Memorandum

Date: October 1, 2013
To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners
From: Carlos A. Gimenez
Mayor 
Subject: Resolution Authorizing a Two-Year Extension of the Interlocal Agreement between
Miami-Dade County and Broward County for Reciprocity of Local Preference

Recommendation

It is recommended that the Board of County Commissioners (Board) adopt the attached resolution authorizing a two-year extension of the Interlocal Agreement (Agreement) between Miami-Dade County and Broward County for reciprocity of Local Preference ordinances and programs.

Scope

The impact of the accompanying resolution is countywide in nature.

Fiscal Impact/Funding Source

The accompanying resolution will have no fiscal impact on Miami-Dade County.

Track Record/Monitor

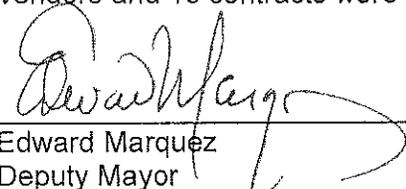

The Procurement Management Services Division of the Internal Services Department is responsible for the administration of the Local Preference Ordinance and oversight of this Agreement.

Background

The original Agreement between Miami-Dade and Broward Counties became effective in 2002 and established reciprocity of local preference ordinances and programs, subject to the execution of a statement by both counties affirming that each county had adopted a substantially similar Local Preference Ordinance. The terms of the Agreement require each county to extend and apply its Local Preference Ordinance to the local vendors of both counties. The Board has extended this Agreement on numerous occasions, with the current Agreement scheduled to expire on September 30, 2013. Approval of this amendment will extend the term of the Agreement for an additional two years, through September 30, 2015.

During the extension period that is currently in effect, the Board adopted changes to the Local Preference Ordinance (Ordinance 12-67) that enable locally-headquartered businesses within 15 percent of a non-local vendor's lowest bid to participate in the best and final offer (BAFO) process. Similarly, if a local vendor has the lowest bid and a locally-headquartered business is within five percent of the local vendor's lowest bid, both entities may participate in the BAFO process. In turn, Broward County has amended their Local Preference policy incorporating similar provisions related to locally-headquartered businesses. These provisions were adopted by the Broward Board of County Commissioners on May 14, 2013.

The local preference policies of each county are to apply equally to the vendors of each county. Since the implementation of the reciprocity program, six contracts were awarded by Broward to Miami-Dade vendors and 10 contracts were awarded by Miami-Dade to Broward vendors.

Deputy Mayor
