

# Memorandum

**Date:** November 13, 2013

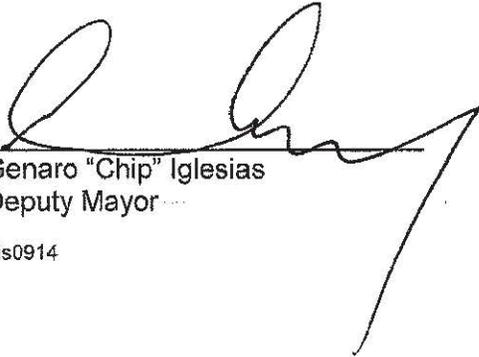

**To:** Honorable Chairwoman Rebeca Sosa  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor 

**Subject:** Ordinance Relating To Traffic Intersection Safety and Red Light Violations; Amending Section 30-422 of the Code; Providing a Local Hearing Process for Red Light Camera Violations

---

The proposed ordinance relates to red light camera violations. The State Legislation allows for local government entities to charge a fee of up to \$250 to cover the cost of providing a hearing upon request by the violator. The cost of providing local hearings cannot be fully determined at this time. Should the cost exceed the \$150 charge that this ordinance provides for, the cost would either have to be absorbed in the budget by reducing other services or an amendment to this provision could be approved to fully recover the County's cost, to the extent permitted by State Statute.
