Memorandum

Date: January 21, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Authorizing the Conveyance of an Easement to Florida Power and Light Company for the Installation and Maintenance of Electrical Power Transmission Facilities at Pelican Harbor Park

Recommendation

It is recommended that the Board of County Commissioners adopt the attached resolution authorizing the conveyance of a 13,343 square foot easement to Florida Power and Light Company (FPL) for electrical transformers and related equipment that serve Pelican Harbor Park.

Scope

Pelican Harbor Park is located in County Commission District 3, Commissioner Audrey H. Edmonson, at 1295 N.E. 79th Street; however, Pelican Harbor Park is a Countywide asset of regional significance

Fiscal Impact/Funding Source

Approval of this resolution will have no fiscal impact to Miami-Dade County.

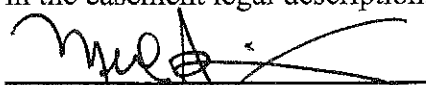

Track Record/Monitor

John Bowers, Property Management Supervisor of the Miami-Dade Parks, Recreation and Open Spaces Department (MDPROS) will ensure completion of the easement document, its recording, and delivery to the Clerk of the Board.

Background

MDPROS is upgrading electrical facilities that currently serve Pelican Harbor Park. The facilities occupy approximately 13,343 square feet of park property and consist of transformers and underground power lines. FPL desires to formalize their use of the park property by obtaining an easement from the County.

FPL will continue to provide electrical power to the park in exchange for Miami-Dade County providing an easement (Attachment A) for the transformer, underground power lines and related equipment. The easement starts at the entrance and runs in branches, varying in width, from six to ten-feet wide, as shown in the easement legal description.
