WHEREAS, Building No. 25 has since been relocated to County-owned land near Zoo Miami and the Gold Coast Railroad Museum for use as the Miami Military Museum, which land is commonly referred to as the "Gold Coast Railroad Museum Park"; and

WHEREAS, this Board approved, via Resolution No. R-33-12, a License Agreement with the Friends of the Military Museum of South Florida at NAS Richmond, Inc. d/b/a Miami Military Museum and Memorial (“4M”) for its use of a small section of the Gold Coast Railroad Museum Park from which to operate the Miami Military Museum; and

It is expressly understood and agreed that neither the Property, License Area nor any real or personal property is being leased to LICENSEE under this Amended Agreement, that the intent and effect of the transaction authorized in this Amended Agreement is for any and all purposes a License and not a Lease, that LICENSEE's right to use the License Area and operate the License Area hereby granted shall continue only so long as LICENSEE shall comply strictly and promptly with each and all of the undertakings, provisions, covenants, Agreements, stipulations and conditions herein contained. LICENSEE agrees not to represent itself as an agent or associate of the COUNTY or any unit thereof.

A. The LICENSEE shall, in each instance of a proposed subcontract, give written notice of its intention to subcontract, to the COUNTY at least ninety (90) days or more before the proposed effective date of any such proposed subcontract, specifying in such notice what the LICENSEE proposes to contract, the proposed date thereof, and specifically identifying the proposed subcontracting entity, and such notice shall be accompanied by executed copies of the proposed subcontract document, current financial statements and the names, addresses, business entity number and the principals of the proposed subcontracting entity. Examples of subcontracts that would be deemed to be directly related to military museum functions include those for small concessions to provide for the sale of drinks, snacks, souvenirs and/or informational books and videos to museum visitors.
- C. Upon receipt of said written notice under paragraph 1.7.B, the COUNTY shall contact the National Park Service to seek the National Park Service's concurrence that the proposed subcontract is in compliance with the terms, conditions, covenants and restrictions contained in the Quitclaim Deed. In this event, the LICENSEE reserves the right to approach the COUNTY in the future with a proposal for the use of federal historic tax credits and to seek approval of same from the proper authority or agency of the United States. In no event shall the application for, approval of, or use of federal historic tax credits be permitted, authorized, or approved if doing so would cause or result in a breach of the terms, conditions, covenants and restrictions in the Quitclaim Deed or POU by any party to this Amended Agreement or any other party or entity.

1.8. Attachments: The Attachments listed in this Paragraph and attached to this Amended Agreement are hereby incorporated in and made a part of this Amended Agreement:

2.1 Use: Except when and to the extent that the License Area may be untenable by reason of damage by fire or other casualty, LICENSEE shall, after beginning initial Military Museum operation, continuously and uninterruptedly use, occupy and operate for purposes outlined herein all of the License Area. LICENSEE shall have on the License Area adequately trained personnel for efficient service to customers. LICENSEE shall notify COUNTY in writing when

LICENSEE has sufficiently adapted the Museum Building to a point where public visitation can take place and Military Museum operations will commence.

2.2 Limitations on Use: LICENSEE shall use and operate the Museum Building, the Military Museum, and the License Area and any part thereof, in a manner which would not, in any way, (i) violate any legal requirements or insurance requirements; (ii) cause structural injury to the License Area or Park property or any part thereof; (iii) constitute a public or private nuisance; (iv) impair the appearance of the License Area or Gold Coast Railroad Museum; (v) impair or interfere with the cleaning, heating, ventilating or air-conditioning of the License Area or the proper and economic functioning of any other area within the Park; (vi) impair or interfere with any of the other users of the License Area; (vii) breach, cause the COUNTY to breach, or result in a breach by the COUNTY or any other person or entity of the terms, conditions, covenants, or restrictions contained in the Quitclaim Deed or the POU; or (viii) impair, violate, or breach any of the LICENSEE's obligations under this Agreement.

2.3 Governmental Approvals: If any governmental license or permit shall be required for the proper and lawful conduct of LICENSEE's business in the License Area, or any part thereof, or if failure to secure such license or permit would in any way adversely affect the COUNTY or the COUNTY's continued ownership of the Property, LICENSEE, at its expense, shall duly procure and thereafter maintain such license or permit and submit the same to inspection by the COUNTY. LICENSEE shall at all times comply with the terms and conditions of each such license or permit.

2.4 Right of Entry: The COUNTY shall have the right to enter the License Area, subject to a prior call to the site manager 24 hours before the visit, as well as in emergency circumstances, whether or not during normal business hours, to examine same and to make such repairs, alterations, replacements, or improvements as the COUNTY deems necessary. Notwithstanding the foregoing, the COUNTY assumes no obligation to make repairs in the License Area other than those expressly provided for in this Agreement. The COUNTY agrees, however, that any such repairs, alterations, replacements, or improvements shall be made with

minimum amount of inconvenience to LICENSEE and that the COUNTY will diligently proceed therewith to completion.

During the one hundred and eighty (180) days prior to the expiration of the term of this Agreement, the COUNTY may show the License Area to prospective licensees.

Article 3

3.1 Percentage of Monthly Gross Receipts: LICENSEE shall pay COUNTY an amount equal to eight percent (8%) of all "adjusted gross receipts", paid monthly. Said monthly receipts are to be paid on a monthly basis to the PROS.

3.2 Adjusted Gross Receipts. The term "adjusted gross receipts" as used in this Agreement means all monies owed or paid to or in consideration of determinable value received by the LICENSEE for services, admissions, merchandise and other transactions made by the LICENSEE, its subcontractors or concessionaires, regardless of when or where the order therefore is received, or the goods delivered, or services rendered, or in consideration of any other thing of value, less:

- A. Any taxes imposed by law which are separately stated to and paid by a customer and directly payable to a taxing authority.
- B. Refunds on sales.
- C. Cash or non-cash items received in connection with promotional programs for the Park, including barter and discounts, provided such promotional programs are primarily for the purpose of Park promotion and not direct production of revenue, but not to exceed thirty percent (30%) of cash revenues.
- D. Employee meals sold at a discount.
- E. Approved sales of fixtures, trade fixtures and personal property other than in the ordinary course of business.

F. Grants, bequests and donations of money, services or railroad paraphernalia, historical memorabilia, and other related non-earned receipts. Such grants, bequests and donations of money must be approved by the COUNTY in writing if the donation of money is to be considered excluded from the adjusted gross receipts.

3.3 Additional Taxes: If at any time during the term of this Agreement, including any renewal thereof, under the laws of the State of Florida, or any political subdivision thereof, a tax, charge, capital levy, or excise on rents (fixed minimum or additional) or percentage fees, or other tax (except income tax), however described, against the COUNTY on account of the rent or percentage fees payable herein, such tax, charge, capital levy, or excise on rents or other taxes shall be deemed to constitute real estate taxes on the License Area and the premises for the purposes of this Paragraph.

3.4 Taxes on LICENSEE's Personal Property: LICENSEE shall be responsible for and shall pay before delinquency all municipal, county, or state taxes assessed against any occupancy interest or personal property of any kind, owned by or placed in, upon or about the License Area by LICENSEE.

3.5 Late Payment Charge: In the event that the LICENSEE fails to make any payments on time, as required to be paid under the provisions of this Agreement, a penalty at the rate of 1.5% per month or any portion of a month shall accrue from the due date, against the delinquent payment(s) until same is paid. The right of the COUNTY to require payment of such late payment charge and the obligation of the LICENSEE to pay same shall be in addition to and not in lieu of the rights of the COUNTY to enforce other provisions herein, including termination of this Agreement, or pursuing other remedies provided by law.

3.6 Application of Payments: Payments by the LICENSEE to the COUNTY are applied to any unpaid balance in the following manner. Any accrued late fees are first deducted from the payment. The remaining payment balance is then applied proportionately to the Percentage of Monthly Adjusted Gross Receipts and the associated sales and use tax. Any remaining balance

in the payment will be applied to any other "Additional Rents" which are any monies due to the COUNTY above and beyond Percentage of Monthly Adjusted Gross Receipts.

3.7 Worthless Check or Draft: In the event that the LICENSEE delivers a dishonored check or draft to the COUNTY in payment of any obligation arising under this Agreement, the LICENSEE shall incur and pay to the COUNTY a service charge of \$10.00 or five percent (5%) of the face amount of the check, whichever is greater. For each such dishonored check, such payment and service charge shall be made within five (5) days from written notice of such default. Further, in such event, the COUNTY may require that future payments required pursuant to this Agreement be made by cashier's check or other means acceptable to the COUNTY. A second such occurrence of dishonored check or draft during the Agreement term will constitute a default allowing termination of this Agreement by the COUNTY.

3.8 Payment. The Percentage of Monthly Adjusted Gross Receipts payable by LICENSEE to the COUNTY herein shall be payable in twelve (12) equal monthly installments on the first day of each month during the term of this Agreement. Such payments, as well as other amounts payable by LICENSEE to the COUNTY under this Agreement, all of which shall be deemed to be Additional Rent for the purposes of collection only herein, shall be paid promptly when due, without notice for any reason whatsoever and without abatement, except as hereinafter provided. Percentage of Monthly Adjusted Gross Receipts shall be paid to the COUNTY on or before the 15th day following the end of each month during the term of this Agreement and on or before the 15th day of the month following the expiration or earlier termination of this Agreement. All rental and percentage fees provided for in this Agreement shall be submitted to:

Miami-Dade Park and Recreation Department

Finance Division

275 N.W. 2nd Street, 3rd Floor

Miami, FL 33128

(Checks shall be made payable to the "Miami-Dade County Parks, Recreation and Open Spaces").

3.9 Accord and Satisfaction: No payment by LICENSEE or receipt by COUNTY of a lesser amount than any payment of Percentage of Monthly Adjusted Gross Receipts herein stipulated shall be deemed to be other than on account of the earliest stipulated Percentage of Monthly Adjusted Gross Receipts then due and payable, nor shall any endorsement or statement on any check or any letter accompanying any check or payment for Percentage of Monthly Adjusted Gross Receipts be deemed an accord and satisfaction. The COUNTY may accept such check or payment without prejudice to COUNTY's right to recover the balance of such Percentage of Monthly Adjusted Gross Receipts or to pursue any other remedy provided in this Agreement, by law or in equity.

3.10 Gross Receipts:

A. Agreement Year Defined: "Contract Year" means a twelve-month period beginning on the Commencement Date of this Agreement.

B. Gross Receipts Defined: "Gross Receipts" means all receipts from the sale of services or merchandise by LICENSEE and sub-LICENSEE(s) of LICENSEE, sold in, upon or from the License Area, including such sales as shall in good faith be credited by LICENSEE and sub-LICENSEEs in the regular course of its or their business to personnel employed at the time of sale at the License Area, and mail and telephone orders received at the License Area and off-premises sales, but shall not be deemed to mean or include the following: amounts paid to the LICENSEE by sub-LICENSEEs in excess of percentage fees paid directly to the COUNTY by the sub-LICENSEE; amounts credited by LICENSEE or its sub-LICENSEEs for returned or defective merchandise; sales, excise and similar taxes; goods provided to the COUNTY or LICENSEE employees at its cost (plus shipping and handling charges); any credit card merchant or bank transaction processing fees levied, upon the transaction and remitted as such by LICENSEE; the proceeds of sales of LICENSEE's trade fixtures, operating equipment or other property used by LICENSEE or its sub-LICENSEEs in the operation of its business and not acquired or held by it for the purpose of sale. Sales shall be deemed to have been made when services or merchandise has been served, shipped or

delivered or when charged against the purchaser on the books of LICENSEE, or its sub-LICENSEEs, whichever of such events shall first occur.

- C. LICENSEE's Certification of Receipts: LICENSEE shall submit to COUNTY on or before the 15th day following the end of each month during the term of this Agreement and on or before the 15th day of the month following the expiration or earlier termination of this Agreement, a written statement, signed by LICENSEE and certified by it to be true and correct, showing the amount of Adjusted Gross Receipts during the preceding month. LICENSEE shall submit to COUNTY on or before the 60th day following the end of each Contract Year an Annual Written Statement, signed by Owner, CEO, or Financial Officer of the LICENSEE and certified by it to be true and correct, setting forth the amount of Adjusted Gross Receipts during the preceding Contract Year, which statement shall also be duly certified by an independent Certified Public Accountant. The statements referred to herein shall be in such form and style and contain such details and breakdowns as COUNTY may reasonably determine or require.
- D. Examination of LICENSEE's Books and Records: Such books and records as are necessary to determine the amount of any Percentage of Monthly Adjusted Gross Receipts payable to COUNTY shall be subject to examination by COUNTY or its authorized representatives at reasonable times during LICENSEE's business hours, at COUNTY's expense and in such manner as not to interfere unreasonably with the conduct of LICENSEE's business.
- E. LICENSEE's Receipts Records: For the purpose of computing and verifying the Percentage of Monthly Adjusted Gross Receipts due hereunder, LICENSEE shall prepare and keep, for a period of not less than three (3) years following the end of each Agreement Year, adequate books and records, including but not limited to those relating to inventories, purchases, and receipts of merchandise, and all sales and other pertinent transactions by LICENSEE. LICENSEE shall record at the time of sale each receipt from sales or other transactions, whether for cash or on credit, in one or more sealed cash register or registers

having a cumulative total. LICENSEE shall keep, for at least three (3) years following the end of each Agreement Year, all pertinent original sales records, which records shall include (i) cash register tapes; (ii) serially-numbered sales slips; (iii) mail orders; (iv) telephone orders; (v) settlement report sheets of transactions with subtenants, LICENSEEs, and LICENSEEs; (vi) records showing that merchandise returned by customers was purchased by such customers; (vii) receipts or other records of merchandise taken out on approval; (viii) income and sales tax returns; and (ix) such other records which would normally be examined and required to be kept by an independent accountant pursuant to generally accepted auditing standard in performing an audit of LICENSEE's Adjusted Gross Receipts. The acceptance by COUNTY of payments of Percentage of Monthly Adjusted Gross Receipts or reports thereon shall be without prejudice and shall in no case constitute a waiver of COUNTY's right to examination of LICENSEE's books and records of its Adjusted Gross Receipts and inventories of merchandise.

F. Audit of LICENSEE's Business Affairs and Records: COUNTY shall have the right to cause, upon five (5) days written notice to LICENSEE, a complete audit to be made by a designated external auditing firm or other certified public accounting firm selected by the COUNTY, or the Audit and Management Services Department of the COUNTY. LICENSEE shall make all such records available for said examination at the License Area or at some other mutually agreeable location. If the result of such audit shall show that LICENSEE's statement of Adjusted Gross Receipts for any period has been understated, LICENSEE shall pay COUNTY the amount due. If such understatement is three percent (3%) or more, LICENSEE shall pay COUNTY the cost of such audit in addition to any deficiency payment required, plus ten percent (10%) of any such deficiency, all of which shall be collectible hereunder as rent. A report of the findings of said accountant shall be binding and conclusive upon COUNTY and LICENSEE. The furnishing by LICENSEE of any grossly inaccurate statement may constitute a default of this Agreement as determined by the COUNTY. If LICENSEE fails to record, maintain, or make available sales supporting

22

documentation as specified above, LICENSEE shall be deemed to be in default of this Agreement.

3.11 County Approval: Prior to commencing Museum operations, the LICENSEE shall notify the COUNTY in writing, at least one-hundred and twenty (120) days in advance, of its intent to commence operations and request COUNTY approval of its plan for operating the License Area ("Operating Plan"). Once operational, the LICENSEE shall notify and request COUNTY approval of any substantial changes to the Operating Plan or any changes to the LICENSEE or License Area.

Further it is understood by the LICENSEE that should the COUNTY disapprove of any Operation Plan items the LICENSEE may offer alternative solutions. The COUNTY reserves the right with stated just cause to require the LICENSEE to change within a stated time any and all items it deems in need of change, despite previous approval of same.

3.12 LICENSEE's Employees and Personnel: LICENSEE's employees in contact with the public shall (a) perform their duties in an efficient and courteous manner, (b) be courteous and cooperative and present a neat, clean and professional appearance, and (c) be able to understand and communicate in spoken English. Failure of a LICENSEE's employee to do so shall be grounds for the COUNTY to find LICENSEE in default of this Agreement. LICENSEE's employees will not be considered agents of the COUNTY.

LICENSEE's employees shall all be in full compliance with Ordinance 08-07, Chapter 26-38 of the County Code, whereby all LICENSEE employees shall all have a national criminal background check by a Professional Background Screener to prepare a report to insure that no worker, vendor or staff member or volunteer is listed on the National Sex Offender Public Registry. This background check shall be performed every three (3) years thereafter. Upon notice of evidence that any staff member has been found not in compliance with Chapter 26-38, LICENSEE will immediately take the necessary action to prohibit their return to the property.

The LICENSEE shall provide the Department with the name and telephone number of a contact

Sufficient LICENSEE staff shall be available to provide outstanding service. Hours of operation should generally be consistent with that of Zoo Miami.

3.14 Pricing: LICENSEE shall establish and maintain a pricing schedule that will be provided to the COUNTY prior to commencement of operations. If the LICENSEE wishes to change its standard prices, LICENSEE will provide to the COUNTY a schedule of such proposed changes not later than thirty (30) days prior to the intended implementation date, for approval or disapproval by the COUNTY, at any time during this Agreement Term when price changes are contemplated. Pricing for special events or services shall be expeditiously approved/disapproved by the Department.

With the exception of those signs or sign structures that the COUNTY requests to retain, all signs shall be removed by the LICENSEE at the termination of this License Agreement and any damage or unsightly condition caused to premises because or due to said signs shall be satisfactorily corrected or repaired by the LICENSEE. Notwithstanding the above, the LICENSEE shall have the right to place signage on the Building signifying it as the occupant.

4.2 Quality of LICENSEE's Service: The LICENSEE shall conduct its operations in an orderly

24

manner and so as not to annoy, disturb, or be offensive to customers, patrons, or others in the immediate vicinity of such operations. The LICENSEE shall control the conduct, demeanor and appearance at all times or on-site of its officers, members, employees, agents, representatives, and upon objection of the COUNTY concerning the conduct, demeanor or appearance of any such person, LICENSEE shall immediately take all necessary steps to correct the cause of such objection. LICENSEE shall take good care of said premises, shall use the same in a careful manner and shall, at its own cost and expense, keep, maintain, and repair and, upon the expiration of this Agreement or its termination in any manner, shall deliver said premises to the COUNTY in the same condition as at the commencement of this Agreement, with the exception of loss by fire or other casualty and normal wear and tear. LICENSEE shall furnish good, prompt and efficient service, adequate to meet all reasonable demands. Therefore, it is expressly understood and agreed that said operation shall not interfere in any manner with the use of public areas or infringe upon the normal method of operations of any other parties authorized to conduct business at or near the Gold Coast Railroad property. The LICENSEE agrees that a determination by the COUNTY will be accepted as final in evaluating whether LICENSEE's activities infringe on the rights of others as described above and that LICENSEE will fully comply with any decisions on this matter.

All furnishings, fixtures and equipment acquired for the License Area shall be of a high quality as good as or better than that found at other COUNTY Licensed Areas. During the term of this Agreement, title to all other improvements constructed outside of the Museum Building elsewhere in the License Area by the COUNTY, or constructed using COUNTY funds, shall immediately vest with the COUNTY, and all improvements purchased or constructed by the LICENSEE in this License Area (with the exception of the Museum Building) using private funds shall immediately vest with the COUNTY. Notwithstanding the foregoing, military artifacts and exhibit displayed throughout the License Area will remain owned by the party that procured them. Upon the expiration or earlier termination of this Agreement for any reason, all existing and subsequently installed fixtures, equipment, improvements and appurtenances attached to or built into the License Area in such a manner as to become part of the freehold, whether or not by or at the expense of LICENSEE, shall become and remain a part of and be surrendered with the License Area to the COUNTY.

Any furniture, furnishing, equipment or other articles of movable personal property owned by LICENSEE and located in the License Area, shall be and shall remain the property of LICENSEE and may be removed by it at any time during the term of this Agreement so long as LICENSEE is not in default of any of its obligations under this Agreement, and the same have not become a part of the freehold, and so long as such does not materially affect LICENSEE's ability to use the License Area and conduct its business as required herein. However, if any of LICENSEE's property is removed and such removal causes damage to the License Area, LICENSEE shall repair or pay the cost of repairing any damage to the License Area resulting from such removal. Any property belonging to LICENSEE and not removed by LICENSEE at the end of the Agreement including any renewal or extension period, shall, at the election of the

COUNTY, be deemed to be abandoned by LICENSEE, and the COUNTY may keep or dispose of such property and restore the premises to good order within ten (10) days after vacating property therefore. At the end of the Agreement including any renewal or extension period, LICENSEE shall deliver to the COUNTY the keys and combinations to all safes, cabinets, vaults, doors and other locks left by LICENSEE on the License Area.

4.8 At any time during the term of the Agreement, but only after the LICENSEE has completed all building restoration to the Museum Building and made it fully operational, the LICENSEE may request that the COUNTY assume ownership of the Museum Building. If the COUNTY agrees to accept the conveyance of the Museum Building pursuant to terms and conditions acceptable to the COUNTY, the LICENSEE shall convey the Museum Building by deed or bill of sale, as solely determined by the COUNTY. Any such conveyance will be presented to the Board of County Commissioners ("Board") for its approval and acceptance. **Security and Protection:** The LICENSEE acknowledges and accepts full responsibility for the security and protection of its equipment, other personal property and money used in connection with the requirements of this Agreement. The COUNTY makes no warranties as to any obligation to provide security for the License Area or LICENSEE. LICENSEE may provide its own specialized security for the License Area, subject to the COUNTY's written approval, or work with existing security systems already provided within the Zoo Miami area. Absence of said LICENSEE security measures shall not create any security obligation on behalf of the COUNTY.

To the extent that such utility charges are not separately metered, LICENSEE agrees to pay LICENSEE's pro-rata share thereof, as determined by the COUNTY. In the event of a dispute between the parties regarding the amount of any utility or service provided by the COUNTY and not separately metered, the COUNTY and the LICENSEE shall have the right to engage a registered Professional Engineer to compute LICENSEE's utility usage, and determine an equitable utility charge to LICENSEE based upon such usage.

The work of such repairs, alterations, or improvements shall be performed with reasonable diligence. The COUNTY shall in no respect be liable for any failure of the utility companies or governmental authorities to supply utility service to LICENSEE or for any limitation of supply resulting from governmental orders or directives. No diminution or abatement of rent or other charges, nor damages, shall be claimed by LICENSEE by reason of the COUNTY's or other individual's interruption, curtailment or suspension of a utility service, nor shall this Agreement or any of LICENSEE's obligations hereunder be affected or reduced thereby.

At the time that such determination is made, the COUNTY shall issue to the LICENSEE a written notice advising of such determination and citing the circumstances therefore. Such notice shall also advise the LICENSEE that there shall be no further notice or grace periods to correct any subsequent breaches or defaults and that any subsequent breach(s) or default(s), of whatever nature, taken with all previous breaches and defaults, shall be considered cumulative and, collectively, shall constitute a condition of non-curable default and grounds for immediate termination of this Agreement. In the event of any such subsequent breach or default, COUNTY may cancel this Agreement upon the giving of written notice of termination to the LICENSEE, such cancellation to be effective upon the tenth (10) day following the date of receipt thereof and all payments due hereunder shall be payable to said date, and the LICENSEE shall have no further rights hereunder. 7.4 Termination of Agreement: Following the termination of this Agreement the LICENSEE, within fifteen (15) calendar days, or earlier if determined by the COUNTY, shall forthwith remove

all of its personal property not acquired under the terms of this Agreement. LICENSEE shall also be liable for any expenses including attorney's fees and cost incurred by the COUNTY in prosecuting any action against LICENSEE following unapproved item removal described above. LICENSEE shall also be liable to the COUNTY for any expenses incurred by the COUNTY in replacing any items wrongfully removed by LICENSEE. It is the intention of the parties to this Agreement that all furnishings and equipment purchased or leased by the LICENSEE except those permanently affixed to buildings, as defined under the laws of the State of Florida, shall be the personal property of the LICENSEE.

7.5 Holding Over: If LICENSEE remains in possession of the License Area after the expiration of the term of this Agreement, or any renewal or extension period, without a new Agreement reduced to writing and duly executed and delivered (even if LICENSEE shall have paid, and COUNTY shall have accepted, rent in respect to such holding over), LICENSEE shall be deemed to be occupying the License Area only as a LICENSEE from month-to-month, subject to all covenants, conditions, and Agreements of this Agreement unless the COUNTY elects to negotiate said covenants, conditions and Agreements. If LICENSEE fails to surrender the License Area upon the termination of this Agreement, then LICENSEE, in addition to any

liabilities to COUNTY accruing there from, shall indemnify and hold harmless the COUNTY and its assigns and agents from loss or liability resulting from such failure, including, without limiting the generality of the foregoing, any claims made by any succeeding LICENSEE on such failure. The COUNTY Mayor or designee is granted authority to negotiate changes in contracts, permits and concessions that are about to expire to assure that the COUNTY does not lose revenue opportunities due to delays in obtaining a successor contract, permit or concession. Where the Board of County Commission approval or action is required to effectuate such changes, the County Mayor shall submit same to the Commission at the next available Commission meeting.

7.6 Lien: The COUNTY may lien personal property of the LICENSEE on the License Area to secure the payment to the COUNTY of any unpaid money accruing to the COUNTY under the terms of this Agreement.

7.7 Limiting Legislative or Judicial Action: In the event that any municipal, county (including Miami-Dade County), state, or federal body of competent jurisdiction passes any law, ordinance, or regulation in any way restricting or prohibiting the use of the LICENSEE for the purposes of this Agreement, this Agreement will be terminate and unenforceable by any party to this Agreement and the COUNTY shall have no further liability under this Agreement. The parties acknowledge that any of the obligations in this Agreement will survive the term, termination and cancellation hereof. Accordingly, the respective obligations of the Contractor and the COUNTY under this Agreement, which by nature would continue beyond the termination, cancellation or expiration thereof, shall survive termination, cancellation or expiration hereof.

In the event that a referendum vote of the electorate of Miami-Dade County in any way restricts or prohibits the use of the LICENSEE for the purposes of this Agreement, this Agreement will be terminated and unenforceable by any party to this Agreement and the COUNTY shall have no further liability under this Agreement. If the COUNTY deems the Agreement terminated by function of this Paragraph, the COUNTY will not be liable to the LICENSEE for damages arising there from and the COUNTY shall have no further liability under this Agreement.

7.8 Non-Discrimination: LICENSEE does hereby for itself, its personal representatives,

successors in interest, and assignors, as part of the consideration hereof, covenant and agree that:

- A. The LICENSEE shall not discriminate against any "employee", "tenant," "person." etc. on the basis of race, color, religion, ancestry, national origin, sex, pregnancy, age, disability, marital status, familial status, sexual orientation, gender identity or gender expression, or status as victim of domestic violence, dating violence stalking, residency within or outside Miami-Dade County, or handicap shall be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the use of said License Area, except as provided by law.
- B. That in the construction of any improvements on, over, or under such land and the furnishings of services thereon, no person on the ground of race, color, religion, national origin, sex, sexual orientation, age, residency within or outside Miami-Dade County, or handicap shall be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination, except as provided by law.
- C. That the LICENSEE shall use the premises in compliance with all other requirements imposed by or pursuant to Title 45, Code of Federal Regulations, Article 80, Non-discrimination under programs receiving Federal Assistance through the Health, Education and Welfare Act - Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

That in the event of breach of any of the above non-discrimination covenants, the COUNTY shall have the right to terminate the Agreement and re-enter and repossess said License Area thereon and hold the same as if said Agreement had never been made or issued. This provision shall not be effective, where applicable, until the procedures of Title 45, Code of Federal Regulations, Part 80, are followed and completed including exercise or expiration of appellate rights.

LICENSEE shall not discriminate against any employee or applicant for employment in the performance of the Agreement with respect to hiring, tenure, terms, conditions, or privileges

of employment because of age, sex, physical handicap (except where based on a bona fide occupational qualification), marital status, color, religion, national origin, or ancestry.

7.9 No Waiver of Right to Enforce: The waiver by COUNTY of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, or any subsequent breach of the same or any other term, covenant, or condition herein contained. The subsequent acceptance of Percentage of Monthly Adjusted Gross Receipts hereunder by COUNTY shall not be deemed to be a waiver of any preceding breach by LICENSEE of any term, covenant, or condition of this Agreement, other than the failure of LICENSEE to pay the particular Percentage of Monthly Adjusted Gross Receipts so accepted, regardless of COUNTY's knowledge of such preceding breach at the time of acceptance of such Percentage of Monthly Adjusted Gross Receipts. No covenant, term, or condition of this Agreement shall be deemed to have been waived by the COUNTY, unless such waiver is not in writing by COUNTY, nor there any accord and satisfaction unless expressed in writing and signed by both COUNTY and LICENSEE.

7.10 Rules and Regulations: The LICENSEE shall observe, obey, and comply with all rules and regulations adopted by the COUNTY and all laws, ordinances and/or rules and regulations of other governmental units and agencies having lawful jurisdiction, which may be applicable to LICENSEE's operations under this Agreement. Failure to do so will constitute a breach of this Agreement.

- 7.17 No Partnership or Agency:** The COUNTY and the LICENSEE are independent entities and the officers, employees, and agents of one are not, and shall not represent themselves to be, officers, employees, or agents of the other. This Agreement does not constitute and shall not be represented to constitute a partnership between the COUNTY and the LICENSEE.
- 7.18 Venue:** Any litigation between the COUNTY and the LICENSEE relating in any way to this Agreement shall be brought and presented exclusively in a Court located in Miami-Dade County, Florida and shall be governed by Florida Statutes.

Attachment 4
Development Rider
Miami Military Museum and Memorial

This Development Rider is attached to and hereby made a part of the Agreement covering certain premises at the location above (the "Park") as provided in Exhibit 3 of the Agreement, Miami Military Museum and Memorial. Words and phrases used in this Development Rider shall have the same meaning as in the Agreement unless specifically provided otherwise. If there is any conflict between the provisions of this Development Rider and the provisions of the terms and conditions of the Agreement, the terms and conditions of the Agreement will prevail.

I. CONSTRUCTION OF IMPROVEMENTS ON THE PREMISES

For the purposes of this Development Rider, Improvements shall mean the structure or public utility or any other installation or physical change made to the Facility to increase its value and utility or to improve its appearance. The Improvements the Contractor constructs at the premises shall be constructed in accordance with the provisions of this Agreement and such costs associated with the Improvements shall be limited to the requirements defined in Florida Statute 255.20 section (1). Where required by the County, at its sole discretion, any design and/or construction review or oversight of Improvements provided by the County will be reimbursed by the Licensee at its sole cost. Such reimbursements shall be limited to direct and indirect costs of County staff who are required to review and approve Improvements for the County.

A. Conceptual Plans. The Department shall have 60 days from receipt of the Conceptual Plan to review the Conceptual Plans and to solicit input from other government agencies in order to provide feedback to the Park regarding the general aesthetics, layout, traffic and pedestrian flow, site orientation and design of the proposed Improvements.

B. Sustainable Buildings Program. The Contractor shall cooperate and shall cause its subcontractors and subconsultants to cooperate with the County's Sustainability Manager incorporating green

building practices into the planning and design of the Facility, pursuant to County Ordinance Number 07-65 concerning the County's Sustainable Buildings Program. The Contractor shall cause each of its subcontracts to include a provision that the subcontractor and/or subconsultant:

1. shall comply with all requirements of the County's Sustainable Building Program;
2. shall maintain all files, records, accounts of expenditures for contractor's or consultant's portion of the Project;
3. that such records shall be maintained within Miami-Dade County; and
4. that County shall have access thereto as provided in this Agreement.

C. Preliminary Plans and Specifications. Within 90 days after the Department notifies Contractor that the Department has approved the Conceptual Plan or provided notification to Contractor detailing required modifications, Contractor, at its cost, shall prepare and deliver to the Department five (5) "Preliminary Plans," including one Mylar set (A CADD file may be submitted in lieu of the Mylar set) for the construction of the Improvements at the Premises prepared by an architect or engineer licensed to practice as such in Florida, which Preliminary Plans shall include and show, without limitation, preliminary grading and drainage plans, soil tests, utilities, sewer and service connections, locations of ingress and egress to and from the Park, curbs, gutters, parkways, lighting, design and locations for outdoor signs, storage areas, landscaping, and structures all sufficient to enable reasonably accurate cost estimates and to enable the Department to make an informed judgment about the design and quality of construction and about any effect the Facility shall have on the Park. Such Preliminary Plans shall be based on Conceptual Plans previously submitted by Contractor to the Department. The Project shall be constructed within the exterior property lines of the Premises; provided that required work beyond the Premises or utilities, access and conditional use requirements will not violate this provision. The Facility shall be aesthetically and functionally compatible with the setting of the Park.

Within 60 days after the Department receives Preliminary Plans as required in the preceding paragraph, the Department shall either approve of them or deliver to Contractor specific

corrective comments. The Department shall not be unreasonable in exercising its approval rights hereunder. Contractor shall exercise reasonable diligence in attempting to resolve any objections by the Department to the Preliminary Plans.

If the parties are unable to resolve any objections by the Department to the Preliminary Plans within 30 days after Contractor has received the Department's objections, the Department shall have the right to terminate the Agreement upon notice to the other party, the parties being thereafter relieved of any liability hereunder and under the Agreement.

D. Final Plans. Within 90 days after the Preliminary Plans and specifications are approved between the parties, the Contractor, at its cost, shall prepare and deliver to the Department five (5) sets of Final Plans, including one Mylar set or CADD file, and specifications and working drawings ("Final Plans") covering the Project, which Final Plans must be consistent with the approved Preliminary Plans and signed and sealed by an architect or professional engineer licensed to practice as such in Florida. The Final Plans and all associated addenda and attachments shall be incorporated to the Agreement by reference.

E. Permits. Not later than the date that Contractor receives the Department's approval of the Final Plans as required in this Section, Contractor shall commence seeking from all governmental agencies having jurisdiction over the Park and the Facility all such required permits, and Contractor shall exercise due diligence in attempting to obtain such permits.

Subject to the timing requirements contained in the next paragraph, the obtaining of any such permits shall not be considered as complete until any review and/or appeal is final by the highest body authorized to determine same or until the time for such appeal or review has expired, whichever date is later. If suit or other proceedings are brought to invalidate any permit, the obtaining of the permits shall not be considered as complete until final judgment, decree, or other appropriate decision has

been entered and the time for appeal there from shall have expired, or if any appeal has been taken, until the appeal has final determinations.

If Contractor is unable to obtain such permits within 120 days from the date Contractor delivers copies of the Final Plans to the Department as herein required, the Department shall have the right to terminate the Agreement upon notice to the other party. If Contractor is unable to obtain such permits within such period of time due solely to delays beyond the reasonable control of Contractor including, without limitation, acts of God, inclement weather, and like matters as mutually agreed between the Contractor and the Department, such period of time may be extended by the Department up until such permits have been obtained. However, if such permits are not obtained within 270 days from the date Contractor delivers copies of the Final Plans to the Department, notwithstanding the reason therefore, or by such deadline as parties may reasonably agree the Department shall have the right to terminate the Agreement upon notice to the other party.

When Contractor obtains all such permits it shall deliver copies of them to the Department.

F. Commencement and Completion of Construction of the Project. Within 30 days from the date that the Department receives copies of the permits and authorizations regarding construction of the Project, which permits and authorizations shall be delivered to the Department within 3 business days of receipt by the Contractor, the Department shall deliver a Notice to Proceed with Construction and shall turn over possession of the Facility to Contractor, and Contractor shall, without delay, pursue commencement of construction and diligently pursue completion thereof. The construction of the Project shall be in accordance with the Final Plans. The Final Plans shall not be changed and/or modified without the Department's approval, which approval shall not be unreasonably withheld or delayed. The Department's approval shall not be deemed as a substitute for approval from any agency which issues permits and whose approval of modifications may be required.

All work in connection with the construction of the Project shall be performed in conformity with the Final Plans and shall comply with all applicable governmental permits, authorizations and laws.

Contractor will permit unobstructed inspection by the Department's staff to determine compliance with the approved plans and specifications throughout construction.

The Contractor nor its subcontractors shall discriminate against any employee or applicant for employment to be employed in the performance of the contract with respect to his/her hire, tenure, terms, conditions or privileges of employment, or any matter directly or indirectly related to employment because of age, sex or physical handicap except where based on a bona fide occupational qualification; or because of marital status, race, color, religion, national origin or ancestry. All construction contracts between the Contractor and its subcontractors shall include the above non-discrimination provisions.

Contractor agrees that construction of the Project shall be completed within an agreed upon number of days from the date Contractor was provided possession of the Facility for construction. However, both parties agree that Contractor's obligation to commence construction of the Project and diligently pursue completion thereof is subject to delays resulting from causes beyond the reasonable control of Contractor including, without limitation, acts of God, inclement weather, and like matters.

Upon completion of construction of the Project, Contractor shall, at its cost, obtain a survey of the Facility and deliver to the Department "as built" drawings, including copies all of CADD drawing, accurately reflecting the Project at the Park. Both parties agree to execute and attach to the Agreement, a new Exhibit B showing the exact location of the Facility at the Park.

G. Provisions Applicable during Construction of Project In addition to the other provisions of the Agreement, the following provisions shall be applicable during the period of time that Contractor constructs Project:

1. Contractor shall notify the Department of Contractor's intention to commence construction of the Project at least twenty (20) days before the delivery of the Notice to Proceed by the Department.

2. All construction shall be performed by licensed contractors approved by the Department. Contractor shall furnish the Department with a true copy of Contractor's contract with the general contractor showing a breakdown of costs. Such contract shall give Contractor the right, but not the obligation, to assume the general contractor's obligations and rights under that contract if the general contractor should default.

3. During the construction of the Improvements, the Department or its designee shall periodically inspect the construction to ensure conformity with the approved improvement documents, and any changes thereto requested by the Contractor and approved by the Department in writing.

4. During subsequent construction of significant improvements, a Project Manager ("PM") for the Department may be assigned and shall be responsible to attend weekly/monthly construction meetings and periodically inspect and review the progress of construction to ensure adequate performance and conformity with the approved plans. Any changes requested by the Contractor must be in writing and approved by the Department prior to implementation. The Lessee shall at its sole cost remit to the County a fee for the PM to cover such project management costs.

H. Construction Bonds:

1. At least ten (10) days prior to any construction work on the Premises is commenced, or prior to the purchase of any materials, equipment or supplies for construction, the Contractor shall deliver to the County and record in the public records of Miami-Dade County, Florida, a payment and performance bond with a surety insurer authorized to do business in the State of Florida as a surety in the full amount of the construction cost of the Improvements. Such bond shall be in the form provided and attached hereto as part of the Development Rider, and shall name the Contractor as the principal and the County as the obligee.

2. Surety Bond Qualifications: The following specifications shall apply to bid, performance, payment, maintenance, and all other types of bonds.

A. All bonds shall be written through surety insurers authorized to do business in the State of Florida as surety, with the following qualifications as to management and financial strength according to the latest edition of Best's Insurance Guide, published by A.M. Best Company, Oldwick, New Jersey:

<u>Bond Amount</u>	<u>Best's Rating</u>
500,001 to 1,500,000	B V

2,500,001 to 5,000,000	A VII
5,000,001 to 10,000,000	A VIII
Over 10,000,000	A IX

On bond amount of 500,000 or less, the provisions of Section 287.0935, Florida Statutes (1985) shall be in effect and surety companies not otherwise qualifying with this paragraph may optionally qualify by:

1. Providing evidence that the surety has twice the minimum surplus and capital required by the Florida Insurance Code at the time the invitation to bid is issued,
2. Certifying that the surety is otherwise in compliance with the Florida Insurance Code, and
3. Providing a copy of the currently valid Certificate of Authority issued by the United States Department of the Treasury under ss. 31 U.S.C. 9304-9308.

B. Surety insurers shall be listed in the latest Circular 570 of the U.S. Department of the Treasury entitled "Surety Companies Acceptable on Federal Bonds", published annually. The bond amount shall not exceed the underwriting limitations as shown in this circular.

C. The attorney-in-fact or other officer who signs a Contract Bond for a surety company must file with such bond a certified copy of his power of attorney authorizing him to do so. The Contract bond must be countersigned by the surety's resident Florida Agent.

The Contractor may in lieu of a surety bond, submit a cash bond, conditioned upon the faithful performance of the work in strict accordance with this Contract and with the

Plans and Specifications and the completion of the same free from all liens and within the time limit herein specified; the said Bond shall be so worded as to make the Contract a part thereof and shall contain a clause providing the right of suit or action for whose benefit said bond shall be executed as disclosed by the text of said Bond and Contract to the same extent as if he or they were the obligee or obligee therein specifically mentioned, and all such persons shall be held or deemed to be obligee thereof.

Florida Statutes 255.05 provide for the following conditions to be made in all Performance and Payment Bonds relating to public projects:

"A claimant, except a laborer, who is not in privity with the Principal and who has not received payment for his labor, materials, or supplies shall, within forty-five (45) days after beginning to furnish labor, materials, or supplies for the prosecution of the work, furnish the Principal with a notice that he intends to look to the bond for protection."

"A claimant who is not in privity with the Principal and who has not received payment for his labor, materials, or supplies shall, within ninety (90) days after performance of the labor or after complete delivery of the materials or supplies, deliver to the Principal and to the Surety written notice of the performance of the labor or delivery of the materials or supplies and of the non-payment."

"No action for the labor, materials, or supplies may be instituted against the Principal or the Surety unless both notices have been given. No action shall be instituted against the Principal or the Surety on the bond after one (1) year from the performance of the labor or completion of delivery of the materials or supplies."

3. The bonds shall provide the following, without limitation:

a. That a payment bond in an amount not less than the cost of construction of the Project is obtained that is conditioned to secure the completion of the Project free from

all liens and claims of contractors, subcontractors, mechanics, laborers and materialmen in substantially the form attached hereto;

b. That a performance bond in an amount not less than the cost of construction of the Project is obtained that insures that the construction work shall be effected by the general contractor or, on their default, the surety in substantially the form attached hereto; and,

c. That the surety will defend and indemnify Miami-Dade County and Contractor against all loss, cost, damage, expense and liability arising out of or connected with the construction of the Project, up to the maximum bond requirement amount.

4. In the event that, for any reason, either or both of the Contractor's Payment and Performance bonds lapse or are held to be no longer valid or enforceable before the satisfaction of any and all claims by material men, laborers, subcontractors, or any suppliers of any kind, the Contractor shall pay all such claims, and indemnify, defend, and hold the County harmless against such claims.

I. Prior to the commencement of construction. Contractor shall provide or cause its subcontractors to provide an original policy for Builders Risk/Installation Floater on an "All Risk" basis in an amount not less than one hundred percent (100%) of the insurable value of the building(s) or structure(s) or material(s). The policy shall be in the name of Miami-Dade County and the Contractor as their interests may appear. This insurance is to be maintained until substantial completion of the work, as determined by the Department.

(This insurance is in addition to the insurance required elsewhere).

THIS RESTRICTIVE COVENANT is hereby entered into this _____ day of _____, 20_____, by **Miami-Dade County, Florida**, hereinafter referred to as "the Land Owner"; **Friends of the Military Museum of S FLA**, hereinafter referred to as "the Grantee;" and the State of Florida, Department of State, Division of Cultural Affairs, hereinafter referred to as the "Division".

WHEREAS, the Land Owner is the fee simple title holder of the land located **Gold Coast Railroad Museum Park, 12450 SW 152nd Street, Miami, Florida 33176**. A legal description of the subject property is attached as Exhibit A and is made a part of this covenant.

WHEREAS, the Grantee has a license from the Land Owner to place a military museum building and associated exhibits on the land for **30 years beginning January 24, 2012**, but owns or will own the building(s) used or to be used as a cultural facility. "Facility" refers herein to the building(s) and associated land to be used as the "cultural facility," as defined herein.

WHEREAS, the Grantee has been approved to receive a Construction Grant in the amount of **\$1,075,000.00**, to be administered by the Division and used only for the acquisition, renovation, and construction of the cultural facility as required by Section 265.701(1), Florida Statutes.

WHEREAS, the Division has authority under Section 265.701(4), Florida Statutes, to require the recordation of this restrictive covenant to ensure that the facility will be used as cultural facility, as defined herein, for at least ten (10) years following execution of the grant award agreement.

NOW THEREFORE, in partial consideration for the Cultural Facilities Grant and in accordance with Section 265.701(4), Florida Statutes, the Parties agree to the following:

1.) This restrictive covenant shall run with the title to the facility and the associated land, shall encumber them, and shall be binding upon the Grantee, the Land Owner, and their successors in interest for the period of (10) ten years following execution of the grant award agreement.

2.) The grant award shall only be expended for: **Project Title: Military Museum and Memorial of South Florida (15-9913)**

3.) For the required duration of this covenant, the Parties agree that the Grantee shall own all improvements to the facility and the Land Owner shall own the associated land, funded in whole or in part by grant funds

5.) The facility shall be maintained as a "cultural facility," defined as a building which shall be used primarily for the programming, production, presentation, exhibition or any combination of the above functions of any of the cultural disciplines, such as: music, dance, theatre, creative writing, literature, painting, sculpture, folks arts, photography, crafts, media arts, and historical and science museums."

6.) - a. If the violation occurs within five (5) years following the execution of the grant award agreement, 100% of the grant amount;
- b. If the violation occurs more than five (5) but less than six (6) years following execution of the grant award agreement, 80% of the grant amount;
- c. If the violation occurs more than six (6) but less than seven (7) years following execution of the grant award agreement, 65% of the grant amount;
- d. If the violation occurs more than seven (7) but less than eight (8) years following execution of the grant award agreement, 50% of the grant amount;
- e. If the violation occurs more than eight (8) but less than nine (9) years following execution of the grant award agreement, 35% of the grant amount; and

8.) If the entire amount due under the paragraph (6) is not repaid by the Grantee within the time allotted, the Parties agree that the Division may obtain a stipulated judgment against the Grantee for the amount due plus interest at the current legal rate, and record it in the public records of the county where the property is located. The Parties further agree that such a judgment shall be a stipulated judgment by virtue of full execution of this restrictive covenant; that it shall not require further approval of the Grantee or the Land Owner to obtain; and that no trial or hearing shall be necessary to make such a stipulated judgment legally effective. Such a stipulated judgment, when recorded, shall be considered a valid lien upon the Grantee's interest in the facility, including improvements to the facility, funded in whole or in part by grant funds.

9.) As a condition to receipt of grant funds, the Grantee shall:

- a. Record this covenant in the public records with the Clerk of the Circuit Court of Miami-Dade County, Florida;
