R-915-04, ALL AFTER A PUBLIC HEARING; AND WAIVING REQUIREMENTS OF IMPLEMENTING ORDER 3-47 REGARDING ADDING NEW PROJECTS TO BUILDING BETTER COMMUNITIES GENERAL OBLIGATION BOND PROGRAM USING SURPLUS FUNDS (Office of Management and Budget)

*Forwarded to BCC with a favorable recommendation
Mover: Heyman

Vote: 4-0
Absent: Barreiro*

Report: *Assistant County Attorney Henry Gillman read the foregoing proposed resolution into the record.*

In response to Commissioner Suarez' question regarding whether the intent of the proposed resolution was to delete a Building Better Communities General Obligation Bond (BBC GOB) project(s) or to re-allocate BBC GOB funds from one project to another, Deputy Mayor Alina Hudak noted the actions proposed by this resolution were similar to actions taken in the past, and the County Administration recommended these proposed actions.

Commissioner Suarez asked whether this resolution proposed re-allocation. He noted he had considered re-allocating 2004 GOB funds allocated to projects in his commission district (DIST. 7), but was unsure if he could do so.

Assistant County Attorney Geri Bonzon-Keenan noted the GOB program permitted additions, deletions, and significant modifications to identified projects, provided they were approved at public hearings before the full Board of County Commissioners (BCC). She noted that constraints existed on how the dollars could be moved and on

the types of projects they could be re-allocated to.

Commissioner Suarez asked Assistant County Attorney Bonzon-Keenan to provide a memorandum to the Infrastructure and Capital Improvements Committee members identifying constraints on how BBC GOB funds could be re-allocated, including constraints on the types of projects the dollars could be re-allocated to.

In response to Chairman Zapata's inquiry as to whether re-allocations had to be approved by a board, Ms. Bonzon-Keenan indicated that all recommendations for allocations were submitted to the Building Better Communities Citizens' Advisory Committee (CAC) established by the BCC. She indicated the rules regarding any project deletion or any completed project for which a surplus existed because not all funds allocated for the project were used. She said the rules stipulated that a recommendation of the CAC was required before the deletion or matter regarding surplus was submitted to a committee of the BCC and the BCC.

In answer to Chairman Zapata's inquiry regarding whether GOB funds allocated for the projects identified in the proposed resolution would stay within the law enforcement/police department area, Ms. Bonzon-Keenan noted all the dollars would stay within the "public safety" question. She said the re-allocations in the proposed resolution were from police department projects.

Hearing no further discussion, the Committee voted on the foregoing proposed resolution as presented.
