**Date:** March 17, 2015

**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor

**Subject:** Resolution Authorizing American Shuttle, Inc., D/B/A SuperShuttle, Providing Exclusive Demand Shared Ground Transportation Services at Miami International Airport to Charge a Premium Fare for Luxury Van Services

Agenda Item No. 8(A)(1)

## RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing American Shuttle, Inc., (American Shuttle) D/B/A SuperShuttle, who has the Exclusive Demand Shared Ground Transportation Services Agreement (Agreement) at Miami International Airport (MIA), to charge a premium fare for luxury van exclusive demand services.

## SCOPE

MIA is located primarily within Commissioner Rebeca Sosa's District 6; however, the impact of this item is countywide as MIA is a regional asset.

## FISCAL IMPACT/FUNDING SOURCE

This is a revenue generating agreement for the Miami-Dade Aviation Department (MDAD). American Shuttle's contract requires a Minimum Annual Guarantee (MAG) payment to the County of \$783,137.50 (\$65,261.45 per month) or 6.4 percent of American Shuttle's total monthly gross revenues, whichever is greater. Currently, American Shuttle is paying the County \$792,535.00. As luxury van service is a new service, MDAD cannot estimate the additional revenue that this service could generate.

## TRACK RECORD/MONITOR

American Shuttle has a good track record with the MDAD. American Shuttle's payments to the airport are current. The MDAD Project Manager is Mark Mitros.

## COMPLIANCE DATA

There is no history of violations for this firm in the County's Small Business Development database. American Shuttle has two (2) Airport Concession Disadvantage Business Enterprise subcontractors and the company is compliant with all Federal regulations.

## DELEGATION OF AUTHORITY

The County Mayor or County Mayor's Designee, pursuant to Sec 5.05 of the Agreement, is authorized to execute documents needed to American Shuttle Inc. to charge a premium fare, in accordance with the fare schedule attached as Exhibit A, for exclusive demand shared ground transportation services provided via luxury vans which meet the minimum requirements of the Agreement; the County Mayor or County Mayor's Designee is further authorized to provide for escalation of such premium fare pursuant to the existing escalation clause of the Contract and is authorized to enforce all terms of the Agreement with respect to such premium fare, including cancellation provisions.

## BACKGROUND

On November 15, 2011, the Board approved R-952-11, which awarded American Shuttle the Agreement for a term of five (5) years with one (1) three-year option to extend. American Shuttle was the sole responder to the solicitation, which had a MAG of \$504,000.00, the same amount as the MAG

for the previous contract. American Shuttle's bid was \$783,137.50, which later increased to the current amount of \$792,535.00 due to the Consumer Price Index.

American Shuttle staffs and operates kiosks along the curbside of MIA's arrival section and facilitates transportation services to and from MIA. Initially, American Shuttle met strong competition from SuperShuttle, which was internationally recognized and benefitted from a strong customer base. Approximately six (6) months after initiation of the contract, American Shuttle purchased SuperShuttle assets and began operations at MIA under the SuperShuttle name.

The demand for luxury transportation available curbside at MIA continues to increase. The desirability of providing more curbside transportation options has been repeatedly requested and has become more evident as the number of 4 and 5-star hotels in Miami-Dade County continues to grow. Unlicensed transportation network company operators, which operate as on-demand service as they are summoned via phone application upon arrival at MIA, are currently benefiting from the increasing demand for transportation alternatives. These operators compete against permitted ground transportation companies that pay to operate at the airport. American Shuttle pays the highest MAG ever paid in Miami-Dade County for exclusive demand shared-ride van service and is facing unfair competition by unlicensed operators.

Per Section 5.05 of the Agreement, American Shuttle may request the County to have additional fare classifications; in this case American Shuttle wishes to charge a premium fare for luxury van service, if approved by the Board. This item authorizes a new fare schedule, as outlined on Exhibit A of this item, for luxury transportation utilizing luxury vans, such as Mercedes vans. The luxury vans must meet all existing requirements in the Agreement, including the requirement that all vans have a minimum rated passenger capacity of ten persons.

This new service is in response to increased customer demand for transportation alternatives and the availability of luxury transportation at MIA's curbside. MIA, as a world class airport serving a world class city, can improve the passenger experience by providing an added transportation alternative at its lower level curb.
