

Memorandum

Date: May 6, 2014

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Resolution Ratifying the Submission of a Grant Application to the State Office on Homelessness for Homeless Prevention Funding

Agenda Item No. 10(A)(1)

Recommendation

It is recommended that the Board of County Commissioners ("Board") approve the attached resolution ratifying the County Mayor or the County Mayor's designee action of applying for funds from the State of Florida Department of Children and Families Office on Homelessness (State Office on Homelessness) for homeless prevention grant funds; and authorizes the County Mayor or County Mayor's designee to approve and execute any agreements, amendments or extensions resulting from this application for funding.

Scope

The impact of this resolution is countywide in nature.

Fiscal Impact/Funding Source

The Homelessness Prevention Grant program is funded pursuant to Florida's approved Temporary Assistance for Needy Families ("TANF") State Plan from federal TANF block grant funds received by the state from the U.S. Department of Health and Human Services as appropriated by the Florida Legislature. There is no fiscal impact to Miami-Dade County for the administration of this grant. The awarded funds do not require matching funds.

Track Record/Monitor

The Miami-Dade County Homeless Trust (Trust) is the state-designated lead agency for the Miami-Dade County homeless continuum of care system. The persons responsible for ensuring that the County and Trust meet all required deliverables are Terrell T. Ellis, Contracts Monitor and Management Supervisor, and Miguel Pimentel, Administrative Officer 1.

Background

In 2013, the Florida Legislature created the Homelessness Prevention Grant program to provide emergency financial assistance to families facing the loss of their current housing due to a financial or other crisis. The State Office on Homelessness is authorized to provide homeless prevention grants annually to the lead agencies designated for the local homeless assistance continuum of care in the state. The intent of the program is to prevent families from becoming homeless and to enable them to remain stably housed following the assistance provided. The eligible applicants to apply for this State funding are limited to the lead agencies of the homeless assistance continuum of care planning areas in accordance

with section 420.624, Florida Statutes; the Trust is the state-designated lead agency for the Miami-Dade County continuum of care.

On January 29, 2014, the State Office on Homelessness issued a Request for Applications (RFA) for grant funding for homeless prevention. The deadline for submission of the application was February 17, 2014. A maximum of \$300,000 in grant funds could be requested and all grant funds must be expended by June 30, 2014. In light of the short deadline for submission of the application and for expenditure of funds, the Trust immediately prepared and issued a Request for Letters of Interest for all currently funded homeless prevention providers. Citrus Health Network, Inc. (Citrus Health) was the only agency to provide a response. Citrus Health, through its Housing Assistance Network of Dade (HAND) Program provides rental assistance to households throughout Miami-Dade County with local, state and federal funding. The State TANF homeless prevention funds would be used specifically to provide up to four (4) months of rent assistance in arrears to prevent homelessness and would be combined with other homeless prevention funding to allow a household to receive additional assistance to help stabilize their housing situation.

This grant will assist the Miami-Dade County homeless continuum of care in meeting the high demand for homeless prevention services, particularly for families at risk of homelessness. A total of 16,988 calls to the Homeless Helpline in 2013 were diverted to the Homeless Prevention Coordinator for assistance with homeless prevention services (e.g. rent in arrears, utilities in arrears, etc.).

The application was submitted to the State timely and notification of award is pending.
