

MEMORANDUM

Agenda Item No. 15(B)6

TO: Honorable Chairwoman Rebeca Sosa, and
Members, Board of County Commissioners

DATE: November 19, 2013

FROM: Harvey Ruvin, Clerk
Circuit and County Courts

SUBJECT: Proposed Boundary Change
to the City of Hialeah

Christopher Agrippa, Director
Clerk of the Board Division

Pursuant to the provisions of Chapter 20-5 of the Code of Miami-Dade County, the Clerk of the Board Division has received a petition from the City of Hialeah requesting a boundary change to the City of Hialeah. (See legal description in the attached application).

Following consideration by the County Commission, the Code provides that this request be forwarded to the Planning Advisory Board for review, study and recommendation.

Executive Summary

The City of Hialeah is applying to annex 0.92 square miles of land northwest of the City. The land is undeveloped forested land triangular in shape. The proposed Annexation Area is bounded by the Florida Turnpike Homestead Extension (HEFT) to the northwest, I-75 Expressway to the east, and NW 170th Street to the south (referred to as the "Annexation Area" in this application).

Grounds for Boundary Change

The City of Hialeah currently consists of 23 square miles and is completely developed except for approximately three (3) square miles of land. These three (3) square miles of land just south of the Annexation Area was annexed by the City of Hialeah in 2003, and is known as Hialeah Heights. In the City's effort to meet its economic and industrial demands, Hialeah would like to annex approximately 0.92 square miles of vacant property to the northwest corner of its boundary.

The City of Hialeah's proposed annexation area is strategically located adjacent to the Homestead Extension of the Florida Turnpike and I-75, with access to Okeechobee Road/US 27. The proposed annexation area is located in a strategic area within the State of Florida's plan for freight expansion, and is ideal to encourage economic development via industrial activity. The proposed annexation area would be consistent with the area previously annexed to the south and would allow the City of Hialeah to further develop competitive areas for supply chain Intermodal Logistic Centers.

With the regional transportation agencies, such as the Florida Department of Transportation (FDOT) and the Miami Seaport Department, as well as the railroad operators and trucking companies, working to establish a more robust freight network in South Florida, the need exists for intermodal logistics facilities to manage and provide for supply chain operations. There is also a great need for additional employment in the area. By locating development opportunities near adjacent to active freight transportation corridors, Intermodal Logistics Center opportunities are appropriate for Miami-Dade and Broward County.

Support from Property Owners

More importantly, this Annexation Application, unlike most of the other applications heard by the County in the past, is supported by the business/property owners in the area. We have included letters of support from Prologis and The Graham Companies, who are the two largest land owners within the Annexation Area. Prologis has plans to develop an Industrial Business Park within the Annexation Area consisting of approximately 1 million square feet of industrial warehouse space. The proposed annexation of this area by the City will help bring the infrastructure and services necessary to promote development in this area. This in turn will help create additional employment opportunities in the area.

Future Land Use

The City has adopted its own Comprehensive Development Master Plan and Land Development Code that will govern development within the Annexation Area. The following goals have been developed to guide future growth in the proposed annexation area.

GOAL 1: Provide land uses that will promote economic development within the City of Hialeah.

- GOAL 2:** Provide land uses that will meet the industrial demands of the South Florida region and further the goals, objectives and policies of the City of Hialeah's Comprehensive Plan.
- GOAL 3:** Provide public spaces and multimodal transportation options to facilitate mobility within the annexation area.
- GOAL 4:** Provide appropriate development area, including but not limited to, light industrial, office, and other uses to further the goals, objectives and policies of the City of Hialeah's Comprehensive Plan.
- GOAL 5:** Coordinate with the Florida Department of Transportation, Miami-Dade County including agencies such as PortMiami, Miami-Dade Transit and Miami-Dade Aviation Department, to promote the development of the annexation area and support economic development within the South Florida region to promote employment within the City of Hialeah.

Services to be Provided

The Annexation Area is currently vacant. Therefore, there are no current services provided to the area.

The boundaries of the area have limited power and communications supply lines only. There are no public water or sewer and no facilities for trash collection or sewage treatment. All services must be provided to the annexation area as development occurs.

The City of Hialeah uses an automated system to monitor concurrency associated with new development. This Concurrency Management System (CMS) provides a viable system to manage growth for the City of Hialeah in terms of traffic, solid waste, potable water, sewage treatment, flood control, and parks. Therefore, all new development in the proposed annexation area must be approved by the automated CMS for concurrency compliance. Since there are no existing developments in the area, the CMS would be used for future development.

Police Protection

At maximum development, the proposed Annexation Area would be served by the City of Hialeah's Police department, Sector 6. Sector 6 also includes the previously annexed area to the south (Hialeah Heights). Resources needed to serve this area would be limited to twelve (12) additional Police Officers and twelve (12) additional vehicles for Sector 6.

Fire Protection

The closest fire station to the proposed Annexation Area is 3.7 miles away at 7590 West 24th Avenue. At an average speed of 30 miles per hour, the response time would be seven (7) minutes to the southern and eastern boundaries of the annexation area, ten (10) minutes to the western boundary and thirteen (13) minutes to the northwest boundary.

The new Annexation Area could be served by the enhancements proposed by the City of Hialeah for the previous annexation of Hialeah Heights. No additional personnel or equipment would be required

initially and through much of the development period. However, once the Annexation Area is fully developed, the Fire Department would likely add an additional Fire Engine and Rescue Truck, as well as, twelve (12) firefighters/paramedics and three (3) officers. If development occurs at a faster rate than anticipated, the City may choose to add an interim station temporarily in the proposed Annexation Area.

Water Supply Distribution

Current water supply in the area immediately adjacent to the south of the Annexation Area comes from the recently built Reverse Osmosis Water Treatment Plant (ROWTP). The City will work with developers to design and build the distribution system. Main access to this area will be provided by the 16-inch water main at NW 97th Avenue, approximately 680 feet northwest of NW 154th Street. The water main can be extended north to serve this area.

The distribution system will need to be built over an extended period of time to ensure adequate level of service for fire protection and water flow. Additional connections would be required if development occurs at a faster pace. The City is currently in the process of purchasing land in the Annexation Area to construct four (4) wells and a canal to better service this area.

Sewage Treatment

The proposed Annexation Area will be connected to the City's sewer system via an 18 inch sanitary gravity main located at NW 97th Avenue and NW 154th Street. An additional 24-inch force main is planned by Miami-Dade Water and Sewer Department (MDWASD) on NW 97th Avenue from NW 154th Street to serve the area north of NW 154th Street. The sewer line can be extended north of NW 170th Street to serve the Annexation Area.

Solid Waste

Trash removal for all new residential developments will be handled by the City's Department of Solid Waste. Commercial developments will be required to contract trash removal services with a private hauling company. Because the Annexation Area is comprised of primarily commercial and industrial uses, it will be serviced by a private hauling company.

Street Lighting

FP&L currently provides service to the proposed annexation area. As development occurs, FP&L would expand their service and provide lighting that is consistent with the South Florida Building Code and State Energy Code. The developer may pay for special lighting or decorative lighting at FP&L's discretion.

Street Construction and Maintenance

The automated CMS will be updated as new developments are proposed in the annexation area. This includes a proposed street network for the proposed developments. The proposed street network will be designed to meet capacity requirements for anticipated future development. Prologis will be extending NW 97th Avenue north of NW 170th Street and extending NW 170th Street west NW 97th Avenue as part of its proposed improvements for the area. A full interchange at I-75 and Miami

Gardens Drive (NW 186th Street) with access to the west would benefit this area.

Parks and Open Space

The Mayor would like to provide parks to future users of the Annexation Area. This would include pocket parks that provide recreational opportunities to employees within the Annexation Area as well as residents of Hialeah.

Building Inspection Zoning Administration/Local Planning Services

New development in the annexation area must be approved by the Community Development Department. The City will manage the annexation area to reflect level of service requirements as outlined in the City's Comprehensive Plan. Additionally, the Comprehensive Plan will be amended to include the annexation area.

All development must comply with all of the requirements of the Department of Environmental Resource Management (DERM). The City is available to advise and assist developers that may face these DERM issues. The City Building Department will be responsible for the approval of plans for projects located within the Annexation Area.

Government

The annexation area would become part of the City of Hialeah and enjoy all the benefits of participating in the local government as residents. New residents will be able to vote, attend City Council meetings, and participate in citizen advisory boards accordingly.

Timetable for Supplying Services

All of the services described will be provided to the annexation area incrementally, as development occurs. Much of the infrastructure will be funded by developers who will be required to provide adequate level of service for traffic, solid waste, potable water, sewage treatment, flood control, and parks consistent with the City's Comprehensive Plan.

Introduction

The City of Hialeah has developed a proposal to annex 0.92 square miles of generally vacant property just north of the city's border. This vacant property currently has a development proposed to add 1 million square feet of industrial warehouse space within the Annexation Area. There are no dwellings units within the proposed Annexation Areas.

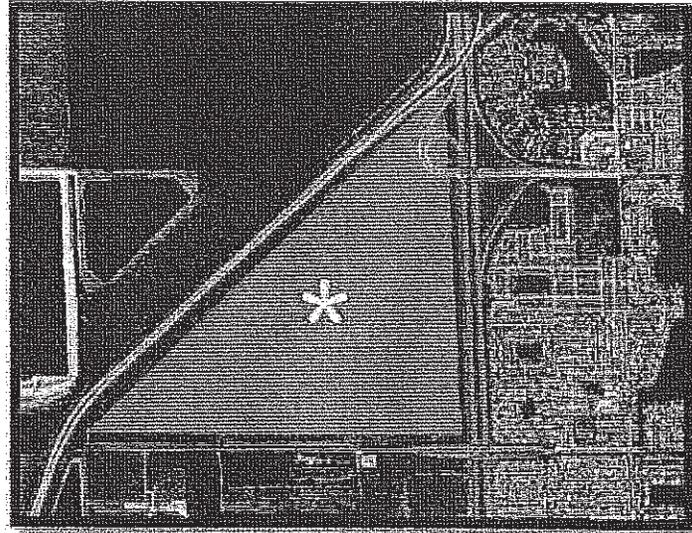

The City anticipates mostly Commercial and Industrial uses organized around warehouse facilities used for goods movement and supply change operations. These warehouse facilities require transportation access connecting to the regional highway and rail network, which has good potential at this location. This proposed pattern of development is both efficient and sustainable and demonstrates a responsive approach to environmental issues of growth and suburban sprawl.

The City has provided a complete analysis of potential services needed to serve new developments as well as cost analysis of providing these services.

Dear Mr. Navarro:

The Miami-Dade County Elections Department has completed a review of the City of Hialeah annexation area with the legal description of:

A PORTION OF "CHAMBERS LAND COMPANY SUBDIVISION" IN SECTION 4, TOWNSHIP 52 SOUTH, RANGE 40 EAST, AS RECORDED IN PLAT BOOK 2 AT PAGE 27; TOGETHER WITH: A PORTION OF "CHAMBERS LAND COMPANY SUBDIVISION" IN SECTION 8, TOWNSHIP 52 SOUTH, RANGE 40 EAST, AS RECORDED IN PLAT BOOK 2 AT PAGE 68; ALSO TOGETHER WITH: A PORTION OF "FLORIDA FRUIT LANDS COMPANY SUBDIVISION NO. 1" IN SECTION 9, TOWNSHIP 52 SOUTH, RANGE 40 EAST, AS RECORDED IN PLAT BOOK 2 AT PAGE 17, ALL OF THE PUBLIC RECORDS OF MIAMI-DADE COUNTY, FLORIDA.

A certification of the number of registered voters is enclosed for your reference. A fee of \$90.00 has been assessed for the research and labor involved in determining the number of registered voters in the proposed annexation area. This fee represents a charge of \$ 50.00 for the first hour and \$20.00 for each of the additional two hours needed to determine the number of registered voters.

Should you have any questions or concerns, please feel free to contact Rosy Pastrana, Deputy Supervisor of Elections for Voter Services at 305-499-8548.

Sincerely,

Penelope Townsley
Supervisor of Elections

VIA ELECTRONIC MAIL

Mr. Eric Silva
 Miami-Dade County
 Department of Regulatory and Economic Resources
 111 NW 1st Street, 11th Floor
 Miami, Florida 33128

Re: Certificate of the Director Determining Percentage of Residential Development within the City of Hialeah Annexation Area (a portion of Sections 8 and 9, Township 52, Range 40)

Dear Mr. Silva:

The City of Hialeah is initiating the process to have the above referenced land annexed into the City (the "Annexation Area"). The Annexation Area is located north of NW 170 Street, West of I-75, and South of the Homestead Extension of the Florida Turnpike (See Exhibit "A"). Pursuant to Section 20-3 (G), any proposed boundary change requires a determination from the Director of the Department of Planning and Zoning (now Regulatory and Economic Resources) regarding the percentage of residential development within the annexation area. As such, we would kindly request your confirmation that the proposed Annexation Area, which is mostly undeveloped and vacant land, is less than 50 percent developed residential.

We appreciate your assistance with this matter. As always, should you have any questions regarding this matter, please do not hesitate to contact our office.

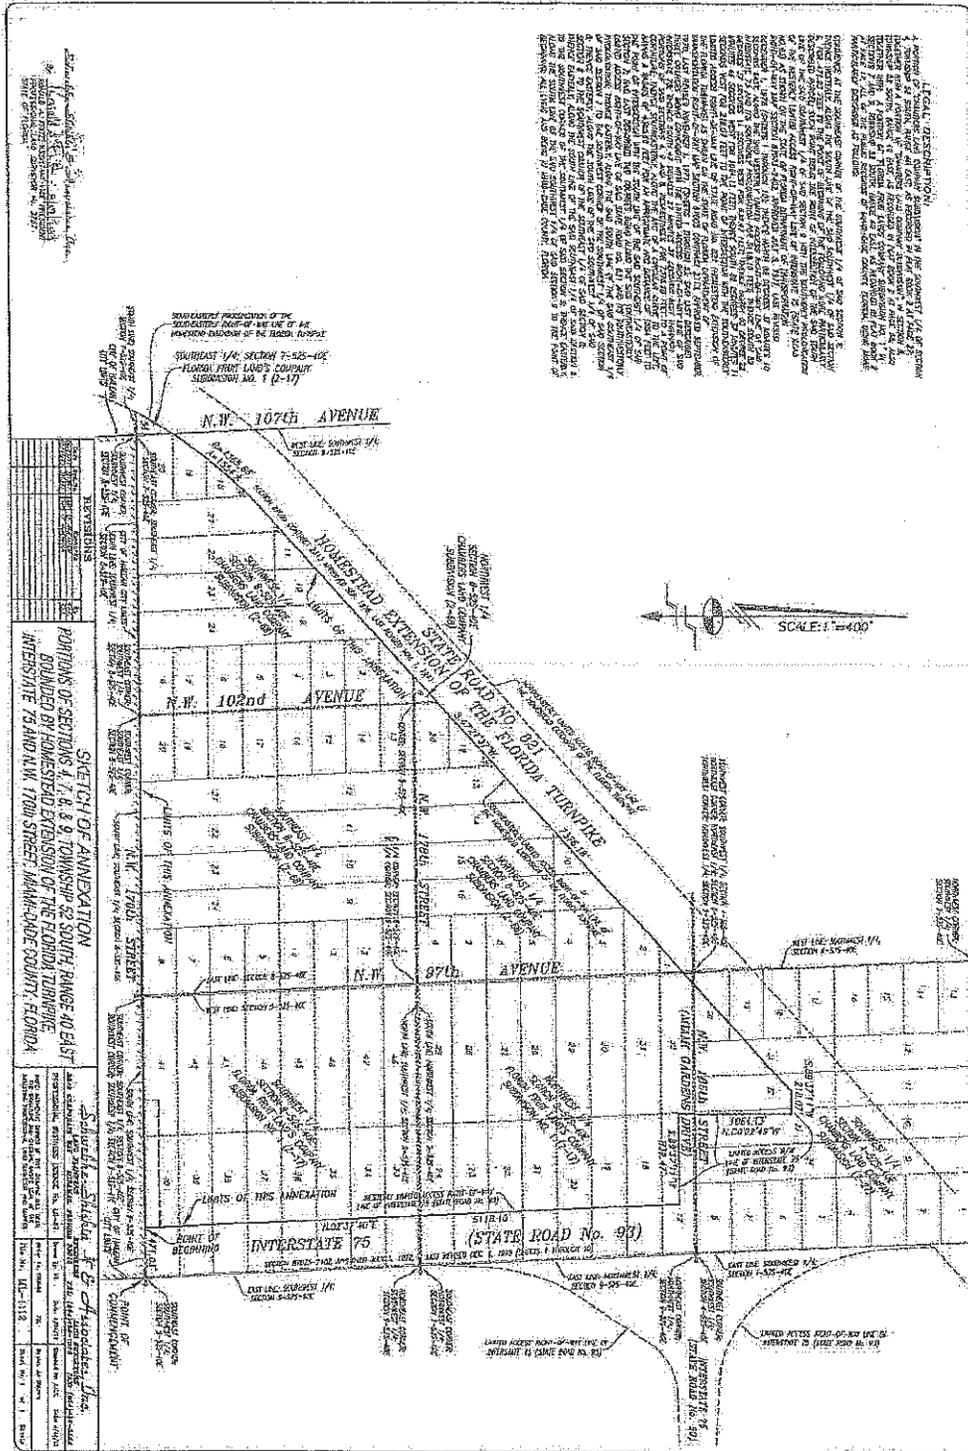

Sincerely,

THE LASARTE LAW FIRM

 Jorge L. Navarro

Commence at the Southeast corner of the Southwest 1/4 of said Section 9; thence Westerly, along the South line of the said Southwest 1/4 of said Section 9, for 471.03 feet to the Point of Beginning of the following more particularly described parcel; such point being the Point of Intersection of the said South line of the said Southwest 1/4 of said Section 9 with the Southerly prolongation of the Westerly Limited Access right-of-way line of Interstate 75 (State Road No. 93) as shown on the State of Florida Department of Transportation Right-of-Way Map Section 87075-2402, Approved July 5, 1977, last revised December 1, 1978 (Sheets 1 through 10); thence North 02 degrees 37 minutes 10 seconds East, along the said Westerly Limited Access Right-of-Way line of said Interstate 75 and its Southerly prolongation for 5118.10 feet; thence South 89 degrees 37 minutes 11 seconds West for 839.47 feet; thence North 00 degree 22 minutes 49 seconds West for 1064.13 feet; thence South 89 degrees 37 minutes 11 seconds West for 218.07 feet to the Point of Intersection with the Southeasterly Limited Access Right-of-Way line of State Road No. 821 (Homestead Extension of the Florida Turnpike) as shown on the State of Florida Department of Transportation Right-of-Way Map Section 87005 Contract 2313, Approved September, 1970, last revised November 1, 1971, (Sheets 1 through 5); said last described three courses being coincident with the Limited access Right-of-Way line of said Interstate 75; thence South 47 degrees 27 minutes 37 seconds West through portions of said Sections 4, 9 and 8, respectively, for 7376.18 feet to a Point of Curvature; thence Southeasterly, along the arc of a circular curve to the left, having a radius of 4365.66 feet for an approximate arc distance of 1554 feet to the Point of Intersection with the South line of the said Southeast 1/4 of said Section 7; said last described two courses being along the said Southeasterly Limited Access Right-of-Way line of said State Road No. 821 and its Southwesterly prolongation; thence Easterly, along the said South line of the said Southeast 1/4 of said Section 7 to the Southwest corner of the Southwest 1/4 of said Section 8; thence Easterly, along the South line of the said Southwest 1/4 of said Section 8 to the Southwest corner of the Southeast 1/4 of said Section 8; thence Easterly, along the South line of the said Southeast 1/4 of said Section 8 to the Southwest corner of the Southwest 1/4 of said Section 9; thence Easterly, along the South line of the said Southwest 1/4 of said Section 9 to the Point of Beginning; all lying and being in Miami-Dade County, Florida.

Resolutions

ORDINANCE NO. 2013-71

ORDINANCE OF THE MAYOR AND THE CITY COUNCIL OF THE CITY OF HIALEAH, FLORIDA, INITIATING AND REQUESTING A PROPOSED BOUNDARY CHANGE OF THE CITY OF HIALEAH, FLORIDA, IN ORDER TO ANNEX PROPERTY BEARING THE LEGAL DESCRIPTION CONTAINED IN COMPOSITE EXHIBIT "1"; AUTHORIZING THE MAYOR AND THE ACTING CITY CLERK AND OTHER PROPER CITY OFFICERS AND OFFICIALS TO TAKE ANY AND ALL ACTIONS AS MAY BE NECESSARY TO SUBMIT A REQUEST FOR THE PROPOSED BOUNDARY CHANGE TO THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA; AND AUTHORIZING THE ACTING CITY CLERK TO TRANSMIT COPIES OF THIS ORDINANCE TO THE CLERK OF THE COUNTY COMMISSION; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HEREWITH; PROVIDING PENALTIES FOR VIOLATION HEREOF; PROVIDING FOR A SEVERABILITY CLAUSE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Planning and Zoning Board at its meeting of August 28, 2013 recommended approval of this proposed annexation; and

WHEREAS, pursuant to state law, municipalities within the boundaries of Miami-Dade County shall follow the annexation methods established by Miami-Dade County; and

WHEREAS, pursuant to section 6.04 of the Miami-Dade County Home Rule Charter and section 20-3 of the Code of Miami-Dade County, Florida, the City of Hialeah may initiate, by ordinance, a proposed boundary change where there are 250 or fewer registered electors within the proposed Annexation Area; and

WHEREAS, the City of Hialeah finds that the foregoing threshold requirements for a city-initiated proposed boundary change are satisfied; and

WHEREAS, the City of Hialeah conducted duly noticed and advertised public hearings coinciding with the first reading and second reading of this ordinance.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND THE CITY COUNCIL OF THE CITY OF HIALEAH, FLORIDA, THAT:

Section 1: The recitations and facts contained in the preamble to this resolution are hereby adopted and incorporated by reference thereto as if fully set forth herein.

Section 2: The Mayor and the City Council of the City of Hialeah, hereby approves the changes, extension and enlargement of the municipal boundaries of the City of Hialeah, Florida, and the amendment of the Charter of the City of Hialeah, Florida, to effect such change, by the annexation to the City of Hialeah of property shown on an accompanying map and legally described in Composite Exhibit "1", attached hereto and made a part hereof.

Section 3: The City Council of the City of Hialeah, Florida, hereby requests that the Board of County Commissioners of Miami-Dade County, Florida, adopt an ordinance changing, extending, and enlarging the City's municipal boundaries as approved by the City of Hialeah and as described in the legal description set forth in Composite Exhibit "1".

Section 4: The Mayor and the Acting City Clerk and all such other City officials and officers are hereby authorized and directed to take all action and to execute such certificates, documents and agreements as may be deemed necessary or desirable in connection with the submission of the request for such boundary change to the Board of County Commissioners of Miami-Dade County, Florida, for approval.

Section 5: The Acting City Clerk is hereby authorized and directed to transmit three certified copies of the Ordinance, together with proof of compliance of notice procedures to the Clerk of the County Commission, accompanied by the attachments as required by Section 20-3 of the Code of Miami-Dade County, Florida.

Section 6: Repeal of Ordinances in Conflict.

All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict.

Section 7: Penalties.

Every person violating any provision of the Code or any ordinance, rule or regulation adopted or issued in pursuance thereof shall be assessed a civil penalty not to exceed \$500.00 within the discretion of the court or administrative tribunal having jurisdiction. Each act of violation and each day upon which any such violation shall occur shall constitute a separate offense. In addition to the penalty described above, the City may pursue other remedies such as abatement of nuisance, injunctive relief, administrative adjudication and revocation of licenses or permits.

Section 8: Severability Clause.

If any phrase, clause, sentence, paragraph or section of this ordinance shall be declared invalid or unconstitutional by the judgment or decree of a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs or sections of this ordinance.

Section 9: Effective Date.

This ordinance shall become effective when passed by the City Council and signed by the Mayor or at the next regularly scheduled City Council meeting, if the Mayor's signature is

withheld or if the City Council overrides the Mayor's veto.

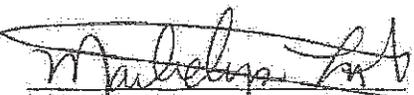

PASSED and ADOPTED this 24 day of September, 2013.

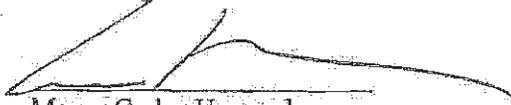

Isis Garcia Martinez
Council President

Attest:

Approved on this 24 day of September, 2013.

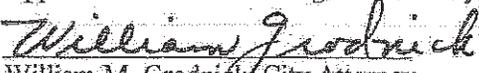

Marbelys Fatjo, Acting City Clerk

Mayor Carlos Hernandez

Approved as to form and legal sufficiency:

William M. Grodnick, City Attorney

s:\wmg\legislaford\ordinance 2013\annexationnorthofnw170street.docx

Ordinance was adopted by a unanimous vote with Councilmembers, Caragol, Casals-Muñoz, Cue-Fuente, Garcia-Martinez, Gonzalez, Hernandez and Lozano voting "Yes".

MAP

A portion of "CHAMBERS LAND COMPANY SUBDIVISION" in the Southwest 1/4 of Section 4, Township 52 South, Range 40 East, as recorded in Plat Book 2 at Page 27; together with a portion of "CHAMBERS LAND COMPANY SUBDIVISION", in Section 8, Township 52 South, Range 40 East, as recorded in Plat Book 2 at Page 68; also together with: A portion of "FLORIDA FRUIT LANDS COMPANY SUBDIVISION NO. 1" in Sections 7 and 9, Township 52 South, Range 40 East, as recorded in Plat Book 2 at Page 17, all of the Public Records of Miami-Dade County, Florida, being more particularly described as follows:

Commence at the Southeast corner of the Southwest 1/4 of said Section 9; thence Westerly, along the South line of the said Southwest 1/4 of said Section 9, for 471.03 feet to the Point of Beginning of the following more particularly described parcel; such point being the Point of Intersection of the said South line of the said Southwest 1/4 of said Section 9 with the Southerly prolongation of the Westerly Limited Access right-of-way line of Interstate 75 (State Road No. 93) as shown on the State of Florida Department of Transportation Right-of-Way Map Section 87075-2402, Approved July 5, 1977, last revised December 1, 1978 (Sheets 1 through 10); thence North 02 degrees 37 minutes 10 seconds East, along the said Westerly Limited Access Right-of-Way line of said Interstate 75 and its Southerly prolongation for 5118.10 feet; thence South 89 degrees 37 minutes 11 seconds West for 839.47 feet; thence North 00 degree 22 minutes 49 seconds West for 1064.13 feet; thence South 89 degrees 37 minutes 11 seconds West for 218.07 feet to the Point of Intersection with the Southeasterly Limited Access Right-of-Way line of State Road No. 821 (Homestead Extension of the Florida Turnpike) as shown on the State of Florida Department of Transportation Right-of-Way Map Section 87005 Contract 2313, Approved September, 1970, last revised November 1, 1971, (Sheets 1 through 5); said last described three courses being coincident with the Limited access Right-of-Way line of said Interstate 75; thence South 47 degrees 27 minutes 37 seconds West through portions of said Sections 4, 9 and 8, respectively, for 7376.18 feet to a Point of Curvature; thence Southeasterly, along the arc of a circular curve to the left, having a radius of 4365.86 feet for an approximate arc distance of 1554 feet to the Point of Intersection with the South line of the said Southeast 1/4 of said Section 7; said last described two courses being along the said Southeasterly Limited Access Right-of-Way line of said State Road No. 821 and its Southwesterly prolongation; thence Easterly, along the said South line of the said Southeast 1/4 of said Section 7 to the Southwest corner of the Southwest 1/4 of said Section 8; thence Easterly, along the South line of the said Southwest 1/4 of said Section 8 to the Southwest corner of the Southeast 1/4 of said Section 8; thence Easterly, along the South line of the said Southeast 1/4 of said Section 8 to the Southwest corner of the Southwest 1/4 of said Section 9; thence Easterly, along the South line of the said Southwest 1/4 of said Section 9 to the Point of Beginning; all lying and being in Miami-Dade County, Florida.

North Boundary-Homestead Extension of the Florida Turnpike • West Boundary- Homestead Extension of the Florida Turnpike • South Boundary- NW 170 Street • East Boundary- Interstate 75 Expressway

Grounds for Boundary Change

The City of Hialeah currently consists of 23 square miles and is completely developed except for approximately three (3) square miles of land. These three (3) square miles of land just south of the Annexation Area was annexed by the City of Hialeah in 2003, and is known as Hialeah Heights. In the City's effort to meet its economic and industrial demands, Hialeah would like to annex approximately 0.92 square miles of vacant property to the northwest corner of its boundary.

The City of Hialeah's proposed annexation area is strategically located adjacent to the Homestead Extension of the Florida Turnpike and I-75, with access to Okeechobee Road/US 27. The proposed annexation area is located in a strategic area within the State of Florida's plan for freight expansion, and is ideal to encourage economic development via industrial activity. The proposed annexation area would be consistent with the area previously annexed to the south and would allow the City of Hialeah to further develop competitive areas for supply chain Intermodal Logistic Centers.

With the regional transportation agencies, such as the Florida Department of Transportation (FDOT) and the Miami Seaport Department, as well as the railroad operators and trucking companies, working to establish a more robust freight network in South Florida, the need exists for intermodal logistics facilities to manage and provide for supply chain operations. There is also a great need for additional employment in the area. By locating development opportunities adjacent to active freight transportation corridors Intermodal Logistics Center opportunities are appropriate for Miami-Dade and Broward County.

Future Land Use and Zoning

Land Use

The Annexation Area is currently designated "Industrial and Office" on the Miami-Dade County Future Land Use Plan Map. Upon annexation, the City will re-designate those properties to "Industrial" which is the City's closest land use equivalent.

The following goals have been developed to guide future growth in the proposed annexation area:

- GOAL 1:** Provide land uses that will promote economic development within the City of Hialeah.
- GOAL 2:** Provide land uses that will meet the industrial demands of the South Florida region and further the goals, objectives and policies of the City of Hialeah's Comprehensive Plan.
- GOAL 3:** Provide public spaces and multimodal transportation options to facilitate mobility within the annexation area.
- GOAL 4:** Provide appropriate development area, including but not limited to, light industrial, office, and other uses to further the goals, objectives and policies of the City of Hialeah's Comprehensive Plan.

GOAL 5: Coordinate with the Florida Department of Transportation, Miami-Dade County including agencies such as PortMiami, Miami-Dade Transit and Miami-Dade Aviation Department, to promote the development of the annexation area and support economic development within the South Florida region to promote employment within the City of Hialeah.

Zoning

The Annexation Area consist of lands zoned Industrial and Agriculture as shown on the Miami-Dade County Zoning Map. Upon Annexation, the City will rezone those properties to the City's closest equivalent which is MH Industrial District.

Enclaves (County Code Section 20-3(E))

The proposed annexation area includes no enclaves.

Services to be Provided

Police protection

Police protection is not part of the City's Concurrency Management System. The Police Department evaluates itself regularly and makes adjustments depending on the needs of each police zone.

The City of Hialeah Police Department is organized by sectors for police patrol. The six (6) existing sectors are each served by thirty Police Officers, six Sergeants, and one Sector Commander. Additionally, each sector has two Traffic Section motor officers. Each sector has a police substation, except for Sector 6 because the demand is not there yet. The substation gives the police a local presence and provides opportunities for community outreach. It is anticipated that the gang unit and the officer from the auto theft and burglary units that were proposed for the previously annexed area will be sufficient to service the new Annexation Area. All substations include an e-library, which provides internet access to children and adults. Police officers have the opportunity to interact with residents and address their concerns proactively.

The proposed annexation area could be serviced by hiring at a minimum twelve (12) Police Officers. A 24/7 operation would require twelve (12) Police Officers to serve the Annexation Area, when included within what was previously proposed for the Sector 6 command.

As development begins to occur in the annexation area, one (1) Police Officer will be needed to patrol the open areas and construction sites to prevent trespassing and protect construction equipment. As development increases, patrol personnel will be needed.

Fire Protection

Fire protection is not part of the City's Concurrency Management System. The fire department monitors the need for additional service as new developments are built and are continuously evaluating their response times for sufficiency.

The City of Hialeah Fire Department is serviced by 7 fire stations for a 20 square mile area. Each station serves 2.9 square miles. There is a plan already proposed to construct an additional fire station to the south of the Annexation Area within the area that was previously annexed by the City in 2003. The Department services include fire suppression, emergency medical service, fire protection/education, hazardous materials response, and dive-rescue. The Insurance Services Office has given the City of Hialeah Fire Department the highest rating of 1. Less than twenty-five fire departments nationwide have this rating.

The closest fire station to the proposed annexation area is 3.7 miles away at 7590 West 24th Avenue. At an average speed of 30 miles per hour, the response time would be seven (7) minutes to the annexation area's southern and eastern boundary, ten (10) minutes to the western boundary, and thirteen (13) minutes to the northwest boundary. As the annexation area is developed, the fire Department will continue to evaluate its system to ensure adequate level of service.

Water Supply and Distribution

The city of Hialeah uses an automated system to monitor concurrency associated with new development. This concurrency Management System (CMS) provides a viable system to manage growth for the City of Hialeah in terms of traffic, solid waste, potable water, sewage treatment, flood control, and parks.

The City of Hialeah purchases potable water from Miami-Dade Water and Sewer Department (MDWASD). The Dade County Department of Environmental Resources Management (DERM), under Metropolitan Dade County Administrative Order 4-85, is responsible for monitoring these facilities using criteria consistent with the minimum Levels of Service adopted in the Hialeah Comprehensive plan.

The existing service provides water to 230,000 Hialeah residents at an average rate of 22.0 million gallons per day (MGD). The reverse osmosis plant will service the Annexation Area. There is no existing water supply in the annexation area. Therefore, a water distribution system must be created for this area.

Facilities for the Collection and Treatment

The city of Hialeah uses an automated system to monitor concurrency associated with new development. This Concurrency Management System (CMS) provides a viable system to manage growth for the City of Hialeah in terms of traffic, solid waste, potable water, sewage treatment, flood control, and parks.

Similar to the water supply, sewage treatment and disposal is supplied by the Miami-Dade Water and Sewer Department (MDWASD). The Dade County Department of Environmental Resources Management (DERM) has the responsibility under Metropolitan Dade County Administrative Order 4-85 for monitoring the operation of treatment facilities operated by WASD. Under A.O 4-85, DERM is responsible for monitoring these facilities with the using criteria consistent with the minimum Levels of Service adopted

in the Hialeah Comprehensive Plan. Table 2 provides maximum rates per use as adopted in the City's Comprehensive Plan. Sewage is collected by the City and transmitted to MDWASD's Pump Station 418. Pump Station 418 has a maximum capacity of 50 million gallons per day (MGD) and currently treats 17 MGD. Additionally, Pump Station 418 is expanding its capacity more than 194% to support anticipated future development.

The proposed annexation area will be connected to the City's sewer system via an 18-inch sanitary gravity main located at NW 97th Avenue from NW 154th Street to serve the area north of NW 154th Street. Both connections will be sufficient to accommodate future development.

Solid Waste

The City of Hialeah uses an automated system to monitor Concurrency associated with new development. This Concurrency Management System (CMS) provides a viable system to manage growth for the City of Hialeah in terms of traffic, solid waste, potable water, sewage treatment, flood control, and parks.

It is not anticipated that residential land uses will be provided within the annexation area. As such, no garbage, bulk or recycling pickups are anticipated. Instead, solid waste will be managed through commercial trash removal which is provided by private waste haulers with dumpster service. Commercial solid waste is collected within Hialeah by private solid waste collection and disposal firms. For the purpose of determining Concurrency, a current "blanket" letter from firms providing such service within the City, which certifies that the capacity of the solid waste disposal facilities used or operated by that firm are adequate and will comply with the minimum Level of Service standards for the projected customer base for the next five years, will be deemed sufficient to determine a Concurrency application concurrent.

Street Lighting

Street lighting is not part of the City's Concurrency Management System.

Florida Power and Light provides electricity to the City of Hialeah. The City of Hialeah Streets Department coordinates all lighting activities with FP&L and oversees general street improvement. The City requires that all public facilities, including streetlights, be concurrent with the impact of any new development. Additionally, because these facilities are in the public right-of-way, they should not interfere with on-site traffic flow.

FP&L currently provides service to the proposed annexation area. As development occurs, FP&L would expand their service and provide lighting that is consistent with the South Florida Building Code and State Energy Code. The developer may pay for special lighting or decorative lighting at FP&L's discretion.

Street Construction and Maintenance

The City of Hialeah uses an automated system to monitor concurrency associated with new development. This Concurrency Management system (CMS) provides a variable system to manage growth for the City of Hialeah in terms of traffic, solid waste, potable water, sewage treatment, flood control, and parks.

Street construction and maintenance is affected by the level of service as stated in the City's Comprehensive Plan. The City has established a level of service E, for each traffic zone. Any new

development must be evaluated by the automated CMS to ensure street capacity is not compromised. Developers must understand that the concurrency process is dependent upon a "fair share" concept, and that the Hialeah street system must serve wide areas of the City. Thus, the Concurrency procedure attempts to prevent large developments in a concentrated area from using all of the remaining capacity on major streets. The methodology for determining Concurrency compares the number of new trip ends allowed in a zone to the number of trip ends that would be produced by a new development. These rates are based on a compendium of data compiled throughout the United States called "Quick Response Rates: (ORS)" and are generally accepted as reasonable rates to use for proposed developments, and was found to conform quite well with the needs of the Hialeah Concurrency Management Program. ORS rates provide a fair basis for evaluation of proposed developments. Potential developers may wish to conduct special analysis.

Building/Zoning Administration/Local Planning Services

Building, zoning, and planning are handled by the Building and Planning and Zoning Divisions of the Community Development Department. This department handles all the building permits, planning and zoning applications, land use, comprehensive planning, and concurrency management. All new developments must be reviewed by this department for approval. They should be compatible with the City's Future Land Use Plan and Comprehensive Plan.

New development in the annexation area must be approved by the Community Development Department and pass the concurrency Management System requirements. The City will build new links in its Concurrency Management System to include the annexation area and reflect level of service requirements as outlined in the city's Comprehensive Plan. Additionally, the comprehensive Plan will be amended to include the annexation area.

All development must comply with the requirements of the Department of Environmental Resource Management (DERM). This is relevant in terms of wetlands, contaminated sites, and tree conservation areas.

General Government

The City of Hialeah has a strong mayor and council system. The mayor is the Chief Executive Officer and oversees the daily operations of the city. The seven City Council members approve the budget and vote on legislation. The mayor does not vote, but has veto power that may be overridden by a 5/7th Council vote. Both the mayor and city council are elected to office for four-year terms. Additionally, there are several citizen advisory boards that assist the Mayor and City Council in making decisions about planning, code compliance, culture affairs, human resources, and historic preservation.

Timetable for Supplying Services

All of the services described will be provided to the annexation area incrementally, as development occurs. Much of the infrastructure will be funded by developers who will be required to provide adequate level of service for traffic, solid waste, potable water, sewage treatment, flood control, and parks consist with the City's Comprehensive Plan and the Concurrency Management System. Police services will be

provided as they become needed, and the fire department will serve the new developments as they are built.

Community Development services will be available immediately. All development must be approved by the Planning and Zoning Division and must pass concurrency review for development approval.

Financing Services to be Provided

There will be certain expenses incurred when the annexation occurs. These costs will be one-time capital expenditures and annual salary cost. All estimates of capital items and personnel were ascertained by interviewing the department managers and estimates from Human Resources.

Police

Police service to the community will be phased along with the development of the area. In the initial stages of the development, only a small police presence is necessary. Full development may only require the addition of one squad to the existing Sector 6 in the City. Under these circumstances the commitment of personnel will be twelve Patrol Officers.

If the development of the proposed annexation does prove to require demand for additional service, the City would consider the addition of a full patrol sector. This commitment will add 12 additional personnel. Under the scenario of the additional patrol sector the increase in staff levels would be:

Patrol Officers:	12
Sergeants:	0
Lieutenants:	0
Detectives:	0

Capital requirements for the Police Department include:

Purchase of 12 police vehicles:

The cost for purchasing these vehicles is \$29,790 per vehicle or a total cost of \$357,480. The annual average operating cost per year is estimated to be \$6,475 per vehicle or \$77,700.

Capital Costs

Vehicles	\$357,480
Amortizes for 3 years:	\$119,160 annually

Operating Costs

Salary costs:

<u>Patrol Officers (12)</u>	<u>\$ 802,560</u>
Salary Total	\$ 802,560

Vehicle operating costs:	\$ 77,700
Department operating costs:	\$ 62,000
<u>Vehicle amortization</u>	<u>\$ 119,160</u>

Total annual operating costs:
\$ 1,061,420

Fire/Rescue Department

When there is substantial development within the annexed area, the City will consider the necessity for additional Fire Department personnel and equipment. The total staffing to serve this additional Annexation Area would be 12 firefighters/paramedics and 3 officers. A new fire station within the Annexation Area will not be required. There is already a new fire station proposed within the area that was previously annexed by the City.

Capital Costs

Fire Engine/ladder truck	\$ 850,000
<u>Rescue/EMS Truck</u>	<u>\$ 260,000</u>
Total Capital Costs	\$1,110,000
Amortization Vehicles 7 years	\$ 158,571

Operating Costs

Salary costs:	
Firefighter/paramedics (12)	\$ 792,000
<u>Officers (3)</u>	<u>\$ 270,000</u>
Total Salary Costs	\$ 1,062,000
Vehicle operating cost:	\$ 60,000
Station operating cost:	\$ 194,000
<u>Department operating cost:</u>	<u>\$ 51,400</u>
Total annual operating costs:	\$ 1,367,400

Public Works

This department will add personnel to maintain rights-of-way and street lights in the new area. The additions will include 2 staff persons and 1 vehicle.

Capital Costs

Vehicles:	\$ 155,400
Amortized at 5 years:	\$ 31,080

Operating Costs

Salary:	\$ 130,740
Department operating cost:	\$ 41,100
Vehicle operating cost:	\$ 18,500
<u>Amortization:</u>	<u>\$ 31,080</u>

Total annual operating costs:	\$ 221,420
--------------------------------------	-------------------

Planning/Development/Building Department

This department has stated that they will need to add the following staff and vehicles to meet the demand of the annexation.

Capital Costs

Vehicles (2)	\$ 46,600
--------------	-----------

Salary Costs

P&Z (1), Building (1) Clerks	\$ 15,460
------------------------------	-----------

Inspector (Zoning) (1)	\$ 52,030
------------------------	-----------

Inspector(Roofing/Building)(1)	\$ 72,480
--------------------------------	-----------

Inspector(Electrical)(1)	\$ 55,750
--------------------------	-----------

Inspector (Mechanical)(1)	\$ 55,750
---------------------------	-----------

<u>Inspector (Plumbing)(1)</u>	<u>\$ 55,750</u>
--------------------------------	------------------

Total	\$ 260,420
--------------	-------------------

Vehicle operating costs	\$ 4,110
-------------------------	----------

<u>Department Operating costs:</u>	<u>\$ 61,620</u>
------------------------------------	------------------

Total annual costs	\$ 326,150
---------------------------	-------------------

Fleet Maintenance Division

This department will only need to add one mechanic.

Salary Costs

Fleet Mechanic II	\$ 45,110
-------------------	-----------

<u>Operating costs:</u>	<u>\$ 32,900</u>
-------------------------	------------------

Total annual costs:	\$ 78,010
----------------------------	------------------

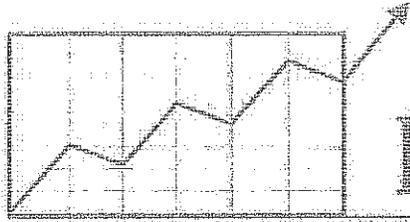

Solid Waste Division

No Department expenditures are anticipated, as solid waste disposal for the annexation area will be provided by private providers with costs borne by the developers.

Water And Sewer Utility

Capital outlays for this Department include the construction of water distribution and sewer collection lines along with treatment plant capacity. Estimates have been provided for the construction costs of these facilities. Typically, developers construct internal service lines and dedicate the facilities to the municipality. The utility system only constructs the major lines. In either case, the cost of construction is usually passed on to the developer through the direct construction or the payment of impact fees.

Operations of the utility system are addressed through the rates paid by residential and commercial customers of the system. The rates are set to meet the annual operating costs of the system. The current rates are described in the following section, "City of Hialeah Annexation Revenue Estimates".

CITY OF HIALEAH ANNEXATION REVENUE ESTIMATES

September, 2013

CITY OF HIALEAH ANNEXATION REVENUE ESTIMATES

This analysis will provide detail regarding the various taxes, fees and charges that will be generated by the area to be annexed. All rates, fees and other charges were obtained from the City of Hialeah and represent the current rates. All revenue generation will be expressed in 2013 dollars. The area subject to annexation is generally triangular and contains approximately 588 acres and is bounded by the following:

North – Just north of NW 186 Street
East – I-75
South – NW 170 Street
West – Homestead Extension of the Florida Turnpike

For this analysis, it is estimated that the developable land (that area not required for environmental, drainage or roadway purposes) will consist of approximately 90% Industrial and 10% Office Space, when completed.

TAXES AND FEES

Millage Rate:

The ad valorem millage rate represents the levy imposed on real and personal property by a governmental agency. The rate is expressed in mills, where one mill is equal to one thousandth of a dollar. The millage rate is multiplied by the Taxable Value of the property to obtain the taxes due.

The millage rates for all governmental agencies are set by the elected officials usually during budget hearings in August or September of each year. The millage rate adopted by the City of Hialeah for the current fiscal year is 6.3018 mills.

Utility Taxes:

Utility Taxes are levied on the various public utility services by municipalities within their boundaries. The municipalities have the option of imposing such taxes and the applicable rate. However, a limit of 10% is provided by State law. Utility Taxes are charged by Hialeah for electricity and liquid petroleum at the 10% figure.

Franchise Fees:

Franchise Fees are those fees that governmental entities charge public utility franchise holders to conduct business and utilize public rights-of-way within their boundaries. The City of Hialeah imposes such fees, at a rate of 10%, on electricity and natural gas services.

Communications Service Tax

The Communications Service Tax structure permits collection by the State with a rebate to the municipality based on the rate adopted by the local governing body. The Communications Service Tax is levied by the City of Hialeah at a rate of 5.22%.

Stormwater Fee:

The City of Hialeah provides stormwater maintenance services for the municipality. Financing of this service is derived from the collection of a stormwater fee for all properties within the municipal limits. The stormwater fee is \$2.50 per month for each Equivalent Residential Unit (ERU). For commercial and industrial property the number of ERUs is based on the amount of impervious surface.

UTILITY USAGE

The following table lists the average monthly bill for consumption amounts for utilities in the proposed annexation area. For commercial users, the usage is estimated for the average or typical size business enterprise.

The information listed in the following tables was provided by the various utility companies themselves. Each individual utility was contacted and interviewed regarding the typical bill for their customers. The amount under consideration applies only to the consumption charges, which is the basis of Utility Tax, Franchise Fee and Telecommunications Tax calculations. The typical business is estimated to be 10,000 square feet in size.

**TYPICAL MONTHLY COMMERCIAL USAGE
AS EXPRESSED IN CHARGES FOR CONSUMPTION**

CATEGORY	TYPICAL BILL
Electric	\$1,000
Telephone/Internet (include cell phones)	\$1,000
Water	\$ 105
Sewer	\$ 175

**TYPICAL MONTHLY INDUSTRIAL USAGE
AS EXPRESSED IN CHARGES FOR CONSUMPTION**

CATEGORY	TYPICAL BILL
Electric	\$1,000
Telephone/Internet (include cell phones)	\$ 750
Water	\$ 85
Sewer	\$ 140

Source: PMG Associates, Inc.

REVENUES GENERATED BY THE SUBJECT AREA

The following analysis will determine the revenues generated by the City of Hialeah from the annexed areas. These revenues will come from all sources including Ad Valorem Taxes, Utility Taxes, Franchise Fees, Communications Service Tax, Stormwater Fees and Utility Charges.

Ad Valorem Taxes:

Ad Valorem taxes are calculated by multiplying the adopted tax rate of 6.3018 mills by the Taxable Value of the property. The total Taxable Value of the property, at build-out is estimated to be \$853.8 million. The current Taxable Value of the property is \$48 million. Current Ad Valorem Taxes from the property (without development) would be \$302,486 annually.

Category	Commercial	Industrial	Total
Buildable Square Feet	1,089,000	9,870,000	10,959,000
Cost Per Square Foot	\$100	\$50	N/A
FMV	\$108,900,000	\$493,500,000	\$602,400,000
Taxable Value @70%	\$76,230,000	\$345,450,000	\$421,680,000
Millage Rate	6.3018	6.3018	6.3018
Ad Valorem Taxes Generated	\$480,386	\$2,176,957	\$2,657,343

Ad Valorem Taxes generated

Multiply the Taxable Value by the Tax Rate of 6.3018 mills equals \$5,380,326 in annual taxes generated.

Utility Taxes:

Utility Taxes are estimated by multiplying the actual annual usage charges for consumption by the applicable tax rate. All data for the consumption figures used in this analysis were provided by the utility service providers themselves. The following is a listing of the total consumption charges and taxes generated for each utility service provided. The typical business is estimated to be 10,000 square feet in size.

	Units	Average Utility Tax	Utility Taxes Generated
Commercial	109	\$720.00	\$ 78,480
Industrial	987	\$720.00	\$710,640
Total			\$789,120

Franchise Fees:

Franchise Fees are determined in the same manner as Utility Taxes after applying the appropriate rates.

	<u>Units</u>	<u>Average Franchise Fee</u>	<u>Franchise Fees Generated</u>
Commercial	109	\$1,200.00	\$ 130,800
Industrial	987	\$1,200.00	\$1,184,400
Total			\$1,315,200

Communications Service Tax:

Communications Service Taxes are determined in the same manner as Utility Taxes after applying the appropriate rates.

	<u>Units</u>	<u>Average Tax</u>	<u>Taxes Generated</u>
Commercial	109	\$626.40	\$ 68,278
Industrial	987	\$469.80	\$463,693
Total			\$531,971

Stormwater Fee:

Stormwater Fees are estimated using the average rate for each entity.

	<u>Units</u>	<u>Average Fee</u>	<u>Taxes Generated</u>
Commercial	109	\$30.00	\$ 3,270
Industrial	987	\$30.00	\$29,610
Total			\$32,880

Water and Sewer Fees:

	<u>Units</u>	<u>Average Charge</u>	<u>Revenue Generated</u>
Commercial	109	\$3,360.00	\$ 366,240
Industrial	987	\$2,700.00	\$2,664,900
Total			\$3,031,140

TOTAL REVENUES GENERATED

The figures delineated in the previous section identified the revenues generated from each of the revenue sources. Each source is presented in the specific fund type that applies to the revenue source. The following table presents a summary of the revenue sources.

SOURCES OF REVENUE – AT BUILD-OUT

General Fund

Category	Amount
Ad Valorem Taxes	\$2,657,343
Franchise Fees	\$ 789,120
Utility Taxes	\$1,315,200
Communications Service Tax	\$ 531,971
Stormwater Fee	\$ 32,880
TOTAL	\$5,296,914

Current Ad Valorem Taxes = \$302,486

Utility Enterprise Fund

Water and Sewer Revenue	\$3,031,140
-------------------------	-------------

Notification of Public Hearing

At the time of formal hearing by the City to proceed with the annexation, mailed notice was sent to property owners within the area and within 600 feet thereof. Attached is a list of the notices and a certified list of property owners.

FILM

Florida Premiere of Acclaimed Film "Stealing Klimt": Exclusively at Jewish Museum of Florida-FIU.

Miami Jewish Film Festival and the Jewish Museum of Florida-FIU (JMOF-FIU) co-present the exclusive Florida premiere of *Stealing Klimt*. The critically acclaimed film tells the dramatic story of the decades long struggle by Maria Altmann, a Viennese Jew, to recover five Gustav Klimt original paintings stolen from her family by the Nazis in 1938. The paintings, including the famous portrait of Adele Bloch-Bauer, had been hanging in the Austrian National Gallery since 1945.
5:30 p.m. Aug. 22, Jewish Museum of Florida-FIU, 301 Washington Ave., Miami Beach. \$5 for JMOF-FIU or Film Society members; \$10 for non-members; \$8 students/seniors. 786-972-3175. jmofof.com/calendar/2013/florida-premiere-of-acclaimed-film-stealing-klimt-exclusively-at-jewish-museum-of-florida-fiu/

LATIN

Marlins Celebrate Puerto Rican Heritage Night: As the Marlins take on the 2012 World Series Champion San Francisco Giants, there are pregame and post-game festivities in the West Plaza with Latin headliners.

TURN TO CALENDAR, 12ND

CITY OF HIALEAH Proposed Annexation Public Hearing August 28, 2013

NOTICE IS HEREBY GIVEN THAT ON WEDNESDAY, AUGUST 28, 2013 AT 7:00 P.M., ZONING BOARD WILL HOLD A PUBLIC HEARING IN THE COUNCIL CHAMBERS OF CITY HALL, 3RD FLOOR, 501 PALM AVENUE, HIALEAH, FLORIDA to consider the following request:

The City of Hialeah proposes to annex the area within the following boundaries:

- North: Florida Turnpike Homestead Extension (HEFT)
 - East: I-75 Expressway
 - South: NW 170th Street
 - West: Florida Turnpike Homestead Extension (HEFT)
- Area is also described as portions of sections 08, 09, and 04 lying west of I-75 and south of the Florida Turnpike Homestead Extension (HEFT)

APPLICANT: CITY OF HIALEAH
Information on any of the application can be obtained at the Hialeah Planning Division, 2nd Floor, Hialeah City Hall, 501 Palm Avenue, Hialeah, Florida 33010 or by calling (305) 883-8075

In accordance with the Americans with Disabilities Act of 1990, persons needing a special accommodation to participate in this proceeding should contact the office of the City Clerk for assistance no later than five (5) days prior to the proceedings at (305) 883-5820. If hearing impaired, telephone the Florida Relay Service Numbers, (800) 955-8771 (TDD) or (800) 955-8700 (Voice)

HIALEAH PLANNING DIVISION

CITY OF HIALEAH PUBLIC HEARING September 10, 2013 NOTICE OF ZONING CHANGE

The Hialeah City Council will consider at its meeting of September 10, 2013, the following proposed Rezoning initiated by the City. If approved, the Rezoning Ordinance will be heard for second reading and public hearing for final adoption on September 24, 2013.

All interested parties are invited to participate. These meetings will be held in the **Council Chambers, 3rd Floor** located at **501 Palm Avenue, Hialeah, FL.**

The proposed ordinance will be available for inspection and copying at the Office of the City Clerk, 3rd Floor, 501 Palm Avenue, Hialeah, from 8:30 a.m. to 5:00 p.m.

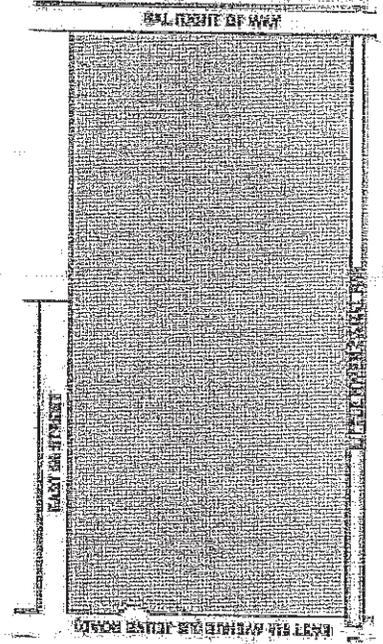

CITY-INITIATED ZONING CHANGE

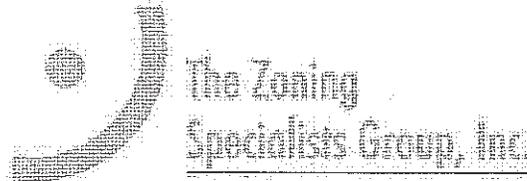

ORDINANCE REZONING PROPERTY FROM R-1 (ONE FAMILY DISTRICT) TO M-1 (INDUSTRIAL DISTRICT); **PROPERTY LOCATED AT 900 EAST 56 STREET, HIALEAH, FLORIDA. REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HERewith; PROVIDING PENALTIES FOR VIOLATION HEREOF; PROVIDING FOR A SEVERABILITY CLAUSE; AND PROVIDING FOR AN EFFECTIVE DATE.**

Persons wishing to appeal in any decision made by the City Council with respect to any matter considered at this meeting, will need a record of the proceedings and, for such purpose, may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

In accordance with the Americans with Disabilities Act of 1990, persons needing special accommodations to participate in this proceeding, should contact the Office of the City Clerk at (305) 883-5820 for assistance no later than seven (7) days prior to the meeting. If hearing impaired, telephone the Florida Relay Service at (800) 955-8771 (TDD), (877) 955-8773 (Spanish) or (800) 955-8700 (Voice).

Marbelys L. Fatjo, Esq.
Acting City Clerk

June 28, 2013

Letters of Support

VIA HAND DELIVERY

July 15, 2013

Honorable Mayor Carlos Hernandez
City of Hialeah City Hall
501 Palm Avenue 4th Floor
Hialeah, Florida 33010

Re: Proposed Annexation / AMB I-75, LLC

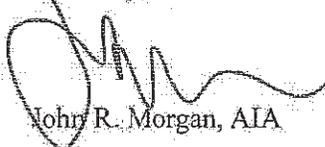

Honorable Mayor Hernandez:

We would like to express our support of the City of Hialeah's intent to annex the area North of NW 170th Street and between the Florida Turnpike and Interstate 75. Our company owns over 70 acres in that area and we are one of the largest land owners in the area. We believe that the annexation of the area by the City of Hialeah will bring the infrastructure necessary to encourage development.

We would also ask in the interim that we be allowed to plan for the City of Hialeah Water and Sewer Department to provide water and sewer service to the AMB I-75 property until such time that the annexation is finalized or WASA has adequate facilities to make service available. It is our intent to install the said services along with the road along NW 97th Avenue.

Please let us know how we can assist the City in the annexation process. We also welcome sitting with you and your staff to discuss all the potential impacts of the annexation in detail.

Sincerely,

John R. Morgan, AIA
Vice President, Regional Development Manager – East Region

July 18, 2013

Honorable Mayor Carlos Hernandez
City of Hialeah City Hall
501 Palm Avenue 4th Floor
Hialeah, Florida 33010

RE: Proposed Annexation

Honorable Mayor Hernandez

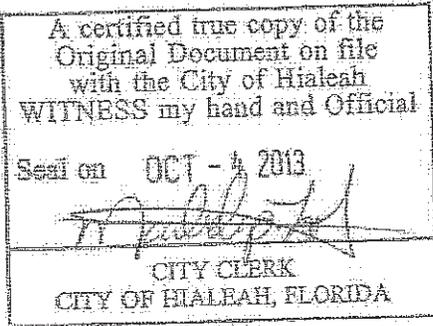

On behalf of The Graham Companies, I would like to express our support of the proposed annexation by the City of Hialeah of the property north of 170th street, east of the Florida Turnpike and west of I-75. As we have discussed, it seems logical to us that given the options, Hialeah is best suited to provide the services required for the ultimate development of this property. Our company is the largest land owner in the proposed annexation area.

If you have any questions or require any clarification please feel free to give me a call.

Sincerely

Stu Wyllie
President and CEO
The Graham Companies

ORDINANCE NO. 2013-71

ORDINANCE OF THE MAYOR AND THE CITY COUNCIL OF THE CITY OF HIALEAH, FLORIDA, INITIATING AND REQUESTING A PROPOSED BOUNDARY CHANGE OF THE CITY OF HIALEAH, FLORIDA, IN ORDER TO ANNEX PROPERTY BEARING THE LEGAL DESCRIPTION CONTAINED IN COMPOSITE EXHIBIT "1"; AUTHORIZING THE MAYOR AND THE ACTING CITY CLERK AND OTHER PROPER CITY OFFICERS AND OFFICIALS TO TAKE ANY AND ALL ACTIONS AS MAY BE NECESSARY TO SUBMIT A REQUEST FOR THE PROPOSED BOUNDARY CHANGE TO THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA; AND AUTHORIZING THE ACTING CITY CLERK TO TRANSMIT COPIES OF THIS ORDINANCE TO THE CLERK OF THE COUNTY COMMISSION; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HERewith; PROVIDING PENALTIES FOR VIOLATION HEREOF; PROVIDING FOR A SEVERABILITY CLAUSE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Planning and Zoning Board at its meeting of August 28, 2013 recommended approval of this proposed annexation; and

WHEREAS, pursuant to state law, municipalities within the boundaries of Miami-Dade County shall follow the annexation methods established by Miami-Dade County; and

WHEREAS, pursuant to section 6.04 of the Miami-Dade County Home Rule Charter and section 20-3 of the Code of Miami-Dade County, Florida, the City of Hialeah may initiate, by ordinance, a proposed boundary change where there are 250 or fewer registered electors within the proposed Annexation Area; and

WHEREAS, the City of Hialeah finds that the foregoing threshold requirements for a city-initiated proposed boundary change are satisfied; and

WHEREAS, the City of Hialeah conducted duly noticed and advertised public hearings coinciding with the first reading and second reading of this ordinance.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND THE CITY COUNCIL OF THE CITY OF HIALEAH, FLORIDA, THAT:

Section 1: The recitations and facts contained in the preamble to this resolution are hereby adopted and incorporated by reference thereto as if fully set forth herein.

Section 2: The Mayor and the City Council of the City of Hialeah, hereby approves the changes, extension and enlargement of the municipal boundaries of the City of Hialeah, Florida, and the amendment of the Charter of the City of Hialeah, Florida, to effect such change, by the annexation to the City of Hialeah of property shown on an accompanying map and legally described in Composite Exhibit "1", attached hereto and made a part hereof.

Section 3: The City Council of the City of Hialeah, Florida, hereby requests that the Board of County Commissioners of Miami-Dade County, Florida, adopt an ordinance changing, extending, and enlarging the City's municipal boundaries as approved by the City of Hialeah and as described in the legal description set forth in Composite Exhibit "1".

Section 4: The Mayor and the Acting City Clerk and all such other City officials and officers are hereby authorized and directed to take all action and to execute such certificates, documents and agreements as may be deemed necessary or desirable in connection with the submission of the request for such boundary change to the Board of County Commissioners of Miami-Dade County, Florida, for approval.

Section 5: The Acting City Clerk is hereby authorized and directed to transmit three certified copies of the Ordinance, together with proof of compliance of notice procedures to the Clerk of the County Commission, accompanied by the attachments as required by Section 20-3 of the Code of Miami-Dade County, Florida.

Section 6: Repeal of Ordinances in Conflict.

All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict.

Section 7: Penalties.

Every person violating any provision of the Code or any ordinance, rule or regulation adopted or issued in pursuance thereof shall be assessed a civil penalty not to exceed \$500.00 within the discretion of the court or administrative tribunal having jurisdiction. Each act of violation and each day upon which any such violation shall occur shall constitute a separate offense. In addition to the penalty described above, the City may pursue other remedies such as abatement of nuisance, injunctive relief, administrative adjudication and revocation of licenses or permits.

Section 8: Severability Clause.

If any phrase, clause, sentence, paragraph or section of this ordinance shall be declared invalid or unconstitutional by the judgment or decree of a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs or sections of this ordinance.

Section 9: Effective Date.

This ordinance shall become effective when passed by the City Council and signed by the Mayor or at the next regularly scheduled City Council meeting, if the Mayor's signature is

withheld or if the City Council overrides the Mayor's veto.

PASSED and ADOPTED this 24 day of September, 2013.

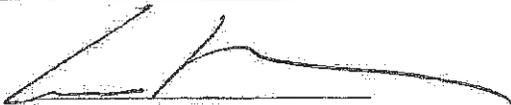

Isis Garcia Martinez
Council President

Attest:

Approved on this 24 day of September, 2013.

Marbelys Fatjo, Acting City Clerk

Mayor Carlos Hernandez

Approved as to form and legal sufficiency:

William M. Grodnick, City Attorney

North Boundary-Homestead Extension of the Florida Turnpike •West Boundary- Homestead Extension of the Florida Turnpike •South Boundary- NW 170 Street •East Boundary- Interstate 75 Expressway

NOTICE OF PUBLIC HEARING

SEPTEMBER 10, 2013

PROPOSED ANNEXATION

(Continued)

Commence at the Southeast corner of the Southwest 1/4 of said Section 9; thence Westerly, along the South line of the said Southwest 1/4 of said Section 9, for 471.03 feet to the Point of Beginning of the following more particularly described parcel; such point being the Point of Intersection of the said South line of the said Southwest 1/4 of said Section 9 with the Southerly prolongation of the Westerly Limited Access right-of-way line of Interstate 75 (State Road No.93) as shown on the State of Florida Department of Transportation Right-of-Way Map Section 87075-2402, Approved July 5, 1977, last revised December 1, 1978 (Sheets 1 through 10); thence North 02 degrees 37 minutes 10 seconds East, along the said Westerly Limited Access Right-of-Way line of said Interstate 75 and its Southerly prolongation for 5118.10 feet; thence South 89 degrees 37 minutes 11 seconds West for 839.47 feet; thence North 00 degree 22 minutes 49 seconds West for 1064.13 feet; thence South 89 degrees 37 minutes 11 seconds West for 218.07 feet to the Point of Intersection with the Southeasterly Limited Access Right-of-Way line of State Road No. 821 (Homestead Extension of the Florida Turnpike) as shown on the State of Florida Department of Transportation Right-of-Way Map Section 87005 Contract 2313, Approved September, 1970, last revised November 1, 1971, (Sheets 1 through 5); said last described three courses being coincident with the Limited access Right-of-Way line of said Interstate 75; thence South 47 degrees 27 minutes 37 seconds West through portions of said Sections 4, 9 and 8, respectively, for 7376.18 feet to a Point of Curvature; thence Southeasterly, along the arc of a circular curve to the left, having a radius of 4365.66 feet for an approximate arc distance of 1554 feet to the Point of Intersection with the South line of the said Southeast 1/4 of said Section 7; said last described two courses being along the said Southeasterly Limited Access Right-of-Way line of said State Road No. 821 and its Southwesterly prolongation; thence Easterly, along the said South line of the said Southeast 1/4 of said Section 7 to the Southwest corner of the Southwest 1/4 of said Section 8; thence Easterly, along the South line of the said Southwest 1/4 of said Section 8 to the Southwest corner of the Southeast 1/4 of said Section 8; thence Easterly, along the South line of the said Southeast 1/4 of said Section 8 to the Southwest corner of the Southwest 1/4 of said Section 9; thence Easterly, along the South line of the said Southwest 1/4 of said Section 9 to the Point of Beginning; all lying and being in Miami-Dade County, Florida.

All interested parties are invited to attend this hearing and be heard. Anyone desiring to appeal any decision of the City Council must arrange for a verbatim record of the proceedings, including testimony and evidence upon which any appeal may issued (F.S. 286.0105).

Copy of the annexation ordinance and a legal description can be obtained from the Office of the City Clerk. Due to the process of numbering ordinances consecutively, the number of the annexation ordinance will be assigned upon adoption.

IF ANY PERSON DECIDES TO APPEAL IN ANY DECISION MADE BY THE CITY COUNCIL WITH RESPECT TO ANY MATTER CONSIDERED AT THE MEETING, HE/SHE WILL NEED A RECORD OF THE PROCEEDINGS AND FOR SUCH PURPOSE MAY NEED TO ENSURE THAT A VERBATIM RECORD OF THE PROCEEDINGS IS MADE, WHICH RECORD INCLUDES THE TESTIMONY AND EVIDENCE UPON WHICH THE APPEAL IS TO BE BASED.

IN ACCORDANCE WITH THE AMERICANS WITH DISABILITIES ACT OF 1990, PERSONS NEEDING A SPECIAL ACCOMODATION TO PARTICIPATE IN THIS PROCEEDING SHOULD CONTACT THE OFFICE OF THE CITY CLERK FOR ASSIUSTANCE, NO LATER THAN SEVEN (7) DAYS PRIOR TO THER PROCEEDING AT (305)883-5820; IF HEARING IMPAIRED, TELEPHONE THE FLORIDA RELAY SERVICE NUMBERS (800) 955-8771 (TDD)OR (800) 955-8770 (VOICE).

Marbelys Fatjo
City Clerk

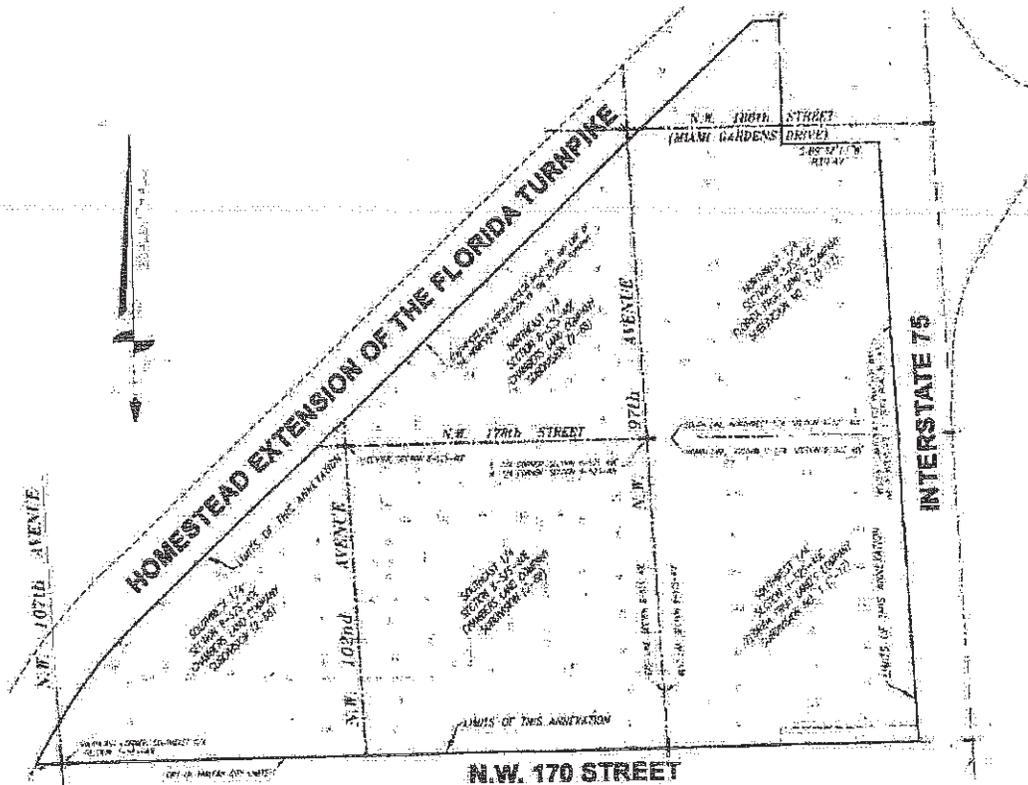

NOTICE OF PUBLIC HEARING

SEPTEMBER 10, 2013

PROPOSED ANNEXATION

Notice is hereby given that a Public Hearing of the City Council of the City of Hialeah, Florida will be held on Tuesday, September 10, 2013, at 7:00 p.m. in the Council Chamber located at City Hall, 501 Palm Avenue, 3rd Floor, Hialeah, Florida. At the hearing, the City Council will consider the proposed ordinance for first reading of the City of the Hialeah to annex certain lands legally described below and also designated as the "Proposed Annexation Area." The subject Proposed Annexation Area has the following boundaries and is shown on the map below:

- North Boundary-Homestead Extension of the Florida Turnpike
- West Boundary- Homestead Extension of the Florida Turnpike
- South Boundary- NW 170 Street
- East Boundary- Interstate 75 Expressway

A portion of "CHAMBERS LAND COMPANY SUBDIVISION" in the Southwest 1/4 of Section 4, Township 52 South, Range 40 East, as recorded in Plat Book 2 at Page 27; together with a portion of "CHAMBERS LAND COMPANY SUBDIVISION", in Section 8, Township 52 South, Range 40 East, as recorded in Plat Book 2 at Page 68; also together with: A portion of "FLORIDA FRUIT LANDS COMPANY SUBDIVISION NO. 1" in Sections 7 and 9, Township 52 South, Range 40 East, as recorded in Plat Book 2 at Page 17, all of the Public Records of Miami-Dade County, Florida, being more particularly described as follows:

City of Hialeah

LOBBYIST REGISTRATION FORM

Lobbyist means a person employed, paid or retained by a principal, who seeks to influence a decision of the mayor, city council, city board or committee or attempts to obtain the good will of a city official or employee. A lobbyist is not a person who merely appears before the mayor, city council, city board or committee in an individual capacity for the purpose of representing himself or others without compensation to support or oppose any ordinance, resolution, decision or action of the mayor, city council, city board or committee. A lobbyist includes paid consultants retained by an applicant or third party, attorneys, surveyors, architects or other people representing an applicant or third party before the city council or board. See Hialeah Code § 26-66.

Principal means the person who has employed or retained a lobbyist. See Hialeah Code § 26-66.

Lobbyist Information

Lobbyist Name: Felix M. Lasarte

Mailing Address: 3250 NE 1st Avenue, #334
Miami, FL 33137

Business Telephone: 305-594-2877 Fax Number: 305-594-2878

E-mail: felix@lasartelaw.com

Principal Information

Name, address and telephone number of the principal: (i.e., person, business entity, governmental entity, religious organization, non-profit corporation, or association whose interest you represent or by whom you are employed.)

Name: John Morgan

Mailing Address: 8355 NW 12th Street
Doral, FL 33126

Telephone Number: 305-477-8700 Fax Number: _____

(OVER)

If the principal is a corporation, partnership or trust, please list:

- The name of the chief officer, partner, or beneficiary: _____
- All persons holding, directly or indirectly, a 5% or more ownership interest in such corporation, partnership or trust: _____

Specific Issue Employed to Lobby

Describe the specific issue on which you have been employed to lobby. Make sure to specify any city department, office, agency, board, committee, task force, employee or elected official that you intend to lobby.

Hiialeah Annexation Issues

Prior Employment or Relationship

- Have you been employed by the City of Hiialeah in the last two years? Yes No

If yes, state the position you held: _____

Note, no person shall appear in representation of any third party for compensation before the city council or other city board, commission or agency for a period of two years after the officer, official or employee has left city service or terminated city employment, unless employed by another governmental entity. See Hiialeah Code § 26-33(b).

- Describe the extent of any direct or indirect business association, partnership, or financial relationship with the mayor, any member of the city council, city board, or committee before whom the lobbyist lobbies or intends to lobby. See Hiialeah Code § 26-67(b). _____

Notice

Separate Lobbyist Registration Forms must be completed for each principal and/or issue for which the lobbyist will be representing any principal.

City of Hialeah

LOBBYIST REGISTRATION FORM

Lobbyist means a person employed, paid or retained by a principal, who seeks to influence a decision of the mayor, city council, city board or committee or attempts to obtain the good will of a city official or employee. A lobbyist is not a person who merely appears before the mayor, city council, city board or committee in an individual capacity for the purpose of representing himself or others without compensation to support or oppose any ordinance, resolution, decision or action of the mayor, city council, city board or committee. A lobbyist includes paid consultants retained by an applicant or third party, attorneys, surveyors, architects or other people representing an applicant or third party before the city council or board. See Hialeah Code § 26-66.

Principal means the person who has employed or retained a lobbyist. See Hialeah Code § 26-66.
