

Memorandum

Date: June 17, 2014

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

Agenda Item No. 8(A)(1)

From: Carlos A. Gimenez
Mayor

A handwritten signature in black ink, appearing to read "Carlos A. Gimenez".

Subject: Lease and Concession Agreement with Marlins Airport Retail Operator, LLC

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) (i) waive competitive bid procedures pursuant to Miami-Dade County Code Section 2-8.1 and Section 5.03D of the Home Rule Charter and R-1587-72, (ii) approve the award of a Lease and Concession Agreement to Marlins Airport Retail Operator, LLC for one location in the Miami International Airport (MIA) North Terminal Marketplace to sell Miami Marlins-licensed merchandise, and (iii) authorize the Mayor or Mayor's designee to execute the attached Agreement and exercise any renewal options and termination provisions therein.

SCOPE

Miami International Airport is located primarily within Chairwoman Rebeca Sosa's District Six; however the impact of this item is countywide as MIA is a regional asset.

DELEGATED AUTHORITY

In accordance with Miami-Dade County Code Section 2-8.3 related to identifying delegation of Board authority contained within the subject agreement, the Miami-Dade Aviation Department (MDAD) Director or designee has the authority to exercise the renewal options and terminate the agreement.

FISCAL IMPACT/FUNDING SOURCE

Marlins Airport Retail Operator, LLC will pay MDAD a concession category percentage fee of eight (8) percent of gross revenues or monthly rent at the prevailing rental rate of \$79.92 per square foot, based on the October 1, 2013, Terminal Class VI Rental Rate, whichever is greater. The store will be developed, financed, managed and operated by Marlins Airport Operator, LLC, the Miami Marlin's retail division.

TRACK RECORD/MONITOR

MDAD Chief of Airport Concession Business Development Adrian Songer will monitor this Agreement. Marlins Airport Retail Operator, LLC has no contractual history with Miami-Dade County and there is no history of violations on record.

BACKGROUND

MDAD has long been aware of the need to create a sense of destination for its passengers. Airports that create a sense of place receive high satisfaction rankings from its passengers. MDAD contacted the Miami Marlins organization to discuss the concept of a specialty retail store consisting solely of Miami Marlins and Major League Baseball-licensed brand-name merchandise. The MIA retail program offers basic seasonal sports items, but having a unique, professional baseball sports franchise offering a complete assortment of Miami Marlins-licensed brand-name items 365 days a year is a sound business decision. The addition of the Miami Marlin's brand will add to an already excellent product mix that includes the Miami Heat store which opened in December 2012 and sells Miami Heat licensed merchandise. For fiscal year 2013, The Miami Heat Store generated \$129,103.41 in revenue for MDAD

having only been opened for 10 months. A recent secret shopper survey rated the customer experience at the Miami Heat store as positive. Given the seasonality of the sports apparel merchandise, the percentage fee for the Miami Marlins retail store will be 8%; the same percentage fee negotiated for the Miami Heat store lease. MDAD is currently considering a lease to add a Miami Dolphins store at MIA.

Because the Miami Marlins retail store brings a unique professional baseball sports-franchise merchandising concept to MIA, and assist MDAD in reaching its goal of increasing passengers' sense of place, it is in the best interest of the County to waive competitive bid procedures pursuant to Resolution R-1587-72.

As to Section 287.133, the entity understands that:

- A. A "public entity crime" as defined in Paragraph 287.133(1) (g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation;

The audited report, as detailed in **Exhibit G "Independent Audit Report"**, shall include a schedule of monthly Gross Revenues and percentage fees paid to the Department under this Agreement, prepared in accordance with Generally Accepted Auditing Standards. The report shall also be accompanied by a management letter containing the findings discovered during the course of the examination, recommendations to improve accounting procedures, revenue and internal controls, as well as significant matters under this Agreement. In addition, the audit shall also include as a separate report, a comprehensive compliance review of procedures to determine whether the books of accounts, records and reports were kept in accordance with the terms of this Agreement for the period of examination. Each audit and examination shall cover the period of this Agreement. The last such report shall include the last day of operation. There shall be no changes in the scope of the reports and letters required hereunder without the specific prior written approval of the Department. If such schedules indicate that the percentage fees for such period audited have been underpaid, the Concessionaire shall submit payment therefore within forty-five (45) days after the completion of the reports to

the Department as stated in **Sub-Article 3.20** together with interest on any underpaid percentage fees at the rate set forth in **Sub-Article 3.14**.

- 3.19 RIGHT TO AUDIT/INSPECT:** The Department and the auditors of the County shall have the right, without limitation, at any time during normal working hours, to enter into any Location on or off the Airport, which the Concessionaire may use as administrative, maintenance and operational Location, in connection with its operations pursuant to this Agreement, to: (1) verify, check and record data used in connection with the operation of this Agreement; (2) inspect, review, verify and check all or any portion(s) of the procedures of the Concessionaire for recording or compiling Gross Revenues information and (3) audit, check, inspect and review all books of account, records, financial reports, financial statements, operating statements, inventory records, and state sales tax returns, and work papers relating solely to Concessionaire's operations at the Location and to the operation of this Agreement, and other pertinent information as may be mutually determined to be needed or desirable by the Department and Concessionaire. Prior to entering any Location located on the Airport, the Department shall give advance notice to the Concessionaire.

If it is established that the percentage fees have been underpaid to the Department, the Concessionaire shall forthwith, pay the difference with interest thereon at the rate set forth in **Sub-Article 3.14 "Late Payment"** from the date such amount or amounts should have been paid.

Further, if such examination establishes that Concessionaire has underpaid percentage fees for any period examined by three percent (3%) or more, then the entire expense of such examination shall be borne by Concessionaire.

In the event of any conflict between any provisions of this Agreement and generally accepted accounting principles or generally accepted auditing standards, the provisions of this Agreement shall control even where this Agreement references such principles or standards. In particular, without limitation, the Concessionaire shall maintain all records required under this Agreement to the full extent required hereunder, even if some or all of such records would not be required under such general principals or standards.

- 3.20 RECORDS AND REPORTS:** The Concessionaire shall, at all times during the Term of this Agreement or any Extension hereof and in accordance with applicable law, maintain at the Concessionaire's principal corporate office located in the United States and make available to the Department in Miami-Dade County, Florida; complete and accurate books and records of all receipts and disbursements from its operations in the Location, in a form consistent with good accounting practice. In addition, Concessionaire shall install or cause to be installed for use at all times in the Location such devices and forms as are reasonably necessary to record properly, accurately and completely all merchandise sales and services from each Location. The form of all such books of account records and reports shall be subject to the approval of the Department and/or the auditors of the County (one or more of the following: the designated external auditing firm or other certified public accounting

firm selected by the Department, or the Audit and Management Services Department of the County) prior to commencement of operations hereunder.

The Concessionaire shall account for all revenues of any nature related to transactions in connection with this Agreement in a manner which segregates in detail those transactions from other transactions of the Concessionaire and which supports the amounts reported to the Department in the Concessionaire's monthly schedules. At a minimum, the Concessionaire's accounting for such receipts shall include the following solely as it relates to Concessionaire's operations at the Location:

1. Concessionaire's bank account statements;
2. A compiled report of transactions for the Location showing all Gross Revenues and all exclusions from Gross Revenues by category, which report shall be subtotaled by day and totaled by month. The monthly total shall correspond with the amounts reported to the Department on the Concessionaire's monthly "Revenue Reports"; and
3. Such other records, if any, which would normally be examined by an independent certified public accountant in performing an examination of the Concessionaire's Gross Revenues in accordance with generally accepted auditing standards and the provisions of this Agreement.

Such records may be in the form of (a) electronic media compatible with the computers available to the Department, or (b) a computer run hard copy. The Department may require other records necessary in its determination to enable the accurate audit of Concessionaire's Gross Revenues hereunder. Upon ten (10) business days written notice from the Department, all such books and records, including the general ledger and bank statements and all federal, state and local tax returns, shall be made available, either at the Location, or at the Department's option, at the offices of the Department, for inspection by Department through its duly authorized representatives at any time for up to three (3) years subsequent to final termination of the period to be examined to which such books and records relate (and the Concessionaire shall not be obligated to retain such books and records subsequent to the termination of such three (3) year period); provided, however, that any such inspection on the Location will be conducted during reasonable business hours and in such a manner and at such time as not to interfere unduly with the conduct of the Concessionaire's business.

3.21 ADDITIONAL FEES DUE: If the Department has paid any sum or has incurred any obligation or expense for which the Concessionaire agreed to pay or reimburse the Department, or if the Department is required or elects to pay any sum or incur any obligation or expense because of the failure, neglect or refusal of the Concessionaire to perform or fulfill any of the terms or conditions of this Agreement, then the same shall be deemed due and subject to an additional administrative fee of twenty-five percent (25%) of such payment, obligation, or expense.

3.22 UTILITIES: The cost of all utilities used or consumed on the Location shall be borne by the Concessionaire; provided, however, except with respect to the Concessionaire's support and storage space as defined in **Sub-Articles 1.04 and 1.05** at the Airport. The Department requires the Concessionaire where such capability exists, to provide and install

meters for utilities used at the Concessionaire's expense. If the Location is not provided with separate electric, gas, and/or water meters, the Concessionaire agrees to pay for such utilities in the Location as a monthly charge, plus any applicable taxes, upon billing by the Department, or utility companies. If billed by the Department, the Department at its sole discretion, will base this monthly charge on (i) a survey of consumption by the Department and current non-discriminatory rates charged others in the Terminal Building or (ii) at the option and expense of the Concessionaire on actual usage measured by temporary meters, arranged and paid for by the Concessionaire. This monthly charge may also be adjusted on a non-discriminatory basis and billed retroactively from time to time based on changes in consumption and rates. Concessionaire hereby agrees to pay the same within thirty (30) Days after it has received Department's invoice thereof. This requirement shall be met no later than thirty (30) Days after the Lease Effective Date of the Agreement. The payment security shall be kept in full force throughout the Interim Term, Operational Term and any Extension of this Agreement thereof. The Department may draw upon such payment security instrument if the Concessionaire fails to make the payments secured by this Sub-Article for three (3)

consecutive months. Upon notice of any such draw, Concessionaire shall immediately replace the payment security with a new payment security in the full amount of the payment security required hereunder. A failure to renew the payment security, or increase the amount of the payment security, if required pursuant hereto, shall (i) entitle the Department to draw down the full amount of such payment security, and (ii) be a default of this Agreement entitling Department to all available remedies. Notwithstanding anything to the contrary, upon the expiration or termination of this Agreement, the County shall remit the full amount of the payment security to the Concessionaire within thirty (30) days of such expiration or termination of this Agreement.

ARTICLE 4 – IMPROVEMENTS TO THE LOCATION

The value of any fixtures or other improvements provided by third parties as part of sponsorship, licensing, or other deals with Concessionaire shall be counted towards Concessionaire’s satisfaction of this minimum investment threshold. Notwithstanding the actual amount of design and engineering costs incurred with respect to improvements for a Location, the maximum proportion of soft costs permitted to be included as Approved Improvements shall be no more than fifteen percent (15%) of the total design and engineering cost. All improvements shall be subject to review and approval by the Department. The Department may, with mutual agreement, fund certain improvements needed to support the concession space and allow the Concessionaire to build such improvements in compliance with MDAD TAC-N procedures.

It is the intent of the parties that Approved Improvements may include but are not limited to the décor, lighting, millwork, HVAC, fire detection and fire suppression or such other improvements as are approved by the Department. Such improvements shall be shown in the design detail in the Final Plans, as such term is defined in **Sub-Article 4.02 “Design of Improvements”**.

Improvements not constituting Approved Improvements shall include improvements that (i) are non-fixed, (ii) have not been reimbursed by the Department pursuant to **Sub-Article 4.08 “Cost Documentation”**, and (iii) can be removed without damage to the premises. The Concessionaire is liable and shall indemnify the Department for any damage to the Location which results from the removal of said improvements. This provision shall survive the termination or expiration of this Agreement.

Off-Airport properties used as storage space will not be considered as Location, as stated in **Article 4 “Improvement to the Location”** or as an extension of this Agreement, and costs incurred by either the Concessionaire to provide such storage space shall not constitute Approved Improvements.

4.02 DESIGN OF IMPROVEMENTS: Plans for the design of improvements will be in accordance with Exhibit E "Retail Concessions Design Guidelines", Exhibit F "Tenant Airport Construction Non-Reimbursable Projects (TAC-N) Design and Construction Procedures" or "Tenant Airport Construction Reimbursable Projects (TAC-R) Design and Construction Procedures", as applicable, the "MDAD Life Safety Master Plan", the "MDAD Public Address System Master Plan", and the "MDAD Design Guidelines Manual" as may be established for the Terminal Retail Program. As plans for the improvement of individual Location or common area improvements are completed, the Concessionaire shall submit to the Department for review, approval or modification detailed final plans ("Final Plans") and specifications (including materials, colors, textures and fixtures), construction cost estimates and schedules for the construction of the improvements. The Final Plans shall be prepared by an architectural interior design and/or engineering firm registered in the State of Florida and in accordance with the Florida Building Code and all applicable State and local laws, ordinances, and regulations.

4.03 REFURBISHMENT OF LOCATION: The Concessionaire shall refurbish the **Location** to begin no earlier than the fifth (5th) Term year of the Agreement and be completed no later than the last day of the fifth (5th) Term year of this Agreement.

Approved Improvements for the refurbishment of the Location shall not be less than fifty dollars per square foot (\$50 psf). There will be no reimbursement or amortization of these costs for refurbishment.

4.04 CERTAIN CONSTRUCTION CONTRACT TERMS: All contracts entered into by the Concessionaire for the construction of the Improvements shall require completion of the improvements within the schedules submitted pursuant to **Sub-Article 4.02 "Design of Improvements"** and shall contain reasonable and lawful provisions for the payment of actual damages to the County in the event the contractor fails to complete the construction on time. The Concessionaire agrees that it will use its best efforts to take all necessary action available under such construction contracts to enforce the timely completion of the work covered thereby.

Prior to the commencement of any installation work by the Concessionaire, the Concessionaire shall provide or cause to be provided to the County copies of a fixed price contract or contracts for all work to be performed at the Location. The work to be performed under such contract(s) shall be insured by an Exhibit B, "Surety Performance and Payment Bond" provided in the Lease and Concession Agreement. The Surety Performance and Payment bond shall be in full force throughout the term of the construction contract.

4.05 IMPROVEMENTS FREE AND CLEAR: The improvements, upon completion, shall immediately become the property of the County, free and clear of any liens or encumbrances whatsoever, other than the County's obligation to reimburse the Concessionaire for the un-amortized value of the Approved Improvements as provided in this Agreement. The Concessionaire agrees that any contract for construction, alteration or repairing of the improvements or Location or for the purchase of material to be used, or for

work and labor to be performed shall be in writing and shall contain provisions to protect the County from the claims of any laborers, subcontractors or material men against the Location or improvements.

- 4.06 OTHER REQUIREMENTS:** The Concessionaire shall apply for and obtain a building permit from the County for all appropriate inspections and a Certificate of Occupancy upon completion. Within sixty (60) Days following the completion of construction of the improvements, the Concessionaire shall furnish to the County one complete set each of legible prints (black line), of construction drawings in electronic file format and in full compliance with Autodesk's DWG file format and standard revised as to "as built". Based upon submission date, the AutoCad.dwg version must be within two years of the latest release. MDAD will not accept the submission of any AutoCAD drawing deliverable which contains references to external source drawing files. The closeout document package should include all pertinent shop and working drawings, copies of all releases of all claims and a copy of the Certificate of Occupancy provided the Concessionaire does not disseminate such information, refer to Transportation Security Regulations (TSR), 49 C.F.R. 1520, et al., Protection of Sensitive Security Information.

No Facility will be allowed to open without obtaining a Temporary Certificate of Occupancy or a Certificate of Occupancy.

Any change in the Location, concept or tenant proposed must be approved in writing by the County.

- 4.07 REVIEW OF CONSTRUCTION:** The County shall have the right, but not obligation, to periodically observe the construction to ensure conformity with the Final Plans and any changes thereof requested by the Concessionaire and approved by the County.
- 4.08 COST DOCUMENTATION:** Within one hundred eighty (180) Days from the date of Beneficial Occupancy, specifically including those improvements described in **Sub-Articles 4.01 "Improvements to Location", 4.03 "Refurbishment of Location"**, the Concessionaire shall submit to the County a certified audit of the monies actually expended in the design and construction of the Approved Improvements by Location in accordance with the Final Plans, prepared by an independent certified public accounting firm ("Auditor"), approved in advance by the County (the "Certified Audit"). The Concessionaire, as the case may be, shall be responsible for documenting for the Auditor that the monies that were expended are true and correct. The costs of design and construction, in accordance with the Final Plans and any changes thereto requested by the Concessionaire and approved by the County, including the costs of required bonds, construction insurance and the construction audit, shall not include the cost of any other consultant or accountant fees, financing or legal fees and personal property of the Concessionaire, as the case may be. No non-receipted expenditures will be credited. Concessionaires not submitting certified audits within the allotted time may be billed a penalty of fifty dollars (\$50.00) per Day. Upon reconciliation, any difference due the County shall also include an administrative fee of ten per cent (10%) of the monies due the County on the build-out of the Location. In the event of any disputes between the County and the Concessionaire as to whether certain costs are to be included in the audit, said

dispute shall be submitted to the consulting engineer named pursuant to the Trust Agreement, as defined in **Sub-Article 17.01 "Incorporation of Trust Agreement by Reference"**. The decision of said consulting engineer, acting in good faith, shall be final and binding upon the parties hereto.

The Department shall notify the Concessionaire in writing that it has approved or disapproved the certified costs for each Location and the common area improvements detailed in the Certified Audit within sixty (60) Days from the date of its receipt of the Certified Audit. If the Concessionaire fails to submit the Certified Audit within the time prescribed above for any Location, then a penalty will be assessed as noted in **Sub-Article 3.23 "Liquidated Damages"**. The Approved Improvement cost for purposes of calculating the County's obligation to reimburse the Concessionaire for un-amortized improvement costs for such Location pursuant to **Sub-Article 4.09 "Amortization Schedule"** shall equal the lesser of two hundred dollars (\$200) per square foot or the square footage rate of improvement costs for such Location certified by the Auditor.

If the approved total receipted amount is below the Concessionaire minimum investment and is depicted as such in the results of the Certified Audit, the Concessionaire shall be required to pay to the Department the difference between the expended amount and the minimum investment, within one hundred eighty (180) Days from the date of Beneficial Occupancy of the corresponding Location.

If the approved total receipted amount for Refurbishment of Location is below the Concessionaire's, the Concessionaire shall be required to pay the Department the difference between the expended amount and the refurbishment amount within one hundred eighty (180) Days from the date of completion of refurbishment.

4.09 AMORTIZATION SCHEDULE: The Concessionaire shall amortize its capital investment for a period not to exceed (60) months using the straight-line depreciation method. If, at any time during the Term of the Agreement, excluding any extension, the Department requires the deletion and/or modification of any Location, the Department may designate a new Location at its sole discretion and reimburse the Concessionaire the unamortized balance of Approved Improvements for that Location.

Investment subject to such reimbursement shall include the following items only:

1. Directly contracted costs of construction.
2. Store displays more than \$500 per display, furniture, fixture, equipment and signage purchased and installed for direct use in the facility.
3. Design and engineering costs not to exceed fifteen percent (15%) of the total approved construction, installation, store displays, furniture, fixture, equipment and signage cost.

There will be no other reimbursement.

A certified audit of monies for the above expenditures performed at the expense of the Concessionaire will be required to confirm the Minimum Investment within one hundred eighty (180) Days of Beneficial Occupancy for each Location. No non-receipted

expenditures will be credited. If the approved total receipted amount is below the two hundred dollars (\$200.00) per square foot minimum, the Concessionaire will be required to pay the Department the difference between the Minimum Investment amount and the actual receipted expenditure within ninety (90) Days after billing by the Department.

Concessionaires not submitting a certified audit within the allotted time may be billed a penalty of fifty dollars (\$50.00) per Day. Upon reconciliation, any difference due the Department shall also include an administrative fee of twenty-five percent (25%) of the monies due the Department on the build-out of the Location.

Prior to the commencement of any construction installation or work by the Concessionaire, the Concessionaire shall provide or cause to be provided to the Department copies of a fixed price contract or contracts for all work to be performed at the Location. The work to be performed under such contract(s) shall be insured by a Performance and Payment Bond provided by Concessionaire to the Department in the form contained in Exhibit B "Surety Performance and Payment Bond" in the Agreement. The Performance and Payment Bond shall be in full force throughout the term of the installation/construction contract.

4.10 CONSTRUCTION PERMIT FEE: The Concessionaire shall pay a permit fee to the Department for improvements which would customarily be paid to the County's Building Department as a condition to issuance of a permit. The permit fee payable by the Concessionaire to the Department is an amount equal to one percent (1%) of the estimated construction cost of the improvements. Such fee shall be used to reimburse the Department its costs of maintaining on-site Building Department staff to review Concessionaire's plans/specifications. Such fee shall be non-refundable.

Such maintenance by the Department may be subject to interruption caused by repair, strikes, lockouts, labor controversies, inability to obtain fuel, power or parts, accidents, breakdowns, catastrophes, national or local emergencies, and other

conditions beyond the control of the Department. If the Concessionaire's Location is of such a condition as to significantly impact the Concessionaire's operation for a period in excess of seventy two (72) hours and such damage is not insurable (without a deductible) under an insurance policy of the type required to be maintained by the Concessionaire pursuant to this Agreement or license agreement, the Department will provide a rent abatement for that portion of the Location rendered unusable for that period of time that the Department is unable to make repairs required by **Sub-Article 6.01 "Department Services"**.

- C. **No Other Obligation of Department:** The Concessionaire acknowledges that the Department has made no representations or warranties concerning the suitability of the Location for the Concessionaire's use or for any other use, and that except as expressly provided in this Agreement, the Department shall have no obligations whatsoever to repair, maintain, renovate or otherwise incur any cost or expense with respect to the Location or any improvements, furnishings, fixtures, trade fixtures, signage or equipment constructed or used on or in the Location by the Concessionaire.
1. The Concessionaire hereby confirms that it has made its own investigation of all the costs of doing business under this Agreement, including the costs of furnishings, fixtures, trade fixtures, inventory, signs and equipment needed to operate from the Location hereunder, that it has done its own projections of the volume of business expected to be generated, that it is relying on its own business judgment concerning its prospects for providing the services required under this Agreement on a profitable basis, and that the Department has not made any representations or warranties with respect to any such matters.
 2. The Department does not warrant the accuracy of any statistics or projections relating to the Airport and its operations, which have been provided to the Concessionaire by the Department or anyone on its behalf and the Department shall not be responsible for any inaccuracies in such statistics or their interpretation.
 3. All statements contained in this Agreement or otherwise made by the Department or anyone on its behalf concerning any measurement relating to the Location or any other area of the Airport are approximate only, and any inaccuracy in such statements of measurements shall not give rise to any claim by the Concessionaire under or in connection with this Agreement.
 4. The Department shall not be liable to the Concessionaire for any loss of business or damages sustained by the Concessionaire as a result of any change in the operation or configuration of, or any change in any procedure governing the use of, the construction improvements of the terminal building, except due to the negligence or willful misconduct of the Department or County.

ARTICLE 7-FURNITURE, FIXTURES AND EQUIPMENT

- 7.01 FURNITURE, FIXTURES, AND EQUIPMENT:** Any equipment, furnishings, fixtures and signs installed in the Location by the Concessionaire shall be in keeping with the decor of the terminal building and must be approved in advance by the Department. Any such equipment, furnishings, fixtures and signs so installed by the Concessionaire, as provided in **Sub-Article 4.01 "Improvements to Location"**, shall, except as provided in **Sub-Article 7.03(B) "Disposal of Furniture, Fixtures, and Equipment"**, be removed from the Location within ten (10) business Days following the expiration or earlier termination of this Agreement.
- 7.02 AMERICANS WITH DISABILITIES ACT REQUIREMENTS:** The Concessionaire will be responsible, at its cost, for ensuring that the Location and all equipment therein, and all functions it performs therein as part of the concession, conform in all respects to the requirements of the Americans with Disabilities Act (the "ADA"), including without limitation, the accessibility guidelines promulgated pursuant thereto. The ADA imposes obligation on both public entities, like the Department and those private entities that offer services for the convenience of users of the public entities' Location. In some circumstances, the public entity must ensure that the operations of the private entity comply with the public entity's ADA obligations. In most cases the ADA obligations of the Department and the Concessionaire will be the same. However, the Department reserves the right to require the Concessionaire to modify its operations or its physical Location to comply with the Department's ADA obligations with respect to the Location, as the Department in its sole discretion deems reasonably necessary.
- 7.03 DISPOSAL OF FURNITURE, FIXTURES, AND EQUIPMENT:** At least thirty (30) Days prior to the expiration of this Agreement, or upon termination pursuant to **Article 12 "Default and Termination by County"** or **Article 13 "Claims and Termination by Concessionaire"** hereof, the Department shall require the Concessionaire to remove such equipment, furnishings, fixtures, signs, or carts from the Location within ten (10) business Days following the expiration or earlier termination of this Agreement, subject to the provisions of **Sub-Article 4.01 "Improvement to Location."**

ARTICLE 8 – MAINTENANCE

- 8.01 CLEANING:** The Concessionaire shall, at its cost and expense, keep the Location clean, neat, orderly, sanitary and presentable at all times. If the Location is not kept clean as provided in Standards of Operation, Exhibit L, the Concessionaire will be so advised and shall take immediate corrective action. Failure to take immediate corrective action may result in damages being assessed pursuant to **Sub-Article 3.23 "Liquidated Damages"**.
- 8.02 REMOVAL OF TRASH:** The Concessionaire shall, at its cost and expense, remove or cause to be removed from the Location and properly disposed of in Department provided containers, all trash and refuse of any nature whatsoever which might accumulate and arise from the operations hereunder. If the Concessionaire enters into agreements for the janitorial and trash removal service within the Location, such service providers must have permits issued by the Department to do business at the Airport. Trash shall not be stored in any area visible to the public nor cause a private or public hazard through its means of

storage. All edible items must be contained so as to minimize exposure to pests. Any trash left or stored in any area visible to the public or edible items not properly contained may result in damages being assessed pursuant to **Sub-Article 3.23 "Liquidated Damages"**.

8.03 MAINTENANCE AND REPAIR: Except with respect to the Department's maintenance and repair obligations as set forth in **Sub-Article 6.01 "Department Services"**, the Concessionaire shall maintain and repair or cause to be maintained and repaired the interiors and exterior storefronts of the Location. Such maintenance and repairs shall include, but not be limited to, painting, ceiling, walls, floors, laminating doors, windows, equipment, furnishings, fixtures, appurtenances, replacement of ceiling light bulbs, ballast and the replacement of all broken glass, which repairs shall be in quality and class equal to or better than the original work to preserve the same in good order and condition. Maintenance for all equipment furnished by the Concessionaire specifically as a result of their operation shall remain the obligation of the Concessionaire. The Concessionaire shall repair or cause to be repaired, at or before the end of the Term or Extension, if applicable, of this Agreement, all damage done by the installation or removal of furniture and personal property so as to restore the Location to the state they were at the commencement of this Agreement, reasonable wear and tear excluded. The Department may, at any time during normal business hours, enter upon the public areas of the Location, or with appropriate notice, enter upon the non-public areas of the Location, to determine if maintenance is being performed satisfactorily. The Department may enter upon any Location when a Location is not open for business if the Department provides the Concessionaire notice no less than two (2) hours in advance so that a representative of the Concessionaire may be present, except in the case of real or perceived emergencies where no such representatives shall be required to be present. If it is determined that said maintenance is not satisfactory, the Department shall so notify Concessionaire in writing. If said maintenance is not performed by Concessionaire (to the satisfaction of the Department within ten (10) Days after receipt of such written notice), Department shall have the right to enter upon the Location and perform such maintenance and charge Concessionaire for such services, as provided by **Sub-Article 8.04**.

8.04 FAILURE TO MAINTAIN: Upon failure of the Concessionaire to maintain the Location as provided in this **Article 8 "Maintenance"**, including sufficient deficiency notice to Concessionaire, and a second notice period of three (3) days, the Department may enter upon the Location and perform all cleaning, maintenance and repairs which may be necessary and the cost thereof plus twenty-five percent (25%) for administrative costs, shall constitute additional rental, and shall be billed to and paid by the Concessionaire, in addition to any damages imposed by the Department pursuant to **Sub-Article 3.23 "Liquidated Damages"**.

Failure to pay said costs upon billing by the Department will cause this Agreement to be in default as stated in **Sub-Article 12.02 "Payment Default"**.

8.05 ENVIRONMENTAL RECYCLING: The Department is actively engaging in the development of environmental programs. A recycling program is planned at the Airport to

include the participation of all Airport Concessionaires. Participation in this program, once established, will be mandatory. The Concessionaire shall agree to bear any reasonable, proportionate, and actual costs associated with the implementation and continued operation of this recycling program, or propose for approval by the Department an alternative environmental recycling plan which such approval shall not be unreasonably withheld.

Proper disposal of contaminated and/or regulated materials generated by the Concessionaire is the sole responsibility of the Concessionaire. Disposal must be through the use of a licensed vendor regulated by the State of Florida and/or any other federal or local regulatory agency.

- 8.06 FIRE PROTECTION AND SAFETY EQUIPMENT:** The Concessionaire must provide and maintain all fire protection and safety equipment and all other equipment of every kind and nature required by any applicable law, rule, ordinance, resolution or regulation, for the Term and any Extension of this Agreement or any insurance carrier providing insurance covering any portion of the Location.

ARTICLE 9 – ASSIGNMENT AND OWNERSHIP

- 9.01 NO ASSIGNMENT:** The Concessionaire shall not assign, transfer, pledge or otherwise encumber this Agreement nor shall the Concessionaire allow others to use the Location, without the prior written consent of the Department.
- 9.02 OWNERSHIP OF THE CONCESSIONAIRE:** If the Concessionaire is not under the ownership or control of the controlling owner of the Miami Marlins baseball franchise, such ownership or control of the Concessionaire shall be subject to the prior written approval of the Department, with such approval not to be unreasonably withheld, delayed, or conditioned. Notwithstanding anything to the contrary herein, if ownership or control of the Concessionaire is transferred to the subsequent ownership of the Miami Marlins baseball franchise, no approval shall be required from the Department for such transfer.

If the Concessionaire is a partnership, transfer of any interest in the partnership, which results in a change in control of such Concessionaire (deemed to mean more than fifty percent (50%) of the ownership interest), shall be deemed an assignment of this Agreement for purposes of this Article 9 "Assignment and Ownership".

- 9.04 HOLDOVER:**

A. With the Department's Permission:

If the Concessionaire (or anyone claiming through Concessionaire) shall remain in possession of the Location after the termination of this Agreement, by written

agreement executed by the Department, the person or entity remaining in possession shall be deemed a tenant at sufferance otherwise subject to all of the provisions of this Agreement.

B. Without Department Permission:

If the Concessionaire (or anyone claiming through Concessionaire) shall remain in possession of the Location or any part thereof after the lawful termination of this Agreement, without a written agreement executed by the Department, then without limiting the Department's other rights and remedies, the person or entity remaining in possession shall be deemed a tenant at sufferance otherwise subject to all of the provisions of this Agreement. The Concessionaire shall thereafter pay on account of its holdover use and occupancy of the Location a sum, at a rate equal to two times (2x) the amount payable monthly as monthly Percentage Fee PLUS monthly installment of the support space annual lease rental pursuant to **Sub-Article 3.06 "Annual Rental"**, and with all additional rent also payable as provided in this Agreement (the "Holdover Charges"). Imposition of Holdover Charges, extinguishes any unamortized investment amounts owed the Concessionaire by the Department, for the slippage in Location turnover. The Holdover Charges shall be payable weekly in advance. Notwithstanding the above, the Concessionaire shall remain liable to the Department for all damages resulting from such breach, with the amount of any Holdover Charges accepted by the Department on account of the holdover considered as mitigation of such damages. The covenant in this Sub-Article shall survive the expiration or the termination of this Agreement.

ARTICLE 10 – INDEMNIFICATION

10.01 INDEMNIFICATION REQUIRED OF CONCESSIONAIRE: The Concessionaire shall indemnify, defend, and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorney's fees and cost of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the Concessionaire or its employees, agents, servants, partners, or principals. ARTICLE 12- DEFAULT AND TERMINATION BY COUNTY

12.01 EVENTS OF DEFAULT: A default shall mean a significant and material breach of this Agreement by the Concessionaire (an "Event of Default"). In addition to those defaults defined in Sub-Article 12.02 "Payment Default", Sub-Article 12.03 "Other Defaults", and Sub-Article 12.04 "Habitual Default", an Event of Default, may also include one (1) or more of the following occurrences:

- (B) The Concessionaire has failed to make prompt payment to subcontractors or suppliers for any service or work provided for the design, installation, operation, or maintenance of the advertising concessions;
- (C) The Concessionaire has become insolvent (other than as interdicted by the bankruptcy laws), or has assigned the proceeds received for the benefit of the Concessionaire's creditors, or the Concessionaire has taken advantage of any

- insolvency statute or debtor/creditor law, or the Concessionaire's affairs have been put in the hands of a receiver;
- (D) The occurrence of any act, which operates to deprive Concessionaire of the rights, power, licenses, permits or authorities necessary for the proper conduct and operation of the activities authorized herein;
 - (E) Abandonment or discontinuance of operations by Concessionaire of its business by any act(s) of Concessionaire;

 - (G) Failure on the part of Concessionaire to maintain the quality of service required by the terms of this Agreement, including, but not limited to, any cessation or diminution of service by reason of Concessionaire being unable for any reason to maintain in its employ the personnel necessary to keep its business in operation and available for public use, unless such use is due to strike, lockout, or bona fide labor dispute;
 - (H) Failure by Concessionaire to maintain its other equipment in a manner satisfactory to the Director;

12.02 PAYMENT DEFAULT: Failure of the Concessionaire to make Annual Rental payments and Percentage Fee payments and other charges required to be paid herein when due and fails to cure the same within five (5) business days after receipt of written notice shall constitute a default, and the County may, at its option, terminate this Agreement after five (5) business days notice in writing to the Concessionaire.

12.03 OTHER DEFAULTS: The Department shall have the right, upon thirty (30) Days written notice to the Concessionaire to terminate this Agreement upon the occurrence of any one or more of the Events of Default listed in Sections 12.01(A)-(L) unless the same shall have been corrected within thirty (30) Days after written notice; provided, however, that the Department may, but is not required to, extend the time for cure as individual circumstances may warrant, such extension not to be construed as a waiver of any of the Department's rights hereunder.

The notice of default shall specify the Termination Date by when the Concessionaire shall discontinue the services.

- 12.04 HABITUAL DEFAULT:** Notwithstanding the foregoing, in the event that the Concessionaire has frequently, regularly or repetitively defaulted in the performance of or has breached any of the terms, covenants and conditions required herein, to be kept and performed by the Concessionaire, regardless of whether the Concessionaire has cured each individual condition of breach or default as provided for in **Sub-Article 12.02 "Payment Default"** and **Sub-Article 12.03 "Other Defaults"** above, the Concessionaire may be determined by the Director to be an "habitual violator". At the time that such determination is made, the Director shall issue to the Concessionaire a written notice, advising of such determination and citing the circumstances thereof. Such notice shall also advise the Concessionaire that there shall be no further notice or grace periods to correct any subsequent breach(s) or default (s) and that any subsequent breach or default, of whatever nature, taken with all previous breaches and defaults, shall be considered cumulative and collectively shall constitute a condition of non-curable default and grounds for immediate termination of this Agreement. In the event of any such subsequent breach or default, the Department may terminate this Agreement upon the giving of written notice of termination to the Concessionaire, such termination to be effective upon the seventh (7) Day following the date of receipt thereof and all payments due hereunder shall be payable to said date, and the Concessionaire shall have no further rights hereunder. Immediately upon receipt of said notice of termination, the Concessionaire shall discontinue its operations at the Airport and proceed to remove all its personal property in accordance with **Sub-Article 12.11 "Actions at Termination"** hereof.
- 12.05 NOTICE OF DEFAULT AND OPPORTUNITY TO CURE:** If an Event of Default occurs, the Department shall notify the Concessionaire by sending a notice of default, specifying the basis for such Event of Default, and advising the Concessionaire that such default must be cured immediately (or within a reasonably practicable period of time as provided in Section 12.03) or this Agreement with the Department may be terminated.
- 12.06 UNAMORTIZED INVESTMENT EXTINGUISHED:** Termination of this Agreement based upon **Sub-Article 12.07 "Termination for Abandonment"**, **Sub-Article 12.02 "Payment Default"**, **Sub-Article 12.03 "Other Defaults"**, **Sub-Article 12.04 "Habitual Default"**, or **Sub-Article 12.08 "Termination for Cause"**, shall extinguish any unamortized investment amounts owed the Concessionaire by the Department, for the slippage in Location Turnover Date.
- 12.07 TERMINATION FOR ABANDONMENT:** This Agreement may be terminated by the County upon the abandonment by the Concessionaire of the Location or the discontinuance of Concessionaire's services at the Airport for any period of time exceeding twenty-four (24) consecutive hours, and the failure to cure the same within three (3) calendar days after written notice, unless such abandonment or discontinuance has been caused by civil disturbance, governmental order, Act of God, or other cause beyond the reasonable control of Concessionaire that prevents the Concessionaire from providing services on the Location for the purposes authorized in **Article 2 "Use of Location"**. The foregoing shall not include periodic Sub-Concessionaire vacancies in individual Location that may occur from time to time during the Term of this Agreement including any Extension term. Such termination shall constitute an event of default, and the County shall be entitled all remedies for such default provided for in this Agreement.

12.08 TERMINATION FOR CAUSE: The County may terminate this Agreement, effective immediately if: (i) the Concessionaire attempts to meet its contractual obligation(s) with the County through fraud, misrepresentation or material misstatement; or (ii) a principal of the Concessionaire is convicted of a felony during the Term or any Extensions thereof if applicable. The County may, as a further sanction, terminate or cancel any other contract(s) that Concessionaire has with the County and that Concessionaire shall be responsible for all direct and indirect costs associated with such termination, including attorney's fees.

The foregoing notwithstanding, any individual, firm, corporation, joint venture, or other entity which attempts to meet its contractual obligations with the County through fraud, misrepresentation or material misstatement may be disbarred from County contracting for up to five (5) years in accordance with the County's debarment procedures. The Concessionaire may be subject to debarment for failure to perform, and all other reasons set forth in § 10-38 of the Code of Miami-Dade County, Florida (the "Code")

12.09 TERMINATION FOR CONVENIENCE: The Department, in addition to the rights and options to terminate for cause, or any other provisions set forth in this Agreement, retains the right to terminate this Agreement upon one hundred eighty (180) days written notice at its sole option at any time for convenience, without cause, when in its sole discretion it deems such termination is in the best interest of the Department. In such circumstance, the County will be responsible for paying the amortized costs of any improvements constructed by Concessionaire, but the County shall not be responsible for any other costs or damages, including but not limited to lost profits, loss of opportunity, borrowing costs, carrying costs, damage to reputation, loss of goodwill, or loss of income.

12.10 ADEQUATE ASSURANCES: When, in the opinion of the Department, reasonable grounds for uncertainty exist with respect to the Concessionaire's ability to perform the work or any portion thereof, the Department may request that the Concessionaire, within the time frame set forth in the Department's request, provide adequate assurances to the Department, in writing, of the Concessionaire's ability to perform in accordance with terms of this Agreement. In the event that the Concessionaire fails to provide to the Department the requested assurances within the prescribed time frame, the Department may:

1. Treat such failure as a repudiation of this Agreement; and
2. Resort to any remedy for breach provided herein or at law, including but not limited to, taking over the performance of the work or any part thereof either by itself or through others.

12.11 ACTIONS AT TERMINATION: The Concessionaire shall, upon receipt of such notice to terminate, and as directed by the Department:

- (A) Stop all work as specified in the notice to terminate;
- (B) Take such action as may be necessary for the protection and preservation of the Location and other Department materials and property;

- (C) Vacate, quit and surrender, all Location and storage/support spaces and account for all furnishings, fixtures, equipment, software, vehicles, records, funds, inventories, commodities, supplies and other property of the County on or before the date of termination.

If terminated for cause, the Concessionaire shall be liable to the County for all direct damages incurred by the County as a result of such termination. The existence of a bond or letter of credit supplied pursuant to Section 3 of this Agreement shall not serve as a limitation on damages beyond the penal sum of the bond or letter of credit, and the County may avail itself of the bond or letter of credit, or both, and also all remedies as may be available at law or equity against Concessionaire.

ARTICLE 13 – CLAIMS AND TERMINATION BY CONCESSIONAIRE

13.01 ADMINISTRATIVE CLAIM PROCEDURES: If the Concessionaire has any claim against the County, arising under this Agreement, it will be made in writing within thirty (30) Days of the Concessionaire's knowledge of the claim to the Director. The exact nature of the claim, including sufficient detail to identify the basis for the claim and the amount of the claim shall be clearly stated. The dispute will be decided by the Director, who will mail or otherwise furnish a written copy of the decision to the Concessionaire at the address furnished in **Sub-Article 18.09 "Notices"**. The decision of the Director will be final and conclusive unless, within thirty (30) Days from the date of receipt of such copy, the Concessionaire mails or otherwise furnishes to the Department a written appeal addressed to the Mayor. The decision of the Mayor, or his duly authorized representative for the determination of such appeals, will be final and conclusive unless within thirty (30) Days of the Concessionaire's receipt of such decision, the Concessionaire files an action in a court of competent jurisdiction. In connection with any appeal proceeding under this provision, the Concessionaire shall be afforded an opportunity to be heard and to offer other evidence in support of the appeal. Pending final decision of a dispute hereunder, the Concessionaire shall proceed diligently with the performance of this Agreement and in accordance with the County's decision. Failure to perform in accordance with the decision of the Director or the Mayor shall be cause for termination of this Agreement in accordance with **Sub-Article 12.03 "Other Defaults"**. The failure of the Concessionaire to comply with this administrative claim procedure shall be cause for a waiver of claim and an abandonment of any claim arising out of the event. Notwithstanding the foregoing, Concessionaire shall at all times maintain the right to pursue any breach of contract claim for this Agreement as provided in Section 16.01 hereof.

13.02 TERMINATION: The Concessionaire shall have the right, upon thirty (30) Days written notice to the County to terminate this Agreement, without liability to the County, at any time after the occurrence of one or more of the following events:

- (A) Issuance by any court of competent jurisdiction of any injunction substantially restricting the use of the Airport for airport purposes, and the injunction remaining in force for a period of more than thirty (30) Days.

- (B) A breach by the County of any of the material terms, covenants, conditions, representations, or warranties contained in this Agreement required to be kept by the County and failure of the Department to remedy such breach for a period of thirty (30) Days after receipt of written notice from the Concessionaire of the existence of such breach.

- (D) The assumption by the United States Government or any authorized agency thereof, or any other governmental agency, of the operation, control or use of the Airport Location or any substantial part, or parts thereof, in such a manner as substantially to restrict the Concessionaire's provision of services for a period of thirty (30) Days.

rights or obligations of the parties hereto shall be brought in the courts of the State of Florida.

16.02 NOTICE OF COMMENCEMENT OF CIVIL ACTION: In the event that the County or the Concessionaire commence a civil action in the state or federal courts for Miami-Dade County, where such action is based in whole or in part upon an alleged breach of this Agreement, the County and the Concessionaire agree to waive the procedures for initial service of process mandated by Chapters 48 and 83 of the Florida Statutes, by Rule 1.070 of the Florida Rules of Civil Procedure, and by Rule 4(c) of the Federal Rules of Civil Procedure. Furthermore, the County has the right, in the event of a labor disruption, to suspend its obligations under the contract while the labor disruption is ongoing and to use alternative means to provide the service that is affected by the labor disruption. In the event the Concessionaire is unable to reach an agreement with a labor organization regarding the terms of a labor peace agreement, the dispute between the Concessionaire and the labor organization shall be resolved by expedited binding arbitration in which the decision shall be rendered within ten (10) days of the request for arbitration but no later than five (5) days from the date of execution of this Agreement. The Concessionaire and the labor organization shall equally share the costs of arbitration.

A copy of the Trust Agreement may be examined by the Concessionaire at the offices of the Department during normal working hours.

17.02 ADJUSTMENT OF TERMS AND CONDITIONS: If at any time during the Term or

any Extension thereto, as applicable, a court of competent jurisdiction shall determine that any of the terms and conditions of this Agreement, including the rentals, fees and charges required to be paid hereunder to the Department by the Concessionaire or by other Concessionaires under other agreements of the Department for the lease or use of Location used for similar purposes, are unjustly discriminatory, the County, shall have the right to modify such terms and conditions and to increase, decrease, or otherwise adjust the rentals fees and charges required to be paid under this Agreement in such a manner as the County and Concessionaire shall mutually determine is necessary and reasonable so that terms and conditions and the rentals fees and charges payable by the Concessionaire and others shall not thereafter be unjustly discriminatory to any user of like Location and shall not result in any violation of the Trust Agreement or in any deficiency in revenues necessary to comply with the covenants of the Trust Agreement. In the event the County has modified the terms and conditions of this Agreement, including any adjustment of the rentals, fees and charges required to be paid to the County, pursuant to this provision and subject to written approval by Concessionaire, this Agreement shall be amended to incorporate such modification of the terms and conditions upon the issuance of written notice from the County to the Concessionaire.

- 17.03 INSPECTIONS:** The authorized employees and representatives of the County and of any applicable federal or state agency having jurisdiction hereof shall have the right of access to the Location and any storage/support spaces at all reasonable times for the purposes of inspection, so long as an authorized representative of Concessionaire is present, to determine compliance with the provisions of this Agreement or applicable law. The right of inspection shall impose no duty on the County to inspect and shall impart no liability on the County should it not make such inspection(s).
- 17.04 INDEPENDENT PRIVATE SECTOR INSPECTOR GENERAL REVIEW:** Pursuant to Miami-Dade County Administrative Order 3-20 and in connection with any award issued as a result of this Proposal, the County has the right to retain the services of an Independent Private Sector Inspector General ("IPSIG"), whenever the County deems it appropriate to do so. Upon written notice from the County, the Concessionaire shall make available, to the IPSIG retained by the County, all requested records and documentation pertaining to this Agreement and solely related to Concessionaire's operations at the Location, or any subsequent award, for inspection and copying. The County will be responsible for the payment of these IPSIG services, and under no circumstance shall the Concessionaire's cost/price for this Agreement be inclusive of any charges relating to these IPSIG services. The terms of this provision herein, apply to the Concessionaire, its officers, agents, employees and assignees. Nothing contained in this provision shall impair any independent right of the County to conduct, audit or investigate the operations, activities and performance of the Concessionaire in connection with this Agreement. Nothing contained above shall in any way limit the powers of the Inspector General to perform audits on all Department contracts including, but not limited to, those contracts specifically exempted above.

ARTICLE 18 – OTHER PROVISIONS

- 18.01 PAYMENT OF TAXES:** The Concessionaire shall pay all taxes lawfully assessed against its interests in the Location and any support/storage spaces and its services hereunder, provided however, that the Concessionaire shall not be deemed to be in default of its obligations under this Agreement for failure to pay such taxes pending the outcome of any legal proceedings instituted in courts of competent jurisdiction to determine the validity of such taxes. Failure to pay same after the ultimate adverse conclusion of such contest shall constitute an Event of Default, pursuant to **Sub-Article 12.03 “Other Defaults”** hereof.

- 18.07 OTHER DEPARTMENT RIGHTS:** The Concessionaire shall be liable for any physical damage caused to the Location by the Concessionaire, its employees, agents, contractors, subcontractors, suppliers. The liability shall encompass: (i) the Concessionaire's repair of the Location, or if the Location cannot be repaired, payment to the Department of the fair market value replacement cost of the Location; and (ii) any other such damages to the Department arising from the physical damage caused by the Concessionaire and its employees, agents, contractors, subcontractors or suppliers. - 18.12 COUNTY LIEN:** The County shall have a lien upon all personal property of the Concessionaire in the Location to secure the payment to the Department of any unpaid monies accruing to the Department under the terms of this Agreement.
- 18.13 AUTHORIZED USES ONLY:** The Concessionaire shall not use or permit the use of the Location or the Airport for any illegal or unauthorized purpose or for any purpose which would increase the premium rates paid by the Department on or invalidate any insurance policies of the Department or any policies of insurance written on behalf of the Concessionaire under this Agreement.
- 18.14 NO WAIVER:** There shall be no waiver of the right of either party to demand strict performance of any of the provisions, terms and covenants of this Agreement nor shall there be any waiver of any breach, default or non-performance hereof by the other party unless such waiver is explicitly made in writing by the such party. Any previous waiver or

course of dealing shall not affect the right of either party to demand strict performance of the provisions, terms and covenants of this Agreement with performance hereof by the other party.

18.15 SECURED AREAS/AIRFIELD OPERATIONS AREA (AOA) STERILE AREAS SECURITY: The Concessionaire acknowledges and accepts full responsibility for compliance with all applicable Federal, State, and Local laws, rules and regulations including those of the Transportation Security Administration (TSA), Homeland Security, FAA, CBP and MDAD as set forth from time to time relating to Concessionaire's activities at the Miami International Airport (MIA).

In order to maintain high levels of security at MIA, the Concessionaire must obtain MDAD photo identification badges for all the Concessionaire employees working in the Secured/AOA/Security Identification Display Area (SIDA) Sterile Areas or any other restricted areas of the Airport. All Concessionaire employees will be required to obtain photo identification badges and will be subject to fingerprint-based criminal history records checks.

The Concessionaire shall be responsible for requesting MDAD to issue identification badges to all employees who the Concessionaire requests to be authorized access to the Secured/AOA/SIDA/Sterile Areas and any other restricted areas of the airport and shall be further responsible for the immediate reporting of all lost or stolen ID badges and the immediate return of the ID badges of all personnel transferred from Airport assignment or terminated from the employer of the Concessionaire or upon final acceptance of the work or termination of this Agreement. The Concessionaire will be responsible for fees associated with lost and unaccounted for badges as well as the fee(s) for fingerprinting and ID issuance.

All employees of the Concessionaire who must work within MDAD Secured/AOA/SIDA/Sterile areas or any other restricted areas at MIA shall be supplied with MDAD identification badges as specified above, which must be worn at all times while within the referenced secured areas. Badges shall be worn on outer garments above the waist so as to be clearly visible in order to distinguish, on sight, employees assigned to a particular company area. Each employee must complete the SIDA training program conducted by MDAD and comply with all other TSA, Homeland Security, FAA, CBP and MDAD requirements as specified by the MDAD at the time of application for the ID badge before an ID badge is issued. At the present time, MDAD Security and Safety ID Section regularly provides SIDA Training.

Concessionaire Ramp Permits will be issued to the Concessionaire authorizing vehicle entrance to the Airfield Operations Area (AOA) through specified Miami-Dade Aviation Department guard gates for the term of any Project. These permits will be issued only for those vehicles that must have access to the site during the performance of the work. These permits will be only issued to company owned vehicles or company leased vehicles (leased from a commercial leasing company). AOA decals, passes, or permits to operate within the AOA will not be issued to privately owned or privately leased vehicles. All

vehicles operating within the AOA must have conspicuous company identification signs (minimum of three inch lettering) displayed on both sides of the vehicles.

All vehicles operating within the AOA must be provided with the Automobile Liability Insurance required elsewhere in this Agreement. Proof of such insurance is provided to MDAD Airside Operations Division upon request.

Only Concessionaire staff with pictured MDAD ID badges shall be allowed to operate a motor vehicle on the AOA without a MDAD escort. The Concessionaire shall require such employee to have a current, valid, appropriate Florida driver's license and to attend and successfully complete the AOA Driver Training Course conducted periodically by the Department. The privilege of a person to operate a motor vehicle on the AOA may be withdrawn by the Department because of violation of AOA driving rules or loss of Florida driver's license.

The Concessionaire agrees that its personnel, vehicles, cargo, goods, and other personal property are subject to being searched when attempting to enter, leave or while on the AOA. It is further agreed that the MDAD has the right to prohibit an individual, agent, or employee of the Concessionaire from entering the AOA, based upon facts which would lead a person of reasonable prudence to believe that such individual might be inclined to engage in theft, cargo tampering, aircraft sabotage, or other unlawful activities, including repeated failure to comply with MDAD's or the TSA, Homeland Security, FAA, CBP, SIDA access control policies, rules and regulations. Any person denied access to the AOA or whose prior authorization has been revoked or suspended on such grounds shall be entitled to a review hearing before the Director or his/her authorized designee within a reasonable time. Prior to such hearing, the person denied access to the AOA should be advised, in writing, of the reason for such denial.

The Concessionaire acknowledges and understands that these provisions are for the protection of all users of the AOA and are intended to reduce the incidence of thefts cargo tampering, aircraft sabotage, and other unlawful activities at the Airport and to maximize compliance with TSA, Homeland Security, FAA/Federal Inspection Services agencies and MDAD access control policies and procedures.

The Concessionaire understands and agrees that vehicle and equipment shall not be parked/stored on the AOA in areas not designated or authorized by MDAD nor in any manner contrary to any posted regulatory signs, traffic control devices, or pavement markings.

The Concessionaire understands and agrees that all persons entering and working in or around arriving international aircraft and facilities used by the various Federal Inspection Services agencies may be subject to the consent and approval of such agencies. Persons not approved or consented to by the Federal Inspection Services agencies shall not be employed by the Concessionaire in areas under the jurisdiction or control of such agencies. Persons employed by the Concessionaire not approved or consented to by the Federal Inspection Services agencies who enter such areas are subject to fines, which shall be borne entirely by the persons and/or the Concessionaire.

Notwithstanding the specific provisions of this Article, the Department shall have the right to add to, amend, or delete any portion hereof in order to meet reasonable security requirements of MDAD or of the TSA/Homeland Security/FAA/Federal Inspection Services agencies.

The Concessionaire shall ensure that all employees so required participate in such safety, security and other training and instructional programs, as MDAD or appropriate Federal agencies may from time to time require.

Concessionaire agrees that it will include in all contracts and subcontracts with its MIA sub-consultants, service providers, and suppliers an obligation by such parties to comply with all security requirements applicable to their operations at the Airport. The Concessionaire agrees that in addition to all remedies, damages and sanctions may be imposed by TSA, Homeland Security, FAA, Federal Inspection Services Agencies or MDAD upon Concessionaire sub-consultants, suppliers, and their individual employees for a violation of applicable security provisions.

- 18.16 INTENT OF AGREEMENT:** This Agreement is for the benefit of the parties only and does not: (a) grant rights to third party beneficiaries or to any other person; or (b) authorize non-parties to the Agreement to maintain an action for personal injuries, professional liability, or property damage pursuant to the terms or provisions of the Agreement.
- 18.17 MODIFICATIONS:** This Agreement may be modified and revised in writing and duly executed by the parties hereto. Any oral representation or modification concerning this Agreement shall be of no force or effect. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit."**
- 18.19 TRADEMARKS AND LICENSES:** The Department may, from time to time, require the Concessionaire as part of its advertising and marketing program to utilize certain patents, copyrights, trademarks, trade names, logos, computer software and other intellectual property owned by the Department in the performance of this Agreement which patents, copyrights, trademarks, trade names, logos, computer software and intellectual property may have been created pursuant to the terms of this Agreement. Such permission, when granted, shall be evidenced by a nonexclusive license executed by the Concessionaire and the Department, on behalf of the Department granting the Concessionaire the right, license and privilege to use a specific patent, copyright, trademark, trade name, logo, computer software or other intellectual property without requiring payment of fees therefore. Failure

of the parties to execute a formal license agreement shall not vest title or interest in such patent, copyright, trademark, trade name, logo computer software or intellectual property in the using party.

- 18.20 HEADINGS:** The headings of the various Articles and Sub-Articles of this Agreement, and its Table of Contents are for convenience and ease of reference only, and shall not be construed to define, limit, augment or describe the scope, context or intent of this Agreement or any part or parts of this Agreement.
- 18.21 BINDING EFFECT:** The terms, conditions and covenants of this Agreement shall inure to the benefit of and be binding upon the parties hereto and their successors and assigns. This provision shall not constitute a waiver of any conditions prohibiting assignment or subletting.
- 18.22 GOVERNMENTAL DEPARTMENT:** Nothing in this Agreement shall be construed to waive or limit the governmental authority of the County as a political subdivision of the State of Florida.
- 18.23 INDEPENDENT CONTRACTOR:** The Concessionaire shall perform all services described herein as an independent contractor and not as an officer, agent, servant, or employee of the Department. All personnel provided by the Concessionaire in the performance of this Agreement shall be considered to be, at all times, the sole employees of the Concessionaire under its sole discretion, and not employees or agents of the Department: Except as provided in § 2-11.1(s) of the Code, the Concessionaire represents and warrants: (i) it has not employed or retained any company or person other than a bona fide employee working solely for the Concessionaire to solicit or secure this Agreement; and (ii) it has not paid, or agreed to pay any company or other person any fee, commission, gift, or other consideration contingent upon the execution of this Agreement. A breach of this warranty makes this Agreement voidable by the Department without any liability to the Department for any reason.
- 18.24 OTHER LIENS:** Concessionaire shall not permit any mortgages, deeds of trust or similar liens to be imposed on the Location, the leasehold, or the furniture, fixtures and equipment or any portion thereof. Concessionaire shall not permit or suffer any liens, including mechanics', materialmen's and tax liens to be imposed upon the Location, or any part thereof, without promptly discharging the same. Notwithstanding the foregoing, Concessionaire may in good faith contest any such lien if Concessionaire provides a bond in an amount and form acceptable to Department in order to clear the record of any such liens. Concessionaire further agrees that it shall not sell, convey, mortgage, grant, bargain, encumber, pledge, assign or otherwise transfer its leasehold interest in the Location or any personal property or trade fixtures in the Location, including any furniture, fixtures and equipment or any part thereof or permit any of the foregoing to occur. Concessionaire shall assume the defense of and indemnify and hold harmless County against any and all liens and charges of any and every nature and kind which may at any time be established against said Location and improvements, or any part thereof, as a consequence of any act or omission of Concessionaire.
