

Memorandum

Date: September 16, 2014

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

Agenda Item No. 8(L)(1)

From: Carlos A. Gimenez
Mayor

Subject: Joint Participation Agreement Between Miami-Dade County and the City of Coral Gables to Provide the City of Coral Gables with Funding in an Amount up to \$1,490,000.00 for the Design and Construction of Road Improvements Along Ponce de Leon Boulevard from Salamanca Avenue to Antiquera Avenue

Recommendation

It is recommended that the Board of County Commissioners (BCC) approve the attached resolution authorizing execution of a Joint Participation Agreement (JPA) between Miami-Dade County (County) and the City of Coral Gables (City) to reimburse the City for the design and construction of road improvements along Ponce de Leon Boulevard from Salamanca Avenue to Antiquera Avenue (Project).

Scope

The Project lies within the City in Rebeca Sosa's Commission District 6.

Fiscal Impact/Funding Source

The County will provide up to \$1,490,000.00 from Road Impact Fee District 7 funds. The funding index code is CPE07C.BCC06C.RWIDEN.99122, and the Capital project number is 604320.

Track Record/Monitor

The County will utilize the resources of the City to design, contract, and construct the Project on a reimbursable basis. The design phase of the Project will be assigned to Mr. Leandro Oña, P.E., Chief, Roadway Engineering and Right-of-Way Division, Public Works and Waste Management Department (PWWM), who will review the submission of design invoices provided by the City. The construction phase of the Project will be assigned to Mr. Bassam Moubayed, CFM, Chief, Construction Division, PWWM, who will oversee construction inspections conducted by PWWM staff before the release of construction funds is recommended.

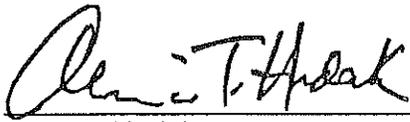

Whenever County funds are utilized for work under this JPA, the City agrees to comply with applicable County regulations including, but not limited to, the Community Small Business Enterprise (CSBE) Program, Community Business Enterprise (CBE) Program, the Community Workforce Program (CWP), and the Responsible Wages and Benefits Ordinance (Ordinance No. 90-143). The County's Small Business Development Division has reviewed the design work covered under this JPA and has recommended a 38% CBE measure in the design of the project.

Background

On July 13, 2004, the BCC approved a JPA under Resolution No. R-890-04 which included the design of roadway improvements along Ponce de Leon Boulevard from Alcazar Avenue to SW 8 Street. Subsequently, the City requested that the County provide funds for the

construction of road improvements along Ponce de Leon Boulevard from Alcazar Avenue to Salamanca Avenue. The construction of this segment has been completed. The City has requested that the County provide funding to continue the improvements along Ponce de Leon Boulevard from Salamanca Avenue to Antiquera Avenue. This project is listed in the 2015 Transportation Improvement Program. The project will include a raised landscaped median with the addition of left turn bays and the conversion of angle parking to parallel parking.

On May 27, 2014, the Coral Gables City Commission adopted Resolution No. 2014-98 approving this JPA. The City will implement a Public Involvement Plan (PIP) to provide information to all affected property owners, tenants, and area residents for major work to be performed in the area. The project is tentatively scheduled to begin construction in July 2015.

Notwithstanding any provision to the contrary, the City shall comply with all applicable County contract compliance and oversight measures relating to the expenditure of County funds, in accordance with Section 6 of this Agreement. Prior to the advertisement to solicit design services from qualified firms, the City will contact the County's Public Works and Waste Management Contracts and Specifications Section to ensure this compliance.

Subsequent to the evaluation of proposals by the City and the City's determination of the most advantageous proposal, the City shall provide said evaluation to the County Public Works and Waste Management Director for review and approval. Final commitment of County funds for the Project shall

occur upon approval of the design contract amount by the County Public Works and Waste Management Director.

1.2. **Permits and Approvals:** The City shall obtain all necessary permits, and utility adjustments; and coordinate the review of construction documents by utilities and permitting agencies. The City's designated representative and the County's designated representative shall jointly perform the inspection of the Project which immediately precedes substantial completion. The City shall certify upon completion that the Project has been constructed pursuant to the design plans, specifications and approved change orders.
