, including the cleaning of buses for Miami-Dade Transit. These are varied and vastly different facilities and services, each requiring carefully developed specifications. This extension is required to provide sufficient time for departments to develop performance criteria specific to the varied services and facility types included in this contract, and to negotiate the successor bid waiver contract. As mentioned in the cover memorandum, purchases from RESPECT pursuant to the Florida Statutes are exempt from state and local government competitive bidding requirements in accordance with Section 60E-1.005, Florida Administrative Code, which means the competitive bidding process may be waived.

The current contract term was originally established for a six-month term valued at \$2,873,000. The allocations for Internal Services, Police, and Transit were \$1,626,000, \$663,000, and \$584,000, respectively. The contract was extended under the Mayor's delegated authority by another six-month with only a prorated amount for Internal Services (\$1,626,000) and Police (\$663,000), which brought the contract to a current term of 12 months and a total value of \$5,162,000. Transit did not require a prorated increase because it realized savings under the first six-month term as the vendor only got paid for the buses that passed cleanliness inspections, which were an average of 10 per day versus the anticipated 20 when the contract was established. The vendor has improved its performance under this contract, which in turn has allowed the number of buses passing inspection to increase. Because the vendor is currently cleaning an average of 20 buses that pass inspection, this new six month extension is approximately equal in value to the initial six-month term.
