Memorandum

Date: November 5, 2014

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Road Closing Petition P-904
Section: 14 & 23-53-40
NW 58 Street, from NW 72 Avenue East for Approximately 1269 feet to the Canal
Commission District: 12

Recommendation

It is recommended that the Board of County Commissioners grant the attached Road Closing Petition following a public hearing. The Miami-Dade County Departments of Regulatory and Economic Resources, Public Works and Waste Management (PWWM), Water and Sewer, and Fire Rescue have no objection to this right-of-way being closed.

Scope

This road closing is located within Commissioner José "Pepe" Díaz' District 12.

Fiscal Impact/Funding Source

The Property Appraiser's Office has assessed the adjacent property to this right-of-way at \$9.00 per square foot. Therefore, the estimated value of the right-of-way that should revert to the petitioner, the land south of the section line, would be approximately \$458,000.00. If this right-of-way is closed and vacated, the land will be placed on the tax roll, generating an estimated \$8,524.00 per year in additional property taxes. The fee for this road closing is \$46,600.00.

Track Record/Monitor

PWWM is the entity overseeing this project and the person responsible for monitoring is Mr. Leandro Oña, P.E., Chief, Roadway Engineering and Right-of-Way Division.

Background

The petitioner, LIT Industrial L.P., wishes to close NW 58 Street, from NW 72 Avenue East for approximately 1269 feet to the canal in order to incorporate the area into their property to be used as additional parking and truck and trailer staging for its industrial and transshipment operations. The right-of-way requested to be closed dead ends at the canal. Therefore, this action will not adversely impact traffic flow in the area.

The subject right-of-way was dedicated in 1951, by Deed Book 3530, Page 225 and Deed Book 3528, Page 476, and in 1994, by a deed recorded in Official Records Book 16399, Page 2579, all of the Public Records of Miami-Dade County, Florida. The area surrounding the subject right-of-way is zoned IU-2 (Industrial Heavy Manufacturing District).

PETITION TO CLOSE ROAD

TO: Board of County Commissioners
Miami-Dade County, Florida

The undersigned, pursuant to Sections 336.09 – 336.12 Florida Statutes, hereby petitions the Board of County Commissioners to vacate, abandon, discontinue and close an existing public street, alleyway, road, highway, or other place used for travel, or a portion thereof, and to renounce and disclaim any right of the County and the public in and to any land in connection therewith; or to renounce and disclaim any right of County and the public in and to certain land, or interest therein, acquired by purchase, gift, devise, dedication or prescription for street, alleyway, road or highway purposes; or to renounce and disclaim any right of the County and the public in and to certain land delineated on recorded map or plat as a street, alleyway, road or highway.

The undersigned hereby certify:

1. LEGAL DESCRIPTION: The complete and accurate legal description of the road, right-of-way sought to be closed is as follows:

Those portions of Tracts 29 and 56 of the AMENDED PLAT OF THE E½ OF SECTION 14, TOWNSHIP 53 SOUTH, RANGE 40 EAST, as recorded in Plat Book 13, Page 63, of the Public Records of Miami-Dade County, Florida, lying within the south 35 feet of the SE ¼ of said Section 14, less the west 50 feet of said Tract 29;

And

That portion of Tract 16 in the NE ¼ of Section 23, Township 53 South, Range 40 East of FLORIDA FRUIT LANDS COMPANY'S SUBDIVISION NO. 1, as recorded in Plat Book 2, Page 17, of the Public Records of Miami-Dade County, Florida, that lies within the North 40 feet of the NE ¼ of said Section 23, less that portion of said Tract 16 that lies within the west 50 feet of said NE ¼ of Section 16;

And

The area bounded by the south line of the North 40 feet and by the east line of the West 50 feet of the NE ¼ of Section 23, Township 53 South, Range 40 East, and bounded by a 25 foot radius arc concave to the southeast, said arc being tangent to both of the last described lines.

2. PUBLIC INTEREST IN ROAD: The title or interest of the County and the public in and to the above described road, right of way, was acquired and is evidenced in the following manner (state whether public interest was acquired by deed, dedication or prescription and set forth where deed or plat is recorded in the public records):

The subject roadways were dedicated to Miami-Dade County, Florida, through the recordation of a Dedication and Improvement Agreement of April 27, 1994, as recorded in OR Book 16336, page 4602, and through the recordation of a Right-of-Way Deed of June 13, 1994, as recorded in OR Book 16399, page 2579. AND BY DEED BOOK 3530, PAGE 225 & " " 3528, " 476

3. ATTACH SURVEY SKETCH: Attached hereto is a survey accurately showing and describing the above described right of way and its location and relation to surrounding property, and showing all encroachments and utility easements.

4. ABUTTING PROPERTY OWNERS: The following constitutes a complete and accurate schedule of all owners of property abutting up the described right of way.

PRINT NAME	FOLIO #	ADDRESS
LIT Industrial L.P.	30-3023-001-0070	5601 N.W. 72 nd Avenue

5. ACCESS TO OTHER PROPERTY: The undersigned certifies that in the event this petition is granted, no other property owners will be prevented from access to and from their property and no other property owners in the vicinity will be adversely affected.

6. GROUNDS FOR REQUESTING PETITION AND PROPOSED USE FOR THE LAND BY THIS REQUEST: The undersigned submits as grounds and reasons in support of this petition the following (state in detail why petition should be granted):

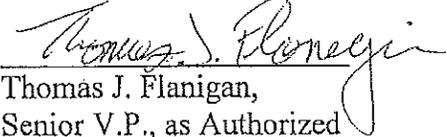

The subject roadway serves only traffic that is entering or leaving petitioners property. The area that petitioner seeks to vacate is bounded on the south only by petitioner and is bounded on the east and north by canals owned by Miami-Dade County. The western boundary of the subject property is the intersection of N.W. 72nd Avenue. The intersection will not be affected by the vacation of the subject property. There are no other private property owners that abut the subject roadway or that are served by the subject roadway that petitioner seeks to vacate. The petitioner intends to use the subject property for additional parking and truck and trailer staging for its industrial and transshipment operations. The Petitioner has corresponded with RER (DERM) and they have indicated that they have no objection to the vacation of the roadway so long as a perpetual easement is granted to RER for canal maintenance purposes and so long as Petitioner provides a N.W. 72nd Avenue driveway cut on the north side of the canal for RER access to the canal maintenance easement that they already own, but do not have adequate access to.

SEE EXHIBIT "A" ATTACHED;

7. Signatures of all abutting private property owners: Respectfully submitted,
