ORDINANCE NO. _____

ORDINANCE AMENDING CHAPTER 11A OF THE CODE OF MIAMI-DADE COUNTY, FLORIDA, TO PROHIBIT DISCRIMINATION IN HOUSING, PUBLIC ACCOMMODATIONS, AND EMPLOYMENT BASED ON GENDER IDENTITY OR GENDER EXPRESSION; PROVIDING SEVERABILITY, INCLUSION IN THE CODE, AND AN EFFECTIVE DATE

WHEREAS, until recently, data on the prevalence and character of discrimination against transgender and gender non-conforming people has been limited to small studies and anecdotal reports; and

WHEREAS, in the first comprehensive national effort to document this problem, the National Center for Transgender Equality and the National Gay and Lesbian Task Force in 2011 launched a six-month data collection process, interviewing 6,450 transgender people from all fifty (50) states, the District of Columbia, Puerto Rico, Guam and the United States Virgin Islands, via an extensive questionnaire that covered critical topics such as employment, education, health care, housing, public accommodation, criminal justice, family life and access to government documents; and

WHEREAS, the final study resulted in the publication of the National Center for Transgender Equality and the National Gay and Lesbian Task Force's Study entitled "Injustice at Every Turn: A Report of the National Transgender Discrimination Survey" ("Study"); and

WHEREAS, the Study revealed that gender identity or gender expression discrimination was pervasive throughout the entire sample; and

WHEREAS, according to the American Psychological Association “gender identity” is an individual’s sense of being either male or female, man or woman, or something other or in-between. “Gender expression” describes the external characteristics and behaviors that are socially defined as either masculine or feminine, such as dress, mannerisms, speech patterns and social interactions; and

WHEREAS, the Study showed that (1) 90 percent of the respondents reported experiencing harassment, mistreatment or discrimination in employment, with 47 percent reporting that they experienced an adverse job outcome such as being fired, not hired or denied a promotion; (2) 19 percent of the respondents were denied housing; and (3) 53 percent of the respondents reported being verbally harassed or disrespected in places of public accommodations, such as hotels, restaurants, buses, airports and governmental agencies; and

WHEREAS, the Study further showed that (1) the combination of anti-transgender bias and persistent, structural racism was especially devastating for all respondents, but even more so for transgender people of color; (2) that the respondents lived in extreme poverty, i.e. the respondents were nearly four times more likely to have a household income of less than \$10,000 per year compared to the general population; and (3) that a staggering 41 percent of respondents reported attempting suicide compared to 1.6 percent of the general population, with rates rising for those who lost a job due to bias (55 percent), were harassed/bullied in school (51 percent), had low household income, or were the victim of physical assault (61 percent) or sexual assault (64 percent); and

WHEREAS, also based on an exit poll conducted in Miami-Dade County by SAVE Dade Inc., during the 2012 General Election, over 90 percent of voters responding disagree that people should be fired from the workplace simply for being gay or transgender; and

WHEREAS, notwithstanding this overwhelming data on discrimination against transgender and gender non-conforming people there are very few federal and state laws that offer protections for them based on gender identity or gender expression; and

WHEREAS, in fact, it was not until 2013 that Congress extended protections to transgender and gender non-conforming people, who are victims of domestic and sexual violence: and

WHEREAS, on March 7, 2013, President Obama signed the reauthorization of the Violence Against Women's Act ("Act"), which now offers protections against discrimination based on gender identity in those programs that receive federal funding; and

WHEREAS, the Act is a step in the right direction, neither the federal or the State of Florida's civil rights laws extend similar protections based on gender identity or gender expression in the areas of employment, housing and public accommodations; and

WHEREAS, notwithstanding the lack of nondiscrimination laws based on gender identity or gender expression on the federal and state level, many local governments have taken the lead by enacting nondiscrimination laws that extend such protections; and

WHEREAS, currently, there are approximately fourteen (14) Florida counties and cities, including Broward County, Leon County, Monroe County, Palm Beach County, Volusia County, City of Dunedin, City of Gainesville, City of Gulfport, City of Key West, City of Lake Worth, City of Miami Beach, City of Tampa, and City of Oakland Park, that have extended protections based on gender identity or gender expression; and

WHEREAS, based on a letter received by this Board from the Miami-Dade HIV/AIDS Partnership there are between 5,020 and 20,080 transgender people living in Miami-Dade

County, who do not have similar protections as those similarly situated persons living in neighboring counties or cities; and

WHEREAS, this Board has a responsibility to protect the residents of Miami-Dade County from all forms of discrimination; and

WHEREAS, this Board can improve transgender and gender non-conforming people's lives in a significant way by advancing anti-discrimination protections to them; and

WHEREAS, this Board has already, in exercising its police powers related to public safety, health and general welfare, declared as the policy of Miami-Dade County to eliminate and prevent discrimination in employment, public accommodations, credit and financing practices, and housing accommodations based on race, color, religion, ancestry, national origin, sex, pregnancy, age, disability, marital status, familial status or sexual orientation as well as source of income in housing only; and

WHEREAS, this Board in furtherance of this policy enacted Ordinance No. 97-17, as amended, which is codified in Chapter 11A of the Code of Miami-Dade County ("Code"); and

WHEREAS, for purposes of enforcement of Chapter 11A, this Board established a quasi-judicial board pursuant to Section 11A-5 of the Code known as the Miami-Dade Commission on Human Rights ("Human Rights Commission"), which has jurisdiction to hear matters arising from claims of discrimination in employment, family leave, public accommodations, credit and financing practices, and housing accommodations because of race, color, religion, ancestry, national origin, sex, pregnancy, age, disability, marital status, familial status, sexual orientation and source of income; and

WHEREAS, this Board also established the position of the Human Rights Commission's Director whose duties, functions, powers and responsibilities include but are not limited to

enforcement of Chapter 11A, Articles II, III, IV, V, and VIII, investigating claims of discrimination, conciliation, issuing probable cause determinations and staffing the Human Rights Commission; and

WHEREAS, this Board, in exercising its police powers related to public safety, health and general welfare, declares as the policy of Miami-Dade County that the elimination and prevention of discrimination in employment, public accommodations, credit and financing practices, and housing accommodations because of gender identity or gender expression is in the best interest of Miami-Dade County,

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA:
