**Date:** July 7, 2015

**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

SPAGO  
Agenda Item No. 3B

**From:** Carlos A. Gimenez  
Mayor

**Subject:** Lease Agreement with the City of Miami for the Manuel Arttime Community Center Located at 970 SW 1 Street, Miami, Florida, Offices 303, 304, 307, 400, 401, 402, 403, and 407 - Lease No. 01-4138-003-1200-L01

## Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution, which authorizes the execution of the attached Lease Agreement between Miami-Dade County (County) and the City of Miami (Landlord). More specifically, the resolution does the following:

- Authorizes the leasing of approximately 4,811 square feet of air conditioned office space at the Manuel Arttime Community Center, 970 SW 1 Street, Miami, Florida, specifically Offices 303, 304, 307, 400, 401, 402, 403, and 407, for the Community Action and Human Services Department, Accion Community Service Center; and
- Authorizes a lease term from the effective date through September 30, 2018, plus two (2) additional five-year renewal option periods.

## Scope

The property is located in County Commission District 5, which is represented by Commissioner Bruno A. Barreiro.

## Fiscal Impact/Funding Source

The fiscal impact for the first year of the initial lease term will be \$83,463.91. This amount is comprised of \$72,159.00 in annual base rent (\$15.00 per square foot), \$8,418.55 for janitorial and custodial services and a \$2,886.36 lease management fee that the Community Action and Human Services Department shall pay the Internal Services Department. The lease management fee is four (4) percent of the annual base rent. The total projected fiscal impact for the initial lease term, plus the two (2) additional five-year renewal option terms, is estimated to be \$1,308,899.05, which factors in a three (3) percent annual rental increase. Community Services Block Grant funds from the Community Action and Human Services Department's budget will cover the cost of the Lease Agreement.

## Track Record/Monitor

The County has no record of negative performance issues with the Landlord. The Lease Agreement was prepared by the Internal Services Department on behalf of the Community Action and Human Services Department. Dirk Duval, of the Real Estate Development Division in the Internal Services Department, is the lease monitor.

## Delegation of Authority

Authorizes the County Mayor or the County Mayor's designee to execute the attached Lease Agreement and exercise all rights conferred therein.

## Background

The Accion Community Service Center is currently located at 858 West Flagler Street, Miami, Florida. The Community Action and Human Services Department has the need to relocate from its current location due to building maintenance issues and recurring vandalism and has prioritized staying within the current neighborhood.

The Manuel Artime Community Center is located one (1) block south of the current location. The Community Action and Human Services Department requires use of the facility to provide community services, including, but not limited to, citizenship classes, computer training, adult arts and craft classes, employment preparation and training and referral programs, for the general welfare and more particularly, for improvement of the target community (i.e., children, seniors, and families), most of whom reside within walking distance of the Center. There is currently no County-owned space in the neighborhood to relocate the delivery of these services. Therefore, the Manuel Artime Community Center is the recommended location for these services.

Additional lease details are as follows:

CITY REPRESENTATIVES: Mark Burns, Department of Real Estate Asset Management, City of Miami, Florida.

LEASE TERM: From effective date through September 30, 2018, plus two (2) additional five-year renewal option periods. Therefore, if the two (2) option periods are exercised, the total term of the lease would be less than 14 years.

EFFECTIVE DATES: Commencing on the first day of the month following the effective date of the resolution approving the Lease Agreement and terminating September 30, 2018.

RENTAL RATE: Currently, the Community Action and Human Services Department pays \$88,740.00 (\$13.69 per square foot) in annual rent at 858 West Flagler Street, Miami, Florida. In addition to the base rent, the Community Action and Human Services Department pays approximately \$1.25 per square foot in operating expenses at 858 West Flagler Street, which includes all utilities, waste disposal, janitorial, and custodial services.

The annual rent for the first year of the lease at the Manuel Artime Community Center will be \$72,159.00, which is approximately \$15.00 per square foot. The annual rent shall increase by three (3) percent per year pursuant to Article III of the Lease Agreement.

LEASE CONDITIONS: The Landlord's responsibilities include maintenance of the air conditioning system, payment of utilities, and trash disposal services. The County's responsibilities include the installation and maintenance of phone and data equipment as well as security.

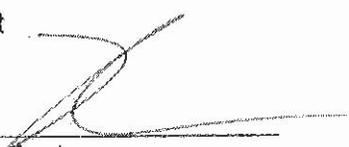

CANCELLATION PROVISION: Either the County or Landlord may cancel at any time by giving the non-canceling party 180 days written notice prior to the effective date of the cancellation.

OTHER PROPERTIES  
EVALUATED:

2190 West Flagler Street, Miami, Florida – \$19.00 per square foot on an annual basis for a modified gross lease, plus electricity, and a prorated share of the building's real estate taxes and insurance.

466 NW 22 Avenue, Miami, Florida – \$22.50 per square foot on an annual basis for a gross lease, plus a prorated share of the building's operating expenses, which are estimated to be \$5.00 per square foot on an annual basis.

6.1 Hazardous Materials

The Tenant shall, at its sole cost and expense, at all times and in all respects comply with all federal, state and local laws, statutes, ordinances and regulations, rules, rulings, policies, orders and administrative actions and orders regarding hazardous materials under the control of Tenant or its agents ("Hazardous Materials Laws"), including, without limitation, any Hazardous Materials Laws relating to industrial hygiene, environmental protection or the use, storage, disposal or transportation of any flammable explosives, toxic substances or other hazardous, contaminated or polluting materials, substances or wastes, including, without limitation, any "Hazardous Substances", "Hazardous Wastes", "Hazardous Materials" or "Toxic Substances", under any such laws, ordinances or regulations (collectively "Hazardous Materials"). in accordance and compliance with all applicable Hazardous Materials Laws. The Landlord acknowledges that it is not the intent of this Article VII to prohibit the Tenant from operating the Property for the uses described in Section 2.1 of this Lease entitled "Purpose". The Tenant may operate according to the custom of the industry so long as the use or presence of Hazardous Materials is strictly and properly monitored according to, and in compliance with, all applicable governmental requirements. The requirements of this section shall survive the expiration or termination of this Lease.

The Landlord represents that:

- (i) To the best of its knowledge there are no environmental violations, whether under federal, state, or local laws, existing on the Property;
- (ii) To the best of its knowledge there are no Hazardous Materials presently existing on the Property.

## ARTICLE VII ALTERATIONS AND IMPROVEMENTS

### 7.1 Alterations

The Tenant shall have access to the Property and/or the Area ("Possession Date") on the Effective Date of the Lease to make any necessary alterations and improvements. Except in the event of an emergency, Tenant shall not make any repair or alteration required or permitted to be performed by Tenant without first receiving the written approval of the Director of Public Facilities ("Director"), which approval may be conditioned or withheld for any or no reason whatsoever, including a condition to pay additional fees if such alteration will affect the cost of services being provided by the Landlord. If Landlord approves such request, no repair or alteration shall be commenced until plans and specifications thereof shall have been submitted to and approved by the City Manager. Tenant acknowledges that any approval given by the City Manager pursuant to this Section shall not constitute an opinion, approval, or agreement by the Landlord that the plans and specifications are structurally sufficient or in compliance with any laws, codes or other applicable regulations.

In the event of an emergency, Tenant may reasonably proceed to perform such repair work and shall immediately notify the Landlord of such work.

## 7.2 Liens

Tenant, at its expense and with due diligence and dispatch, shall secure the cancellation or discharge of or bond off same in the manner permitted by law, all notices of violations arising from or otherwise in connection with Tenant's improvements or operations in the Area which shall be issued by any public authority having or asserting jurisdiction. Tenant shall promptly pay its contractors and materials men for all work and labor done at Tenant's request. Should any such lien be asserted or filed, regardless of the validity of said liens or claims, Tenant shall bond against or discharge the same within fifteen (15) calendar days of Tenant's receipt of notice of the filing of said encumbrance. In the event Tenant fails to remove or bond against said lien by paying the full amount claimed, Tenant shall pay the Landlord upon demand any amount paid out by Landlord, including Landlord's costs, expenses and reasonable attorneys' fees. Subject to the limitations of Florida Statue Section 768-28, Tenant further agrees to hold Landlord harmless from and to indemnify the Landlord against any and all claims, demands and expenses, including reasonable attorney's fees, by reason of any claims of any contractor, subcontractor, material man, laborer or any other third person with whom Tenant has contracted or otherwise is found liable to, in respect to the Area. Nothing contained in this Lease shall be deemed, construed or interpreted to imply any consent or agreement on the part of Landlord to subject the Landlord's interest or estate to any liability under any mechanic's or other lien asserted by any contractor, subcontractor, material man or supplier thereof against any part of the Area or any of the improvements thereon and each such contract shall provide that the contractor must insert a statement in any subcontract or purchase order that the contractor's contract so provides for waiver of lien and that the subcontractor, material man and supplier agree to be bound by such provision.

## 7.3 Personal Property

The Tenant shall have the right to remove any personal property that it places in or on the Property. The Tenant may provide additional equipment and personal property necessary for its operation at the Property. All equipment and personal property provided or used by the Tenant at the Property shall be of good quality and suitable for its purpose. Any such equipment and/or personal property valued over five hundred dollars (\$500.00) will be tagged and inventoried. Any equipment of Tenant shall be donated to the Landlord immediately upon purchase and must contain a decal and/or property control number and added to the list of inventory. The Tenant's
