

Memorandum

Date: September 17, 2013

To: Honorable Chairwoman Rebeca Sosa
and Members, West Perrine Community
Redevelopment Agency

From: Carlos A. Gimenez
Mayor 

Subject: Commercial Grant Program Award Recommendations

Special Item No. 1

Recommendation

It is recommended that the West Perrine Community Redevelopment Agency ("Agency") adopt the attached resolution, which awards two Commercial Rehabilitation Program grants in the amount of \$25,000 each to Miami Alec's Truck Accessories, LLC and Eric T. Haas (collectively, the Grantees).

Both Grantees own businesses within the Redevelopment Area (Area). These awards are made based on the recommendations of Neighbors and Neighbors Association, Inc. (Neighbors and Neighbors), in accordance with the Memorandum of Understanding (MOU) between Neighbors and Neighbors and the Agency.

Scope of Agenda item

This resolution approves two commercial grants to assist the Grantees who submitted applications to participate in the Agency's Commercial Rehabilitation Program. The Grantees' businesses are located in the Area and County Commission District 9, which is represented by Commissioner Dennis C. Moss.

This funding will be used by the Grantees to rehabilitate their commercial properties to reduce slum and/or blighted conditions in the Area.

Fiscal Impact/Funding Source

The Commercial Rehabilitation Program was funded in the Agency's FY 2011-12 budget at \$50,000. The funds were encumbered while the MOU was being negotiated with Neighbors and Neighbors to run the program on behalf of the Agency. The funding will be used for the rehabilitation of commercial properties within the Area.

The Agency's major revenue source is tax increment financing (TIF), which is generated through the incremental growth of countywide and unincorporated municipal service area ad valorem tax revenues beyond the established base year, as defined in Section 163.387 of Florida State Statutes. This program was established by the Agency to improve the visibility and aesthetics of the area, therefore enhancing property values and generating additional TIF revenue in future years.

Track Record/Monitor

The Office of Management and Budget will continue to monitor the Agreement with Neighbors and Neighbors.

Background

On June 5, 2007, the Board of County Commissioners approved the creation of the Agency when it approved the Agency's Community Redevelopment Plan (Plan) pursuant to Resolution R-744-07, and the funding of the Plan when it enacted Ordinance No. 07-79 (Trust Fund). The Agency adopted the Commercial Rehabilitation Program on June 7, 2011, pursuant to Resolution CRA 02-11, to provide financial assistance to qualified business owners within the Area.

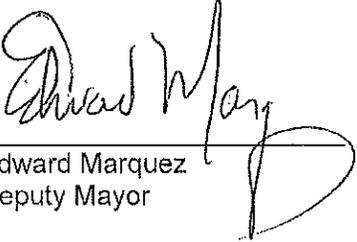

The Commercial Rehabilitation Program's goal is to enhance visibility and area aesthetics in an effort to bring about increased property values and attract new business. The program is designed to provide a maximum of \$25,000 per applicant for upgrades to existing business structures in the Area. In order to be eligible, a business must have commercial space on the ground floor with street frontage and direct pedestrian access from the street. Buildings with pending code violations are only eligible if the work being funded corrects the violation. Eligible work includes but is not limited to, painting, roof repair, lighting, signage, landscaping, sewer hook-ups or any improvements required by the Americans with Disabilities Act.

On September 4, 2012, the Agency adopted Resolution No. CRA 03-12, approving the Agreement between the Agency and Neighbors and Neighbors. In accordance with the Agreement, Neighbors and Neighbors advertised the grant program, provided prospective applicants with information, accepted and reviewed submitted applications. Exhibit A provides general information about the seven applicants, compliance with the submission requirements, estimated cost of proposed projects, amount requested from the Agency grant program, and the application's ranking. Neighbors and Neighbors' recommends that Miami's Alec's Truck Accessories, LLC and Eric T Haas, sole proprietor of a warehouse located at 10500-10510 SW Terrace, each be awarded a \$25,000 commercial grant.

Miami Alec's Truck Accessories, LLC seeks to make the following improvements: add square footage to its existing building, exterior signage, sewer hookup, exterior and interior painting, exterior and interior lighting. The project total estimated cost is \$300,000. The grant amount requested meets the fifty percent (50%) requirement of the project cost

Eric T Haas seeks to make the following improvements to his warehouse: repair roof, roll door and windows, replacement of entrance doors, parking lot coating, exterior lighting and painting. The project total estimated cost is \$54,000. The grant amount requested meets the fifty percent (50%) requirement of the project cost.

If awarded a grant, staff will prepare Agreements with each of the parties stipulating the award details and funds disbursement. In accordance with the Agreement, Neighbors and Neighbors will monitor the progress of the work being performed and will only authorize payment to the awardees once the work has been completed by a licensed contractor.

111 N.W. 1st Street, Suite 2210
Miami, FL. 33128

Dear Mr. Fernandez,

Neighbors and Neighbors Association has completed evaluating the applicants for the West Perrine Community Redevelopment Agency's Commercial Rehabilitation Grant Program. Out of the seven (7) applications received, we are proposing two (2) businesses for the CRA Board's consideration: Miami Alec's Truck Accessories LLC and Eric T. Haas. Our next step will be to ask for the verification of matching funds, and then perform a site visit after the agreement and authorization of the CRA. Attached you will find a spreadsheet with the Submission Categories which were used in order to reach this decision.

For any further questions or concerns, please do not hesitate to contact me.

Sincerely,

Notice of Availability of Commercial Rehabilitation Project Grants in the West Perrine CRA Area

Neighbors and Neighbors Association (NANA) is seeking commercial property owners and businesses owners interested in obtaining a commercial rehabilitation program grant funded by the Board of County Commissioners and the West Perrine Community Redevelopment Agency. As the project's Technical Assistance provider, NANA will assist business/commercial property owners with the project management duties which include assisting the owner with the qualification process and project management of the following; the redesign process of their properties and the renovation phase of the commercial property.

The generally declared geographic targeted area is:

- Bounded on the North by SW 168th street, bounded on the east and Southeast by State Road 5 (US-1), and bounded on the west and Southwest by State Road 821 (The Homestead extension of Florida's turnpike) (the "Redevelopment Area")

Eligible Improvements include but are not limited to:

- Exterior or Interior Painting
- Siding, Masonry or Stucco Facing
- Sewer Hook-up
- Roof Repairs
- Exterior or Interior Lighting
- Exterior Signs
- Window or Door Replacement
- Awnings, Canopies and Shutters
- Historic Storefront Restoration
- Landscaping and Irrigation
- Parking Lot Improvements
- Fences and Gates
- Resolution of Code Violations
- Improvements Required by the Americans with Disabilities Act

Although, preliminary assessments by NANA's Project Development team will assess if the above-mentioned items need to be indicated in the completed building plans, this does not, however, diminish the Scope of Work that will be required to complete the project.

Responses to this request for applications will be accepted: **Thursday, February 28th, 2013** Applications can be submitted in the following manner:

By Fax: 305-756-6008 By USPS: 22121 South Dixie Highway Miami, FL 33170
By E-mail: ndavis@nanafi.org Hand Delivery to: 22121 South Dixie Highway Miami, FL 33170

NOTE: For further information: Call 305-756-0605 ask for Nehemiah Davis or Bedilia Campbell.
