Subject: Contract Award Recommendation in the Amount of \$422,009.49 to Highway Striping, Inc. for the People's Transportation Plan Project Entitled Pavement Markings Installation; and Authorizing the Use of Charter County Transportation System Surtax Funds for such purposes

Recommendation

The attached Contract Award Recommendation for the People's Transportation Plan (PTP) project entitled *Pavement Markings Installation* (Project MCC 7040 Plan - CICC 7040-0/07 Request for Price Quotation (RPQ) No. 20140136) in the amount of \$422,009.49 to Highway Striping, Inc., was prepared by the Public Works and Waste Management Department (PWWM) and is recommended for approval by the Board of County Commissioners (BCC).

This Contract Award Recommendation is placed for Committee review pursuant to Miami-Dade County Code Section 29-124(f). This Contract Award Recommendation may only be considered by the BCC if the Citizens' Independent Transportation Trust (CITT) has forwarded a recommendation to the BCC prior to the date scheduled for BCC consideration or forty-five (45) days have elapsed since the filing with the Clerk of the Board of this contract award recommendation. If the CITT has not forwarded a recommendation and forty-five (45) days have not elapsed since the filing of this award recommendation, I will request a withdrawal of this item.

Scope

The work to be performed under this Contract includes pavement markings installations within Commissioner Daniella Levine Cava's District 8; Commissioner Dennis C. Moss' District 9; and Commissioner Juan C. Zapata's District 11.

Fiscal Impact/Funding Source

The fiscal impact will be approximately \$422,009.49 and will be funded from the Charter County Transportation Sales Surtax. The base contract amount is \$362,954.90, with the total amount being inclusive of contingency and dedicated allowance amounts. There is no fiscal impact to operations or maintenance.

The proposed improvements qualify under the allowable work categories included in the PTP Neighborhood Improvements Section. The funding index code for this Project is CPEPTP00PAVM (FY 2013-14 Adopted Capital Budget Project No. 606910).

Delegation of Authority

No additional authority is being requested within the body of this Contract.

Track Record/Monitor

Highway Striping, Inc., is performing work for PWWM at a satisfactory level. The Capital Improvements Information System (CIIS) database lists nine (9) awarded construction contracts from each of the following departments:

- one (1) from Parks, Recreation and Open Spaces, and
- seven (7) from PWWM.

The referenced database also lists a total of 12 contractor performance evaluations (several contracts having two (2) evaluations on file, an interim and a project closeout) with an overall performance rating of 3.7 (satisfactory performance) out of a possible 4.0 (superior performance) rating. The Small Business Development Division (SBD) History of Violation's report lists no violations for this contractor.

According to the Florida Department of State, Division of Corporations, the Highway Striping, Inc., Company Principal is Julio C. Nieto and the Company's address is listed as 10724 SW 188 Street, Miami, Florida 33157.

Following PWWM's standard operating procedures after award of this Contract, a pre-construction meeting will be scheduled. The person responsible for all PTP projects in PWWM is Mr. Alejandro Martinez-Esteve, RA, LEED AP, Manager, Capital Improvements Section. Following completion of the award process, the project will be assigned to Mr. Joaquin Rabassa, Project Coordinator, for the day-to-day responsibilities.

Background

As part of the PTP Neighborhood Improvements initiative, PWWM continues to take advantage of various contracting mechanisms such as the Miscellaneous Construction Contracting process available under the MCC 7040 Program. Through this process, PWWM forwards a Request for Price Quotation by way of facsimile transmission to a pool of pre-qualified Community Small Business Enterprise (CSBE) contractors for the respective trade. Additionally, all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project's award evaluation is based upon the bid submitted by the lowest responsive, responsible bidder for the project.

PWWM staff determined that the scope of work for this project qualified for a CSBE set-aside (Levels I, II, and III). A Community Workforce Program Goal is not applicable to this project. On August 28, 2014, PWWM forwarded RPQ No. 20140136 utilizing the MCC 7040 Plan - CICC 7040-0/07 Contract to a list of 236 pre-qualified firms. A total of one (1) firm purchased contract documents and one (1) firm proffered a bid.

On October 1, 2014, Highway Striping, Inc. proffered the lowest responsive and responsible base bid of \$362,954.90, seven (7) percent below the County's cost estimate. Based on the result of the solicitation, PWWM issued a recommendation for award on October 7, 2014 for RPQ No. 20140136 to Highway Striping, Inc., with the stipulation that approval for this project must be obtained from the CITT and the BCC.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment, and tools to provide pavement markings and signage improvements. The work includes marking and remarking of existing streets and bike lanes at designated sites within the Miami-Dade County maintenance road system.

Re: **Recommendation for Award**
Request for Price Quotation (RPQ) No. 20140136 (MCC 7040 Plan)
People's Transportation Plan Pavement Markings Installation

Dear Mr. Nieto:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Wednesday, October 1, 2014. The total RPQ amount is for four hundred twenty-two thousand nine dollars and forty-nine cents (\$422,009.49). This includes a base contract amount of three hundred sixty-two thousand nine hundred fifty-four dollars and ninety cents (\$362,954.90), a contingency amount of thirty-six thousand two hundred ninety-five dollars and forty-nine cents (\$36,295.49), and dedicated allowances totaling twenty-two thousand seven hundred fifty-nine dollars and ten cents (\$22,759.10). The contract duration is established as **365-calendar days**. However, the recommendation of award is contingent upon the submission of the required items listed below:

1. Performance and Payment Bond as required in Contract No. MCC 7040 Plan, Section 2.0 Special Conditions, Page 16, Article 2.11, **PERFORMANCE AND PAYMENT BOND**. (The **original attached documents** must be used and three (3) sets must be provided).
2. Letter from Bonding Agent granting Miami-Dade County authorization to date the Performance Bond.
3. Copies of current insurance certificates.
4. Copies of required license(s).

The preceding documents are required as outlined within Contract MCC 7040 Plan and to be submitted within 10 business days. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded.

Subsequent to the review and approval of the aforementioned documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work. No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s).

This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and Inspections and in accordance with all applicable Federal, State and local laws, codes and regulations.

Additionally, please be advised that your firm must have the resources to ensure work proceeds without delay once the "Notice to Proceed" is issued. Lack of equipment, personnel or additional contracts with similar completion schedules, will not be reason for delay.

Further, since proceeds from the Charter County Transportation System Sales Surtax levied pursuant to Section 29.121 of the Code of Miami-Dade County may be used to pay for all or some part of the cost of this contract, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until the Citizens' Independent Transportation Trust (CITT) and the County Commission have approved the award of the contract, and such award becomes final (either by expiration of 10 days after such award without veto by the Mayor, or by Commission override of a veto).

Should you have any questions please contact me at (305) 375-2930.

Sincerely,

Alejandro Martinez-Esteve, RA, LEED AP
