**THIS DEED**, made this 11<sup>th</sup> day of February 2010 AD. By **MIAMI-DADE COUNTY**, a **Political Subdivision of the State of Florida**, party of the first part, whose address is: Stephen P. Clark Center, 111 N.W. 1 Street Suite 17-202, Miami, Florida 33128-1963, and **HABITAT FOR HUMANITY OF GREATER MIAMI, INC.**, party of the second part, whose address is whose address is 3800 NW 22nd Ave., Miami, Florida 33142 :

### WITNESSETH:

That the said party of the first part, for and in consideration of the sum of Ten Dollars and No/100 (\$10.00) to it in hand paid by the party of the second part, receipt whereof is hereby acknowledged, has granted, bargained, and sold to the said party of the second part, his/her heirs and assigns forever, the following described land lying and being in Miami-Dade County, Florida (the "Property"):

*As legally described in Exhibit "A" attached hereto and made a part hereof*

**THIS CONVEYANCE IS SUBJECT TO** all zoning, rules, regulations and ordinances and other prohibitions imposed by any governmental authority with jurisdiction over the Property; existing public purpose utility and government easements and rights of way and other matters of record; taxes for the year of closing and subsequent years and the following restrictions:

1. That the Property shall be developed into twenty-six (26) units of affordable housing, as defined by and in accordance with the requirements of the Infill Housing Initiative established in Sections 17-121 through 128 of the Code of Miami-Dade County and the County's Infill Housing Initiative Guidelines. Party of the First Part as a matter of law and pursuant to this reverter clause.

2. That the Property shall be developed as stated in Paragraph 1 into twenty-six (26) units of affordable housing within two (2) year of the recording of this deed, as evidenced by the issuance of a final Certificate of Occupancy. In the event Party of the Second Part fails to complete the construction of the home(s) within two (2) year from the date of this deed, title to the Property or that portion of the Property not yet conveyed hereto shall automatically revert to the Party of the First Part as a matter of law and pursuant to this reverter. Notwithstanding, Party of the First Part may, in its sole discretion, abate this reverter condition for a period not to exceed one hundred and eighty (180) days if Party of the First Part finds it necessary to extend the time frame in which Party of the Second Part must complete the home. Such abeyance of the reverter by Party of the First Part, to be effective must (i) be given prior to the event of the reverter and (ii) shall be evidenced by the preparation of a letter executed by the County Manager or his designee giving such waiver and specifying the new time frame in which Party of the Second Part must complete the home. The letter by Party of the First Part shall be conclusive evidence upon which any party may rely that the condition of the reverter has been extended to such date as specified in said waiver. If no abeyance is recorded and a certificate of occupancy is not issued within two (2) year from the date of this deed, any party may rely upon the fact that the reverter has occurred and that title has reverted to Party of the First Part.
3. That the affordable housing developed on the property shall be sold to a qualified household, as defined in Sections 17-122(n) of the Code of Miami-Dade County but under no circumstances shall the sales price of the home exceed One Hundred and Twenty-Nine Thousand and 00/100 (\$129,000.00). In the event Party of the Second Part fails to sell the home to a qualified household within one hundred and eighty (180) days from the date the Certificate of Occupancy is issued or sells the home above One Hundred and Twenty-Nine Thousand and 00/100 (\$129,000.00), title shall automatically revert to the Party of the First Part as a matter of law and pursuant to this reverter clause, and by such reverter to the Party of the First Part, Party of the Second Part shall forfeit all monetary investments and improvements without any compensation or right to compensation whatsoever.
4. That no assignment of the interest in the Property shall be made by the Party of the Second Part without the written consent of the Party of the First Part and the United States Department of Housing and Urban Development.

Party of the Second Part shall require that the qualified household purchasing the eligible home execute and record simultaneously with the deed of conveyance from the developer to the qualified household the County's "Affordable Housing Restrictive Covenant;" and include the

following language in the deed of conveyance:

“This property is subject to an “Affordable Housing Restrictive Covenant” recorded simultaneously herewith, which states that the property shall remain affordable during the “Control Period.” The “Control Period” commences on the initial sale date of the eligible home, which is the date the deed is recorded transferring title from the developer to the first qualified household, and resets automatically every 20 years for a maximum of 60 years. In the event Grantee wishes to sell or refinance the home during the Control Period, Grantee shall obtain prior written approval from the County. Any such sale, transfer or conveyance, shall only be to a qualified household as defined in Section 17-122(n) of the Miami-Dade County Code at or below the maximum sales price as calculated in the restrictive covenant. Should Grantee own this home for twenty consecutive years, Grantee shall automatically be released from the Affordable Housing Restrictive Covenant.”

Party of the Second Part (or Successor in Interest), shall pay real estate taxes and assessments on the property or any part thereof when due. Party of the Second Part shall not suffer any levy or attachment to be made, or any material or mechanic’s lien, or any unauthorized encumbrance or lien to attach, provided, however, that Party of the Second Part may encumber the property with:

- a) Any mortgage(s) in favor of any institutional lender for the purpose of financing any hard costs or soft costs relating to the construction of the single family home in an amount(s) not to exceed the value of the Improvements as determined by an appraiser; and
- b) Any mortgage(s) in favor of any institutional lender refinancing any mortgage of the character described in clause a) hereof; in an amount(s) not to exceed the value of the Improvements as determined by an appraiser.

The recordation, together with any mortgage purporting to meet the requirements of clauses (a) or (b) above, of a statement of value by a Member of the American Institute of Real Estate Appraisers (MAI), (or member of any similar or successor organization), stating the value of the single family home is equal to or greater than the amount of such mortgages(s), shall constitute conclusive evidence that such mortgage meets such requirements, and that the right of any reverter hereunder shall be subject to and limited by, and shall not defeat, render invalid, or limit in any way, the lien of such mortgage. For purposes of this paragraph an “institutional lender” shall mean any bank, savings and loan association, insurance company, foundation or other charitable entity, real estate or mortgage investment trust, pension funds, the Federal National Mortgage Association, agency of the United States

Government or other governmental agency. In any event, the term "Institutional lender" shall be deemed to include Miami-Dade County and its respective successors and assigns.

Upon receiving proof of compliance with all the deed restrictions listed above, the County shall furnish the Party of the Second Part an appropriate instrument acknowledging satisfaction with all deed restrictions listed above. Such satisfaction of deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.

In the event the Party of the Second Part, its successors or assigns shall cease to exist *de facto* and *de jure* shall violate or otherwise fail to comply with any of the restrictions and covenants set forth herein, the Party of the Second Part, its successors or assigns, shall correct or cure the default/violation within (30) days of notification of the default by the county. If the party of the Second Part, its successors or assigns, fails to remedy the default within thirty (30) days, the County shall have the right to re-enter and take possession of the property and to terminate and re-vest in the County the estate conveyed by this Deed to the Party of the Second Part, its successors or assigns, and by such reverter to the County, the Party of the Second Part shall forfeit all monetary investments and improvements without any compensation or right to compensation whatsoever; provided, that any such right of re-entry shall always be subjected to and limited by, and shall not defeat, render invalid, or limit any way the lien of any valid mortgage or Deed of Trust permitted by this Deed.

This grant conveys only the interest of the County and its Board of County Commissioners in the property herein described and shall not be deemed to warrant the title or to represent any state of facts concerning the same.

IN WITNESS WHEREOF the said party of the first part has caused these presents to be executed in its name by its Board of County Commissioners acting by the Mayor of said Board, the day and year aforesaid.

**Habitat**  
**for Humanity**<sup>®</sup>  
of Greater Miami

May 30, 2013

Hon. Barbara Jordan  
Commissioner, Miami Dade County  
2780 NW 167 Street  
Miami Gardens, FL 33054

Dear Commissioner Jordan:

As you know, Habitat for Humanity of Greater Miami received parcels of land in the Magnolia North section of Opa-Locka through the County's infill program. As per the resolution conveying these lots, Habitat was to build single family homes using the Habitat model. When my predecessor Anne Manning accepted these lots, it was our intention to build and sell these homes in the timeframe allotted by the resolution.

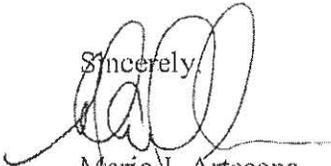

Now, a few years later, Habitat finds itself in the position of not being able to complete this project. The reasons are varied, including cost and lack of resources. More importantly, however, is that despite several efforts, we have not had any interest in these lots by prospective homebuyers. Habitat only builds homes on sites that have been selected by families after completing a substantial part of their sweat equity requirements. When presenting these lots to families in the Habitat system, they have shown a preference for other parts of Miami-Dade.

The combination of factors pertaining to these lots has led our Board of Directors to instruct me to take the necessary steps to return these parcels to Miami Dade County. As such, I will be contacting Alan Eason of the infill housing program to begin this process. Some of these parcels are involved in "land swap" requests from entities such as the Opa-Locka CDC in order to secure land for uses such as parking or park-space as part of their master plan for Magnolia North. I believe that upon returning these lands to the County, this process will be dramatically simplified and will make re-development of the area a lot easier. For what it's worth, it is our opinion that multi-family construction would be far more compatible for the area and we would encourage that course of action moving forward.

Commissioner Jordan, I am not proud of this return of land. Habitat takes its commitments very seriously, as evident in the successful completion of nearly 164 Liberty City homes in the last three years. Making this decision has been a difficult one and I personally apologize if we are letting you and the residents of Opa-Locka down. It is our desire to maintain our great relationship with your office and Miami Dade County and to continue to serve the people of this community. Unfortunately, in the case of this particular endeavor, the obstacles are far too onerous for us to succeed. I hope you will understand.

Thank you again for your continued support of Habitat for Humanity and for your friendship over so many years.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mario L. Artecona', written over the word 'Sincerely,'.

**THIS CONVEYANCE IS SUBJECT TO** all zoning, rules, regulations and ordinances and other prohibitions imposed by any governmental authority with jurisdiction over the Property; existing public purpose utility and government easements and rights of way and other matters of record; taxes for the year of closing and subsequent years and the following restrictions:

1. That the Property shall be developed with affordable housing, as defined by and in accordance with the requirements of the Infill Housing Initiative established in Sections 17-121 through 128 of the Code of Miami-Dade County and the County's Infill Housing Initiative Guidelines. If the event Party of the Second Part fails to develop the home in accordance with the Infill Housing Initiative Guidelines, title shall automatically revert to the Party of the First Part as a matter of law and pursuant to this reverter clause.

2. That the Property shall be developed with affordable housing within one (1) year of the recording of this deed, as evidenced by the issuance of a final Certificate of Occupancy. In the event Party of the Second Part fails to complete the construction of the home(s) within one (1) year from the date of this deed, title shall automatically revert to the Party of the First Part as a matter of law and pursuant to this reverter. Notwithstanding, Party of the First Part may, in its sole discretion, waive this reverter condition if Party of the First Part finds it necessary to extend the time frame in which Party of the Second Part must complete the home. Such waiver by Party of the First Part, to be effective must (i) be given prior to the event of the reverter and (ii) shall be evidenced by the preparation of a letter executed by the County Manager or his designee giving such waiver and specifying the new time frame in which Party of the Second Part must complete the home. The letter by Party of the First Part shall be conclusive evidence upon which any party may rely that the condition of the reverter has been extended to such date as specified in said waiver. If no waiver is recorded and a certificate of occupancy is not issued within (1) year from the date of this deed, any party may rely upon the fact that the reverter has occurred and that title has reverted to Party of the First Part.

3. That the affordable housing developed on the property shall be sold to a qualified low income household earning less than or equal to eighty percent of the area median income, must be "affordable" to that household (PITI is less than one-third of household's gross monthly income), and is sold at a price equal to or as defined in Sections 17-122(n) of the Code of Miami-Dade County but under no circumstances shall the sales price of the home exceed One Hundred and Twenty-Nine Thousand and 00/100 (\$129,000.00). In the event Party of the Second Part fails to sell the home to a qualified household or sells the home above One Hundred and Twenty-Nine Thousand and 00/100 (\$129,000.00), title shall automatically revert to the Party of the First Part as a matter of law and pursuant to this reverter clause, and by such reverter to the Party of the First Part, Party of the Second Part shall forfeit all monetary investments and improvements without any compensation or right to compensation whatsoever.

4. Within 30-days of closing on the sale of the home to the qualified household, Grantee shall submit a report to Miami-Dade County's Department of Housing and Community Development indicating the size of the household, ethnicity of the household, and the amount of Program income generated from the amount (percentage) of the CDBG investment. Program income is defined as the income from the sale of the houses.

Party of the Second Part shall require that the qualified household purchasing the eligible home execute and record simultaneously with the deed of conveyance from the developer to the qualified household the County's "Affordable Housing Restrictive Covenant;" and include the following language in the deed of conveyance:

"This property is subject to an "Affordable Housing Restrictive Covenant" recorded simultaneously herewith, which states that the property shall remain affordable during the "Control Period." The "Control Period" commences on the initial sale date of the eligible home, which is the date the deed is recorded transferring title from the developer to the first qualified household, and resets automatically every 20 years for a maximum of 60 years. In the event Grantee wishes to sell or refinance the home during the Control Period, Grantee shall obtain prior written approval from the County. Any such sale, transfer or conveyance, shall only be to a qualified household as defined in Section 17-122(n) of the Miami-Dade County Code at or below the maximum sales price as calculated in the restrictive covenant. Should Grantee own this home for twenty consecutive years, Grantee shall automatically be released from the Affordable Housing Restrictive Covenant."

Party of the Second Part (or Successor in Interest), shall pay real estate taxes and assessments on the property or any part thereof when due. Party of the Second Part shall not suffer any levy or attachment to be made, or any material or mechanic's lien, or any unauthorized encumbrance or lien to attach, provided, however, that Party of the Second Part may encumber the property with:

- a) Any mortgage(s) in favor of any institutional lender for the purpose of financing any hard costs or soft costs relating to the construction of the single family home in an amount(s) not to exceed the value of the Improvements as determined by an appraiser; and
- b) Any mortgage(s) in favor of any institutional lender refinancing any mortgage of the character described in clause a) hereof; in an amount(s) not to exceed the value of the Improvements as determined by an appraiser.

The recordation, together with any mortgage purporting to meet the requirements of clauses (a) or (b) above, of a statement of value by a Member of the American Institute of Real Estate Appraisers (MAI), (or member of any similar or successor organization), stating the value of the single family home is equal to or greater than the amount of such mortgages(s), shall constitute conclusive evidence that such mortgage meets such requirements, and that the right of any reverter hereunder shall be subject to and limited by, and shall not defeat, render invalid, or limit in any way, the lien of such mortgage. For purposes of this paragraph an "institutional lender" shall mean any bank, savings and loan association, insurance company, foundation or other charitable entity, real estate or mortgage investment trust, pension funds, the Federal National Mortgage Association, agency of the United States Government or other governmental agency. In any event, the term "Institutional lender" shall be deemed to include Miami-Dade County and its respective successors and assigns.

Upon receiving proof of compliance with all the deed restrictions listed above, the County shall furnish the Party of the Second Part an appropriate instrument acknowledging satisfaction with all deed restrictions listed above. Such satisfaction of deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.

In the event the Party of the Second Part, its successors or assigns, shall violate or otherwise fail to comply with any of the restrictions and covenants set forth herein, the Party of the Second Part, its successors or assigns, shall correct or cure the default/violation within (30) days of notification of the default by the county. If the party of the Second Part, its successors or assigns, fails to remedy the default within thirty (30) days, the County shall have the right to re-enter and take possession of the property and to terminate and re-vest in the County the estate conveyed by this Deed to the Party of the Second Part, its successors or assigns, and by such reverter to the County, the Party of the Second Part shall forfeit all monetary investments and improvements without any compensation or right to compensation whatsoever; provided, that any such right of re-entry shall always be subjected to and limited by, and shall not defeat, render invalid, or limit any way the lien of any valid mortgage or Deed or Trust permitted by this Deed.

This grant conveys only the interest of the County and its Board of County Commissioners in the property herein described and shall not be deemed to warrant the title or to represent any state of facts concerning the same.

IN WITNESS WHEREOF the said party of the first part has caused these presents to be executed in its name by its Board of County Commissioners acting by the Mayor of said Board, the day and year aforesaid.

## EXHIBIT F

The Housing Finance Authority of Miami-Dade County, "HFA", is releasing a Request for Information "RFI" to interested and qualified developers, to gauge the level of interest and simultaneous development potential of approximately twenty-six (26) non-contiguous vacant parcels of land located within District 1 in the City of Opa-Locka in a distressed area formerly known as "The Triangle" and recently named "Magnolia North." The available parcels are former public housing properties subject to a disposition from USHUD to the HFA.

The HFA has identified this site for development in furtherance of its mission to provide high quality affordable housing. The dedication of resources to this area will over-improve the community, enhance the quality of life of its residents and achieve neighborhood revitalization. This historic neighborhood will be strengthened and economic opportunities for its residents increased.

To ensure the most efficient development of the Site and the most beneficial impact to the community, the HFA will focus on the following:

- Green and sustainable building practices to promote efficiency throughout the lifecycle of the development.
- Potential for housing dedicated to Veterans and other special needs communities.
- Potential use of Housing Choice Vouchers to assist and attract residents to the community.
- Ability of a developer to maximize the density of the noncontiguous sites.
- Ability of a developer to complete all parcels simultaneously.
- Ability of a developer to leverage the development of the parcels through the purchase of additional land thereby creating a more contiguous community.
- Ability of a developer to identify, apply for, and secure funding and/or tax incentives for the proposed development.
