Memorandum

Subject: Resolution Amending Implementing Order 4-56, Schedule of Fees and Tolls for the Venetian Causeway, and 4-57, Schedule of Fees and Tolls for the Rickenbacker Causeway.

Recommendation

It is recommended that the Board of County Commissioners (BCC) approve amendments to Implementing Order 4-56, Schedule of Fees and Tolls for the Venetian Causeway, and 4-57, Schedule of Fees and Tolls for the Rickenbacker Causeway, to consolidate the existing toll structures and fees from a total of nine (9) annual plans to six (6) annual plans for both the Venetian and Rickenbacker Causeways. This is required in order to become interoperable with the Statewide SunPass Toll Collection System (Sunpass).

Scope

The Venetian Causeway is located within Commissioner Audrey Edmonson's District 3 and Commissioner Sally A. Heyman's District 4. The Rickenbacker Causeway is located within Commissioner Xavier L. Suarez' District 7.

Fiscal Impact/Funding Source

The fiscal impact for the proposed reduction of annual plans from the current nine (9) plans to six (6) plans is unknown at this time. However, it is expected to be minimal. An ongoing Traffic and Revenue Study by HDR Consulting anticipates a shift of customers from the annual plans to Sunpass or Toll-By-Plate fees as a result of the recommended plan eligibility requirements. All toll revenues generated are allocated to the proprietary Causeway fund.

Track Record/Monitor

The implementing agency is the Public Works and Waste Management Department (PWWM) and the person responsible for monitoring this project is Michael Bauman, Chief, Causeways Division.

Background

On May 7, 2013, the BCC adopted Resolution R-344-13 approving the award of Contract No. RFP861 to TransCore LP for the conversion of the existing cash/C-Pass electronic toll system used at the Venetian and Rickenbacker Causeways to SunPass/Toll-By-Plate Electronic Tolling. The existing C-Pass Toll Collection System operated by the County since 1997 is not interoperable with SunPass. Furthermore, Florida Statutes, Section 338.01(7) requires that new electronic toll collection systems be SunPass interoperable in order to maximize efficiencies and minimize motorist confusion. As a result, in order to convert the Rickenbacker and Venetian Toll Systems to the SunPass System, modifications are required to the existing annual plans,

along with the addition of Toll-By-Plate prices and monthly invoice fees for motorists without a SunPass transponder.

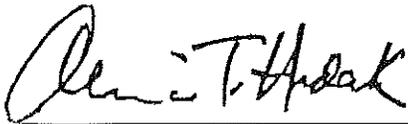

Modifications to the Implementing Orders will result in changes to the annual plans as reflected in the tables below, and shall become effective on April 1, 2014. This is in addition to the increase in toll fees for the Rickenbacker Causeway, approved by the BCC on January 23, 2013 through Resolution R-33-13, and for the Venetian Causeway through the BCC's adoption of the FY 2013-14 budget.

Implementing Order 4-56 - Schedule of Tolls and Fees for the Venetian Causeway				
Annual Plan	Plan Description	Current Rate	Proposed Rate	Proposed Change
Property Owner Administrative Fee	Venetian Property Owner. Proof of Ownership is required. Unlimited Passage.	\$24 Annually	\$24 Annually	No Change
Commuter Plan Fee	Available to anyone. A valid registration is required. Unlimited Passage.	\$90 Annually	\$90 Annually	Restrict plan to workers and renters
For-Hire Plan	Taxis with Venetian base. Unlimited Passage.	\$150 Annually	N/A	Recommend elimination. There are currently no participants in this plan.

Implementing Order 4-57 - Schedule of Tolls and Fees for the Rickenbacker Causeway				
Annual Plan	Plan Description	Current Rate	Proposed Rate	Proposed Change
Resident Plan Fee	Resident of Key Biscayne. Proof of Residency is required. Unlimited Passage.	\$24 Annually	\$24 Annually	No change
Commuter Plan	Available to anyone. A valid registration is required. Unlimited Passage.	\$60 Annually	\$60 Annually	Restrict plan to workers and students
Commercial Commuter Plan	Business of Key Biscayne. Proof of Business is required. Unlimited Passage.	\$60 Annually with an additional \$6.50 per extra trip	N/A	Recommend to be merged with Commuter Plan
Recreational Plan	Available for anyone pulling a one axle trailer at a reduced rate per trip.	\$3.50 per trip	\$120 Annually	Grandfather existing accounts

Rickenbacker School Plan	Available for students and parents attending Key Biscayne schools.	\$60 Annually	N/A	Recommend to be merged with Commuter Plan
Rickenbacker For-Hire Plan	Taxis with a base in Key Biscayne. Unlimited Passage.	\$120 Annually	\$120 Annually	No Change

These modifications to the annual plans, and the establishment of Sunpass and Toll-By-Plate fees, will allow for interoperability with the SunPass and Florida Toll-By-Plate System. Currently, the work approved under Resolution R-344-13 that will allow the County to process tolls via SunPass transponders or Toll-By-Plate functionality, is on schedule for completion in June 2014. The approval of this resolution is a pre-requisite to the Florida Turnpike Enterprise's (FTE) development of the Interoperability Agreement, with which modifications to the SunPass System software will be made by FTE for interoperability with the toll systems on the Rickenbacker and Venetian Causeways. Once available, this agreement will be presented for BCC approval, and will lead to the final implementation of the Sunpass system.
