

Memorandum

Date: March 18, 2014
To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners
From: Carlos A. Gimenez
Mayor 
Subject: Recommendation to Reject all Bids Received for Invitation to Bid No. 8214-0/18 and to
Extend Contract No. 8214-4/12-2 on a Month-to-Month Basis for Up to One Year:
Vending Machine Services

Agenda Item No. 8(F)(2)

Recommendation

It is recommended that the Board of County Commissioners (Board) reject all bids for Invitation to Bid No. 8214-0/18, Vending Machine Services. Authorization to extend the existing contract (No. 8214-4/12-2) with Gilly Vending, Inc., on a month-to-month basis, for up to one year, is also requested to provide time for a new solicitation to be advertised, evaluated, and presented to the Board for award.

An Invitation to Bid was issued under full and open competition. The method of award was to the responsive and responsible Bidder whose offer represents the highest revenue to the County. Bidders were required to provide a monthly minimum guarantee for 250 machines or less in Zones 1, 2 and 3 (general government facilities), and an access fee per machine for 43 vending machines in Zone 4 (PortMiami). Three bids were received in response to this solicitation.

Reason for Rejection

The Invitation to Bid and addenda issued included some information that may have led to the receipt of inconsistent bids. During the pre-bid conference, a listing of the current vending machines countywide was requested by a vendor and issued as an addendum to the solicitation. The original solicitation document also included various examples of how the County would be calculating revenues. This information may have created conflicts with the actual pricing form included in the solicitation. While the information contained within the addendum and the examples were provided in an attempt to assist bidders in bid response preparations, the rejection of all bids and clarification to all parties regarding the concerns raised is the most equitable option available.

Due to significant variations in vending contracts, staff is re-evaluating the needs of the County and procurement approach. Based on this review, the necessary changes to the solicitation document will be made to maximize revenues to the County while simplifying the approach for bid pricing.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

Extension of the existing contract with Gilly Vending, Inc., on a month-to-month basis, for up to one year, would result in revenues to the County of approximately \$277,000, if the entire one year period is necessary to re-solicit the long term replacement.

Track Record/Monitor

Mike Ramos of the Internal Services Department is the Procurement Contracting Officer.

Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise, at their discretion, contract modifications and extensions in accordance with the terms and conditions of the contract.

Vendors Not Recommended for Award

The vendors that submitted bids are listed below. The reason for rejection of all bids was stated in detail earlier in this memorandum.

Bettoli Trading Corp. d/b/a Bettoli Vending	Rejection of all bids

The lists that were referenced include: convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to Contractor responsibility. This information is being provided pursuant to Resolution R-187-12.
