Memorandum

Date: November 5, 2014

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Declaring the Acquisition of the Designated Property Known as Parcel 48 for Right-of-Way Needed for the PTP Project Number 20040348 Entitled Improvements to SW 216 Street from the Florida Turnpike to SW 127 Avenue to be a Public Necessity and Authorizing the use of Charter County Transportation Surtax Funds and Rescinding Resolution R-112-14.

Recommendation

It is recommended that the Board of County Commissioners (BCC) approve the attached resolution which does the following:

- Declares the acquisition of Parcel 48 required for the road widening, beautification, and right-of-way improvements to SW 216 Street from the Florida Turnpike to SW 127 Avenue to be a public necessity;
- Authorizes the County Mayor or the County Mayor's designee and the County Attorney to employ appraisers, expert witnesses, obtain required environmental audits, and to take any and all appropriate actions to acquire the subject parcel in fee simple, either by negotiation, donation, right-of-way designation, purchase at values established by appraisals or tax assessed values whichever is the higher of the two, together with damages, reasonable attorneys' fees, expert fees and costs pursuant to Sections 73.091 and 73.092, Florida Statutes, or eminent domain court proceedings including a declaration of taking as necessary for and on behalf of Miami-Dade County; and
- Rescinds Resolution R-112-14 adopted by the BCC on February 4, 2014.

This resolution is for the acquisition of Parcel 48, which is one of the final parcels needed by Public Works and Waste Management (PWWM) for programmed improvements to SW 216 Street from the Florida Turnpike to SW 127 Avenue. This parcel is one of several parcels for acquisition being presented for BCC approval on this agenda. Florida Statute Section 127.02 requires that there be a separate resolution for each individual property.

Said Resolution is placed for Committee review pursuant to Miami-Dade County Code Section 29-124(f). This item may only be considered by the BCC if the CITT has forwarded a recommendation to the BCC prior to the date scheduled for BCC consideration or forty-five (45) days have elapsed since the filing with the Clerk of the Board of this item. If the CITT has not forwarded a recommendation and forty-five (45) days have not elapsed since the filing of this item, I will request a withdrawal of this item.

Scope

The impact of this project is countywide; however, it is located within Commissioner Dennis C. Moss' District 9.

Fiscal Impact/Funding Source

Funding for the right-of-way acquisition, design and construction of this Project is from Charter County Transportation Surtax bond proceeds, and may be supplemented by other eligible funding sources. Funding is programmed within the adopted FY2013-2014 Capital Budget and the index code is CPEPTP709216. The initial acquisition costs have been budgeted and no additional fiscal impacts are expected; however, in the event of litigation the ultimate acquisition costs would be subject to a future ruling by the Court.

The total cost of the project (inclusive of construction, design and the right-of-way acquisition of all parcels) is estimated at \$14,956,000.00.

Track Record/Monitor

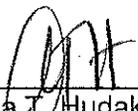

The Public Works and Waste Management Department is the entity overseeing this project and the person responsible for monitoring this acquisition project is Mr. Francisco Fernandez, Chief Real Estate Officer, Right-of-Way Division.

Background

PWWM has programmed the construction of SW 216 Street as part of the People's Transportation Plan Project Entitled Improvements to SW 216 Street from the Florida Turnpike to SW 127 Avenue. The proposed project includes roadway expansion, beautification and improvements consisting of reconstructing the existing roadway to include a raised landscaped median, bicycle facilities, sidewalks, curb and gutters, a continuous storm drainage system, signalization, pavement markings and signage, and roadway lighting.

The area to be acquired by Miami-Dade County is necessary for the proposed roadway improvements, and is legally described in "Exhibit A" and illustrated on the parcel location map "Exhibit B-3" attached herewith.

Resolution No. R-112-14, adopted by the BCC on February 4, 2014, authorized the acquisition of the property within the footprint of the subject parcel. However, this Resolution rescinds the previously adopted resolution in order to obtain clear title to potentially disputed areas of ownership. Accordingly, Resolution R-112-14 should be replaced and superseded by adoption of this Resolution.
