

Memorandum

Date: July 1, 2014

To: Honorable Chairwoman Rebeca Sosa,
and Members, Board of County Commissioners

From: Carlos A. Gimenez
County Mayor 

Subject: Resolution Authorizing Execution and Approval of an Interlocal Agreement for Public Transportation Service Between Miami-Dade County and the City of Miami Beach for the Operation of the North Beach Circulator

Agenda Item No. 8(N)(5)

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve this Interlocal Agreement (Agreement) for Public Transportation Services between Miami-Dade County (County), through Miami-Dade Transit (MDT), and City of Miami Beach (City) for the operation of public transportation service in and around the City.

SCOPE

This Agreement has a direct impact on Commission Districts 4 (Heyman) and 5 (Barreiro). However, due to the connection of service with other MDT routes, the impact of this service benefits the public, and is therefore Countywide.

FISCAL IMPACT

There is no fiscal impact to the County for this Agreement. The City will be responsible for all operating and maintenance costs of the service and will use its Resort Tax Quality of Life (QOL) for the operation and maintenance of this service. The City Circulator is fare-free and there may be an impact on ridership for current MDT routes which service Miami Beach.

TRACK RECORD/MONITOR

This is the second Agreement between MDT and the City for the operation of a circulator route. The existing Agreement is for the South Beach Local, Route 123, which is operated by MDT. The project manager for this Agreement is Mr. Gerald E. Bryan, Miami-Dade Section Chief, Transit Service Planning and Scheduling.

BACKGROUND

On May 21, 2014 the City approved an Interlocal Agreement for the operation of a new North Beach Circulator which is planned to operate in the North Beach area. The new circulator route is expected to be successful and provide relief from local traffic congestion, while reducing parking issues. This Agreement allows the City to provide residents and visitors with public transportation services in accordance with Chapter 31, Article III, Section 31-113 of the County Code, which concerns the ability of municipalities to operate public transit services only under Interlocal Agreements with the County.

Key provisions of this Agreement include:

- The City will adhere to all county, federal, state and local transit operating and reporting requirements.

- This Agreement shall remain in force for five years and is subject to one five-year automatic renewal. Each party has the right to terminate for cause or without cause.
- MDT and the City will work collaboratively to exchange route and schedule information for the benefit of riders.
- The Circulator will operate Monday - Sunday, 8:00 a.m. until 12:00 a.m. through a private contractor. Some of the major route stops include public parking lots, Publix Supermarket, public parks, public library and an assisted living facility.
- The Circulator will connect to the following MDT routes: 115, 117, 120, H, L and S.
- The City is responsible for bus stop passenger amenities, such as bus shelters and benches at all bus stops served by the circulator.

The City will operate the service at no cost to patrons. In the case where the City may charge a fare, similar to other agreements for service, this Agreement requires the City to enact a fare structure to include the acceptance of all MDT passes, transfers, or identification entitling an eligible passenger to ride the service without paying an additional fare (i.e., Patriot Passport and Golden Passport) or for half fare (i.e. kindergarten - 12th grade students).

This Agreement is essentially the same as those previously approved by the Board with several other municipalities.
