and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Agenda Item No. 8(F)(4)

Subject: Recommendation for Approval to Award a Legacy Contract: Rescue Helicopter Hoists, Parts and Repair

Recommendation

It is recommended that the Board of County Commissioners (Board) approve award of *Legacy Contract No. L9005-0/19, Rescue Helicopter Hoists, Parts and Repair* to Breeze-Eastern Corporation (Breeze) for the purchase of parts, overhaul and repair services of Breeze hoists by Miami-Dade Fire Rescue's (MDFR) Air Rescue Bureau.

MDFR's Air Rescue Bureau, which provides regional aero-medical transport, search and rescue, firefighting and tactical support, utilizes rescue helicopters that are equipped with patient loading systems, an external hoist for rescues, a high-power searchlight, a MCI Command and Control suitable radio suite, and Night Vision Goggle compatible lighting. The Breeze hoists are used with existing County-owned rescue helicopters and will continue to be used by MDFR when the new rescue helicopters are leased.

Breeze is the product manufacturer and only vendor able to provide the repair and overhaul services needed to ensure the proper functioning of the rescue hoists. Accordingly, pursuant to Section 2-8.1(b)(2) of the County Code, it is in the best interest of the County to award this legacy contract to Breeze as it is the only vendor able to provide parts, repair, testing and overhaul/modification services for the hoists installed in the helicopters. The County will issue a competitive solicitation for these services if authorized vendors that can provide repair and services for hoists enter the marketplace.

Scope

The impact of this item is community wide in nature.

Fiscal Impact and Funding Source

The fiscal impact for the five-year term is \$750,000. The previous contract, *SS9005-3/13*, was valued at \$840,000 for four years and six months. The difference in allocation under the replacement contract is attributed to the anticipated usage.

Department	Allocation	Funding Source	Contract Manager
Fire Rescue	\$750,000	Fire District	Annette Vasquez
Total	\$750,000		

Track Record/Monitor

Melissa Adames of the Internal Services Department is the Procurement Contracting Officer.

Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise all provisions of the contract, including any options-to-renew, cancellation and renewal provisions pursuant to Section 2-8.1 of the County Code and Implementing Order 3-38.

The Contractor expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Contractor shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as herein provided.

ARTICLE 11. MANNER OF PERFORMANCE

- a) The Contractor shall provide the Services described herein in a competent and professional manner satisfactory to the County in accordance with the terms and conditions of this Agreement. ARTICLE 12. EMPLOYEES OF THE CONTRACTOR

All employees of the Contractor shall be considered to be, at all times, employees of the Contractor under its sole direction and not employees or agents of the County. The Contractor shall supply competent employees. Miami-Dade County may require the Contractor to remove an employee it deems careless, incompetent, insubordinate or otherwise objectionable and whose continued employment on County property is not in the best interest of the County. Each employee shall have and wear proper identification.

ARTICLE 13. INDEPENDENT CONTRACTOR RELATIONSHIP

The Contractor is, and shall be, in the performance of all work services and activities under this Agreement, an independent contractor, and not an employee, agent or servant of the County. All persons engaged in any of the work or services performed pursuant to this Agreement shall at all times, and in all places, be subject to the Contractor's sole direction, supervision and control. The Contractor shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the Contractor's relationship and the relationship of its employees to the County shall be that of an independent contractor and not as employees and agents of the County.

The Contractor does not have the power or authority to bind the County in any promise, agreement or representation other than specifically provided for in this Agreement.

- c) The Contractor must, in the final instance, seek to resolve every difference concerning the Agreement with the Project Manager. In the event that the Contractor and the Project Manager are unable to resolve their difference, the Contractor may initiate a dispute in accordance with the procedures set forth in this Article. Exhaustion of these procedures shall be a condition precedent to any lawsuit permitted hereunder.
- d) In the event of such dispute, the parties to this Agreement authorize the County Mayor or designee, who may not be the Project Manager or anyone associated with this Project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Agreement (including but not limited to claims in the nature of breach of contract, fraud or misrepresentation arising either before or subsequent to execution hereof) and the decision of each with respect to matters within the County Mayor's purview as set forth above shall be conclusive, final and binding on parties. Any such dispute shall be brought, if at all, before the County Mayor within ten (10) days of the occurrence, event or act out of which the dispute arises.
- e) The County Mayor may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether Contractor's performance or any Deliverable meets the requirements of this Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the County Mayor participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the Contractor to the County Mayor for a decision, together with all evidence and other pertinent information in regard to such questions, in order that a fair and impartial decision may be made. Whenever the County Mayor is entitled to exercise discretion or judgment or to make a determination or form an opinion pursuant to the provisions of this Article, such action shall be fair and impartial when exercised or taken. The County Mayor, as appropriate, shall render a decision in writing and deliver a copy of the same to the Contractor. Except as such remedies may be limited or waived elsewhere in the Agreement, Contractor reserves the right to pursue any remedies available under law after exhausting the provisions of this Article.

ARTICLE 15. MUTUAL OBLIGATIONS

- a) This Agreement, including attachments and appendices to the Agreement, shall

constitute the entire Agreement between the parties with respect hereto and supersedes all previous communications and representations or agreements, whether written or oral, with respect to the subject matter hereto unless acknowledged in writing by the duly authorized representatives of both parties.

- b) Nothing in this Agreement shall be construed for the benefit, intended or otherwise, of any third party that is not a parent or subsidiary of a party or otherwise related (by virtue of ownership control or statutory control) to a party.
- c) In those situations where this Agreement imposes an indemnity obligation on the Contractor, the County may, at its expense, elect to participate in the defense if the County should so choose. Furthermore, the County may at its own expense defend or settle any such claims if the Contractor fails to diligently defend such claims, and thereafter seek indemnity for costs from the Contractor.

ARTICLE 16. QUALITY ASSURANCE/QUALITY ASSURANCE RECORD KEEPING

The Contractor shall maintain, and shall require that its subcontractors and suppliers maintain, complete and accurate records to substantiate compliance with the requirements set forth in the Scope of Services. The Contractor and its subcontractors and suppliers, shall retain such records, and all other documents relevant to the Services furnished under this Agreement for a period of three (3) years from the expiration date of this Agreement and any extension thereof.

Such records shall subsequently conform to Generally Accepted Accounting Principles requirements, as applicable, and shall only address those transactions related to this Agreement.

Pursuant to County Ordinance No. 03-2, the Contractor will grant access to the Commission Auditor to all financial and performance related records, property, and equipment purchased in whole or in part with government funds. The Contractor agrees to maintain an accounting system that provides accounting records that are supported with adequate documentation, and adequate procedures for determining the allowability and allocability of costs.

The Contractor shall not assign, transfer, convey or otherwise dispose of this Agreement, including its rights, title or interest in or to the same or any part thereof without the prior written consent of the County.

The services performed by the Subcontractor will be subject to the provisions hereof as if performed directly by the Contractor.

To be considered skilled and experienced, the Subcontractor must show to the satisfaction of the County that it has satisfactorily performed services of the same general type which is required to be performed under this Agreement.
- e) The County shall have the right to withdraw its consent to a subcontract if it appears to the County that the subcontract will delay, prevent, or otherwise impair the performance of the Contractor's obligations under this Agreement. All Subcontractors are required to protect the confidentiality of the County's and County's proprietary and confidential information. Contractor shall furnish to the County copies of all subcontracts between Contractor and Subcontractors and suppliers hereunder. Within each such subcontract, there shall be a clause for the benefit of the County in the event the County finds the Contractor in breach of this Contract, permitting the County to request completion by the Subcontractor of its performance obligations under the subcontract. The clause shall include an option for the County to pay the Subcontractor directly for the performance by such Subcontractor. Notwithstanding, the foregoing shall neither convey nor imply any obligation or liability on the part of the County to any subcontractor hereunder as more fully described herein.

ARTICLE 21. ASSUMPTION, PARAMETERS, PROJECTIONS, ESTIMATES AND EXPLANATIONS

The Contractor understands and agrees that any assumptions, parameters, projections, estimates and explanations presented by the County were provided to the Contractor for evaluation purposes only. However, since these assumptions, parameters, projections,

estimates and explanations represent predictions of future events the County makes no representations or guarantees; and the County shall not be responsible for the accuracy of the assumptions presented; and the County shall not be responsible for conclusions to be drawn therefrom; and any assumptions, parameters, projections, estimates and explanations shall not form the basis of any claim by the Contractor. The Contractor accepts all risk associated with using this information.

ARTICLE 22. SEVERABILITY

If this Agreement contains any provision found to be unlawful, the same shall be deemed to be of no effect and shall be deemed stricken from this Agreement without affecting the binding force of this Agreement as it shall remain after omitting such provision.

ARTICLE 23. TERMINATION AND SUSPENSION OF WORK

- a) The County may terminate this Agreement if an individual or corporation or other entity attempts to meet its contractual obligation with the County through fraud, misrepresentation or material misstatement.
- b) The County may, as a further sanction, terminate or cancel any other contract(s) that such individual or corporation or other entity has with the County and that such individual, corporation or other entity shall be responsible for all direct and indirect costs associated with such termination or cancellation, including attorney's fees.
- c) The foregoing notwithstanding, any individual, corporation or other entity which attempts to meet its contractual obligations with the County through fraud, misrepresentation or material misstatement may be debarred from County contracting for up to five (5) years in accordance with the County debarment procedures. The Contractor may be subject to debarment for failure to perform and all other reasons set forth in Section 10-38 of the County Code.

APPENDIX A Scope of Services

1. BACKGROUND

Miami-Dade County, hereinafter referred to as the "County," is contracting to purchase parts, overhaul and repair services for Breeze Eastern hoists installed in the Bell Helicopters.

The Miami-Dade Fire Rescue (MDFR) Air Rescue Bureau provides regional aero-medical transport, search and rescue, firefighting, and tactical support to MDFR operations, local municipalities, and state and federal government agencies. MDFR helicopters transport severely injured trauma patients to state-approved Level I Trauma Centers. Flight crews are trained in additional tactical disciplines necessary to deploy personnel and equipment in search and rescue missions, firefighting operations, and reconnaissance on large incidents such as wild land fires and other catastrophic events. On October 1, 2010, MDFR celebrated the 25th anniversary of the Air Rescue program. The program has grown from one aircraft in 1985 operating out of the Tamiami Executive Airport to the current fleet of four aircraft operating out of the Tamiami and Opa-locka Airports.

MDFR operates four (4) Bell Helicopter 412s (BH 412 EPs). Each aircraft is equipped with the following:

- Patient loading systems normally configured to allow the transport of two (2) critical-care patients, with the option to reconfigure for up to six (6) patients in Mass Casualty Incidents (MCIs)
- An external hoist for helicopter borne rescues
- An external high-power searchlight, the "Night Sun," is used for night operations
- MCI Command and Control suitable radio suite
- Night Vision Goggle compatible lighting

During the dry season, one aircraft is configured for firefighting with a Simplex Fire Attack tank. The tank is filled by either an attached hover refill pump or from a suitable fire hydrant. Additionally, each aircraft is equipped to be configured with a Bambi Bucket for firefighting water-drops.
