RAC/cp

Memorandum

Date: February 3, 2015
To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners
From: Carlos A. Gimenez
County Mayor 
Subject: FY 2014-15 Budget for the NW 7 Avenue Corridor Community Redevelopment Agency

Recommendation

It is recommended that the Board of County Commissioners (Board) adopt the attached resolution approving the NW 7 Avenue Corridor Community Redevelopment Agency's (Agency) FY 2014-15 budget for the NW 7 Avenue Corridor Community Redevelopment Area (Area). The Agency's budget includes revenues and expenditures in the amount of \$2,577,481. The Board must approve the Agency's budget prior to the Agency expending any funds.

Scope of Agenda Item

The Area is located in County Commission Districts 2 and 3, which are represented by Commissioner Jean Monestime and Commissioner Audrey M. Edmonson, respectively.

Fiscal Impact / Funding Source

The Agency's revenue sources are generated through the incremental growth of ad valorem revenues beyond an established base year, tax increment financing (Tax Increment), as defined in Section 163.387 of the Florida State Statutes. The Countywide Tax Increment revenue payment into the Agency's Trust Fund for FY 2014-15 is \$225,130 and the Unincorporated Municipal Service Area Tax Increment revenue payment into the Agency's trust fund is \$93,111.

The County will continue to make payments through 2034, which is when the Agency will sunset.

Track Record / Monitor

This resolution does not provide for contracting with any specific entity. The resolution approves the Agency's FY 2014-15 Budget.

Background

On March 16, 2004, the Board adopted Resolution R-293-04, which established the boundaries of the Agency, and declared the area to be slum or blighted. On June 7, 2005, the Board approved the establishment of the Agency when it approved the Agency's Community Redevelopment Plan (Plan), pursuant to Resolution R-780-04, and the funding of the Plan when it enacted Ordinance No. 04-124, which established the Agency's trust fund. On December 1, 2009, the Board adopted Resolution R-1360-09, authorizing an Interlocal Agreement between the County and the Agency. The Interlocal Agreement requires the Agency to submit for County approval an annual budget for the implementation of the Plan. On August 4, 2011, the Board adopted a Finding of Necessity (Resolution R-223-11) to include a new area north of the existing Area. On September 6, 2012, the Board adopted a revised Plan (Resolution R-661-12) that included the new area to the north of the existing Area and included a broader redevelopment strategy for the existing area.

It is recommended that the Board approve the Agency's FY 2014-15 budget of \$2,577,481, which was approved by the Agency on September 22, 2014. The budget includes revenue sources of County Tax Increment revenues (\$225,130), the unincorporated municipal service area Tax Increment revenues (\$93,111), carryover from prior years (\$2,253,240), and interest earnings (\$6,000).

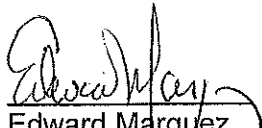

Administrative expenditures total \$186,500, inclusive of \$72,000 for the continuing services of an economic development coordinator to implement a comprehensive strategic plan that focuses the Agency's future development efforts in the Area. Administrative expenditures represent 15 percent of the total contemplated expenditures, excluding the 1.5 percent County Administrative Charge (\$4,774). The administrative expenses do not exceed the 20 percent cap in administrative expenditures required by the Interlocal Agreement.

Operating expenditures total \$1,265,795 and include:

- \$600,000 for a Commercial Improvement Program to help existing businesses
- \$50,000 for a Residential Rehabilitation Program
- \$230,000 for the Existing Business Enhancement Grant Program
- \$163,000 for landscape and streetscape improvements
- \$100,000 for Safety and Security Initiatives
- \$100,000 for marketing and outreach
- \$20,000 for legal services
- \$2,795 for memberships, fees and meeting room expenses

The remaining \$1,120,412 will be held in reserve for future projects and grants currently being identified by the Agency.

NW 7th Avenue Corridor Community Redevelopment Area Proposed Budget for Fiscal Year 2014-15

Introduction

The NW 7th Avenue Corridor Community Redevelopment Agency (CRA) was created by the Miami-Dade County Board of County Commissioners (BCC) in 2004. On March 16, 2004, the BCC adopted Resolution R-293-04, establishing the boundaries of the CRA and declaring the area to be slum or blighted and in need of redevelopment as per Florida Statutes, Chapter 163. Subsequently, on June 22, 2004, the Board approved the CRA's Community Redevelopment Plan (Plan) pursuant to Resolution R-780-04 and the funding of the Plan when it enacted Ordinance No. 04-124 (Trust Fund).

The original Redevelopment Plan called for the development of a new car automotive retail marketing, sales, and distribution center, commonly referred to as the "automall" as the primary redevelopment project. On December 7, 2005, the Developer, Potamkin Development I-95 LLC, decided to discontinue the negotiations. On February 21, 2012, the CRA Board adopted a revised Redevelopment Plan, and on September 6th, 2012 the Miami-Dade County Board of County Commissioners adopted the revised redevelopment plan. Approval of the revised Redevelopment Plan extended the boundaries of the redevelopment area and broadened the redevelopment strategy for the area.

Upon creation of the CRA, the BCC appointed itself as the CRA Board of Commissioners. On February 7, 2006, the BCC adopted Ordinance 06-18, establishing a citizen's Board of Commissioners for the CRA and delegating certain redevelopment powers to that Board. During Fiscal Year 2008-09, seven citizens were appointed to the CRA Board.

Revenues

The Agency's primary revenue source consists of tax increment revenues generated in the CRA Area from Countywide and Unincorporated Municipal Service Area (UMSA). In Fiscal Year 2014-15 those revenues are \$225,130 and \$93,111 respectively. Additional revenues of \$6,000 are projected from interest earnings. A total of \$2,253,240 has been carried over from the prior fiscal year.

Expenditures

Proposed administrative expenditures in FY 2014-15 total \$186,500 and include direct support from County staff (\$85,000), an economic development coordinator position (\$72,000), printing and publishing (\$10,000), advertising and notices (\$8,000), and educational seminars (\$10,000). Administrative costs represent 15 percent of total funds contemplated to be spent in this budget, excluding the 1.5 percent County Administrative Charge (\$4,774).

Proposed operating expenditures total \$1,265,795 and include:

Commercial Improvement Program (\$600,000)

The Commercial Improvement Program (CIP) funds improvements such as façade, lighting, landscaping, correction of code violations, interior improvements, building improvements to include sewer connections. In conversations with the community, the CRA Board decided to mirror a similar program that Miami-Dade County uses for commercial type improvement activities.

Residential Improvement Program (\$50,000)

The Residential Improvement Program will be an incentive program designed to encourage private investment from property owners for general exterior and on-site improvements and other aesthetics to

eliminate slum and blight. Improvements will include landscaping, correction of code violations, and general improvements to the property. Funding for residents will be provided based on the submission of a grant application by the homeowner for the subject property, and awards will be based on the merit of the submitted application.

Existing Business Enhancement Program (\$230,000)

The Existing Business Enhancement Program (Business Innovation Investment Grant Program) is designed to support growth and expansion of established businesses in the CRA, as well as encourage outside businesses to locate within the CRA boundaries by assisting with their capital investments. The grants under this program will be used to assist businesses invest in new equipment and technology. The program aims to create or retain jobs in the area and enhance the skill level of those jobs.

Safety and Security Initiatives (\$100,000)

This program is intended to deter crime from the area and provide a safe environment for businesses and residents. The program will include either providing a private security patrol, an agreement with the Police Department to patrol the corridor, or monitored camera surveillance for business in the redevelopment area.

New Business Incentive Program (\$25,000)

The New Business Incentive Program is a new program being developed to help encourage new businesses in the CRA area. This program will fund expenses associated with the establishment of a new business. The CRA Board has directed County staff to find programs that may already exist and explore the mechanics of a program that helps fund initial expenses like franchise fees, permitting fees, or any other financial roadblock a new business owner may face.

Landscaping/Streetscaping (\$163,000)

The CRA may provide landscape improvements throughout the CRA area within the right of way.

Legal Services (\$20,000)

Legal services to the CRA are provided by the Miami-Dade County Attorney's Office.

Marketing and Outreach (\$100,000)

The marketing and outreach program will fund events that create the opportunity to promote the businesses in the CRA area and provide much needed services to the areas residents.

Meeting Room Expenses (\$2,000)

To cover costs associated with the CRA monthly meetings.

State Fee and Memberships (\$795)

The NW 7th Avenue Corridor CRA Board adopted the attached FY 2014-15 Budget on September 22, 2014.
