RESOLUTION NO. _____

RESOLUTION DIRECTING THE COUNTY MAYOR OR THE COUNTY MAYOR'S DESIGNEE TO SUBMIT A REPORT ON IMPEDIMENTS WHICH MAY DELAY OR FRUSTRATE THE IMPLEMENTATION OF THE INFILL HOUSING INITIATIVE PROGRAM WITHIN SIXTY DAYS

WHEREAS, the Board of County Commissioners ("Board") created the Miami-Dade County Infill Housing Initiative Program pursuant to Ordinance No. 01-47, as amended and codified in Chapter 17, Article VII of the Code of Miami-Dade County ("Infill Program"); and

WHEREAS, the purpose of the Infill Program is to increase the availability of affordable homes for low and moderate income persons ("Qualified Households"), to maintain a stock of affordable housing, to redevelop urban neighborhoods by eliminating the blight of vacant lots and dilapidated or abandoned properties, equitably distributing homeownership opportunities within the infill target areas, not defined in this reso. and generating payment of ad valorem taxes; and

WHEREAS, the Infill Program further encourages the redevelopment of vacant, dilapidated or abandoned property through the sale or transfer of County property to qualified developers and the inclusion of privately owned vacant, dilapidated or abandoned properties; and

WHEREAS, through the Infill Program developers build single family homes to be sold to Qualified Households; and

WHEREAS, the Board's Health and Social Services Committee at its June 9, 2014 meeting heard a citizen's presentation by an Infill Program developer regarding the permitting process and the hardship this developer faces in completing Infill Program homes because the

Miami-Dade Water and Sewer Department is requiring the developer to replace or upgrade main water lines and install fire hydrants at the developer's sole expense; and

WHEREAS, the Infill Program developer also reported that if he is required to replace or upgrade water main lines and fire hydrants at his sole expense, the cost of building an Infill Program home increases and ultimately the project is no longer feasible for the developer; and

WHEREAS, the Board desires to learn whether the Infill Program developer's report is an isolated or widespread problem for all Infill Program developers; and

WHEREAS, the Board also desires to learn of any other impediments which may delay or frustrate the implementation of the Infill Program by developers and the Public Housing and Community Development Department ("Department"), which is responsible for the administration of the Infill Program,
