# Memorandum

**Date:** February 19, 2014

**To:** Honorable Chairwoman, Rebeca Sosa  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor

A handwritten signature in black ink, appearing to read "Carlos A. Gimenez", written over the printed name.

**Subject:** Resolution Declaring as Surplus Three County-Owned Real Properties Located at 3749 Oak Avenue, 3604 Percival Avenue, and 3755 Frow Avenue, in the City of Miami, Florida

## Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution, which authorizes the following actions:

- Declares as surplus a 5,450 square foot County-owned property located at 3749 Oak Avenue (Folio No. 01-4120-006-0800) and per the formal donation request by the City of Miami (attached), authorizes the conveyance of the property to the City of Miami, in accordance with Florida Statute 125.38;
- Declares as surplus a 5,000 square foot County-owned property located at 3604 Percival Avenue (Folio No. 01-4121-007-0780), and per the formal donation request by the City of Miami (attached), authorizes the conveyance of the property to the City of Miami, in accordance with Florida Statute 125.38;
- Declares as surplus a 5,000 square foot County-owned property located at 3755 Frow Avenue (Folio No. 01-4120-006-0571), and per the formal donation request by the City of Miami (attached), authorizes the conveyance of the property to the City of Miami, in accordance with Florida Statute 125.38; and
- Waives Administrative Order 8-4 as it relates to review by the County's Planning Advisory Board because all the properties are located within the City of Miami.

## Scope

These properties are located in County Commission District 7, which is represented by Commissioner Xavier L. Suarez.

## Fiscal Impact/Funding Source

The conveyance of these properties will eliminate the County's obligation to maintain the properties. The fiscal impact would be as follows:

- 3749 Oak Avenue – eliminates the annual maintenance cost of approximately \$372 annually;
- 3604 Percival Avenue – eliminates the annual maintenance cost of approximately \$341 annually; and
- 3755 Frow Avenue – eliminates the annual maintenance cost of approximately \$341 annually.

The City of Miami will not be paying the County for the conveyance of these properties. Additionally, no property tax revenue will be generated because these properties will be owned by the City of Miami until such time that they are conveyed/sold for the purpose of affordable housing. .

## Track Record/Monitoring

Shannon Clark of the Real Estate Development Division in the Internal Services Department is managing the conveyance of these properties.

**Delegation of Authority**

Authorizes the County Mayor or the Mayor's designee to convey the property at no cost, take all actions necessary to accomplish the conveyance of these properties, and authorizes the Chairperson or Vice Chairperson of the Board to execute County Deeds for such purpose.

**Background**

The County received formal requests from the City of Miami for donation of these vacant County-owned properties for the City's affordable housing program. Further to this request, and in light of the statutory requirements described below, the Internal Services Department circulated the properties to all County departments to determine whether the County has a present or future need for the properties, in which none was determined.

Florida Statutes Section 125.38 authorizes the Board to convey property to the City of Miami, a municipal corporation of the State of Florida, when the Board is satisfied that the property is not needed for County purposes and will be utilized for the benefit of the public or community interest and welfare. The County Deeds contain a restriction that states that the properties shall be utilized solely for constructing single family affordable housing for low-income homebuyers. In the event that these properties are not used for this purpose within five years of the conveyance of the properties, they shall automatically revert to Miami-Dade County.

Given that the County has no identified use for the properties being requested, that these conveyances to the City are consistent with Florida Statutes, and, that the development of additional affordable housing throughout Miami-Dade County promotes community interest and welfare, it is in the best interest of the County to convey these properties at no cost. Additional property details are as follows and shown in the attached property maps.

Re: County Surplus-3755 Frow Avenue

Dear Mr. Mayor:

The City of Miami's Department of Community and Economic Development coordinates programs funded through federal, state and local sources to assist Miami's most economically disadvantaged residents and neighborhoods. Through cooperative partnerships with the public and private sectors, the Department is responsible for overseeing the creation, implementation and monitoring of programs in the areas of affordable/public housing, social service, and economic development, public facility improvement and planning and administration. A major category of the functions within the Department consists of Affordable Housing; this includes the planning, development, management, and monitoring of a wide range of programs that support the implementation of an affordable housing strategy in the City.

The City of Miami's Housing and Commercial Loan Committee has awarded Neighborhood Housing Services of South Florida, Inc ("NHSSF") with HOME Investment Partnership funds and Community Development Block Grant funding for the Village West Homes project. The project consists of providing affordable housing opportunities to current and future residents of the City's West Grove area. NHSSF has been actively identifying lots in the West Grove area for the potential acquisition and development of new construction single family homes for low-income homebuyers. From the time of acquisition, the properties must be developed and sold to an eligible low income home buyer within twenty-four (24) months.

This letter serves as a formal request to Miami Dade County for the donation of one property in the West Grove of which the County holds ownership, 3755 Frow Avenue, to the City of Miami. This property will be utilized for the Village West Homes project, developed by NHSSF and sold to an eligible low income homebuyer within the twenty-four month timeframe.

Should you need any additional information regarding this request, please feel free to contact Community and Economic Development Director George Mensah at 305-416-1978. We appreciate your consideration of our request and look forward to hearing from you.

Sincerely,
