Memorandum

Date: March 4, 2014

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez 
Mayor

Subject: Ordinance Amending Section 30-388.2 of the Code; Providing that, Consistent with State Law, Parking Charges May Be Imposed on Vehicles Displaying a Disabled Parking Permit or License Tag at Public Health Trust Facilities under Specified Circumstances, but that Such Charges May Not Be Imposed for Certain Vehicles as Defined in Such State Law

The proposed ordinance amends Section 30-388.2 of the Code to allow for parking charges for vehicles displaying a disabled parking permit or license tag at Public Health Trust (Trust) facilities. Implementation of this ordinance will not have a fiscal impact to the County.

As indicated in the preamble of the ordinance, imposition of these parking charges will generate an additional \$760,000 in revenue to the Trust. However, it is the intent of the Trust to modify the current rate structure to provide free parking for the first two hours for all patrons. The additional revenue generated through this ordinance will be offset by reduced revenues due to the modified rate structure.
