R-915-04, AFTER A PUBLIC HEARING; AND WAIVING REQUIREMENTS OF IMPLEMENTING ORDER 3-47 REGARDING ADDING NEW PROJECTS TO THE BOND PROGRAM USING SURPLUS FUNDS

WHEREAS, pursuant to Resolution No. R-915-04 (the “Public Safety Resolution”), the voters of Miami-Dade County approved the issuance of general obligation bonds in a principal amount not to exceed \$341,087,000 to construct and improve detention centers, justice centers, courthouses, police, fire and lifeguard stations, and new animal care and control facilities; and

WHEREAS, Appendix A to the Public Safety Resolution lists projects eligible for funding from the Building Better Communities General Obligation Bond Program (the “Bond Program”) by project number, municipal project location, Commission district, project name, project description, street address and allocation; and

WHEREAS, one of the projects listed in Appendix A to the Public Safety Resolution is Project No. 180 – “Additional Courtrooms and Administration Facilities”, a Countywide project with a municipal project location and street address listed as “TBD” or “to be decided”, a project description that provides “Expansion of court facilities in accordance with the master plan,” and an original allocation of \$90,000,000 (“Project No. 180”); and

WHEREAS, approximately \$12,000,000 of Project No. 180's allocation amount has been allocated to the Joseph Caleb Center Tower renovation for eligible improvements; and

WHEREAS, approximately \$78,000,000 of Project No. 180's allocation amount remains available for allocation to eligible capital projects; and

WHEREAS, the Miami-Dade County Courthouse, located at 73 West Flagler Street (the "1928 Courthouse"), is over 80 years old and the aging structure is experiencing corrosion, rust, water intrusion, algae and mold penetration, termites, poor air quality, and potential asbestos exposure; and

WHEREAS, the deteriorating condition of the 1928 Courthouse may create hazards to the life, health and safety of judges, employees, and visitors to the 1928 Courthouse; and

WHEREAS, this Board desires to provide safe and adequate facilities for the administration of justice in Miami-Dade County and therefore desires to perform emergency capital repairs to correct or repair any hazardous conditions that exist; and

WHEREAS, on December 4, 2014 this Board unanimously adopted Resolution No. 1084-14, which resolution provided that if the County Mayor in consultation with the County Building Official determines that evidence of a condition exists that creates a hazard to the life, health, or safety of the judges, employees or visitors at the 1928 Courthouse, the Mayor or his designee shall immediately close all or portion of the 1928 Courthouse and correct or repair the hazardous condition using Bond Program funds, if such funds are available for such use; and

WHEREAS, accordingly, this Board wishes to make Bond Program funds available to fund emergency capital repairs needed to correct or repair any hazardous condition that may arise at the 1928 Courthouse; and

WHEREAS, this Board therefore desires to approve a significant modification to Project No. 180 to reduce the original allocation by \$30,000,000 for a new Project No. 180 allocation of \$60,000,000 and to declare the \$30,000,000 as “surplus funds” (as such term is defined in Implementing Order 3-47 (“IO 3-47”)); and

WHEREAS, IO 3-47 sets forth a process for the allocation of surplus funds to existing and new Bond Program projects; and

WHEREAS, IO 3-47 requires that prior to adding a new project to the Bond Program, the Board must consider certain factors, including that all projects have been completed or all the necessary funding for all projects have been identified to the satisfaction of the Board and that the new project is ready to proceed; and

WHEREAS, in order to add Project No. 351 - “Emergency Capital Repairs to the Miami-Dade County Courthouse” to the Bond Program as a new project to Appendix A to the Public Safety Resolution, this Board wishes to waive the requirements of IO 3-47 regarding the addition of new projects to the Bond Program using surplus funds; and
