Memorandum

DATE: March 4, 2014

TO: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

FROM: Carlos A. Gimenez
Mayor 

SUBJECT: Resolution Authorizing Execution of Agreements between the State of Florida, Office of the Attorney General and Miami-Dade County

Recommendation

It is recommended that the Board of County Commissioners approve the attached resolution authorizing the County Mayor or County Mayor's designee to execute agreements between the State of Florida, Office of the Attorney General and Miami-Dade County, through the Miami-Dade Police Department, for the purpose of conducting crime prevention training.

Scope

The agreements will provide crime prevention training to sworn personnel of the Miami-Dade Police Department and regional law enforcement partners.

Fiscal Impact/Funding Source

There is no fiscal impact to the County. The cost of each crime prevention course is \$11,500. Under this specific agreement, three (3) courses will be conducted for a total of \$34,500. Funds are allocated for training across the State via regions by the Florida Department of Law Enforcement. These funds are administered by Miami-Dade College for the local region, Region XIV. The involvement of the Miami-Dade Police Department is as the Region XIV sponsor of this training program via the Department's Miami-Dade Public Safety Training Institute. To secure regional funding, the enrollment for each course will include Miami-Dade Police Department sworn personnel and personnel from other Region XIV law enforcement agencies.

Track Record/Monitor

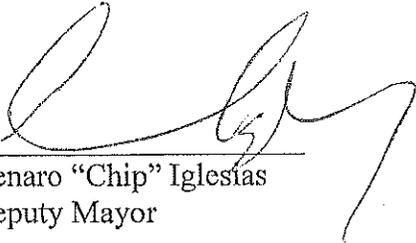

The entity involved is the Miami-Dade Public Safety Training Institute of the Miami-Dade Police Department. Raul Ubieta, Major of the Training Institute, will track and monitor the agreement.

Background

The crime prevention training is provided by the Office of the Attorney General via the Florida Crime Prevention Training Institute. The purpose of these courses is to provide crime prevention and other training to law enforcement in Florida. The training is specifically designed for crime prevention and community oriented policing officers to provide the skills necessary to deliver comprehensive and standardized crime prevention services and programs to Florida's residential population and commercial industry. Officers who successfully complete the program (three courses which include Basic, Residential and Commercial Crime Prevention) achieve the highly respected designation as a Florida Crime Prevention Practitioner. In addition to the training requirements for this designation, the Florida Crime Prevention Training Institute provides other kinds of crime prevention training. The resolution will provide for agreements to conduct the training in the current year, and in the future, so that sworn may continue to be trained, for both the Miami-Dade Police Department and law enforcement agencies across the Region. Through these agreements, the Miami-Dade Police Department will be able to
