RESOLUTION NO. \_\_\_\_\_

RESOLUTION URGING THE FLORIDA LEGISLATURE TO MAKE A LONG-TERM COMMITMENT TO FUND THE CURRENT FILM, TELEVISION AND ENTERTAINMENT PRODUCTION TAX CREDIT INCENTIVE PROGRAM THAT FOSTERS ECONOMIC DEVELOPMENT AND CREATES JOBS; IDENTIFYING THIS ISSUE AS A CRITICAL COUNTY PRIORITY FOR THE 2014 SESSION; URGING THE FLORIDA ASSOCIATION OF COUNTIES TO IDENTIFY THIS ISSUE AS ONE OF ITS PRIORITIES FOR THE 2014 SESSION

**WHEREAS**, every year thousands of film, television, commercial, music video and still shoot productions showcase Miami-Dade County to the world; and

**WHEREAS**, in recent years, these productions have included films such as Pain and Gain, Ironman 3, Step Up 4 and Rock of Ages, and television series such as Burn Notice, Magic City, The Glades and Graceland; and

**WHEREAS**, in addition, 91 television commercials have been permitted to film in Miami-Dade County since October 1st, 2012 including commercials for Nike, Fiat, Porsche and Lamborghini; and

**WHEREAS**, Miami-Dade County also is home to substantial Spanish language television productions by Telemundo, Univision and Venevision, among others; and

**WHEREAS**, Miami-Dade County currently has a significant film, television and entertainment presence to support production, including:

- 2,400 motion picture, video and support services;
- 214 production companies;
- 18 sound stages;
- 126 Post Production Companies;

- More than 30 cable networks;
- More than 200 advertising agencies;
- 20 recording studios; and
- A Telenovela Production and Distribution Center; and

**WHEREAS**, the film, television and entertainment productions and presence in Miami-Dade County is a significant source of economic development and job creation in our community; and

**WHEREAS**, during the 2010 legislative session, the Florida Legislature enacted Chapter No. 2010-147, Laws of Florida (SB 1752), which created the Florida Entertainment Industry Financial Incentive Program as set forth in Section 288.1254, Florida Statutes; and

**WHEREAS**, the Florida Entertainment Industry Financial Incentive Program offers tax credits to qualifying film, television and other entertainment industry projects on a first-come, first-served basis; and

**WHEREAS**, the Florida Entertainment Industry Financial Incentive Program began on July 1, 2010 and under current law will sunset on July 1, 2016; and

**WHEREAS**, the 2010 legislation initially allocated \$242 million in tax credits; and

**WHEREAS**, the program was so successful that tax credits were claimed by projects almost immediately after the program went into effect and tax credits were made available; and

**WHEREAS**, during the 2011 session, the Florida Legislature allocated an additional \$12 million to the program, and during the 2012 session, the Florida Legislature allocated another \$42 million; and

**WHEREAS**, going into the 2013 session, tax credits totaling \$296 million under the program had all been claimed as conditionally certified by current projects; and

**WHEREAS**, during the 2013 session, the Florida Legislature did not add funding to the Florida Entertainment Industry Financial Incentive Program, despite substantial lobbying efforts; and

**WHEREAS**, there are currently no tax credits available to attract new film, television and entertainment projects to Miami-Dade County and the rest of the State of Florida, other than credits that may be turned back in by projects that do not go forward; and

**WHEREAS**, in 2012, the Florida Legislature's Office of Economic and Demographic Research undertook an analysis that showed that film, television and entertainment incentive tax credits increase gross domestic product at a rate of \$15 for every \$1 of tax incentive provided; and

**WHEREAS**, the Legislature's study also concluded that film and entertainment incentive tax credits create thousands of private sector jobs each year; and

**WHEREAS**, there are few investments the Florida Legislature can make that produce the level of economic growth and job creation that the film and entertainment incentive tax credits have shown to produce; and

**WHEREAS**, the Florida Legislature needs to commit to funding film, television and entertainment incentives on a long-term basis to continue to attract productions to Miami-Dade County and the rest of the State of Florida; and

**WHEREAS**, the State of Florida is competing with other states for film, television and entertainment productions, and Florida will lose such productions to other states if Florida does not have incentives available; and

**WHEREAS**, this Board would like to strongly encourage the Florida Legislature to make a long-term commitment to fund film, television and entertainment incentives so as to continue

to attract such productions to this state and to foster the economic development and job creation that goes along with such productions; and

**WHEREAS**, this Board would further like to identify this issue as one of Miami-Dade County's critical priorities for the 2014 session and urge the Florida Association of Counties to identify this issue as one of its critical priorities for the 2014 session,

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA**, that this Board:
