and Members, Board of County Commissioners

**From:** Lazaro Solis

**Subject:** Resolution Authorizing Intergovernmental Cooperation Agreement with Aventura Isles  
Community Development District

---

## RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) authorize execution of the attached Intergovernmental Cooperation Agreement (Agreement) by and among Miami-Dade County on behalf of the Tax Collector (Collector), Miami-Dade County Office of the Property Appraiser (Appraiser) and the Aventura Isles Community Development District (District) to allow the District to utilize the uniform method for the levy, collection and enforcement of non-ad valorem assessments, as prescribed in Section 197.3632, Florida Statutes.

## SCOPE

The District is located within County Commission District 1. The District has requested that the Appraiser and Collector include its proposed or adopted non-ad valorem assessments for benefit and maintenance assessments or such other assessments imposed by the District to properties within the incorporated area of the District on the notice as specified in Section 200.069, Florida Statutes, and on the combined notice of ad valorem and non-ad valorem assessments provided for in Sections 197.3632 and 197.3635, Florida Statutes.

## FISCAL IMPACT/FUNDING SOURCE

The District agrees that the County shall be entitled to retain two percent on the amount of special assessments collected and remitted to cover all of the County's associated costs. There is no negative fiscal impact to the County as a result of this Agreement.

## TRACK RECORD/MONITOR

The District agrees that all certified assessment rolls will be maintained and transmitted to the Appraiser and Collector on compatible electronic medium as defined in Section 197.3632(1), Florida Statutes. The Agreement is managed by the Office of the Property Appraiser.

## BACKGROUND

In accordance with Sections 197.3632 and 197.3635, Florida Statutes, and the Agreement, the District will charge separate non-ad valorem assessments for benefit and maintenance assessments or such other assessments imposed by the District to properties within the incorporated area of the District. The Agreement affords the District the convenience and financial savings of utilizing the TRIM notice and combined tax bill for collection of its non ad valorem assessments. Use of the ad valorem method for collection of these assessments could result in issuance of tax certificates, tax deeds and the loss of title to the property, if said assessments are not paid by the property owners. The term of this Agreement commences with special assessments collected in 2014 and continues until cancelled by either party.

NOTICE IS HEREBY GIVEN that the Aventura Isles Community Development District (the "District") intends to use the uniform method of collecting non ad valorem assessments to be levied by the District pursuant to Section 197.3632, Florida Statutes. The Board of Supervisors of the District will conduct a public hearing on Monday, July 8, 2013, at 10:00 a.m. at 190 NE 189th Street, Suite 208, Miami, Florida 33179. A regular Board meeting of the District will also be held at that time where the Board may consider any other business that may properly come before it.

The purpose of the public hearing is to consider the adoption of a resolution authorizing the District to use the uniform method of collecting non ad valorem assessments to be levied by the District on properties located within the District's boundaries, pursuant to Section 197.3632, Florida Statutes. Under the uniform method, such non ad valorem assessments will be collected by the tax collector.

The District may levy non ad valorem assessments for the purposes of or constructing, acquiring, making, maintaining, operating, and equipping infrastructure improvements to serve the District including, but not limited to, roadway improvements, earthwork and surface water management, water distribution, sanitary sewer collection and transmission, relocation of utilities, required perimeter landscape buffers off-site roadway improvements and other improvements and any other lawful projects or services of the District.

The schedule of non ad valorem assessments per residential unit to be levied beginning with the District's fiscal year 2013-2014, as allocated by an assessment methodology based upon the benefits and costs to each type of property, is estimated to be a maximum of \$3,033.64 for SF Large (40) units; \$2,728.48 for SF Medium (35) units; \$2,423.31 for SF Small (30) units; and \$2,122.16 for TH (22,40) units for the purpose of payment of bonds/debtedness to fund District infrastructure projects, which debt assessment is expected to continue from year to year for no more than thirty years.

The public hearing and regular meeting is open to the public and will be conducted in accordance with the provisions of Florida law for community development districts. All affected property owners have the right to appear at the public hearing and be heard regarding the District's use of the uniform method for the levy, collection and enforcement of such non ad valorem assessments. All affected property owners have the right to file written objections with the District's Manager, Waihele Hunt and Associates, LLC, 8141 Lyons Road, Suite 100, Coconut Creek, FL 33073, within 20 days of the first publication of this notice.

The public hearing and regular meeting may be continued in progress without additional notice to a date, time, and place to be specified on the record at the hearing and meeting. There may be occasions when staff and/or supervisors may participate by speaker telephone.

Pursuant to provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in the public hearing and regular meeting is asked to advise the District Office at least forty-eight (48) hours before the hearing and meeting by contacting the District Manager at (954) 426-2106.
