

Memorandum

Date: September 17, 2013

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution approving Amendment Number One to Miami-Dade Water and Sewer Department Project Number E06-WASD-15, a non-exclusive Professional Services Agreement Number 07CDAM006 with CDM Smith Inc. for a two year time extension

Agenda Item No. 8(O)(5)

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing execution of Amendment Number One to the Miami-Dade Water & Sewer Department (WASD) Project Number E06-WASD-15, a non-exclusive Professional Services Agreement 07CDAM006 with CDM Smith Inc.

Amendment Number One will allow CDM Smith Inc. to continue to provide professional engineering and construction management services at WASD's Alexander Orr Water Treatment Plant and the South Miami-Dade Water Supply System for an additional two (2) year period. As discussed in WASD's Water & Sewer Infrastructure Report dated July 2012, an all inclusive mechanical and electrical evaluation was performed at the Alexander Orr Plant and at the South Miami-Dade Water Supply System. Both condition assessments revealed that both facilities are in serious need of rehabilitation.

Six other non-exclusive professional agreement time extensions with no additional monies for different consultants are included on this agenda. The other consultants, like CDM Smith Inc. were awarded the original agreement in October 2007 with a six-year (6) term and a total compensation amount of \$8.8 million to provide professional engineering and construction management services at the County's different water and wastewater treatment plants. The only exception is A.D.A. Engineering, Inc. who was awarded the original agreement in November 2007 with a six-year (6) term and a total compensation amount of \$4.4 million. In all cases, the assigned scope of work was halted due to the reallocation of funding towards other WASD projects. Notwithstanding, all seven (7) professional service agreements have available contract dollars ready to be used.

SCOPE OF AGENDA ITEM

The Alexander Orr Water Treatment Plant and the South Miami-Dade Water Supply System are located in Commission District 7, Xavier L. Suarez and Commission District 8, Lynda Bell, respectively.

FISCAL IMPACT/FUNDING SOURCE

The funding sources for CDM Smith, Inc. to continue to provide the engineering and construction management services are a combination of WASD's Water Renewal and Replacement Fund and Current and Future Revenue Bonds Sold. The capital project number is 9650031. The County's current Adopted Budget has funding available for the duration of this amendment.

The original contract amount was for \$8.8 million of which \$3,274,972.00 has been paid for work performed by CDM Smith, Inc. At this time, approximately 63% of this contract's funds are available for use totaling \$5,525,028.00.

TRACK RECORD/MONITOR

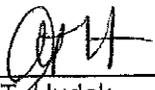

WASD's Assistant Director of Water, Ralph Terrero, P.E., will monitor this agreement.

BACKGROUND

CDM Smith Inc. was awarded the original agreement in October 2007 with a six-year (6) term and a total compensation amount of \$8.8 million. However, due to cashflow constraints and other capital expenditure requirements, only part of the assigned scope of work was completed by CDM Smith Inc. leaving approximately 63% of the contract funds unused. Recent Board action has addressed the need for infrastructure renewal and replacement, so now the design and construction of improvements at the water plants can proceed as identified in the Multi-Year Capital Plan. Amendment Number One will extend the contract period to October 11, 2015 allowing CDM Smith Inc. to complete their assigned scope of work to provide professional engineering and construction management services for renewal and replacement projects at the Alexander Orr Water Treatment Plant and the South Miami-Dade Water Supply System (Leisure City, Naranja, Elevated Water Tank, Everglades Labor Camp, and the Newton Water Treatment Plant) as delineated in the original agreement with no additional monies added to the contract.

Please note that the design and construction management capacity needed to address needs at the water plants is separate and apart from obligations associated with the wastewater Consent Decree and other needs of the wastewater system. This two (2) year time extension of the design contracts for the water plants provides the capacity needed to execute the water plant upgrades recognized in the 2012 Water and Sewer Infrastructure Report and in the Multi-Year Capital Plan.

The Community Business Enterprise goal of 35% was established as a part of the original contract and to date CDM Smith, Inc. has complied with all the threshold requirements and the participation goals. The Community Business Enterprise goal was reviewed again by the Small Business Development Section on December 7, 2012 and it was determined that the goal remain unchanged.

WHEREAS, the Agreement requires the ENGINEER to provide engineering and construction management services to upgrade the infrastructure and operations at the Department's Alexander Orr Water Treatment Plant and the South Miami-Dade Water Supply System Leisure City, Naranja, and Elevated Water Tank, Everglades Labor Camp, Newton Water Treatment Plant and Appurtenant Facilities; and

WHEREAS, the engineering and construction management services include design services for all plant upgrades and expansion projects as well as renewal and replacement projects for the plant's existing facilities; a complete evaluation for improving the treatment process, operations, and efficiencies including safety, energy conservation, security, biosolids management, corrosion and assessment management, and provide a complete evaluation of regulatory requirements; and

WHEREAS, the Department has not utilized all monies in the Agreement and needs the ENGINEER to continue to provide engineering and construction management services; and

WHEREAS, the COUNTY has requested and the ENGINEER has agreed to continue providing engineering services and construction management services, as needed, for an additional two years or until the monies are expended; and

WHEREAS, this Amendment Number One to the Agreement will extend the Agreement for an additional two (2) years until October 11, 2015; and

WHEREAS, this Amendment Number One to the Agreement also modifies several technical provisions of the Agreement.

NOW, THEREFORE, in consideration of the mutual covenants hereinafter contained, the COUNTY and the ENGINEER hereby agree to the following:

1. Paragraph 8 of the Agreement is hereby modified to state as follows:

CHANGE OF PRINCIPAL AND/OR PROJECT MANAGER: Jeffery Nash, P.E. and Ignacio Lizama, P.E. shall be the ENGINEER'S Principal and Project Manager, respectively. If the COUNTY or the ENGINEER requests a change of the Principal or the Project Manager, the party initiating said change shall make the request in writing and said request shall be received by the other party at least thirty (30) days prior to any such change. The Director reserves the right to approve the replacement Principal or Project Manager.

2. Paragraph 14 of the Agreement is hereby modified to state as follows:

SUBCONSULTANTS:

- A. The ENGINEER shall utilize the following firm as a subconsultant: Fraga Engineers, LLC; Metco Services Southeast, LLC; A & P Consulting Transportation Engineers Corp; P(3)SM, LLC; Metric Engineering, Inc. (formally known as Sanchez-Zeinall & Associates, Inc); and HP Consultants, Inc. The ENGINEER shall not subconsult, assign or transfer to others work performed under this Agreement without the written consent of the Director or his designee and after the Department of Regulatory and Economic Resources' approves the additional subconsultant(s). In addition, the ENGINEER shall not allow the subconsultant to utilize, assign or transfer work to others for work performed under this agreement without the written consent of the Director or his designee. When applicable and upon receipt of such consent in writing by the Director, the ENGINEER shall cause the names of the firms responsible for the major portions of each separate specialty of the work to be inserted in the pertinent documents or data. In the event that the successful bidder demonstrates to the COUNTY prior to award that the race, gender and ethnic information is not reasonably available at that time, the successful bidder shall be obligated by contract to exercise diligent efforts to obtain that information and to provide the same to the COUNTY not later than ten (10) days after it becomes available and, in any event, prior to final payment under the contract. The ENGINEER shall provide this information on a COUNTY form prior to the final payment to the ENGINEER, attached as Exhibits A and B.

3. Paragraph 17 of the Agreement is hereby modified to state as follows:

Such payment shall be determined on the basis of the hours or percentage of work performed by the ENGINEER up to the time of termination. In the event partial payment has been made for professional services not performed, the ENGINEER shall return such sums to the COUNTY within ten (10) days after receipt of written notice that said sums are due. Upon such termination, the COUNTY may, without penalty or other obligation to the ENGINEER, elect to employ other persons to perform the same or similar services.

Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List - By executing this Agreement through a duly authorized representative, the ENGINEER certifies that the ENGINEER is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, as those terms are used and defined in sections 287.135 and 215.473 of the Florida Statutes. All such contract adjustments must be made within one (1) year following the end of the contract. Certificate as required by Chapter 287, Florida Statutes as attached as Exhibit C.

- 7. All terms, covenants and conditions of the Agreement not expressly modified or revised herein shall remain in full force and effect.
