

Memorandum

Date: July 15, 2014
To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners
From: Carlos A. Gimenez
Mayor
Subject: Third Amendment to the Technical Services Agreement with Lea+Elliott, Inc. for the MIA Mover APM System increasing the Agreement amount by \$1,583,911.91

Agenda Item No. 8(A)(2)

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) adopt the attached resolution approving the Third Amendment to the Technical Services Agreement (Third Amendment) with Lea+Elliott, Inc. for the MIA Mover Automated People Mover (APM) System increasing the Agreement amount by \$1,583,911.91 and extending the term two (2) years.

SCOPE

Miami International Airport (MIA) is located primarily within Chairwoman Rebeca Sosa's District Six; however, the impact of this item is countywide as MIA is a regional asset.

FISCAL IMPACT/FUNDING SOURCE

The sources of funding for the amendment totaling \$1,583,911.91 are the Miami-Dade Aviation Department (MDAD) Capital Improvement Program, reserve maintenance accounts, and operating funds.

TRACK RECORD/MONITOR

A review of the Capital Improvements Information System (CIIS) evaluation shows that Lea+Elliott, Inc. has a score of 4.0 (out of a possible score of 4.0) which equates to an outstanding performance.

COMPLIANCE DATA

There is no history of violations for this firm in the County's Small Business Development database.

BACKGROUND

Pursuant to Resolution No. R-1292-07, the Agreement between Dade Aviation Consultants and Lea+Elliott for Technical Services related to the MIA Mover at Miami International Airport was assigned from Dade Aviation Consultants to the County. With the Agreement in the County's name, Resolution No. R.1293-07 amended the Agreement to add standard County clauses to it.

The MIA Mover project was substantially complete September 7, 2011, on schedule and under budget. Since being put into passenger service on September 9, 2011, the system has experienced higher-than-anticipated levels of ridership which are expected to continue to increase and will become operationally more complex because of the addition of four rail cars.

In Resolution No. R-504-13, the County exercised its option in the separate equipment agreement with Mitsubishi to add four additional rail cars to the MIA Mover system. Resolution No. R-203-14 was adopted to provide immediate increased technical services relating to the additional rail cars, and amended the Lea+Elliott agreement by increasing it by \$500,000 and extending its term for three years.

Lea+Elliott developed the design criteria for the design-Build MIA Mover APM System project. Their continued specialized technical expertise is required to assist MDAD with project management and in

all matters related to the modification required to the operating systems, manufacturing, installation, and testing including certification of the work and confirmation of conformance and compliance with the provisions and requirements of the Contract Documents for the cross-over switch equipment and the additional rail cars for the MIA Mover APM System and assist with the procurement, oversee the fabrication, monitor the system, test the four additional cars, and install the cross-over switch equipment. Moreover, the required modifications must be performed while the current MIA Mover APM system is in operation with minimal or no disruptions to passenger service. The attached Third Amendment adds \$1,583,911.91 to the Lea+Elliott Agreement for a new total of \$15,985,993.91, provides for operations and maintenance services, and extends the Agreement for an additional two years.

Lea+Elliott has provided these services on the existing system and can continue to provide specialized technical support during the procurement of the additional cars, installation of the cross-over switch equipment, and other related services to the County for the MIA Mover APM System.

MDAD is in the process of procuring an engineering firm to provide long-term operation and maintenance services to all existing MIA train systems. It is anticipated this process will be completed by the end of the year.

PROJECT DESCRIPTION

Lea+Elliott was selected to provide specialized technical knowledge and consulting services in the selection of a contractor to (i) design, build, operate and maintain the MIA Mover APM system connecting the Rental Car Facility to the MIA Terminal, (ii) provide project management and administration services for the project to ensure a timely completion of the project, (iii) monitor and control contract costs and schedules, and (iv) provide oversight of the design and construction for conformance to the contract documents.

3.1.2 To the extent this indemnification clause or any other indemnification clause in this Agreement does not comply with Chapter 725, Florida Statutes, this provision and all aspects of the Contract Documents shall hereby be interpreted as the parties' intention for the indemnification clauses and Contract Documents to comply with Chapter 725, Florida Statutes.

3.1.3 This Section shall survive expiration or termination of this Agreement.

3.2 INSURANCE: The CONSULTANT shall not be issued any Service Order under this Agreement until the insurance required hereunder has been obtained and the Owner has approved such insurance. The CONSULTANT shall maintain required insurance coverage for the full term of this Agreement or for such longer period(s) as may be specifically required herein.

The CONSULTANT shall furnish certificates of insurance to the Owner prior to commencing any operations under this Agreement.  - 3.2.7 Cancellation of any insurance or non-payment by the CONSULTANT of any premium for any insurance policy or bonds required by this Contract shall constitute a breach of this Contract. In addition to any other legal remedies, Miami-Dade County at its sole option may terminate this Contract or pay such premiums, and deduct the costs thereof from any amounts which are or may be due to the CONSULTANT.
- 3.3 ASSIGNMENT: The CONSULTANT shall not assign, transfer or convey this Agreement to any other person, firm, association, or corporation, in whole or in part. However, the CONSULTANT will be permitted to cause portions of the services to be performed by sub-consultants, as authorized elsewhere herein.

Such services shall be pursuant to appropriate agreements between the CONSULTANT and the Sub-consultants, which shall contain provisions that preserve and protect the rights of the Owner under this Agreement. Nothing contained in this Agreement shall create any contractual relationship between the Owner and the Sub-consultants.

The CONSULTANT shall not change any Sub-consultant without prior approval by the Director in response to a written request from the CONSULTANT stating the reasons for any proposed substitution. Any approval of a Sub-consultant by the Owner shall not in any way shift the responsibility for the quality and acceptability by the Owner of the services performed by the Sub-consultant from the CONSULTANT to the Owner.

The CONSULTANT may employ Sub-consultants to assist the CONSULTANT in performing specialized Services. Payment of such Sub-consultants employed at the option of the CONSULTANT shall be the responsibility of the CONSULTANT and shall not be cause for any increase in compensation to the CONSULTANT for the performance of the Professional Services. The quality of services and acceptability to the Owner of the services performed by such Sub-consultants shall be the sole responsibility of the CONSULTANT.

3.6 TERM OF AGREEMENT: The term of this Agreement shall begin upon execution by the parties, shall extend for a period of two (2) years, and shall be in effect until all Services are completed or until those Services Orders in force at the end of the stated period of time have been completed and the Services accepted, whichever may be later.

The Owner may terminate this Agreement if the CONSULTANT is found to have submitted a false certification or to have been, or is subsequently during the term of this Agreement, placed on the Scrutinized Companies for Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List.

Notwithstanding any other penalties for firms that have discriminated in violation of Article VII of Chapter 11A of the Miami-Dade County Code, the Owner may terminate the Agreement or require the termination or cancellation of a subconsultant contract. In addition, a violation by the CONSULTANT or a subconsultant to it, or failure to comply with the Administrative Order (A.O.) 3-39 may result in the imposition of one or more of the sanctions listed in the A.O. (See www.miamidade.gov/ao/home.asp).

In the event the Owner terminates this Agreement for cause, the Owner will take over any and all documents resulting from Services rendered up to the termination

and may complete them, by contracting with other architect(s), engineer(s) or otherwise, and in such event, the CONSULTANT shall be liable to the Owner for any additional cost incurred by the Owner due to such termination. - 8.3 PAYMENT FOR SERVICES: The fee for Services authorized in accordance with this Agreement will be computed by one of the following methods as mutually agreed to by the Owner and the CONSULTANT:

Fixed Lump Sum
Multiple of Direct Salaries

8.3.1 Fixed Lump Sum: Under this compensation basis, the CONSULTANT agrees to perform specifically described services for an agreed fixed dollar amount of compensation.

8.3.2 Multiple of Direct Salaries: Under this compensation basis, the CONSULTANT is compensated for the time of personnel engaged directly in performing Services under this Service Order. The compensation to be paid shall consist of the Direct Salaries of such personnel, as reported to the Director of the United States Internal Revenue Services, times a multiple of such Direct Salaries. A not-to-exceed cap for the total fee for assignments given under this compensation basis shall be established prior to the issuance of the initial Services Order.

8.3.3 The Fee to the CONSULTANT for Services based on a Multiple of Direct Salaries shall be determined as follows:

8.3.3.1 Compensation for One (1) Principal(s) shall be at the flat rate without application of any multiplier of \$250.00 per hour.

Principal(s) to be paid this rate is/are those listed by name in Appendix 2 - "Principals of the Consultant", attached to this Agreement.

Using conventions contained in Microsoft Excel, the equation for this would be:

$$(40*\$*M) + (Hrs*\$*1.1)$$

EXAMPLE

Hours worked during week = 50

Pay rate = \$30/hr.

Multiplier = 2.65

$$(40*30*2.65) + (10*30*1.1) = 3180+330 = \$3510 \text{ or}$$

For Employees that are on an hourly basis and are required to be paid at a time and one half overtime rate. Hours Worked Beyond Forty (40) Hours during Week (Hrs) multiplied by the premium pay rate (\$*1.5) and then multiplied by 1.1. Using conventions contained in Microsoft Excel, the equation for this would be:

$$(40*\$*M) + (Hrs*\$*1.5*1.1)$$

EXAMPLE

Hours worked during week = 50

Pay rate = \$30/hr.

Multiplier = 2.65

$$(40*30*2.65) + (10*30*1.5*1.1) = 3180+495 = \$3675$$
