To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Ordinance Amending Chapter 31, Article III of The Code, Relating To Regulation Of Passenger Motor Carriers

The proposed ordinance relates to regulation of passenger motor carriers, amends Chapter 31, Article III and Chapter 8CC, of the Code of Miami-Dade County. The implementation of this ordinance may have a positive impact to the County. It is anticipated that approximately 90 entities currently leasing PMC operating permits will submit applications for their own certificates resulting in one-time revenue of \$34,000 and recurring annual revenue of \$56,000. Commencing one year after adoption, it is estimated that up to 20 new certificates may be issued annually in the "general tours and transport" category resulting in annual revenues of \$20,000. Application of the ordinance to the contractor providing on-demand ground transportation service at Miami International Airport beginning in 2015 will result in estimated revenue of \$10,000 annually for vehicle inspections and chauffeur registrations, and \$31,000 annually for vehicle operating permit fees.

The County Manager may require any further investigation or additional information that he deems necessary and shall submit a written report and recommendation to the Commission.~~

~~(f) *Public hearings.* The Commission shall hold at least two (2) public hearings each year if required, to consider and take action upon pending certificate applications and transfer applications. The Clerk of the Board shall provide at least seven (7) days' advance notice of such public hearing. Additionally, if the application is for jitney or fixed route authority, CSD shall provide at least twenty (20) days' advance notice of such public hearings to all applicants and all jitney or fixed route certificate holders by certified mail. In reaching its determination, the Commission shall consider the application, the County Manager's report and recommendation, and matters presented at the public hearing.~~

~~(g) *Certification criteria and process.* The Commission, at the conclusion of the public hearing shall determine if the requested certificate of transportation is consistent with the following public interest criteria:~~

- (4) ~~That, if applying for jitney or fixed route authority, the proposed transportation will not adversely affect the existing transportation system as a whole or future planned transit service as designated in the most current Miami-Dade Transportation Plan. In particular, it shall be deemed not in the public interest to authorize certificates of transportation for service on actual transit or passenger motor carrier corridors where service presently exists at average frequencies of twenty nine (29) minutes or less and/or where such service will impair special transportation provided by the passenger motor carrier industry. The provisions of the preceding sentence shall not apply when the applicant is applying for a certificate of transportation to provide jitney or fixed route authority and the Commission finds: (1) that the proposed transportation will not adversely affect the existing transportation system as a whole or future planned transit service as designated in the most current Miami-Dade Transportation Plan; (2) the route applied for has been operated by the applicant for at least five (5) years utilizing at least twelve (12) vehicles during 1997 which were issued permits by the CSD; (3) the fixed or jitney route traverses at least five (5) miles on either NW 7th Avenue or NE 2nd Avenue in Miami-Dade County; and (4) the applicant has held a certificate of transportation issued by Miami-Dade County for at least eight (8) years.~~

~~The County Manager may prescribe rules and regulations consistent with the criteria set forth in subsection (g)(1), (2), (3) and (4) above, for the approval and issuance of emergency temporary certificate. No temporary certificate~~

~~shall be issued unless the applicant has paid a temporary certificate fee.~~

~~(h) *Burden of proof.* In any proceeding under this section, the applicant shall have the burden of providing all of the prerequisites of the issuance of the certificate except that if a protestant objects on the ground that issuance will adversely affect the existing transportation system or impair essential transportation services being provided by the motor carrier industry then, on that issue, the protestant shall have the burden of proof.~~

~~(i) *Resolution of approval.* CSD shall issue the certificate as authorized by the resolution.~~

~~(j) *Further requirements.* No certificate shall be issued unless the applicant has:~~

~~(2) Has presented proof of insurance as required by Section 31-106; and~~

~~(3) Passed all required vehicle inspections.~~

Each certificate shall contain, at a minimum, the name and address of the applicant, a statement of the transportation service authorized, the passenger capacity of the vehicles to which it applies, and such additional terms, conditions, provisions, and limitations as were authorized in the approval process. All operators holding certificates which are valid as of the effective date of this amendment shall be issued amended certificates which contain no limit on the number of vehicles authorized thereunder.~~

~~(l) *Renewal.* All certificates shall be renewed before April 1 of each year by payment of an annual certificate fee. All fees provided for in this section shall be in addition to any~~

~~On or before March 31 of each year, each operator shall, on application for renewal, certify, on a form provided by CSD, the number of months during the preceding year that he operated and provided the service authorized by this certificate. Failure to certify or to operate for at least eight (8) months during the year period shall result in automatic expiration of the certificate.]]~~

>>(e) Conditions for obtaining a certificate. No certificate shall be issued unless the applicant has:

- (1) Paid an annual certificate fee for the right to operate route service motor vehicles;
- (2) Has presented proof of insurance as required by Section 31-106; and
- (3) Ensure that the for-hire vehicle to be operated under the applicant's certificate has passed all required vehicle inspections.

Failure on the part of the applicant to complete this process within forty-five (45) days after notification of approval shall cause the certificate not to be issued and the County's approval to be automatically revoked.

(f) Expiration of and renewal process for a certificate of transportation. Certificates may be issued for such periods as specified in the Implementing Order establishing the fees. The Department may establish staggered terms to ease administration of the renewal process. Each renewal shall be submitted no less than thirty (30) days prior to expiration of the current initial or annual certificate together with payment of a certificate fee.

- (1) As part of the renewal process, the original application shall be updated and verified by the applicant on forms supplied by the Department. The Director shall deny any renewal application that is not timely, is not properly filed, is incomplete, is

untrue in whole or in part, or results in a determination by the Director that the applicant has failed to satisfy the requirements of subsections 31-103(c) and (d). Renewal applications shall additionally include disclosure of all interests in the certificate (legal, beneficial, equitable or otherwise) and shall certify on a form provided by the Department the number of months during the preceding year that he, she, it operated and provided the service authorized by the certificate. Failure to operate for at least nine (9) months during the preceding year shall result in automatic revocation of such certificate. Appeal of the denial of a renewal application shall be in accordance with this chapter.

- (2) Grace period. Certificate holders shall have a grace period of up to thirty (30) days after expiration of their certificate in which to renew same provided, however, that all operations shall cease on the date of certificate expiration and the certificate holder shall also pay a late fee over and above the annual fee. All certificates which have not been renewed on or before thirty (30) days after their expiration shall automatically be deemed revoked.<<

If the hearing officer affirms the decision of the Director, the named party shall have fifteen (15) days from the date of the hearing officer's decision to comply with the decision of the Director. If the hearing officer reverses the decision of the Director and finds (1) the named party not responsible for the violation alleged; or (2) insufficient basis for the denial of application, a written decision shall be prepared setting forth the basis for such determination. If the hearing officer reverses the decision of the Director, the named party shall not be required to comply with the decision of the Director, absent reversal of the hearing officer's findings pursuant to Section 31-112(c)(6).
